PROBLEM/ISSUE STATEMENT:

The City of Shoreline's first Parks, Recreation and Open Space (PROS) Plan was completed in 1998. The current PROS Plan was adopted by City Council on May 23, 2005 by Resolution No. 231. The PROS Plan document is required to be updated every six years to qualify the City for state and federal grants through the Recreation and Conservation Office. The plan is intended to serve as a 20-year planning document, providing a vision for all of the City's park, recreational, and cultural assets.

The City Council reviewed Chapters 1-4 of the draft PROS Plan on June 20:
