To: All potential submitters to the RFQ for Construction Management Services.

From: Jill Marilley - City Engineer

ADDENDUM #1

RFQ: Construction Management Services – Aurora Corridor Improvement Project (N 145th Street – N 165th Street) and Interurban Trail Pedestrian & Bicycle Crossing.

RFQ NUMBER: 3074

Statement of Qualifications DUE: October 26, 2004, 4:00 PM

NOTICE TO ALL potential submitters:

The RFQ documents for the above named project are modified as described below. Offerors shall take this Addendum into consideration when preparing and submitting their proposal.

Offerors shall acknowledge receipt of this Addendum in their cover letter of interest when submitting their proposal. Failure to acknowledge receipt of this addendum may subject the Offeror to disqualification of their proposal.

The RFQ documents are modified as follows:

1. The City has posted electronic copies of the draft 90% design plans and specs (for the Aurora Corridor Improvement Project and Interurban Trail Pedestrian & Bicycle Crossing) on the Builders Exchange of Washington web site for viewing (**note that these are draft plans and specs – not to be used for construction**). Physical copies of these draft plans and specs are also available at the City of Shoreline for viewing only (no copies or copying available).

The electronic documents can be accessed at the Builders Exchange web site, www.bxwa.com, and are available to view at no charge. Go to the Builders Exchange web site and install "Fastbid." Once loaded, go to "Posted Projects," then "Public Works," then "City of Shoreline."

2. A physical copy of the Draft Geotechnical Data Report is available for viewing only at the City of Shoreline. Go to the City Hall Annex (1110 N 175th Street, Shoreline, WA 98133), Suite 107, and ask to view the Aurora Corridor Project Draft Geotechnical Data Report.

END OF ADDENDUM NO. 1
