

CITY COUNCIL AGENDA ITEM
CITY OF SHORELINE, WASHINGTON

AGENDA TITLE:	Adoption of Ordinance No. 557 to Revise Offenses in the Shoreline Municipal Code Chapter 9.10, Criminal Code and Chapter 10.05, Model Traffic Ordinance
DEPARTMENT:	City Attorney's Office; Police Department
PRESENTED BY:	Dan Pingrey, Chief of Police; Ian Sievers, City Attorney

PROBLEM/ISSUE STATEMENT:

The Police Department and the prosecutor have requested changes to the Criminal Code, Chapter 9.10 SMC, and the Model Traffic Ordinance, Chapter 10.05 SMC, in order to more effectively enforce certain traffic and criminal violation.

FINANCIAL IMPACT:

The City does receive a portion of all infractions and misdemeanor penalties. With the addition of new infractions and misdemeanors, the City may see a minor increase in revenue. However, any increase in revenue will be used to offset the District Court service costs. In 2008, there was a \$127,840 gap in covering the District Court service costs; the general fund covered this gap. Any new revenue from infractions will help alleviate this burden on the general fund.

With the addition of the administrative fee for Driving Under the Influence ("DUI") and Driving With License Suspended ("DWLS") impounds, the City will be able to cover its administrative costs for any processing vehicle redemption for these impounds.

RECOMMENDATION

Staff recommends that Council adopt Ordinance No. 557 to amend Shoreline Municipal Code, Chapter 9.10, Criminal Code, and Chapter 10.05, Model Traffic Ordinance.

Approved By:

City Manager  City Attorney 

INTRODUCTION

The Police Department and the City Attorney's Office request that new infractions, fees, and crimes be included in the Shoreline Municipal Code, the addition of which will allow the Police to issue these traffic infractions and the Police and Prosecutor to more specifically charge the appropriate crime. A new administrative processing fee for impounds for DUI and DWLS will allow the City to recoup costs for this service.

DISCUSSION

The City Attorney's Office and the City Prosecutor support these additions to the SMC, as these are not currently covered in our code.

Ordinance Section 1: Traffic infraction for parking an unauthorized vehicle in right-of-way.

The Police Department requested an ordinance adding a traffic infraction for unauthorized vehicles parked in the right-of-way. Our code already authorizes towing of unauthorized vehicles;¹ this ordinance proposes a traffic infraction for leaving an unauthorized vehicle in the right-of-way.

Ordinance Section 2: Amending the timing for impounding vehicles with expired registration tabs; administrative fee for impound of vehicles after DUI & DWLS; parking citation for parking of unauthorized vehicles in public locations; and prohibiting parking of commercial vehicles on arterials adjacent to residential zones between 11:00 pm-6:00 am.

RCW 46.55.113, adopted by the City in SMC 10.05.030, currently allows police to immediately remove a vehicle parked in the right-of-way that has expired registration tabs of more than forty-five (45) days. This ordinance proposes a clarifying change to SMC 10.05.030 to make it consistent with state law.

The Police requested an ordinance to allow recovery of an administrative fee for City costs in the event of impound after a Driving Under the Influence ("DUI") or Driving With License Suspended ("DWLS") citation. In the proposed amendment, prior to claiming a vehicle impounded after a DUI or DWLS, the Police Department will verify that the individual is the legal or registered owner (or has authorization from the legal/registered owner) and that he/she has insurance and a valid driver's license. The Police Department will also verify that the individual has paid the \$100 administrative fee. The administrative fee is to ensure the City can recover its costs for implementing, enforcing and administering these impounds.

Unauthorized vehicles, already defined in the code, include those constituting a traffic hazard, tagged for impoundment, those used for human habitation, and those that fail to properly mount registration tabs. An amendment is proposed allowing police to cite unauthorized vehicles parked in public locations with a

¹ SMC 10.05.030(A)(1)

traffic infraction. RCW 46.63.020 authorizes an infraction for performance of any act prohibited by the state law or equivalent local law.

The Police noted that individuals are parking commercial vehicles on arterials abutting residential areas, such as Meridian and 185th. In order to remedy this issue, an amendment to SMC 10.050.030(B)(1) is proposed to prohibit parking of a commercial vehicle more than 80 inches wide on a residential street or on arterial streets abutting residentially zoned areas between 12:00 am and 6:00 am.

Ordinance Sections 3 and 4: Making unspecified crimes misdemeanors, rather than gross misdemeanors.

The Code currently reads that, if a crime is not specified, it shall be charged as a gross misdemeanor. A gross misdemeanor is punishable by jail for a maximum time of not more than one year and a \$5,000 penalty. A misdemeanor is punishable by jail for not more than 90 days and a \$1,000 penalty. A misdemeanor, not gross misdemeanor, should be the default for unspecified crimes; more serious crimes will be specified as gross misdemeanors. In addition, since crimes not otherwise classified are being changed to misdemeanors, prosecution must occur within one year.

Ordinance Section 5: Obstructing a law enforcement officer by making a false/misleading statement

The Police requested an ordinance making it unlawful to make a false or misleading statement when detained by police. The City has adopted the state statute, *Obstructing a Public Servant*,² but this law cannot be used to charge someone who gives a false name to a police officer.³ RCW 9A.76.175, *Giving a False Statement to a Public Servant*, (not currently adopted by the City) makes it a gross misdemeanor to knowingly make a false or misleading statement to a public servant. An amendment to SMC 9.10.490, *Obstructing Governmental Operation*, adopts this state statute by reference.

Ordinance Section 6: Making or having burglary, vehicle prowl or vehicle theft-related tools.

The City has adopted the state statute⁴ *Making or Having Burglary Tools* but has not adopted the statute prohibiting making or having vehicle theft tools. The Police requested the City adopt this statute. An amendment to SMC is proposed to adopt by reference RCW 9A.56.063, *Making or Possessing Motor Vehicle Theft Tools*.

² RCW 9A.76.020

³ The Court of Appeals held it unconstitutional to prosecute the giving of a false name under this statute. The statute was subsequently amended to remove the unconstitutional provisions.

⁴ RCW 9A.52.060, adopted in SMC 9.10.620.

Ordinance Section 7: Prohibiting certain acts on transit property

The prosecutor has requested adoption of the King County Code prohibiting certain acts on buses and transit property, which is farther reaching than the City-adopted RCW 9.91.025, *Unlawful bus conduct*. Major transit stations are located within the City and many criminal acts that take place on the transit station property cannot currently be charged (and have had to be declined) by because the conduct is not prohibited by RCW 9.91.025. Citizens of the City would be much better served if those that commit these offenses were accountable for their actions, making public transportation in the City a safer, cleaner experience. An amendment to SMC 9.10.470, *Miscellaneous Crimes*, is proposed to add the King County Code section relevant to unlawful bus conduct.

Ordinance Section 8: Inattentive driving

The Police requested an inattentive driving ordinance which would allow the Police to issue citations for inattentive driving resulting in risk of a traffic accident. This addition covers the type of driving that does not necessarily rise to the level of negligent driving, which is a misdemeanor. For example, the inattentive driving ordinance would apply to reading a text message that results in an accident.
