

AGENDA

SHORELINE CITY COUNCIL SPECIAL MEETING

Monday, July 27, 2015
5:15 p.m.

City Hall Lobby · Shoreline City Hall
17500 Midvale Avenue North

TOPIC/GUESTS: City Projects Tour

SHORELINE CITY COUNCIL BUSINESS MEETING

Monday, July 27, 2015
7:00 p.m.

Council Chamber · Shoreline City Hall
17500 Midvale Avenue North

	<u>Page</u>	<u>Estimated Time</u>
1. CALL TO ORDER		7:00
2. FLAG SALUTE/ROLL CALL		
(a) Proclamation of National Night Out Against Crime	<u>2a-1</u>	
3. REPORT OF THE CITY MANAGER		
4. COUNCIL REPORTS		
5. PUBLIC COMMENT		
<i>Members of the public may address the City Council on agenda items or any other topic for three minutes or less, depending on the number of people wishing to speak. The total public comment period will be no more than 30 minutes. If more than 10 people are signed up to speak, each speaker will be allocated 2 minutes. Please be advised that each speaker's testimony is being recorded. When representing the official position of a State registered non-profit organization or agency or a City-recognized organization, a speaker will be given 5 minutes and it will be recorded as the official position of that organization. Each organization shall have only one, five-minute presentation. Speakers are asked to sign up prior to the start of the Public Comment period. Individuals wishing to speak to agenda items will be called to speak first, generally in the order in which they have signed. If time remains, the Presiding Officer will call individuals wishing to speak to topics not listed on the agenda generally in the order in which they have signed. If time is available, the Presiding Officer may call for additional unsigned speakers.</i>		
6. APPROVAL OF THE AGENDA		7:20
7. CONSENT CALENDAR		7:20
(a) Minutes of Special Meeting of June 22, 2015	<u>7a-1</u>	
(b) Approval of expenses and payroll as of July 10, 2015 in the amount of \$5,275,217.45	<u>7b-1</u>	
8. ACTION ITEMS		
(a) Motion to Authorize the City Manager to Write Off Debt	<u>8a-1</u>	7:20
9. STUDY ITEMS		
(a) Discussion of Surface Water Revenue Bond Issuance	<u>9a-1</u>	7:35
(b) Discussion and Update of the 2015 State Legislative Outcomes	<u>9b-1</u>	8:05

10. ADJOURNMENT

8:35

The Council meeting is wheelchair accessible. Any person requiring a disability accommodation should contact the City Clerk's Office at 801-2231 in advance for more information. For TTY service, call 546-0457. For up-to-date information on future agendas, call 801-2236 or see the web page at www.shorelinewa.gov. Council meetings are shown on Comcast Cable Services Channel 21 and Verizon Cable Services Channel 37 on Tuesdays at 12 noon and 8 p.m., and Wednesday through Sunday at 6 a.m., 12 noon and 8 p.m. Online Council meetings can also be viewed on the City's Web site at <http://shorelinewa.gov>.

CITY COUNCIL AGENDA ITEM
CITY OF SHORELINE, WASHINGTON

AGENDA TITLE:	Proclamation of the "32 nd Annual National Night Out"		
DEPARTMENT:	Police Department		
PRESENTED BY:	Shawn Ledford, Police Chief		
ACTION:	<input type="checkbox"/> Ordinance	<input type="checkbox"/> Resolution	<input type="checkbox"/> Motion
	<input type="checkbox"/> Public Hearing	<input type="checkbox"/> Discussion	<input checked="" type="checkbox"/> Proclamation

PROBLEM/ISSUE STATEMENT:

The Shoreline Police Department and Community Services Division is joining with the National Association of Town Watch in sponsoring this year's "National Night Out" in Shoreline. The event, which is part of a nationwide crime, drug and violence prevention program, will take place on Tuesday, August 4, 2015.

Shoreline City Councilmembers, Police Department staff, City staff, neighborhood associations, and block watches are participating by sponsoring a variety of activities to celebrate this annual event.

The goal of the event is to emphasize police-community partnerships as well as to promote and enhance the City's safe community and neighborhood initiatives and programs. Shawn Ledford, Shoreline Police Chief, and Jeanne Monger with the Echo Lake Neighborhood Association will be in attendance to accept the proclamation.

RECOMMENDATION:

The Mayor should read the proclamation declaring August 4, 2015 as National Night Out in the City of Shoreline.

Approved By: City Manager **DT** City Attorney **MK**

PROCLAMATION

WHEREAS, the National Association of Town Watch (NATW) is sponsoring a nationwide crime, drug and violence prevention program on August 4th, 2015 entitled “National Night Out”; and

WHEREAS, the “32nd Annual National Night Out” provides a unique opportunity for the City of Shoreline to join forces with thousands of other communities across the country in promoting police-community crime prevention efforts; and

WHEREAS, the neighborhoods of the City of Shoreline play a vital role in assisting the Shoreline Police Department through joint crime, drug and violence prevention efforts and are supporting “National Night Out 2015” locally; and

WHEREAS, it is essential that all Shoreline residents are aware of the importance of crime prevention programs and the impact that their participation can have on reducing crime; and

WHEREAS, police-community partnerships are key in promoting and enhancing the City’s safe community and neighborhood initiatives and programs;

NOW, THEREFORE, I, Shari Winstead, Mayor of the City of Shoreline, on behalf of the Shoreline City Council, do hereby proclaim August 4, 2015, as

NATIONAL NIGHT OUT

in the City of Shoreline.

Shari Winstead, Mayor

CITY OF SHORELINE
SHORELINE CITY COUNCIL
SUMMARY MINUTES OF SPECIAL MEETING

Monday, June 22, 2015
5:30 p.m.

Conference Room 303 - Shoreline City Hall
17500 Midvale Avenue North

PRESENT: Mayor Winstead, Deputy Mayor Eggen, Councilmembers McGlashan, McConnell, and Salomon

ABSENT: Councilmember Hall and Roberts

STAFF: Debbie Tarry, City Manager; John Norris, Assistant City Manager; Eric Friedli, Parks, Recreation and Cultural Services Director; Cheryl Ooka, Central Services Manager; Sara Lane, Administrative Services Director; James McCrackin, Recreation Coordinator; and Bonita Roznos, Deputy City Clerk

GUESTS: None

At 5:34 p.m., the meeting was called to order by Mayor Winstead, who presided. Councilmembers Hall and Roberts were excused for personal reasons.

Debbie Tarry, City Manager, stated that James McCrackin, Recreation Coordinator and Cheryl Ooka, Central Services Manager, will be conducting the tour of the Shoreline Aquatics Facility. She talked about the Joint Use Agreement with the School District and listed some of the reciprocal amenities shared between the City and the District. She explained that the Pool is on School District Property and that the Joint Use Agreement is up for discussion in the fall. She added that the District has just completed a demographic study and will be undertaking a facility study to help project student growth and determine facility needs.

Councilmembers asked questions about the cost of the pool bulkhead, the Joint Use Agreement, and student enrollment projections. They discussed the Shoreline School District Levy for Educational Programs, Maintenance and Operations and how student enrollment increases are funded.

At 5:50 p.m., Councilmembers departed for the tour at the Shoreline Aquatics Facility.

Mr. McCrackin and Ms. Ooka provided a tour of the lobby, balcony, locker rooms, deck, filtration room and parking lot. Ms. Ooka commented on the need to reconfigure the lobby-front desk area to better accommodate wheel chairs, pointed out areas on the floor in need of repair, and added that the current deck and balcony bleachers are not designed for competitive events. Mr. McCrackin pointed out the new bulkhead and explained that the \$80,000 cost was shared with the Shoreline School District, which paid \$50,000. He pointed out the new LED lights,

repairs to the deck and doors, and the new boiler. He discussed the challenges of complying with the American with Disabilities Act (ADA) in the locker rooms due to limited space.

Eric Friedli, Parks, Recreation and Cultural Services Director, also provided a short tour of Shoreline A/B Fields, and said that the turf is in need of replacement. He explained the efficiency of replacing the lights at the same time the turf is being replaced even though the lights are about two years out from reaching the end of their life span. He added that turf now lasts longer and that current turf maintenance practices are better.

Councilmembers asked what happens to the old turf and if turf has been linked to cancer. Ms. Ooka responded that she will research if old turf can be recycled and report back to Council. Mr. Friedli commented that no official study has linked cancer to artificial turf.

At 6:45 p.m. Councilmembers returned to City Hall and the meeting was adjourned.

Bonita Roznos, Deputy City Clerk

CITY COUNCIL AGENDA ITEM
CITY OF SHORELINE, WASHINGTON

AGENDA TITLE:	Approval of Expenses and Payroll as of July 10, 2015
DEPARTMENT:	Administrative Services
PRESENTED BY:	Sara S. Lane, Administrative Services Director

EXECUTIVE / COUNCIL SUMMARY

It is necessary for the Council to formally approve expenses at the City Council meetings. The following claims/expenses have been reviewed pursuant to Chapter 42.24 RCW (Revised Code of Washington) "Payment of claims for expenses, material, purchases-advancements."

RECOMMENDATION

Motion: I move to approve Payroll and Claims in the amount of \$5,275,217.45 specified in the following detail:

***Payroll and Benefits:**

Payroll Period	Payment Date	EFT Numbers (EF)	Payroll Checks (PR)	Benefit Checks (AP)	Amount Paid
6/7/15-6/20/15	6/26/2015	61499-61712	13871-13916	60394-60401	\$589,186.66
					<u>\$589,186.66</u>

***Accounts Payable Claims:**

Expense Register Dated	Check Number (Begin)	Check Number (End)	Amount Paid
7/1/2015	60402	60409	\$65,071.51
7/1/2015	60410	60421	\$5,889.26
7/1/2015	60422	60438	\$90,352.57
7/6/2015	60439	60439	\$2,440.00
7/8/2015	60440	60447	\$26,857.06
7/8/2015	60448	60474	\$4,322,845.72
7/8/2015	60475	60506	\$172,574.67
			<u>\$4,686,030.79</u>

Approved By: City Manager **DT**

City Attorney **MK**

CITY COUNCIL AGENDA ITEM
CITY OF SHORELINE, WASHINGTON

AGENDA TITLE:	Motion Authorizing the City Manager to Write Off Debt
DEPARTMENT:	Administrative Services
PRESENTED BY:	Patti Rader, Finance Manager
ACTION:	<input type="checkbox"/> Ordinance <input type="checkbox"/> Resolution <input checked="" type="checkbox"/> Motion <input type="checkbox"/> Discussion <input type="checkbox"/> Public Hearing

PROBLEM/ISSUE STATEMENT:

As a result of the normal course of business, the City collects taxes, fees, and various charges for services. Some taxpayers or customers become delinquent on these payments and after all available attempts have been made for collection, some accounts remain uncollectible. At this time, there are two large outstanding gambling tax debts that staff has deemed as being uncollectible. Staff is seeking approval from Council to write off these two debts and remove them for our accounts receivable.

FINANCIAL IMPACT:

Staff has not included any anticipated collections on these two outstanding debts in its long range revenue projections; therefore there will be no financial impact as a result of this action.

