Section 1:
Executive Summary

2012 DirectionFinder® Survey

Executive Summary Report

Overview of the Methodology

ETC Institute administered the *DirectionFinder®* survey for the City of Shoreline during June and July of 2012. The purpose of the survey was to assess citizen satisfaction with the delivery of major city services and help determine priorities for the community as part of the City's ongoing strategic planning process. This is the fifth time ETC Institute has administered the *DirectionFinder®* survey for the City of Shoreline. The survey was previously administered in 2004, 2006, 2008, and 2010.

In June, a seven-page survey was mailed to a random sample of 3,500 households in the City of Shoreline. Approximately three days after the surveys were mailed, each household that received a survey also received an automated voice message encouraging them to complete the survey. In addition, about two weeks after the surveys were mailed, ETC Institute began contacting households by phone. Those who indicated they had not returned the survey were given the option of completing it by phone.

The goal was to obtain a total of at least 700 completed surveys. This goal was far exceeded, with a total of 891 surveys having been completed. The results of the random sample of 891 households have a 95% level of confidence with a precision of at least +/- 3.3%.

Interpretation of "Don't Know" Responses. The percentage of persons who provide "don't know" responses is important because it often reflects the level of utilization of city services. The percentage of "don't know" responses has been excluded from the graphs shown in this report to facilitate valid comparisons with the survey that was conducted in 2008 and 2010. The number of "don't know" responses for each question is provided in the Tabular Data Section of this report.

The following pages summarize major survey findings.

Major Survey Findings

- **Overall Quality of City Services.** The major categories of City services with the highest levels of satisfaction, based upon the combined percentage of “very satisfied” and “satisfied” responses among residents who had an opinion are: quality of City parks, programs and facilities (87%), quality of police services (75%), and overall quality of service provided by the City (73%). Satisfaction levels increased or stayed the same in 5 of the 9 major categories of City services that were assessed compared to the 2010 survey.
- **Services that Should Receive the Most Emphasis from the City.** Based on the sum of their top three choices, the major City services that residents think should receive the most emphasis from City leaders over the next two years are: flow of traffic and congestion (53%), quality of police services (40%), and effectiveness of sustaining environmental quality (36%).
- **City Maintenance.** The maintenance services with the highest levels of satisfaction, based upon the combined percentage of “very satisfied” and “satisfied” responses among residents who had an opinion are: solid waste provider services (80%), overall cleanliness of City streets/public areas (75%), and overall maintenance of City streets (71%). Satisfaction levels increased in 7 of the 8 maintenance services that were assessed compared to the 2010 survey.
- **Maintenance Services that Should Receive the Most Emphasis from the City.** Based on the sum of their top two choices, the maintenance services that residents think should receive the most emphasis from City leaders over the next two years are: overall maintenance of City streets (35%), maintenance of sidewalks in Shoreline (32%), and adequacy of storm drainage in your neighborhood (28%).
- **Code Enforcement.** The highest levels of satisfaction with code enforcement, based upon the combined percentage of “very satisfied” and “satisfied” responses among residents who had an opinion are: removal of graffiti from public property (52%) and enforcing sign regulations (51%). Satisfaction levels increased in 3 of the 4 code enforcement areas that were assessed compared to the 2010 survey.
- **Code Enforcement Areas that Should Receive the Most Emphasis from the City.** Based on the sum of their top two choices, the code enforcement areas that residents think should receive the most emphasis from City leaders over the next two years are: enforcing the clean-up of litter and debris (63%) and enforcing removal of abandoned autos (37%).

