

# City Council Workplan 2001-2002

**Guiding Principle:**  *To continually improve the quality and value of services and facilities provided by the City to all of our citizens and customers.*

**Goal No. 1** [REDACTED]

- Work towards completion of the Aurora Corridor
- and Interurban Trail projects

**Goal No. 2** [REDACTED]

- Improve parks, streets, sidewalks and drainage systems by
- completing the adopted Capital Improvement Program

**Goal No. 3** [REDACTED]

- Implement the economic development program

**Goal No. 4** [REDACTED]

- Develop a water quality and environmental program
- to comply with state and federal regulations (ESA)

**Goal No. 5** [REDACTED]

- Adopt a gateway master plan to enhance community identity

**Goal No. 6** [REDACTED]

- Adopt a plan for City Hall

**Goal No. 7** [REDACTED]

- Emphasize and enhance two-way communication
- with our residents, businesses and customers

**Goal No. 8** [REDACTED]

- Support and pursue King County's proposed improvements to
- the solid waste transfer station to mitigate its impact on the
- community and improve operations