RECOMMENDATION

Staff recommends that Council authorize the City Manager to write off debt in the amounts of \$149,528 owed by Slam Dunk Entertainment and \$11,629 owed by Gloria Kalitovic.

Approved By: City Manager **DT** City Attorney **MK**

BACKGROUND

On April 13, 2015, staff presented information to Council on the current types of outstanding debt owed to the City. One of those types is gambling tax debt. At that time, staff also presented proposed Ordinance No. 711 to enact a new chapter, SMC 3.65 – Collection of Debt, to the Shoreline Municipal Code. Council discussed this item and adopted Ordinance No. 711 on May 18, 2015. SMC 3.65.035 required Council approval to write off debt amounts in excess of \$5,000 as recommended by the City Manager.

SMC 3.30.060 requires that gambling taxes are due to the City on a quarterly basis and should be paid on or before 30 days after the end of each quarter and sets penalties for late payments of between 10% and 20% depending upon how late payment is received. When gambling taxes remain unpaid, the City has taken numerous actions to recover the debt. These actions have included placing liens on property and items used for gambling operations; entering into promissory notes with gambling operators, and finally the filing of a lawsuit.

Even after taking all of these actions, the City has not been able to collect on some outstanding debts. These debts remain on the City's accounts receivable ledger during these collection attempts. After exhausting all available collection tools, once a debt is deemed as being uncollectible, staff would like to write off the debt allowing us to remove the item from the City Accounts Receivable ledger.

DISCUSSION

Parker's Casino

Parker's Casino was operated by 17001 Corporation, which was wholly owned by Slam Dunk Entertainment ("Slam Dunk"). A single individual owned 90% of the stock in Slam Dunk Entertainment. That individual sold his entire interest to Washington CRET ("WA CRE"). This transfer of ownership resulted in the suspension of the gambling license for the operation of Parker's Casino by the Washington State Gambling Commission on April 10, 2012 since the new ownership had not applied for a license to continue gaming operations. As a result the casino ceased operations in early 2012.

In 2011 prior to the closure, the City entered into a promissory note with Slam Dunk to recover outstanding gambling taxes. While the first payment was made, no subsequent payments were made, leaving an outstanding balance of \$149,528. The City filed a lawsuit against Slam Dunk on February 7, 2012 to recover damages due to the breach of contract and for unpaid gambling taxes. On March 8, 2012, the court granted a writ of attachment. On March 26, 2012, in accordance with state law, a general receiver was appointed and the City's action was stayed until August 24, 2012. The receiver was required to file reports to the court which included an update on Slam Dunk's assets and liabilities, a statement of their outstanding accounts payable, and a tax disclosure statement listing any post-filing taxes due or tax deposits required. Based on this information, the City Attorney determined that the City's claim was subordinate to other claims against Slam Dunk, including the Internal Revenue Service, resulting in no assets to cover the City's claim.

As there has been no change in the apparent ability of Parker's prior ownership to pay the outstanding gambling taxes and penalties, staff would like to write off the debt totaling \$149,528. This is currently the highest value debt on the City's accounts receivable.

Echo Lake Tavern

On July 20, 2009, the owner of the Echo Lake Tavern, Gloria Kalitovic, was informed that she owed the City a total of \$31,008 for delinquent gambling taxes and penalties from pull-tab operations for the period spanning the third quarter of 2006 through the fourth quarter of 2008. The City entered into a promissory note with the property owners on May 11, 2010 for the existing outstanding balance of \$29,008. The note called for installment payments with the full amount of principal and interest being due and payable on or before July 1, 2015. Payments totaling \$17,379 were made as a result of the note. The note is now in default and no payments have been made since January 8, 2013, leaving an outstanding balance of \$11,629. The gambling tax statute limits collection actions to five years from the date the tax is imposed (2013). Thus the City has lost its opportunity for any further collection actions. Staff would like to write off the balance of the promissory note.

FINANCIAL IMPACT

Staff has not included any anticipated collections on these two outstanding debts in its long range revenue forecast, therefore there will be no financial impact as a result of this action.

RECOMMENDATION

Staff recommends that Council authorize the City Manager to write off debt in the amounts of \$149,528 owed by Slam Dunk Entertainment and \$11,629 owed by Gloria Kalitovic.

CITY COUNCIL AGENDA ITEM
CITY OF SHORELINE, WASHINGTON

AGENDA TITLE:	2015 Surface Water Revenue Bond Authorization		
DEPARTMENT:	Administrative Services Department		
PRESENTED BY:	Sara Lane, Administrative Services Director		
ACTION:	<input type="checkbox"/> Ordinance	<input type="checkbox"/> Resolution	<input type="checkbox"/> Motion
	<input checked="" type="checkbox"/> Discussion	<input type="checkbox"/> Public Hearing	

PROBLEM/ISSUE STATEMENT:

The City Council approved the use of \$2,000,000 in debt financing in 2015 and 2017 as part of the Surface Water (SWM) Utility Fund 2015-2020 Capital Improvement Program (CIP) for the Stormwater Pipe Replacement Program. Council is required to authorize the issuance of debt via ordinance. Tonight staff will review a draft Bond Authorization Ordinance to issue bonds for Council approval on August 17, 2015.

RESOURCE/FINANCIAL IMPACT:

The adopted CIP Budget for 2015-2020 for the Surface Water Utility Fund is \$13,620,887 of which the Stormwater Pipe Replacement Program is \$4,810,000. The adopted budget included the issuance of \$2,000,000 in debt in 2015 and an additional \$2,000,000 in 2017 to cover the costs of this project. Annual debt service payments for this issuance are estimated at \$182,391 and included in the adopted CIP. The debt service payments are fully supported by revenue of the SWM Utility. The bonds will be issued for a term not to exceed 15 years.

RECOMMENDATION

Staff recommends that Council review the draft delegating Bond Authorization Ordinance and direct staff to return with the ordinance for Council adoption on August 17, 2015.

Approved By: City Manager **DT** City Attorney **MK**

BACKGROUND

The City Council approved the use of \$2,000,000 in debt financing in 2015 and 2017 as part of the SWM Fund 2015-2020 CIP for the Stormwater Pipe Replacement Program. This funding is provided from an allocation of the surface water fees or grants. The City's debt policy provides for the use of Revenue Bonds for projects that are self-sustaining. The Stormwater Pipe Replacement project, as part of the SWM adopted CIP, meets these criteria. Tonight staff will review a draft Bond Authorization Ordinance to issue Bonds for Council approval on August 17, 2015.

DISCUSSION

The draft Bond Ordinance (Attachment A) authorizes issuance of revenue supported bonds ("the Bonds") in a principal amount not to exceed \$2,000,000 plus bank fees and closing costs. The Bonds will have a maximum 15-year maturity. The Bonds will be issued at an interest rate not to exceed 5.0% for a term of no more than 15 years. The City will need to maintain a Bond reserve of approximately \$177,590. The administrative costs to issue the \$2,000,000 debt are estimated at \$30,390.

The City will fund both the reserve and administrative issuance costs from the SWM Fund reserves, making \$2,000,000 available for the project work. Staff's financial analysis (Attachment B) reveals that the SWM Fund is well positioned to support both the 2015 and 2017 planned debt issuance.

Method of Sale

The draft ordinance authorizes the issuance of debt using the negotiated private placement method. This method is a lower cost option than the alternative public sale method, and is more attractive to investors for this size bond issue. The negotiated private placement involves issuing a competitive RFP and evaluating proposals to maintain competition and ensure the lowest cost for the City. A public sale requires use of bond rating agencies and ongoing disclosure that raise the costs associated with issuing and managing the debt. The public sale is typically used for much larger bond issues.

Method of Debt Authorization

As is noted above, Council is required to authorize the issuance of debt via ordinance. Two options are available to Council to achieve this:

- 1) Council can approve a delegating ordinance, called the *Delegating Method*, which would set the parameters for the debt structure including limits on the rates and terms and delegate authority to execute the debt to the City Manager following a competitive process. This approach is most attractive to potential investors and results in lower borrowing costs for the City due to minimizing the delay in confirming their proposal. Specifically, the *Delegating Method* entails the following steps:
 - Ordinance is adopted prior to bond sale
 - Council approves certain parameters it considers appropriate:
 - Maximum principal amount
 - Maximum interest rate

- Minimum purchase price
 - Term of financing
 - Authority is delegated to one or more senior staff to make final decisions within the bounds of the authorized parameters
- 2) The alternative approach, called the *Post Issuance Adoption Method*, would authorize the debt issuance after the competitive process, causing greater rate risk to proposers due to a longer delay before confirmation of their proposal and thus, higher costs for the City. It would also typically require a special meeting and/or waiver of need for the third Council reading. This method entails an ordinance being presented to Council after bonds have been sold and final terms and rates have been determined.

Staff recommends that Council use the *Delegating Method* to authorize the issuance of debt.

Debt Authorization Methodology Analysis

In recent years the Delegating Method has become much more commonly used by issuers of all types. This has primarily been a result of changing bond market operational realities. Bond markets have become much more susceptible to rapid fluctuation in response to many factors. As a result, bond underwriters are reticent to offer a firm commitment without the certainty that a decision and acceptance/rejection will be received quickly. Until they receive a definitive commitment from the issuer they cannot confirm corresponding sale commitments with ultimate investors. Bank lenders have different concerns, more related to capital exposure, but the effect is the same. The longer the period from presentation of an offer to final commitment, the greater the likelihood that the offer will be adjusted upwards in terms of interest rate to provide risk protection to the proposer. This means higher costs for the issuer.

With the delegation methodology, the City can approve the issuance of Surface Water Utility revenue bonds. Subsequent to adoption of the delegation resolution a RFQ will be circulated to potential lenders providing appropriate information regarding desired term, utility information and proposal due date. Proposals will be reviewed by staff in conjunction with input and assistance from Public Financial Management as the City's financial advisor. The parties to whom decision authority has been delegated by the Bond Ordinance (City Manager and/or Administrative Services Director) will make the final decision regarding the proposal they deem best suited to the City's goals. This decision must conform to the parameters detailed in the Bond Ordinance which has previously been approved by Council. Upon selection, final closing documents will be prepared by the City's bond counsel and the transaction would be closed with funding provided for the Surface Water Utility projects.

Alternatively, the Post Issuance Adoption Method would be more problematic in terms of timing the receipt of proposals to coincide with the Council meeting schedule. This is especially problematic with the two reading concept utilized by Shoreline and the further necessity to provide documentation to Council in advance of meeting dates. Bond underwriters and/or lenders would be exposed to potentially lengthy delay in achieving a definitive confirmation of award. This could be mitigated somewhat but would necessitate utilization of Council special meetings.

COUNCIL GOAL(S) ADDRESSED

The Stormwater Pipe Replacement Project funded through this bond issue directly supports Council Goal #2 – Improve Shoreline’s utility, transportation, and environmental infrastructure.