2012 DirectionFinder Survey for the City of Shoreline

- **Public Safety.** The public safety services with the highest levels of satisfaction, based upon the combined percentage of “very satisfied” and “satisfied” responses among residents who had an opinion are: overall quality of local police protection (75%) and enforcement of local traffic laws (65%).
- **Public Safety Services that Should Receive the Most Emphasis from the City.** Based on the sum of their top two choices, the public safety services that residents think should receive the most emphasis from City leaders over the next two years are: the City’s efforts to prevent crime (71%) and the overall quality of local police protection (45%).
- **City Communication.** The highest levels of satisfaction with city communication, based upon the combined percentage of “very satisfied” and “satisfied” responses among residents who had an opinion are: the quality of the City’s newsletter “CURRENTS” (77%) and availability of information about City projects/services (67%). Satisfaction levels decreased in 3 of the 4 city communications areas that were assessed compared to the 2010 survey.
- **Leadership and Quality of Life.** Satisfaction levels with the overall image of the City in 2012 (79%) were similar to 2010 (80%), but are significantly higher than in 2008 (74%) and in 2006 (69%). Also, in the 2012 survey there was an increase in satisfaction with the overall effectiveness of the city manager and staff, and the overall quality of leadership of elected officials as compared to the 2010, 2008, and 2006 surveys.
- **Shoreline as a Place to Live, Work, and Raise Children.** Ninety-two percent (92%) of residents rated Shoreline as an “excellent” or “good” place to live in 2012, compared to 95% in 2010. Eighty-nine percent (89%) of residents rated Shoreline as an “excellent” or “good” place to raise children in 2012, compared to 91% in 2010.
- **Environment.** The City’s environment efforts with the highest levels of satisfaction, based upon the combined percentage of “very satisfied” and “satisfied” responses among residents who had an opinion are: recycling (84%) and protection of the environment and open space (69%). There were no significant changes in satisfaction levels among the 4 City environment efforts that were assessed compared to the 2010 survey.
- **Parks and Recreation.** The parks and recreation services with the highest levels of satisfaction, based upon the combined percentage of “very satisfied” and “satisfied” responses among residents who had an opinion are: maintenance of City parks (86%), maintenance of City playgrounds (85%), outdoor athletic fields (76%), and walking

2012 DirectionFinder Survey for the City of Shoreline

and biking trails (74%). Satisfaction levels increased or stayed the same in 7 of the 8 parks and recreation services that were assessed compared to the 2010 survey

- **Parks and Recreation Services that Should Receive the Most Emphasis from the City.** Based on the sum of their top two choices, the parks and recreation services that residents think should receive the most emphasis from City leaders over the next two years are: maintenance of City parks (54%), walking and biking trails in the City (39%), and maintenance of City playgrounds (24%).
- **Transportation.** The highest levels of satisfaction with transportation services, based upon the combined percentage of “very satisfied” and “satisfied” responses among residents who had an opinion are: the availability of public transportation (58%) and the availability of sidewalks on major streets and routes (52%). Satisfaction levels increased or stayed the same in 3 of the 5 transportation areas that were assessed compared to the 2010 survey.
- **Transportation Services that Should Receive the Most Emphasis from the City.** Based on the sum of their top two choices, the transportation services that residents think should receive the most emphasis from City leaders over the next two years are: availability of sidewalks near your residence (47%) and availability of public transportation (39%).
- **Capital Investments.** At least 67% of residents were “very satisfied” or “satisfied” with each of the five capital improvements that the City recently made. This includes: park improvements (81%), roads and streets (79%), trails and paths (78%), stormwater improvements (68%) and buildings and facilities (67%). Also, 83% of residents feel it’s “very important” or “somewhat important” to continue making improvements to City facilities, which is an increase of 5% from the 2010 survey.
- **Most Supported Options to Help Balance the City’s Budget in the Future.** Based on the sum of their top two choices, the options that residents most support the City taking to help balance the budget in the future are: reduce service hours at City Hall (65%) and maintain current services through alternative revenue sources (39%).

Other Findings:

- The most frequently mentioned ways that residents get information about City issues, services, and events are: City Newsletter “CURRENTS” (92%), City’s Parks and Recreation Guide (70%), and City website (36%). Residents also selected these as the top three sources of information in the 2010 and 2008 surveys.

