

CITY COUNCIL AGENDA ITEM
CITY OF SHORELINE, WASHINGTON

AGENDA TITLE: Appointment of three Planning Commissioners
DEPARTMENT: Planning and Development Services
PRESENTED BY: Rachael Markle, Planning Manager

PROBLEM/ISSUE STATEMENT:

At the March 22 meeting the City Council reappointed Robin McClelland to a four year term and Will Hall to an initial four year term on the Planning Commission. There was Council consensus that the subcommittee should meet again and attempt to develop a list for the three remaining appointments. If that is not possible, the subcommittee was requested to return on April 5 with a short list of individuals to be interviewed by the Council as a committee-of-the-whole.

RECOMMENDATION

The Council subcommittee will bring forward a motion that reflects its recommendations. After the vote, the Mayor will confirm the appointments. If the subcommittee members have not come to a consensus on the recommendation, they will present a short list of individuals to be interviewed by the Council as a committee-of-the-whole.