RESOURCE/FINANCIAL IMPACT

The adopted CIP Budget for 2015-2020 for the Surface Water Utility Fund is \$13,620,887 of which the Stormwater Pipe Replacement Program is \$4,810,000. The adopted budget included the issuance of \$2,000,000 in debt in 2015 and an additional \$2,000,000 in 2017 to cover the costs of this project. Annual debt service payments for this issuance are estimated at \$182,391 and included in the adopted CIP. The debt service payments are fully supported by revenue of the SWM Utility. The bonds will be issued for a term not to exceed 15 years.

RECOMMENDATION

Staff recommends that Council review the draft delegating Bond Authorization Ordinance and direct staff to return with the ordinance for Council adoption on August 17, 2015.

CITY OF SHORELINE, WASHINGTON

ORDINANCE NO. _____

AN ORDINANCE of the City of Shoreline, Washington, relating to the City's surface water utility and any other utility system with which it may hereafter be combined; specifying, adopting and ordering the carrying out of a Plan of Additions (as defined); providing for the issuance of one or more series of utility revenue bonds in an aggregate amount not to exceed \$2,000,000 plus bank fees and closing costs to provide funds necessary to pay all or a portion of the costs of carrying out the Plan of Additions; fixing or setting parameters with respect to certain terms and covenants of the bonds; appointing the City's designated representative to approve the Sale Terms of the sale of the bonds; and providing for other related matters.

THE CITY COUNCIL OF THE CITY OF SHORELINE, WASHINGTON, DO ORDAIN AS FOLLOWS:

Section 1. Findings and Determinations. The City Council of the City of Shoreline, Washington (the "City") makes the findings and determinations set forth below. Capitalized terms have the meanings given in Section 2.

(a) *The Surface Water Utility; Plan of Additions.* Pursuant to Ordinance 419, passed April 10, 2006, the City established the surface water utility. The City Council finds that it is advisable for the City to acquire, construct and install the improvements to the Surface Water Utility comprising the Plan of Additions, as further described in Section 3 of this Ordinance. The various improvements comprising the Project represent additions, betterments, and/or extensions of the City's existing storm and surface water utility, under chapter 35.67 RCW. In accordance with RCW 35.67.030, the City declares the estimated cost of the Plan of Additions to be at least \$2,000,000. The City is in need of funds with which to finance the Plan of Additions, and the City does not have available sufficient funds to pay the costs. It is advisable for the City to provide funds for defraying costs of the Project from the proceeds of the issuance and sale of the Bonds pursuant to chapters 35.67 and 35.41 RCW, as authorized in this Ordinance. The life of the improvements comprising the Plan of Additions is declared to be at least 15 years.

(b) *Previously Issued Bonds and Loans.* The City has no outstanding utility revenue bonds secured by a pledge of net revenues prior or equal to the pledge securing the Bonds authorized by this ordinance. The City has two outstanding Loans, which are secured by a pledge of net revenues that is junior to the pledge securing the Bonds.

(c) *Sufficiency of Gross Revenue.* The City Council finds and determines that the Gross Revenue and benefits to be derived from the operation and maintenance of the Utility System at the rates to be charged for services from the Utility System will be more than

sufficient to meet all Operating and Maintenance Expense and to permit the setting aside into the Bond Fund out of the Gross Revenue of amounts sufficient to pay the principal of and interest on the Bonds when due. The City Council declares that in fixing the amounts to be paid into the Bond Fund under this ordinance it has exercised due regard for Operating and Maintenance Expense and has not obligated the City to set aside and pay into the Bond Fund a greater amount of Gross Revenue of the Utility System than in its judgment will be available over and above such Operating and Maintenance Expense.

(d) *Issuance and Sale of Bonds.* Based on the foregoing, the City Council finds that it is in the best interest of the City to issue and sell the Bonds pursuant to the terms set forth in a Bond Purchase Contract as approved by the City's Designated Representative consistent with this ordinance.

Section 2. Definitions. As used in this ordinance, the following words shall have the following meanings:

(a) *"Adjusted Net Revenue"* means Net Revenue, plus withdrawals from the Rate Stabilization Account and less deposits into the Rate Stabilization Account.

(b) *"Annual Debt Service"* means, for any calendar year, all amounts required to be paid in that year in respect of principal of and interest on those Parity Bonds with respect to which the calculation is being performed, less all interest on those bonds payable from the proceeds of Parity Bonds in that year, less all principal of those bonds scheduled to be redeemed or defeased as of the date of such calculation, and less all Tax Credit Subsidy Payments scheduled to be received in that year. For purposes of calculating future Annual Debt Service, interest on Variable Interest Rate Bonds shall be assumed to be a fixed rate equal to (i) for then-outstanding Variable Interest Rate Bonds, the highest variable rate borne during the preceding 12 months, and (ii) for Future Parity Bonds proposed to be issued as Variable Interest Rate Bonds, the highest rate during the preceding 12 months as determined by reference to the index or formula to be used to determine the interest rate on the Future Parity Bonds (or a comparable index).

(c) *"Authorized Denominations"* means, unless otherwise specified in the Bond Purchase Contract, \$5,000 or any integral multiple thereof within a maturity of a Series.

(d) *"Average Annual Debt Service"* means, as of its date of calculation, the sum of the Annual Debt Service for the current calendar year and the calendar years remaining to the last scheduled maturity of the applicable series of bonds, divided by the number of those years.

(e) *"Beneficial Owner"* means, with respect to a Bond, the owner of any beneficial interest in that Bond.

(f) *"Bond Counsel"* means the firm of Foster Pepper PLLC, its successor, or any other attorney or firm of attorneys selected by the City with a nationally recognized standing as bond counsel in the field of municipal finance.

(g) *"Bond Fund"* means the City's Utility System Revenue Bond Fund created by this ordinance for the payment of the principal of and interest on all Parity Bonds.

(h) *"Bond Insurance Policy"* means a municipal bond insurance policy issued by a Bond Insurer insuring the payment when due of the principal of and interest on any Parity Bonds as provided in such policy.

(i) “*Bond Insurer*” or “*Insurer*” means a bond insurance company providing a Bond Insurance Policy or Reserve Surety for any outstanding Parity Bonds.

(j) “*Bond Purchase Contract*” means an offer to purchase one or more Series of the Bonds, setting forth certain terms and conditions of the issuance, sale and delivery of those Bonds, which offer is authorized to be accepted by the Designated Representative on behalf of the City, if consistent with this ordinance.

(k) “*Bond Registrar*” means the books or records maintained by the Bond Registrar for the purpose of identifying ownership of each Bond.

(l) “*Bond Registrar*” means either the Finance Officer or the Fiscal Agent, as appointed by the Designated Representative.

(m) “*Bonds*” means the bonds authorized to be issued by this ordinance.

(n) “*City*” means the City of Shoreline, Washington, a municipal corporation duly organized and existing under the laws of the State.

(o) “*City Council*” means the legislative authority of the City, as duly and regularly constituted from time to time.

(p) “*Code*” means the United States Internal Revenue Code of 1986, as amended, and applicable rules and regulations promulgated thereunder.

(q) “*Construction Fund*” means the fund or account designated by the Finance Officer for the payment of the costs of the Plan of Additions.

(r) “*Coverage Requirement*” means for any calendar year, an amount of Adjusted Net Revenue at least equal to 1.25 times the Annual Debt Service in that year on all then-outstanding Parity Bonds. For purposes of calculating the Coverage Requirement, ULID Assessments due in that year and not delinquent shall be subtracted from Annual Debt Service.

(s) “*Designated Representative*” means the officer of the City appointed in Section 5 of this ordinance to serve as the City’s designated representative in accordance with RCW 39.46.040(2).

(t) “*Finance Officer*” means the Administrative Services Director of the City or any other City official who succeeds to the duties now delegated to that office, or the designee of such officer.

(u) “*Financial Advisor*” means the firm of Public Financial Management, Inc., or any other Financial Advisor then appointed and acting as financial advisor to the City.

(v) “*Fiscal Agent*” means the fiscal agent of the State, as the same may be designated by the State from time to time.

(w) “*Future Parity Bond Authorizing Ordinance*” means an ordinance of the City authorizing the issuance and sale and establishing the terms of Future Parity Bonds.

(x) “*Future Parity Bonds*” means all revenue obligations and other obligations of the City for borrowed money (including, without limitation, financing leases) issued or incurred after the date of the issuance of the Bonds, the payment of the principal of and interest on which constitutes a charge or lien on the Net Revenue and ULID Assessments equal in rank with the charge and lien upon such revenue and assessments required to be paid into the Bond Fund to

pay and secure the payment of the principal of and interest on the Bonds and other then-outstanding Parity Bonds.

(y) “*Government Obligations*” means those obligations described under the definition of government obligations in RCW 39.53.010(4), as it now reads or hereafter may be amended, and which are otherwise lawful investments for the City.

(z) “*Gross Revenue*” means all of the earnings and revenues received from the maintenance and operation of the Utility System, including all connection and capital improvement charges, plus earnings from the investment of money on deposit in the various accounts of the Utility System, unless expressly excluded. Gross Revenue excludes: (1) principal proceeds of Parity Bonds or any other borrowings; (2) local improvement district assessments and ULID Assessments; (3) earnings or proceeds from any investments in a refunding or defeasance trust account or in a special account for the purpose of paying a rebate to the United States Government under the Code; (4) other grants, gifts, revenue and investment income which are restricted or may not legally be pledged for revenue bond debt service; (5) payments received in respect of any Bond Insurance Policy or Reserve Surety, or insurance or condemnation proceeds used for the replacement of capital projects or equipment; (6) proceeds from the sale of Utility System property; (7) amounts collected in respect of City-imposed utility taxes; (8) Tax Credit Subsidy Payments, if any; and (9) revenue from any Separate System.

(aa) “*Independent Utility Consultant*” means a professional consultant experienced with municipal utilities similar to the Utility System and experienced in such areas as are relevant to the purpose for which he or she is being retained. Such a consultant shall be deemed independent so long as he or she is not an employee or officer of the City.

(bb) “*Issue Date*” means, with respect to a Bond, the date of initial issuance and delivery of that Bond to the Purchaser thereof in exchange for the purchase price of that Bond.

(cc) “*Loans*” means any State of Washington Public Works Trust Fund loans, State Drinking Water Revolving Fund loans, or similar loans entered into by the City to fund improvements to the Utility System, the payment of which is a claim on the Net Revenue that is junior to the lien and charge of the Parity Bonds.

(dd) “*Maximum Annual Debt Service*” means, as of the date of calculation, the maximum amount of Annual Debt Service for the then-current calendar year or any future calendar year.

(ee) “*Net Revenue*” means the Gross Revenue, less Operating and Maintenance Expense.

(ff) “*Operating and Maintenance Expense*” means all reasonable expenses incurred in causing the Utility System to be operated and maintained in good repair, working order and condition and properly treated as maintenance and operation expenses under generally accepted accounting principles applicable to similar municipal utilities including, without limitation, deposits, premiums, assessments or other payments for insurance, if any, on the Utility System; amounts paid in respect of Utility System employee pensions and post-employment benefits (if any); amounts paid in respect of State-imposed utility taxes; payments made to any other municipal corporation or private entity for utility commodities or services (e.g., transmission, treatment and disposal of wastewater), including payments under Contract Resource Obligations; and overhead and administration expenses allocated to the Utility System. Operating and

Maintenance Expense excludes capital expenditures; amounts paid in respect of City-imposed utility taxes; and non-cash accounting items (e.g., depreciation, amounts treated as expenses under accounting guidelines with respect to unfunded contributions to pension or other post-employment benefit plans, non-exchange financial guarantees, environmental liabilities, and similar items).

