PROBLEM/ISSUE STATEMENT:

The City is in the process of acquiring right of way for the Aurora Corridor Improvement Project (N 192nd to N 205th Streets). As part of this process, the City has been working with the property owner at 1175 N 205th Street (Aurora project parcel No. 568). Attachment A shows the acquisition area for this property.

The City requires 8,038 SF of fee interest and 8,752 SF of temporary construction easement. On the attached diagram, area "D" represents the driveway reconstruction area, which is non-compensable. The project is impacting some existing landscaping and an irrigation system.

The owner has agreed to a settlement of \$236,941 pending Council authorization. This settlement amount exceeds the appraised offer of \$210,800 by \$26,141. The recommended settlement is 12.4% above the appraised value. The City's purchasing policies allow the City Manager to authorize the acquisition of property up to 10% over the appraised value. The proposed settlement amount exceeds the City Manager's authorization by \$5,061.

Staff recommends the Council approve the settlement as a fair resolution of this acquisition based on the confidential memorandum provided to the Council regarding this acquisition.

RESOURCE/FINANCIAL IMPACT:

The funds to pay the proposed settlement are available in the project budget.

RECOMMENDATION

Staff recommends that Council authorize the City Manager to execute a property acquisition agreement for \$236,941 as total compensation for all property interests needed from 1175 N 205th Street.