2012 DirectionFinder Survey for the City of Shoreline

- The overall feeling of safety in Shoreline has decreased among residents in 2012 (78%) compared to 2010 (83%) and 2008 (83%).
- Seventy-two percent (72%) of residents trust that the City is spending their tax dollars responsibly, compared to only 20% who feel the City is not spending their tax dollars responsibly. The remaining 8% of residents did not have an opinion.
- Seventy-two percent (72%) of residents think the City of Shoreline is moving in the right direction. This is a slight improvement over the 2010 survey (71%), but a significant improvement over the 2008 survey (60%), and the 2006 survey (59%).
- Sixty-one percent (61%) of residents rated the condition of their neighborhood as “excellent” or “good” in 2012. This is a 3% decrease from the 2010 survey, and a 1% decrease from the 2008 survey.
- Forty-nine percent (49%) of residents feel the City should consider a plastic bag ban as part of its environmental sustainability strategy, compared to 31% who do not feel the City should consider a plastic bag ban; 17% of residents are “neutral”, and 3% indicated “don’t know”.
- Sixty-seven percent (67%) of residents support the City’s emphasis on economic development, compared to only 10% who do not support the emphasis on economic development; 18% of residents are “neutral”, and 5% indicated “don’t know”.

Section 3: *Trend Analysis*

DirectionFinder® Survey

Analysis of Trends for 2004, 2008, and 2012

Overview

Every two years the City of Shoreline conducts a community survey to assess resident satisfaction with the delivery of major city services. The charts on the following pages show how the results of the City's 2004 and 2008 surveys compare to the results of the City's 2012 survey. Given the sample size of both surveys, changes of 5% or more were statistically significant.

Some of the significant changes are described below.

Significant Changes

- **Satisfaction with Major Categories of City Services.** Among the seven major categories of city services that were assessed in 2004, 2008, and 2012, listed below are some of the significant improvements:
 - Satisfaction with flow of traffic and congestion has increased 14% from 40% in 2004 to 54% in 2012.
 - Satisfaction with city stormwater runoff/management system has increased 9% from 55% in 2004 to 64% in 2012.
 - Satisfaction with the effectiveness of sustaining environmental quality has increased 8% from 62% in 2008 to 70% in 2012.
 - Satisfaction with the overall quality of service provided by the City has increased 6% from 69% in 2004 to 75% in 2012.
- **Perceptions of City Maintenance.** Satisfaction with the overall maintenance of City streets has increased 16% from 55% in 2004 to 71% in 2012. In addition, satisfaction with the overall cleanliness of City streets/public areas has increased 11% from 64% in 2004 to 75% in 2008, and satisfaction with the adequacy of storm drainage has also increased 11% from 55% in 2004 to 66% in 2012.

- **Perceptions of City Codes and Ordinance.** Satisfaction with the overall quality of leadership of elected officials had increased 12% from 47% in 2004 to 59% in 2012. In addition, satisfaction with the overall effectiveness of City Manager and City staff has increased 10% from 49% in 2004 to 59% in 2012, and satisfaction with the overall image of the City has increased 10% from 69% in 2004 to 79% in 2012.
- **Items That Influence the Perception of the City.** Satisfaction with enforcing the clean-up of litter and debris has increased 14% from 33% in 2004 to 47% in 2012. In addition, satisfaction with the enforcing the removal of abandoned autos has increased 9% from 36% in 2004 to 45% in 2012.
- **Shoreline Moving in the Right Direction.** The percentage of residents who think the City of Shoreline is moving in the right direction has increased 14% from 58% in 2004 to 72% in 2012.
- **Ways Residents Get Information about City Issues.** The percentage of residents who get information about City issues, services, and events through the City newsletter "CURRENTS" has increased 14% from 78% in 2004 to 92% in 2012.

Section 4:
Benchmarking Analysis

DirectionFinder Survey

Year 2012 Benchmarking Summary Report

Overview

ETC Institute's DirectionFinder® program was originally developed in 1999 to help community leaders across the United States use statistically valid community survey data as a tool for making better decisions. Since November 1999, the survey has been administered in more than 210 cities and counties in 38 states.

This report contains benchmarking data from three sources. The first source is from a national survey that was administered by ETC Institute during the summer of 2011 to a random sample of 3,926 residents in the continental United States. The second source is from a regional survey administered to 416 residents living in the Northwestern region of the United States; the Northwestern region includes: Idaho, Colorado, Montana, Oregon, Utah, Washington, Nevada and Wyoming. The third source is from individual community surveys that were administered in 35 medium-sized cities (population of 20,000 to 199,999) between January 2009 and August 2012. The "Medium U.S. Average" shown in the performance range charts is the average rating of the 32 cities listed below. The 32 cities included in the performance ranges that are shown in this report are listed below:

- Abilene, Texas
- Auburn, Alabama
- Blue Springs, Missouri
- Bryan, Texas
- Chapel Hill, North Carolina
- Columbia, Missouri
- Coral Springs, Florida
- Davenport, Iowa
- Dothan, Alabama
- Garden City, Kansas
- Hallandale Beach, Florida
- Independence, Missouri
- Kansas City, Kansas
- Lawrence, Kansas
- Lenexa, Kansas
- Mesa County, Arizona
- Newport Beach, California
- Norman, Oklahoma
- Olathe, Kansas
- Overland Park, Kansas
- Panama City, Florida
- Pueblo, Colorado
- Round Rock, Texas
- Saint Joseph, Missouri
- Shoreline, Washington
- Springfield, Missouri
- Tamarac, Florida
- Tempe Arizona
- Vancouver, Washington
- Vestavia Hills, Alabama
- Winchester, Virginia
- Yuma, Arizona

Interpreting the Performance Range Charts

The charts on the following pages provide comparisons for several items that were rated on the survey. The horizontal bars show the range of satisfaction among residents in medium size communities that have participated in the DirectionFinder® Survey since 2009. The lowest and highest satisfaction ratings are listed to the left and right of each bar. The yellow dot on each bar shows how the results for Shoreline compare to the medium community size national average, which is shown as a vertical dash in the middle of each horizontal bar. If the yellow dot is located to the right of the vertical dash, the City of Shoreline rated above the medium-size national average. If the yellow dot is located to the left of the vertical dash, the City of Shoreline rated below the medium-size community national average.

National Benchmarks

Note: The benchmarking data contained in this report is protected intellectual property. Any reproduction of the benchmarking information in this report by persons or organizations not directly affiliated with the City of Shoreline, WA is not authorized without written consent from ETC Institute.

Section 5:
Importance-Satisfaction
Analysis

Importance-Satisfaction Analysis

Shoreline, Washington

Overview

Today, city officials have limited resources which need to be targeted to activities that are of the most benefit to their citizens. Two of the most important criteria for decision making are (1) to target resources toward services of the highest importance to citizens; and (2) to target resources toward those services where citizens are the least satisfied.

The Importance-Satisfaction (IS) rating is a unique tool that allows public officials to better understand both of these highly important decision making criteria for each of the services they are providing. The Importance-Satisfaction rating is based on the concept that cities will maximize overall citizen satisfaction by emphasizing improvements in those service categories where the level of satisfaction is relatively low and the perceived importance of the service is relatively high.

Methodology

The rating is calculated by summing the percentage of responses for items selected as the most important services for the City to provide. This sum is then multiplied by 1 minus the percentage of respondents that indicated they were positively satisfied with the City's performance in the related area (the sum of the ratings of 4 and 5 on a 5-point scale excluding "don't knows"). "Don't know" responses are excluded from the calculation to ensure that the satisfaction ratings among service categories are comparable. $[IS = \text{Importance} \times (1 - \text{Satisfaction})]$.

Example of the Calculation. Respondents were asked to identify the major categories of maintenance services they thought should receive the most emphasis over the next two years. Twenty-three percent (23%) selected the adequacy of City street lighting as one of the most important maintenance issues to emphasize over the next two years.

With regard to satisfaction, 58% of residents rated their satisfaction with the adequacy of City street lighting as a "4" or a "5" on a 5-point scale (where "5" means "very satisfied") excluding "Don't know" responses. The I-S rating for the adequacy of City street lighting was calculated by multiplying the sum of the most important percentages by 1 minus the sum of the satisfaction percentages. In this example, 23% was multiplied by 42% (1-0.58). This calculation yielded an I-S rating of 0.0966, which ranked third out of eight maintenance issues.