(gg) “*Outstanding*” when used with reference to any bonds or other obligations means, as of any particular date, the aggregate of all such bonds or other obligations properly authenticated and delivered, except for: (1) those that have been redeemed at maturity or on a redemption date or have otherwise been cancelled or delivered to or held by the Fiscal Agent for cancellation; (2) those legally defeased in accordance with the provisions of this ordinance (or a Parity Bond Authorizing Ordinance) authorizing a defeasance of bonds or other obligations; (3) those in lieu of or in exchange or substitution for which other bonds or obligations shall have been authenticated and delivered pursuant to their authorizing ordinances, unless such other bonds or obligations are held by a bona fide holder in due course; and (4) those that have matured or been called for redemption, but which have not been presented for payment, assuming no nonpayment.

(hh) “*Owner*” means, without distinction, the Registered Owner and the Beneficial Owner.

(ii) “*Parity Bond Authorizing Ordinance(s)*” means, as applicable to each series of Parity Bonds, this ordinance and any Future Parity Bond Authorizing Ordinance.

(jj) “*Parity Bonds*” means the Bonds and any Future Parity Bonds.

(kk) “*Parity Conditions*” means the conditions precedent to the issuance of Future Parity Bonds, set forth in Exhibit B to this ordinance, which is incorporated by this reference.

(ll) “*Permitted Investments*” means investments that are legal investments for the City at the time of such investment.

(mm) “*Plan of Additions*” means the system or plan of additions and improvements to and betterments and extensions of the Utility System specified, adopted and ordered to be carried out by Section 3 of this ordinance.

(nn) “*Principal and Interest Account*” means the account of that name created in the Bond Fund for the payment of the principal of and interest on the Parity Bonds.

(oo) “*Purchaser*” means the corporation, firm, association, partnership, trust, bank, financial institution or other legal entity or group of entities selected by the Designated Representative to serve as purchaser in a private placement.

(pp) “*Rate Stabilization Account*” means the account of that name created for the purposes described in Section 16.

(qq) “*Record Date*” means the Bond Registrar’s close of business on the 15th day of the month preceding an interest payment date. With respect to redemption of a Bond prior to its maturity, the Record Date shall mean the Bond Registrar’s close of business on the date on which the Bond Registrar sends the notice of redemption in accordance with Section 9.

(rr) “*Registered Owner*” means, with respect to a Bond, the person in whose name that Bond is registered on the Bond Register.

(ss) “*Reserve Account*” means the account of that name created in the Bond Fund for the purpose of securing the payment of the principal of and interest on the Parity Bonds.

(tt) “*Reserve Surety*” means, in lieu of cash and investments, any bond insurance, collateral, security, letter of credit, guaranty, surety bond or similar credit enhancement device providing for or securing the payment of all or part of the principal of and interest on Parity Bonds, issued by an institution which has been assigned a credit rating at the time that such Reserve Security is provided, in the two highest rating categories without regard to gradations within those categories (i.e., AAA or AA).

(uu) “*Reserve Requirement*” means, as of any date of calculation, the lesser of Maximum Annual Debt Service on the then-Outstanding Parity Bonds secured by the Reserve Account, or 125% of Average Annual Debt Service on the then-Outstanding Parity Bonds secured by the Reserve Account, but at no time shall the Reserve Requirement exceed 10% of the original proceeds of the Parity Bonds secured by the Reserve Account. The Reserve Requirement may be met by a deposit of cash, Reserve Surety, or any combination of the foregoing, and the amount payable under any Reserve Surety shall be credited against the amount otherwise required to be deposited into the Reserve Account.

(vv) “*Sale Terms*” means the terms and conditions for the sale of a Series of the Bonds including the amount, date or dates, denominations, interest rate or rates (or mechanism for determining interest rate or rates), payment dates, final maturity, redemption rights, price, and other terms or covenants.

(ww) “*Separate System*” means any utility service or facilities that may be hereafter created, acquired or constructed by the City and financed as a separate system as provided in Section 17 of this ordinance.

(xx) “*Series of the Bonds*” or “*Series*” means a series of the Bonds issued pursuant to this ordinance.

(yy) “*State*” means the State of Washington.

(zz) “*Surface Water Utility*” means the surface water utility created pursuant to chapter 13.10.110 of the Shoreline Municipal Code.

(aaa) “*System of Registration*” means the system of registration for the City’s bonds and other obligations set forth in Ordinance No. 453 of the City.

(bbb) “*Tax Credit Subsidy Bond*” means any bond that is designated by the City as a “build America bond” or other type of tax credit bond, pursuant to the Code, and which is further designated as a “qualified bond” under Section 6431 of the Code (or under similar provisions of the Code providing for “direct-pay” tax credit bonds), and with respect to which the City expects to receive a Tax Credit Subsidy Payment.

(ccc) “*Tax Credit Subsidy Payment*” means the amounts which the City expects to receive as a tax credit payable by the United States Treasury to the City under Section 6431 of the Code (or under similar provisions of the Code providing for “direct-pay” tax credit bonds), in respect of any bonds issued as Tax Credit Subsidy Bonds.

(ddd) “*Tax-Exempt Bonds*” means any Series issued on a tax-exempt basis.

(eee) “*Term Bond*” means those Bonds that are designated as term bonds and are subject to mandatory redemption prior to maturity in the years and amounts set forth in the Bond Purchase Contract.

(fff) “*ULID*” means any utility local improvement district now existing or hereafter created for the acquisition or construction of additions, extensions or betterments of any portion of the Utility System, which additions, extensions or betterments are financed through the issuance of Parity Bonds. As used in this ordinance, the term ULID does not include any utility local improvement district created with respect to a Separate System or for the financing of additions, extensions or betterments by methods other than the issuance of Parity Bonds.

(ggg) “*ULID Assessments*” means the assessments levied in any ULID, including installment payments of any assessment as well as the interest and penalties (if any) thereon, less any prepaid assessments permitted by law to be paid into a construction fund or account.

(hhh) “*Variable Interest Rate*” means a variable interest rate or rates to be borne by a series of Parity Bonds or any one or more maturities within a series of Parity Bonds. With respect to Future Parity Bonds, the method of computing such a variable interest rate (or parameters with respect thereto) shall be specified in the ordinance authorizing such Future Parity Bonds, which ordinance also shall specify either (i) the particular period or periods of time or manner of determining such period or periods of time for which each value of such variable interest rate shall remain in effect or (ii) the time or times upon which any change in such variable interest rate shall become effective.

(iii) “*Variable Interest Rate Bonds*” means, for any period of time, Parity Bonds which bear a Variable Interest Rate during that period. From and after such time as the interest rate or rates on a series of Parity Bonds is fixed for the remaining life of such series, then such series shall no longer be deemed to be Variable Interest Rate Bonds.

(jjj) “*Utility System*” means the Surface Water Utility of the City as it now exists, together with all additions thereto and betterments and extensions thereof at any time made. The Utility System shall also include any properly acquired or constructed water, sewer or other utility system that is hereafter combined with the Utility System by ordinance.

(kkk) “*Utility System Fund*” means the Surface Water Utility Enterprise Fund, which has previously been established by the City, together with any other enterprise fund created with respect to a utility system that is hereafter combined into the Utility System.

Section 3. Adoption of Plan of Additions. The City specifies, adopts and orders the carrying out of the projects described in Exhibit C as a system or plan of additions to and betterments and extensions of the Utility System. The Plan of Additions shall be carried out in accordance with the plans and specifications therefor prepared by the City’s engineers and consulting engineers. The City Council may modify the details of the Plan of Additions where, in its judgment, it appears advisable if such modifications do not substantially alter the purposes of that system or plan. The cost of the Plan of Additions, including the cost of issuance and sale of the Bonds, shall be paid from the proceeds of the Bonds and from other money available to the Utility System.

Section 4. Purpose and Authorization of the Bonds. The City is authorized to borrow money on the credit of the City and issue utility revenue bonds evidencing indebtedness in the amount of not to exceed \$2,000,000 plus bank fees and closing costs to provide the funds

necessary to carry out a portion of the Plan of Additions. The Bonds shall be allocated to paying the costs of the respective projects included within the Plan of Additions in such order of time as the City determines is advisable and practicable.

Section 5. Description of the Bonds; Appointment of Designated Representative.

The City Manager is appointed as the Designated Representative of the City and is authorized and directed to conduct the sale of the Bonds in the manner and upon the terms deemed most advantageous to the City, and to approve the Sale Terms of each Series of the Bonds, with such additional terms and covenants as the Designated Representative deems advisable, within the parameters set forth in Exhibit A, which is attached to this ordinance and incorporated by this reference.

Section 6. Bond Registrar; Registration and Transfer of Bonds.

(a) *Registration of Bonds.* Each Bond shall be issued only in registered form as to both principal and interest and the ownership of each Bond shall be recorded on the Bond Register. The Bonds will be initially registered in the name of the Purchaser and will not be registered through a securities depository.

(b) *Bond Registrar; Duties.* The Designated Representative shall appoint either the Finance Officer or the Fiscal Agent as initial Bond Registrar. The Bond Registrar shall keep, or cause to be kept, sufficient books for the registration and transfer of the Bonds, which shall be open to inspection by the City at all times. The Bond Registrar is authorized, on behalf of the City, to authenticate and deliver Bonds transferred or exchanged in accordance with the provisions of the Bonds and this ordinance, to serve as the City's paying agent for the Bonds and to carry out all of the Bond Registrar's powers and duties under this ordinance and the System of Registration. The Bond Registrar shall be responsible for its representations contained in the Bond Registrar's Certificate of Authentication on each Bond. The Fiscal Agent may become an Owner with the same rights it would have if it were not the Bond Registrar and, to the extent permitted by law, may act as depository for and permit any of its officers or directors to act as members of, or in any other capacity with respect to, any committee formed to protect the rights of Owners.

(c) *Bond Register; Transfer of Bonds.* The Bond Register shall contain the name and mailing address of each Registered Owner and the principal amount and number of each Bond held by each Registered Owner. A Bond may be assigned or transferred only in whole and only if endorsed in the manner provided thereon and surrendered to the Bond Registrar, subject to the Purchaser's representations in a certificate to be provided on the Issue Date. Any such transfer shall be without cost to the owner or transferee and shall be noted in the Bond Register. A Bond may only be assigned by the Purchaser to another qualified investor satisfying the requirements set forth in the certificate to be signed by the Purchaser on the Issue Date and as set forth on that Bond. Upon the final payment of principal of and interest on each Bond, the Registered Owner shall surrender that Bond to the City for destruction or cancellation in accordance with law.

Section 7. Form and Execution of Bonds.

