CITY OF SHORELINE, WASHINGTON

AGENDA TITLE: Proclamation for July as Parks and Recreation Month in Shoreline
DEPARTMENT: Parks, Recreation & Cultural Services
PRESENTED BY: Lynn M. Cheeney, Recreation Superintendent

ISSUE STATEMENT:

July is National Parks and Recreation Month. This is an opportunity to acknowledge the many agencies in our community that provide facilities, programs, and opportunities to enrich the lives of local residents. Tonight, participants of Shoreline Live 2010 and staff members Jill Rogers and Andy Denny will accept the proclamation. Shoreline Live is an annual variety show written and performed by people with and without disabilities. The 2010 show featured videos as well as live performances of dance through the decades. One of the videos will be presented this evening. The program is funded through the City and by a grant from the Shoreline /Lake Forest Park Arts Council.

Other agencies being recognized tonight include the Shoreline/ Lake Forest Park Arts Council, King County Library System, Shoreline Historical Museum, Little League organizations, soccer clubs, the Shoreline School District and the Dale Turner YMCA. All of these organizations working together allow both youth and adults to choose a variety of recreation and cultural activities to develop skills and encourage healthier lifestyles.

The City of Shoreline would like to thank all of these agencies and organizations for their continued efforts to make Shoreline a happy and healthy community.
