Table Structure: Range A Step 1 (A1) is increased annually by the same cost of living adjustment (COLA) for regular employees provided that COLA does not exceed 90% of CPI and the resulting rate is not less than the Washington State Minimum wage. Otherwise, the City Manager will make a recommendation considering the totality of the circumstances. Ranges and steps are mathematically derived from A1, 4.5% apart vertically and 2.5% apart horizontally except for range ZA.							
Approval of Position Placement within the Table: Human Resources recommends and the City Manager approves placement of a position within the pay table.							
Approval of the Table Rates: The City Manager recommends and the City Council approves the table when adopting the budget. A rate in excess of range ZA Step 6 requires City Council approval.							
Implementation: An employee that works in a job classification that provides year-round service and who has not had a break in service and whose pay prior to implementation 5/10/2015 exceeds step 6, shall be Y-Rated. A break in service is defined as terminating employment or not working any hours for four consecutive pay periods.