(a) *Form of Bonds; Signatures and Seal.* Each Bond shall be prepared in a form consistent with the provisions of this ordinance and State law. Each Bond shall be signed by the Mayor and the City Clerk, either or both of whose signatures may be manual or in facsimile, and the seal of the City or a facsimile reproduction thereof shall be impressed or printed thereon. If

any officer whose manual or facsimile signature appears on a Bond ceases to be an officer of the City authorized to sign bonds before the Bond bearing his or her manual or facsimile signature is authenticated by the Bond Registrar, or issued or delivered by the City, that Bond nevertheless may be authenticated, issued and delivered and, when authenticated, issued and delivered, shall be as binding on the City as though that person had continued to be an officer of the City authorized to sign bonds. Any Bond also may be signed on behalf of the City by any person who, on the actual date of signing of the Bond, is an officer of the City authorized to sign bonds, although he or she did not hold the required office on its Issue Date.

(b) *Authentication.* Only a Bond bearing a Certificate of Authentication in substantially the following form, manually signed by the Bond Registrar, shall be valid or obligatory for any purpose or entitled to the benefits of this ordinance: “Certificate of Authentication. This Bond is one of the fully registered City of Shoreline, Washington, Utility Revenue Bonds, 2015.” The authorized signing of a Certificate of Authentication shall be conclusive evidence that the Bond so authenticated has been duly executed, authenticated and delivered and is entitled to the benefits of this ordinance.

Section 8. Payment of Bonds. Principal of and interest on each Bond shall be payable in lawful money of the United States of America. Interest on each Bond and mandatory redemption installments (if applicable) are payable by electronic transfer on the interest payment date, or by check or draft mailed on the interest payment date to the Registered Owner at the address appearing on the Bond Register on the Record Date. However, the City is not required to make electronic transfers except pursuant to a request by a Registered Owner in writing received on or prior to the Record Date and at the sole expense of the Registered Owner. The final installment of principal of each Bond is payable upon presentation and surrender of the Bond by the Registered Owner to the Bond Registrar. The Bonds are not subject to acceleration under any circumstances.

Section 9. Redemption Provisions and Open Market Purchase of Bonds.

(a) *Optional Redemption.* The Bonds shall be subject to redemption at the option of the City on terms acceptable to the Designated Representative, as set forth in the Bond Purchase Contract, consistent with the parameters set forth in Exhibit A.

(b) *Mandatory Redemption.* Each Bond that is designated as a Term Bond in the Bond Purchase Contract, consistent with the parameters set forth in Exhibit A, and except for optional redemptions as set forth below, shall be called for redemption at a price equal to the stated principal amount to be redeemed, plus accrued interest, on the dates and in the amounts as set forth in the Bond Purchase Contract. If a Term Bond is redeemed under the optional redemption provisions, defeased or purchased by the City and surrendered for cancellation, the principal amount of the Term Bond so redeemed, defeased or purchased (irrespective of its actual redemption or purchase price) shall be credited against one or more scheduled mandatory redemption installments for that Term Bond. The City shall determine the manner in which the credit is to be allocated and shall notify the Bond Registrar in writing of its allocation prior to the earliest mandatory redemption date for that Term Bond for which notice of redemption has not already been given.

(c) *Selection of Bonds for Redemption; Partial Redemption.* If fewer than all of the outstanding Bonds are to be redeemed at the option of the City, the City shall select the Series and maturities to be redeemed. If fewer than all of the outstanding Bonds of a maturity of a

Series are to be redeemed, the Bond Registrar shall select the Bonds to be redeemed randomly in such manner as the Bond Registrar shall determine. All or a portion of the principal amount of any Bond that is to be redeemed may be redeemed in any Authorized Denomination. If less than all of the outstanding principal amount of any Bond is redeemed, upon surrender of that Bond to the Bond Registrar, there shall be issued to the Registered Owner, without charge, a new Bond (or Bonds, at the option of the Registered Owner) of the same Series, maturity and interest rate in any Authorized Denomination in the aggregate principal amount to remain outstanding.

(d) *Notice of Redemption.* Notice of redemption of each Bond shall be given as set forth in the Bond Purchase Contract.

(e) *Rescission of Optional Redemption Notice.* In the case of an optional redemption, the notice of redemption may state that the City retains the right to rescind the redemption notice and the redemption by giving a notice of rescission to the affected Registered Owners at any time prior to the scheduled optional redemption date. Any notice of optional redemption that is so rescinded shall be of no effect, and each Bond for which a notice of optional redemption has been rescinded shall remain outstanding.

(e) *Effect of Redemption.* Interest on each Bond called for redemption shall cease to accrue on the date fixed for redemption, unless either the notice of optional redemption is rescinded as set forth above, or money sufficient to effect such redemption is not on deposit in the Bond Fund or in a trust account established to refund or defease the Bond.

(f) *Purchase of Bonds.* The City reserves the right to purchase any or all of the Bonds offered to the City at any time at any price acceptable to the City plus accrued interest to the date of purchase.

Section 10. Failure To Pay Bonds. If the principal of any Bond is not paid when the Bond is properly presented at its maturity date or date fixed for redemption, the City shall be obligated to pay, from the sources pledged herein, interest on that Bond at the same rate provided in the Bond from and after its maturity or date fixed for redemption until that Bond, both principal and interest, is paid in full or until sufficient money for its payment in full is on deposit in the Bond Fund, or in a trust account established to refund or defease the Bond, and the Bond has been called for payment by giving notice of that call to the Registered Owner.

Section 11. Refunding or Defeasance of the Bonds. The City may issue refunding bonds pursuant to State law or use money available from any other lawful source to carry out a refunding or defeasance plan, which may include (a) paying when due the principal of and interest on any or all of the Bonds (the “defeased Bonds”); (b) redeeming the defeased Bonds prior to their maturity; and (c) paying the costs of the refunding or defeasance. If the City sets aside in a special trust fund or escrow account irrevocably pledged to that redemption or defeasance (the “trust account”), money and/or Government Obligations maturing at a time or times and bearing interest in amounts sufficient to redeem, refund or defease the defeased Bonds in accordance with their terms, then all right and interest of the Owners of the defeased Bonds in the covenants of this ordinance and in the funds and accounts obligated to the payment of the defeased Bonds shall cease and become void. Thereafter, the Owners of defeased Bonds shall have the right to receive payment of the principal of and interest on the defeased Bonds solely from the trust account and the defeased Bonds shall be deemed no longer outstanding. In that event, the City may apply money remaining in any fund or account (other than the trust account)

established for the payment or redemption of the defeased Bonds to any lawful purpose, subject only to the rights of the Owners of any other Parity Bonds then outstanding.

Unless otherwise specified by the City in a refunding or defeasance plan, notice of refunding or defeasance shall be given, and selection of Bonds for inclusion in a refunding or defeasance shall be conducted, in the manner prescribed in this ordinance for the redemption of Bonds.

Section 12. Security for the Bonds; Bond Fund.

(a) *Pledge of Net Revenue and ULID Assessments.* The Net Revenue and ULID Assessments are pledged irrevocably to the payment of the amounts required to be paid into the Bond Fund for the payment of the Bonds and all Future Parity Bonds. This pledge shall constitute a lien and charge upon the Net Revenue and ULID Assessments prior and superior to any other charges whatsoever.

(b) *Bond Fund; Deposits to Bond Fund.* The Bond Fund has been established within the Utility System Fund as a special fund of the City and divided into two accounts: the Principal and Interest Account and the Reserve Account.

So long as any of the Parity Bonds are outstanding, the City obligates and binds itself to set aside and pay into the Bond Fund all ULID Assessments and, out of the Net Revenue, certain fixed amounts, without regard to any fixed proportion, namely:

- (1) Into the Principal and Interest Account, before each interest payment date of the Parity Bonds, an amount that will be sufficient, together with other money on deposit therein, to pay the interest on the Parity Bonds on the next succeeding interest payment date; and
- (2) Into the Principal and Interest Account, before each principal payment date of the Parity Bonds (including any mandatory redemption date), an amount that will be sufficient, together with other money on deposit therein, to pay the principal of the Parity Bonds on the next succeeding Principal Payment Date, including mandatory redemption amounts due on that date with respect to any Term Bonds; and
- (3) Into the Reserve Account, an amount sufficient so that the amount on deposit in the Reserve Account satisfies the Reserve Requirement for the Parity Bonds in the time and manner required by this ordinance.

When the total amount on deposit in the Bond Fund equals the total outstanding amount of principal and interest for all Parity Bonds to the last maturity thereof, no further payment need be made into the Bond Fund. The Finance Officer may create sinking fund accounts or other accounts in the Bond Fund for the payment or securing the payment of Parity Bonds as long as the maintenance of such accounts does not conflict with the rights of the owners of Parity Bonds.

(c) *The Reserve Account; Reserve Requirement.* The City covenants and agrees that it will at all times maintain in the Reserve Account an amount (including the value of all Reserve Surety deposited therein) equal to the Reserve Requirement, except for withdrawals as authorized in this subsection, until there is a sufficient amount in the Principal and Interest Account and Reserve Account to pay the principal of and interest on all outstanding Parity Bonds, at which time the money in the Reserve Account may be used to pay any such principal

and interest so long as the money remaining on deposit in the Reserve Account is not less than the Reserve Requirement calculated based on the remaining outstanding Parity Bonds. The Reserve Requirement shall be deemed satisfied by any combination of Parity Bond proceeds, Reserve Surety or other legally available money equal to the Reserve Requirement, or by the deposit of available funds of the City in approximately equal annual installments so that the Reserve Requirement is funded no later than three years after the issuance of any Future Parity Bonds.

If there is a deficiency in the Principal and Interest Account in the Bond Fund to make the next upcoming payment of either principal or interest, that deficiency shall be made up from the Reserve Account by the withdrawal of amounts necessary for that purpose. Any deficiency created in the Reserve Account by reason of any such withdrawal shall then be made up from the next available payments of Net Revenue and ULID Assessments after making necessary provision for the required payments into the Principal and Interest Account.

(d) *Investment of Money Deposited in Bond Fund.* All money in the Bond Fund may be kept in cash; deposited with an institution (as permitted by law) in an amount in each institution not greater than the amount insured by any department or agency of the United States Government; or invested in Permitted Investments or other legal investments permitted to the City maturing not later than the date when needed (for investments in the Principal and Interest Account) or the last maturity of any outstanding Parity Bonds (for investments in the Reserve Account). Income from investments in the Principal and Interest Account shall be deposited in that account. Income from investments in the Reserve Account shall be deposited in that account until the amount therein is equal to the Reserve Requirement, and thereafter shall be deposited in the Principal and Interest Account or used for other Utility System purposes.

(e) *Action to Compel Payments.* If the City fails to set aside and pay into the Bond Fund the amounts set forth above, the owner of any of the outstanding Parity Bonds may bring action against the City and compel the setting aside and payment.

