PROBLEM/ISSUE STATEMENT:

On May 7, 2007 the City Council approved Ordinance No. 470 that added two youth member positions to the PRCS Board. Serving in this capacity Kayla Caldwell and Ellen Anderson have completed their commitments to the Board and will be moving out of the area to attend university in the fall.

Ms. Caldwell and Ms. Anderson have both been valuable members of the Board during their tenure. Their perspectives on issues relevant to the Shoreline community have enhanced the Board's capacity to make good and informed recommendations. Both members have been faithful attendees and respected colleagues and their presence will be missed. The Board wishes them all the best as they continue their educational journeys and practice community service wherever the future takes them.

Kayla Caldwell is currently out of town for summer employment and not able to be present with the Council at this time. In the fall she will begin studies at the University of Southern California as a student of International Relations.

Ellen Anderson is presently employed by the Shoreline Parks Department as a Summer Camp Counselor and she is in attendance this evening. In the fall she will enter Lewis and Clark College as a freshman.

RECOMMENDATION

Staff recommends that Council publicly thank youth members, Kayla Caldwell and Ellen Anderson for their faithful service to the Parks, Recreation and Cultural Service Board.
