

CITY COUNCIL AGENDA ITEM
CITY OF SHORELINE, WASHINGTON

AGENDA TITLE: Public Hearing - Capital Improvement Plan (CIP) and
Transportation Improvement Plan (TIP)
DEPARTMENT: Finance
PRESENTED BY: Debbie Tarry, Finance Director

PROBLEM/ISSUE STATEMENT:

On June 11, 2007, staff presented the proposed 2008 – 2013 CIP to the City Council. The following schedule is being followed to facilitate the adoption of the 2008 – 2013 CIP.

June 11, 2007	Presentation of the Proposed 2008 – 2013 CIP and TIP
June 18, 2007	Council Discussion on the Proposed 2008 – 2013 CIP and TIP
June 25, 2007	Public Hearing and Council Discussion on the Proposed 2008 – 2013 CIP and TIP
July 2, 2007	Council Discussion on the Proposed 2008 – 2013 CIP and TIP
July 9, 2007	Council Adoption of 2008 – 2013 CIP and 2008 – 2013 TIP

Tonight, a public hearing is being held to give the public a formal opportunity to comment on the proposed 2008 – 2013 CIP. Following the public hearing the City Council will have an opportunity for additional discussion about the CIP. Copies of the proposed 2008 – 2013 CIP are available in the City Clerk's Office at City Hall, the Shoreline and Richmond Beach Libraries, the Neighborhood Police Storefronts and the City's website for review by the public.

RCW 35.77.010 law requires that all cities, towns, counties, and transit agencies review and revise their Six-Year Transportation Improvement Program (TIP) annually. The plan needs to be submitted to the Washington State Department of Transportation before August 1, 2007. A public hearing must be held prior to adoption by resolution of the revised and extended TIP. The TIP will serve as the Roads Capital Fund section of the City's 2008 – 2013 Capital Improvement Program (CIP) that has been submitted to Council for review.

The annual TIP update and adoption with a public hearing and by resolution is a state and federal requirement. The TIP is used to allocate federal and state funding. The City of Shoreline's TIP is incorporated into the Puget Sound Regional Council's (PSRC) adopted TIP and Statewide Transportation Improvement Program (STIP). The TIP lists all the transportation projects. A project must be included in the local agency's (City,

County or Transit Agency) TIP in order to be eligible for Federal or State Transportation Improvement Board (TIB) funding.

FINANCIAL IMPACT:

The Proposed 2008 – 2013 CIP is balanced as required by the Growth Management Act and totals \$172 million. The General Capital Fund totals \$32.9 million; City Facilities/Major Maintenance Fund totals \$340,000; Roads Capital Fund (2008 – 2013 TIP) totals \$120.4 million; and Surface Water Utility Fund capital projects totals \$18.3 million.

Attachment A is a summary of the proposed 2008 – 2013 Capital Improvement Plan. The TIP consists of the Roads Capital section of Attachment A.

RECOMMENDATION

Staff recommends that the City Council hold the public hearing and then discuss questions and/or issues that have been raised regarding the proposed CIP by the public or by the City Council.

Approved By: City Manager  City Attorney ____