Section 13. Deposit of Bond Proceeds. The proceeds of the Bonds shall be deposited in the Construction Fund and be used to pay the costs of carrying out the Plan of Additions and bank fees and closing costs. Until needed to pay such costs, the City may invest those proceeds temporarily in any legal investment, and the investment earnings shall be retained in the Construction Fund and used for the purposes of that fund, except that earnings subject to a federal tax or rebate requirement (if applicable) may be withdrawn from the Construction Fund and used for those tax or rebate purposes.

Section 14. Flow of Funds. So long as any Parity Bonds are outstanding, the City covenants that all ULID Assessments (if any) shall be paid into the Bond Fund, and the Gross Revenue shall be deposited into the Utility System Fund to be used for the following purposes only in the following order of priority:

- (1) To pay Operating and Maintenance Expenses.
- (2) To make when due the required payments into the Principal and Interest Account in respect of interest on the Parity Bonds.
- (3) To make when due the required payments into the Principal and Interest Account in respect of principal of (and premium on, if any) the Parity Bonds, whether at maturity or pursuant to redemption prior to maturity.

- (4) To make when due all payments required to be made into the Reserve Account.
- (5) To make when due all payments required to be made under any reimbursement agreement with a Bond Insurer in any priority not inconsistent with this ordinance, which the City may hereafter establish by ordinance.
- (6) To make when due the required payments to be made into any revenue bond, note warrant or other revenue obligation redemption fund, debt service account or reserve account created to pay and secure the payment of any revenue obligations of the Utility System having a charge upon the Net Revenue junior to the charge thereon for the payment of the Parity Bonds.
- (7) Without priority, to retire by redemption or to purchase in the open market any outstanding Parity Bonds or junior lien obligations, to make necessary betterments and replacements of or repairs, additions or extensions to the Utility System, to make deposits into the Rate Stabilization Account, or for any other lawful purpose.

Section 15. Additional Covenants. So long as any Parity Bonds are outstanding, the City covenants and agrees with the owner of each Bond at any time outstanding as follows:

(a) *Maintenance and Operation.* The City will at all times maintain, preserve and keep the properties of the Utility System in good repair, working order and condition, will make all necessary and proper additions, betterments, renewals and repairs thereto, and improvements, replacements and extensions thereof, and will at all times operate or cause to be operated the properties of the Utility System and the business in connection therewith in an efficient manner and at a reasonable cost.

(b) *Establishment and Collection of Rates and Charges.* The City will establish, maintain and collect rates and charges for all services and facilities provided by the Utility System which will be fair and nondiscriminatory. The City will adjust those rates and charges from time to time so that: (i) the Gross Revenue will at all times be sufficient to (A) pay all Maintenance and Operation Expenses on a current basis, (B) pay when due all amounts that the City is obligated to pay into the Bond Fund and the accounts therein, (C) pay all taxes (or payments in lieu thereof), assessments or other governmental charges lawfully imposed on the Utility System and any and all other amounts which the City may now or hereafter become obligated to pay from the Gross Revenue by law or contract; and (ii) the Adjusted Net Revenue in each fiscal year will be at least equal to the Coverage Requirement.

(c) *Sale or Disposition of Utility Property.* The City will not sell, lease, mortgage or in any manner encumber or dispose of all the property of the Utility System unless provision is made for payment into the Bond Fund of a sum sufficient to pay the principal of and interest on all Parity Bonds then outstanding. Further, the City will not sell, lease, mortgage, or in any manner encumber or dispose of (each, a "disposition") any part of the property of the Utility System that is used, useful and material to the operation thereof (the "affected portion") unless provision is made for replacement thereof or for payment into the Bond Fund of an amount which shall bear the same ratio to the amount of Parity Bonds then outstanding (less the amount of cash and investments in the Bond Fund and the accounts therein) as (i) the Net Revenue from affected portion of the Utility System for the twelve months preceding such disposition bears to (ii) the Net Revenue from the entire Utility System for the same period. Any money paid into the

Bond Fund as a result of such a disposition shall be used to retire that proportion of then-outstanding Parity Bonds at the earliest possible date.

(d) *Books and Records.* The City will maintain complete books and records relating to the operation of the Utility System and its financial affairs, and will cause such books and records to be audited annually, and cause to be prepared an annual financial and operating statement, which shall be provided to any owner of Parity Bonds upon request.

(e) *No Free Service.* Except to aid the poor or infirm, to provide for resource conservation or to provide for the proper handling of hazardous materials, the City will not furnish or supply or permit the furnishing or supplying of any service or facility in connection with the operation of the Utility System free of charge to any person, firm or corporation, public or private, other than the City.

(f) *Collection of Delinquent Accounts.* On at least an annual basis, the City will determine all accounts that are delinquent and will take all necessary action to enforce payment of such accounts against those property owners whose accounts are delinquent.

(g) *Insurance.* The City will at all times carry fire and such other forms of insurance on such of the buildings, equipment, facilities and properties of the Utility System as are ordinarily carried on such buildings, equipment, facilities, and properties by utilities engaged in the operation of similar utility systems to the full insurable value thereof, and also will carry adequate public liability insurance at all times. The City may self insure or participate in a joint intergovernmental insurance pool or similar plan, and the cost of that insurance or self insurance shall be considered a part of Operating and Maintenance Expenses.

(h) *ULID Assessments.* The City will promptly collect all ULID Assessments and deposit such collections into the Bond Fund to pay or secure the principal of and interest on any Parity Bonds without those ULID Assessments being particularly allocated to any particular series of Parity Bonds.

Section 16. Rate Stabilization Account. The City may at any time establish a Rate Stabilization Account. Deposits and withdrawals shall be made in accordance with this section at any time up to and including the date 90 days after the end of the fiscal year for which the deposit or withdrawal will be included as Adjusted Net Revenue for that fiscal year, as follows:

(a) *Deposits to the Rate Stabilization Account.* The City may at any time, as determined by the Finance Officer and as consistent with the covenants contained in this ordinance, deposit into the Rate Stabilization Account amounts of Gross Revenue and any other money received by the Utility System and available to be used therefor, excluding principal proceeds of Parity Bonds or other borrowing. However, no deposit of Gross Revenue may be made into the Rate Stabilization Account to the extent that such deposit would prevent the City from meeting the Coverage Requirement in the relevant fiscal year.

(b) *Withdrawals from the Rate Stabilization Account.* The City may withdraw money from the Rate Stabilization Account at any time upon authorization of the City Council (which may be by motion, resolution or ordinance) for inclusion in the Adjusted Net Revenue for any fiscal year of the Utility System, except that the total amount withdrawn from the Rate Stabilization Account in any fiscal year may not exceed the Annual Debt Service in that year. Earnings from investments in the Rate Stabilization Account shall be deposited in that account and shall not be included as Adjusted Net Revenue unless and until withdrawn from that account.

Section 17. Separate Systems. The City may create, acquire, construct, finance, own and operate one or more separate systems for water supply, sewer service, water, sewage or stormwater transmission, treatment or other commodity or utility service. The revenue of that Separate System, and any utility local improvement district assessments payable solely with respect to improvements to a Separate System, shall not be included in the Gross Revenue and may be pledged to the payment of revenue obligations issued to purchase, construct, condemn or otherwise acquire or expand the Separate System. Neither the Gross Revenue of the Utility System nor the Net Revenue of the Utility System may be pledged to the payment of any obligations of a Separate System except that the Net Revenue may be pledged on a basis subordinate to the lien of the Parity Bonds.

Section 18. Sale and Delivery of the Bonds.

(a) *Manner of Sale of Bonds; Delivery of Bonds.* The Designated Representative is authorized to sell each Series of the Bonds by negotiated sale or private placement consistent with this ordinance, based on the assessment of the Designated Representative of market conditions, in consultation with appropriate City officials and staff, Bond Counsel, the Financial Advisor and other advisors. The Designated Representative shall select one or more Purchasers with which to negotiate such sale. In accepting the Sale Terms, the Designated Representative shall take into account those factors that, in the judgment of the Designated Representative, may be expected to result in the lowest true interest cost to the City. The Designated Representative is authorized to execute the Bond Purchase Contract on behalf of the City, so long as the terms provided therein are consistent with the terms of this ordinance.

(b) *Preparation, Execution and Delivery of the Bonds.* The Bonds will be prepared at City expense and will be delivered to the Purchaser in accordance with the Bond Purchase Contract, together with the approving legal opinion of Bond Counsel regarding the Bonds. The costs of issuing and selling the Bonds shall be paid from any money of the City legally available therefor.

Section 19. Parity Conditions. The City reserves the right to issue Future Parity Bonds which will constitute a charge and lien upon the Net Revenue and ULID Assessments on a parity with the Bonds if the Parity Conditions are met and complied with at the time of the issuance of those Future Parity Bonds. Nothing contained in the Parity Conditions shall prevent the City from issuing revenue obligations having a lien on the Net Revenue that is junior to the lien thereon that secures the Parity Bonds, or from pledging to pay into a bond redemption fund or account for such junior lien obligations assessments (including interest and penalties thereon) in any utility local improvement district that are levied to pay part or all of the cost of improvements being constructed out of the proceeds of the sale of such junior lien obligations. Neither shall anything contained in this ordinance prevent the City from issuing revenue obligations to refund maturing Parity Bonds for the payment of which money is not otherwise available.

Section 20. Tax Matters.

(a) *Preservation of Tax Exemption for Interest on Tax-Exempt Bonds.* The City covenants that it will take all actions necessary to prevent interest on the Tax-Exempt Bonds from being included in gross income for federal income tax purposes, and it will neither take any action nor make or permit any use of proceeds of the Bonds issued as Tax-Exempt Bonds (or other funds of the City treated as proceeds of the Tax-Exempt Bonds) that will cause interest on

the Tax-Exempt Bonds to be included in gross income for federal income tax purposes. The City also covenants that it will, to the extent the arbitrage rebate requirements of Section 148 of the Code are applicable to the Tax-Exempt Bonds, take all actions necessary to comply (or to be treated as having complied) with those requirements in connection with the Tax-Exempt Bonds.

(b) *Post-Issuance Compliance.* The Finance Officer is authorized and directed to review and update the City's written procedures to facilitate compliance by the City with the covenants in this ordinance and the applicable requirements of the Code that must be satisfied after the Issue Date to prevent interest on the Tax-Exempt Bonds from being included in gross income for federal tax purposes.

(c) *Designation of Bonds as "Qualified Tax-Exempt Obligations."* A Series of the Tax-Exempt Bonds may be designated as "qualified tax-exempt obligations" for the purposes of Section 265(b)(3) of the Code, if the following conditions are met:

- (1) the Series of Tax-Exempt Bonds does not constitute "private activity bonds" within the meaning of Section 141 of the Code;
- (2) the reasonably anticipated amount of tax-exempt obligations (other than private activity bonds and other obligations not required to be included in such calculation) that the City and any entity subordinate to the City (including any entity that the City controls, that derives its authority to issue tax-exempt obligations from the City, or that issues tax-exempt obligations on behalf of the City) will issue during the calendar year in which the Tax-Exempt Bonds are issued will not exceed \$10,000,000; and
- (3) the amount of tax-exempt obligations, including the Series of Tax-Exempt Bonds, designated by the City as "qualified tax-exempt obligations" for the purposes of Section 265(b)(3) of the Code during the calendar year in which the Series of Tax-Exempt Bonds are issued does not exceed \$10,000,000.

Section 21. Amendatory Ordinances.

(a) This ordinance shall not be modified or amended in any respect subsequent to the initial issuance of the Bonds, except as provided in and in accordance with and subject to the provisions of this section.

(b) The City, from time to time, and at any time, without the consent of or notice to the Owners of the Bonds, may pass amendatory ordinances as follows:

- (1) To cure any formal defect, omission, inconsistency or ambiguity in this ordinance in a manner not adverse to the owner of any Parity Bonds;
- (2) To impose upon the Bond Registrar (with its consent) for the benefit of the registered owners of the Parity Bonds any additional rights, remedies, powers, authority, security, liabilities or duties which may lawfully be granted, conferred or imposed and which are not contrary to or inconsistent with this ordinance as theretofore in effect;
- (3) To add to the covenants and agreements of, and limitations and restrictions upon, the City in this ordinance, other covenants, agreements, limitations and restrictions to be observed by the City which are not contrary or inconsistent with this ordinance as theretofore in effect;

- (4) To confirm, as further assurance, any pledge under, and the subjection to any claim, lien or pledge created or to be created by this ordinance of any other money, securities or funds;
 - (5) To authorize different denominations of the Bonds and to make correlative amendments and modifications to this ordinance regarding exchangeability of Bonds of different authorized denominations, redemptions of portions of Bonds of particular authorized denominations and similar amendments and modifications of a technical nature;
 - (6) To modify, alter, amend or supplement this ordinance in any other respect which is not materially adverse to the registered owners of the Parity Bonds and which does not involve a change described in subsection (c) of this section; and
 - (7) Because of change in federal law or rulings, to maintain the exclusion from gross income of the interest on Tax-Exempt Bonds from federal income taxation.
- (c) Except for any amendatory ordinance passed into pursuant to subsection (b) of this section, subject to the terms and provisions contained in this subsection (c) and not otherwise:
- (1) Registered owners of not less than 50% in aggregate principal amount of the Parity Bonds then outstanding shall have the right from time to time to consent to the passage of any amendatory ordinance deemed necessary or desirable by the City for the purpose of modifying, altering, amending, supplementing or rescinding, in any particular, any of the terms or provisions contained in this ordinance. However, consent by the registered owners of all the Bonds then outstanding is required for any amendatory ordinance authorizing: (i) a change in the times, amounts or currency of payment of the principal of or interest on any outstanding Bond, or a reduction in the principal amount of redemption price of any outstanding Bond or a change in the redemption price of any outstanding Bond or a change in the method of determining the rate of interest thereon; (ii) a preference of priority of any Bond or Bonds or any other bond or bonds; or (iii) a reduction in the aggregate principal amount of Bonds.
 - (2) Any amendatory ordinance passed for any of the purposes of this subsection (c), shall not become effective except in accordance with this subsection (c)(2). Upon passage of any such amendatory ordinance, the City shall cause notice of the proposed ordinance to be given by first class United States mail to all registered owners of the then outstanding Parity Bonds. Such notice shall briefly describe the proposed ordinance and shall state that a copy is available from the Finance Officer for inspection. The amendatory ordinance shall become effective in substantially the form described in the notice only if within two years after mailing of such notice, the City has received (i) the required consents, in writing, of the registered owners of the Parity Bonds (or of the Bonds, as applicable) and (ii) an opinion of Bond Counsel stating that such amendatory ordinance is permitted by this ordinance; that upon the effective date thereof, it will be valid and binding upon the City in accordance with its terms; and its passage will not adversely affect the exclusion from gross income for federal income tax purposes of interest on the Bonds.

(3) If registered owners of not less than the percentage of Parity Bonds (or Bonds, as applicable) required by this subsection (c) have consented, no owner of the Parity Bonds shall have any right to object to the passage of the ordinance (or to any of the terms and provisions contained therein or the operation thereof), or in any manner to question the propriety of the passage thereof, or to enjoin or restrain the City from passing, or from taking any action pursuant to, the same.

(d) Upon the effective date of any amendatory ordinance passed pursuant to the provisions of this Section 21, this ordinance shall be amended in accordance therewith, and the respective rights, duties and obligations under this ordinance of the City, the Bond Registrar and all Registered Owners of Bonds then outstanding, shall thereafter be determined, exercised and enforced under this ordinance subject in all respects to such amendments.

Section 22. General Authorization and Ratification. The Designated Representative and other appropriate officers of the City are severally authorized to take such actions and to execute such documents as in their judgment may be necessary or desirable to carry out the transactions contemplated in connection with this ordinance, and to do everything necessary for the prompt delivery of each Series of the Bonds to the Purchaser and for the proper application, use and investment of the proceeds of the Bonds. All actions taken prior to the effective date of this ordinance in furtherance of the purposes described in this ordinance and not inconsistent with the terms of this ordinance are ratified and confirmed in all respects.

Section 23. Severability. The provisions of this ordinance are declared to be separate and severable. If a court of competent jurisdiction, all appeals having been exhausted or all appeal periods having run, finds any provision of this ordinance to be invalid or unenforceable as to any person or circumstance, such offending provision shall, if feasible, be deemed to be modified to be within the limits of enforceability or validity. However, if the offending provision cannot be so modified, it shall be null and void with respect to the particular person or circumstance, and all other provisions of this ordinance in all other respects, and the offending provision with respect to all other persons and all other circumstances, shall remain valid and enforceable.

Section 24. Effective Date of Ordinance. This ordinance shall take effect and be in force from and after its passage and five days following its publication as required by law and is not subject to referendum.

PASSED by the City Council of the City of Shoreline, Washington, at an open public meeting thereof, this 17th day of August, 2015, and signed in authentication of its passage this ___ day of August, 2015.

ATTEST:

City Clerk

APPROVED AS TO FORM:

FOSTER PEPPER PLLC
Bond Counsel

DESCRIPTION OF THE BONDS

- (i) **Principal Amount.** The Bonds may be issued in one or more Series and shall not exceed the aggregate principal amount of \$2,000,000 plus bank fees and closing costs, and may be issued as either taxable or tax-exempt obligations.
- (ii) **Date or Dates.** Each Bond shall be dated the Issue Date, which date may not be later than one year after the effective date of this ordinance.
- (iii) **Denominations, Name, etc.** The Bonds shall be issued in Authorized Denominations and shall be numbered separately in the manner and shall bear any name and additional designation as deemed necessary or appropriate by the Designated Representative.
- (iv) **Interest Rate(s).** Unless otherwise specified in the Bond Purchase Contract, each Bond shall bear interest at a fixed rate per annum (computed on the basis of a 360-day year of twelve 30-day months) from the Issue Date or from the most recent date for which interest has been paid or duly provided for, whichever is later. One or more rates of interest may be fixed for the Bonds. No rate of interest for any Bond may exceed 5.00%, and the true interest cost to the City for each Series of the Bonds may not exceed 5.00%.
- (v) **Payment Dates.** Interest shall be payable not less frequently than semiannually on dates acceptable to the Designated Representative, commencing no later than one year following the Issue Date. Principal payments shall commence on a date acceptable to the Designated Representative and shall be payable at maturity or in mandatory redemption installments on dates acceptable to the Designated Representative.
- (vi) **Final Maturity.** Each Series of the Bonds shall mature no later than December 1, 2030.
- (vii) **Redemption Rights.** The Designated Representative may approve in the Bond Purchase Contract provisions for the optional and mandatory redemption of Bonds, subject to the following:
- (1) Optional Redemption. Any Bond may be designated as being (A) subject to redemption at the option of the City prior to its maturity date on the dates and at the prices set forth in the Bond Purchase Contract; or (B) not subject to redemption prior to its maturity date. If a Bond is subject to optional redemption prior to its maturity, it must be subject to such

redemption on one or more dates occurring not more than 10½ years after the Issue Date.

- (2) Mandatory Redemption. Any Bond may be designated as a Term Bond, subject to mandatory redemption prior to its maturity on the dates and in the amounts set forth in the Bond Purchase Contract.

(viii) Price.

The purchase price for each Series of the Bonds may not be less than 98% or more than 120% of the stated principal amount of that Series.

(ix) Other Terms & Conditions.

The Designated Representative may determine whether it is in the City's best interest to provide for bond insurance or other credit enhancement; and may accept such additional terms, conditions and covenants as he or she may determine are in the best interests of the City, consistent with this ordinance.

PARITY CONDITIONS FOR ISSUANCE OF FUTURE PARITY BONDS

The City may issue Future Parity Bonds on a parity with the Bonds if and only if the following conditions are met and complied with at the time of issuance of those proposed Future Parity Bonds:

(a) At the time of issuance of such Future Parity Bonds, there may not be any deficiency in the Principal and Interest Account or the Reserve Account of the Bond Fund.

(b) The Future Parity Bond Authorizing Ordinance must require that all ULID Assessments levied in connection with those Future Parity Bonds will be paid directly into the Bond Fund.

(c) The Future Parity Bond Authorizing Ordinance shall provide for the payment of the principal thereof and interest thereon out of the Bond Fund.

(d) The Future Parity Bond Authorizing Ordinance must provide for the deposit into the Reserve Account of amounts necessary to comply with the Reserve Requirement and Section 12 of this ordinance.

(e) At the time of the issuance of such Future Parity Bonds, the City shall have on file, either:

(1) A certificate from an Independent Utility Consultant showing that, in his or her professional opinion, the annual Net Revenue available for debt service on the Parity Bonds then outstanding and the Future Parity Bonds proposed to be issued shall, for each year, be at least equal to the Coverage Requirement. In making such certification, the Net Revenue for any 12 consecutive calendar months out of the immediately preceding 24 consecutive months shall be used, and the following adjustments may be made to the historical net operating revenue:

- (i) Any rate change that has taken place or been approved, may be reflected;
- (ii) Revenue may be added from customers actually added to the Utility System subsequent to the 12-month base period;
- (iii) Revenue may be added from customers to be served by the improvements being constructed out of the proceeds of the Future Parity Bonds to be issued; and
- (iv) A full year's revenue may be included from any customer being served, but who has not been receiving service for the full period of operation used as a basis for the certificate; and
- (v) Actual or reasonably anticipated changes to the Operating and Maintenance Expenses subsequent to such 12-month period shall be added or deducted, as is applicable.

(2) A certificate of the Finance Officer showing that, in his or her professional opinion, the annual Net Revenue available for debt service on the Parity Bonds then outstanding and the Future Parity Bonds proposed to be issued shall, for each year, be at least equal to the Coverage Requirement. In making such certification, the Finance Officer shall assume that (A) the proposed Future Parity Bonds will remain outstanding to their scheduled maturities, and (B) any Parity Bonds to be refunded

by those Future Parity Bonds are not outstanding. The Finance Officer shall not make any of the adjustments referred to above.

However, if the Future Parity Bonds are being issued for the sole purpose of refunding then-outstanding Parity Bonds (including paying costs of issuance and providing for the Reserve Requirement), no coverage certification is required if, as result of the issuance of those Future Parity Bonds, (a) the Annual Debt Service on the Future Parity Bonds to be issued is not increased by more than \$5,000 over the Annual Debt Service for that year of the bonds being refunded, and (b) the various annual maturities of the refunding Future Parity Bonds will not extend more than one year longer than the Parity Bonds being refunded. Furthermore, no certificate shall be required in connection with the issuance of Future Parity Bonds if the amount of such bonds proposed to be issued does not exceed the ULID Assessments levied in support of such Future Parity Bond issue by more than \$5,000 plus any amount of the proceeds of such Future Parity Bonds deposited in the Reserve Account as capitalized reserve.

DESCRIPTION OF PLAN OF ADDITIONS

The planned additions and betterments to the Surface Water Utility consist of those set forth in the City's 2015-2020 Adopted Capital Improvement Plan, as it may be amended from time to time by the City Council (the "CIP").

A summary of the improvements expected to be financed, in whole or in part, with proceeds of the Bonds is as follows:

- Stormwater pipe and culvert repair and replacement
- NE 25th flood reduction project
- Hidden Lake Dam removal
- Infrastructure improvements
- Surface water planning
- Any other capital project of the Surface Water Utility described in the then-current CIP, as determined by the Finance Officer

CERTIFICATION

I, the undersigned, City Clerk of the City of Shoreline, Washington (the "City"), hereby certify as follows:

1. The attached copy of Ordinance No. _____ (the "Ordinance") is a full, true and correct copy of an ordinance duly passed at a regular meeting of the City Council of the City held at the regular meeting place thereof on August 17, 2015, as that ordinance appears on the minute book of the City;

2. The Ordinance will be in full force and effect five days after publication in the City's official newspaper, which publication date is expected to be _____, 2015; and

3. A quorum of the members of the City Council was present throughout the meeting and a majority of its members voted in the proper manner for the passage of the Ordinance.

Dated _____, 2015.

CITY COUNCIL AGENDA ITEM
CITY OF SHORELINE, WASHINGTON

AGENDA TITLE:	2015 Washington State Legislative Session Wrap Up		
DEPARTMENT:	City Manager's Office		
PRESENTED BY:	Scott MacColl, Intergovernmental Relations		
ACTION:	<input type="checkbox"/> Ordinance	<input type="checkbox"/> Resolution	<input type="checkbox"/> Motion
	<input checked="" type="checkbox"/> Discussion	<input type="checkbox"/> Public Hearing	

ISSUE STATEMENT:

The 2015 Legislature finished Sine Die (officially finished) for the third Special Session on July 10, 2015, capping the longest legislative session in Washington State History. While the question of whether or not schools are appropriately funded still remains, the Legislature felt they had done enough to reach that goal by 2018. In addition, the Legislature finally passed a \$16 billion, transportation package to fund projects over the next 16 years, funded primarily by an increase in the state gas tax. Overall, Shoreline's Legislative Priorities were well covered, including directly achieving three of the five Council priorities.

RESOURCE/FINANCIAL IMPACT:

There is a net positive impact from this legislative session, including restoration of state shared liquor revenues (Shoreline's increase in liquor revenues is estimated to be \$55,100 for the 2015-2017 biennium, or \$27,550 per annually), and a new direct distribution of marijuana revenues to cities of \$3 million per year this biennium (Shoreline's portion is estimated to be \$50,000 for 2015-2017, or \$25,000 annually).

Shoreline will also receive \$25 million for the 145th Street Corridor Project as part of the Transportation Package passed by the Legislature. As the package is funded through an increase in the gas tax, Shoreline will also receive an increase in its share of gas tax revenues. The gas tax increase is implemented over two years, so Shoreline would receive revenues of approximately \$36,192 for the remainder of 2015; \$72,382 in 2016; \$113,744 in 2017; and \$155,103 starting in 2018 going forward.

Additionally, the legislation allows for an increase in the Transportation Benefit District fee through Council action from \$20 to \$40. If enacted, this would provide approximately \$780,000 annually.

RECOMMENDATION

No action is required; this item is for discussion purposes only.

Approved By: City Manager **DT** City Attorney **MK**

INTRODUCTION

The 2015 legislative session was the biennial budget year in which the State Legislature approved the 2-year, 2015-2017 budget. One of the most significant issues the Legislature faced was how to deal with the McLeary decision, or how to fully fund basic education. This turned out to be challenging, as it took three special sessions and a very near state government shut-down to come to resolution on a budget.

The Legislature also passed a \$16 billion transportation package to fund projects over 16 years. The projects will be paid for through an 11.9-cent gas tax increase that would be phased in over two years.

Many of Shoreline's 2015 Legislative Priorities were met this session. Shoreline will receive restored liquor revenues, new marijuana revenues, and \$25 million in funding for the 145th Street Corridor Project. In addition, cities also received the authority to increase the vehicle license fee that funds the Transportation Benefit District (TBD), and an increase in gas tax revenue.

BACKGROUND

The 2015 Washington State Legislature was in continuous session from January 12 to July 10, 2015, capping the longest legislative session in state history. The Legislature needed to pass the biennial budget by June 30 or the state government would have had to shut down (as technically there would be no funding). The State came within half an hour of its first government shut down, as the budget was not voted on until June 30, late into the evening, and not signed by the Governor until 11:30 pm.

State Budget

The Legislature passed a \$38.2 billion two-year budget, which is supposed to go most of the way to fully fund basic education. While there are differing opinions as to whether or not the budget fully addressed education funding, legislators chose not to address the voter-approved class-size reduction initiative, I-1351, passed last November. The price tag on that initiative is estimated to be another \$2 billion, and the Legislature suspended the initiative in order to balance the budget without further cuts or tax increases.

The budget added, among other items, another \$1.3 billion to basic K-12 education, reduced tuition at universities by 20%, and increased pay for state workers and teachers.

Marijuana

The Legislature passed HB 2136, which merges the medical and retail (recreational) marijuana systems into the oversight of the Liquor and Cannabis Board (LCB – the legislation also changed the name of the agency). Among other provisions, the legislation phases out medical collective gardens by July 1, 2016. Additionally, the bill provides marijuana tax revenues for local jurisdictions, distributed based on retail sales and population.

Transportation

After years of near misses, the Legislature finally passed a 16-year, \$16 billion transportation package. The package will be funded with bonds, and paid for using an increase in the gas tax and other fees. The gas tax increase includes an 11.9 cent gas tax hike over the next two years, and will go up in two stages: a 7-cent increase on August 1, and a 4.9-cent increase on July 1, 2016. The increase in the gas tax also provides an increase in Shoreline's direct gas tax distribution, which is used solely for road projects.

The plan spends \$8.8 billion on state and local road projects and \$1.4 billion on maintenance and preservation. An additional \$1.3 billion will go to non-highway projects, such as bike paths, pedestrian walkways and transit. The bill also provides Sound Transit up to \$15 billion in additional funding authority to ask voters to pay for the potential ST3 package.

Transportation Benefit District (TBD)

The legislation authorizing the transportation package also included changes to the TBD statues, including amending the governance of the TBD. The bill allows a city with the same boundaries of a TBD to eliminate the separate entity status and assume the rights, powers, functions, and obligations of the TBD. The bill also increases the vehicle license fee amount a Council can impose with a majority vote to \$40 if a \$20 fee has been in effect for at least 24 months. Additionally, a Council may increase that fee to \$50 upon a majority vote if a \$40 fee has been in effect for at least 24 months, but that action would be subject to a referendum. The median income threshold that a TBD may provide a rebate of a vehicle fee is increased from 45 percent to 75 percent.

Shoreline 2015 Legislative Priorities

The City's 2015 Legislative Priorities were largely met this year, including an increase in state shared revenues. For general fund revenue, city liquor shared revenue was restored to pre-2013 levels and cities will receive a small share of marijuana revenues starting in the 2015-2017 biennium. Cities also receive an increase in state shared gas tax revenues that pays for the transportation package and an increase in the councilmanic TBD authority.

Below are the legislative priorities with any legislative action below:

1. *Support Local Government Financial Sustainability and Flexibility (including revising the property tax and local transportation revenue options):*
 - State shared revenues
 - i. Restores the 50% cut in liquor taxes from the previous biennium (an additional \$26.1 million) and retains the liquor profit sharing revenue at \$49.4 million.
 - ii. Provides \$6 million in marijuana excise tax revenue to cities and counties per year (\$3 million, split between cities and counties).
 - Local transportation revenue options
 - i. Provides an increase in the TBD vehicle license fee authority that Council can enact without a vote from \$20 to \$40. Additionally, after two years at \$40, Council can choose to increase another \$10

to \$50. Council can also eliminate the separate TBD status and assume the TBD as part of the City.

- ii. Shoreline also receives increased gas tax revenue from the statewide increase in the gas tax to fund the transportation package.

2. *Advocate for the 145th Street Corridor Project*

- Shoreline was able to secure \$25 million in the statewide transportation package funding for the project.

3. *Oppose legislation that modifies existing city authority to assume water/sewer districts*

- There was yet another attempt to repeal city authority to assume a water/sewer district, and this time both the Chairs of the relevant House and Senate committees were supportive. With support from other cities and AWC, the authority is intact, albeit with a new referendum provision.

4. *Support clarification of state law regarding medical vs. recreational marijuana*

- The Legislature passed comprehensive legislation to revise the marijuana market and fix the unregulated collective garden market (see note above). As a bonus, cities will receive some funds (albeit small) to help deal with the impacts of marijuana.

5. *Support increasing state revenue to support education, human services, and general state and local revenue to maintain existing services*

- Due in part to a better than expected revenue forecast, the state was able to increase funding to education and state services without making significant cuts to services. Additionally, as noted above, cities were able to retain their state shared revenues as well.

As with any legislative session, there were some less positive outcomes. The Public Works Trust Fund is essentially finished. The budget did not provide any new funding and there is only enough in the fund to pay off existing projects. Also, the transportation package was fairly road heavy and transit/bike/pedestrian light, but hopefully projects like the 145th Street Corridor Project will provide a mix of all those.

RESOURCE/FINANCIAL IMPACT

There is a net positive impact from this legislative session, including restoration of state shared liquor revenues (Shoreline's increase in liquor revenues is estimated to be \$55,100 for the 2015-2017 biennium, or \$27,550 per annually), and a new direct distribution of marijuana revenues to cities of \$3 million per year this biennium (Shoreline's portion is estimated to be \$50,000 for 2015-2017, or \$25,000 annually).

Shoreline will also receive \$25 million for the 145th Street Corridor Project as part of the Transportation Package passed by the Legislature. As the package is funded through an increase in the gas tax, Shoreline will also receive an increase in its share of gas tax

revenues. The gas tax increase is implemented over two years, so Shoreline would receive revenues of approximately \$36,192 for the remainder of 2015; \$72,382 in 2016; \$113,744 in 2017; and \$155,103 starting in 2018 going forward.

Additionally, the legislation allows for an increase in the Transportation Benefit District fee through Council action from \$20 to \$40. If enacted, this would provide approximately \$780,000 annually.

RECOMMENDATION

No action is required; this item is for discussion purposes only.