The maximum rating is 1.00 and would be achieved when 100% of the respondents select an activity as one of their top choices to emphasize over the next two years and 0% indicated that they are positively satisfied with the delivery of the service.

The lowest rating is 0.00 and could be achieved under either one of the following two situations:

- if 100% of the respondents were positively satisfied with the delivery of the service
- if none (0%) of the respondents selected the service as one of the three most important areas for the City to emphasize over the next two years.

Interpreting the Ratings

Ratings that are greater than or equal to 0.20 identify areas that should receive significantly more emphasis over the next two years. Ratings from .10 to .20 identify service areas that should receive increased emphasis. Ratings less than .10 should continue to receive the current level of emphasis.

- Definitely Increase Emphasis ($IS \geq 0.20$)
- Increase Current Emphasis ($0.10 \leq IS < 0.20$)
- Maintain Current Emphasis ($IS < 0.10$)

The results for Shoreline are provided on the following pages.

Importance-Satisfaction Rating

City of Shoreline - 2012

OVERALL

Category of Service	Most Important %	Most Important Rank	Satisfaction %	Satisfaction Rank	Importance-Satisfaction Rating	I-S Rating Rank
<u>Very High Priority (IS >.20)</u>						
Flow of traffic and congestion	53%	1	54%	7	0.2403	1
<u>High Priority (IS .10-.20)</u>						
Quality of human services	34%	4	48%	9	0.1780	2
Effectiveness of sustaining environmental quality	36%	3	70%	4	0.1063	3
<u>Medium Priority (IS <.10)</u>						
Quality of police services	40%	2	75%	2	0.0994	4
Enforcement of City codes and ordinances	16%	9	49%	8	0.0828	5
Effectiveness of communication w/ the public	22%	6	67%	5	0.0713	6
City stormwater runoff/management system	19%	8	64%	6	0.0700	7
Overall quality of service provided by the City	21%	7	75%	2	0.0522	8
Quality of City parks, programs and facilities	31%	5	87%	1	0.0412	9

Note: The I-S Rating is calculated by multiplying the "Most Important" % by (1-'Satisfaction' %)

Most Important %:

The "Most Important" percentage represents the sum of the first, second, and third most important responses for each item. Respondents were asked to identify the items they thought should receive the most emphasis over the next two years.

Satisfaction %:

The "Satisfaction" percentage represents the sum of the ratings "4" and "5" excluding "don't knows". Respondents ranked their level of satisfaction with the each of the items on a scale of 1 to 5 with "5" being very satisfied and "1" being very dissatisfied.

Note: The I-S Rating is calculated by multiplying the "Most Important" % by (1-'Satisfaction' %)

Most Important %:

The "Most Important" percentage represents the sum of the first, second, and third most important responses for each item. Respondents were asked to identify the items they thought should receive the most emphasis over the next two years.

Satisfaction %:

The "Satisfaction" percentage represents the sum of the ratings "4" and "5" excluding "don't knows". Respondents ranked their level of satisfaction with the each of the items on a scale of 1 to 5 with "5" being very satisfied and "1" being very dissatisfied.

Importance-Satisfaction Matrix Analysis

The Importance-Satisfaction rating is based on the concept that public agencies will maximize overall customer satisfaction by emphasizing improvements in those areas where the level of satisfaction is relatively low and the perceived importance of the service is relatively high. ETC Institute developed an Importance-Satisfaction Matrix to display the perceived importance of major services that were assessed on the survey against the perceived quality of service delivery. The two axes on the matrix represent Satisfaction (vertical) and relative Importance (horizontal).

The I-S (Importance-Satisfaction) matrix should be interpreted as follows.

- **Continued Emphasis (above average importance and above average satisfaction).** This area shows where the City is meeting customer expectations. Items in this area have a significant impact on the customer's overall level of satisfaction. The City should maintain (or slightly increase) emphasis on items in this area.
- **Exceeding Expectations (below average importance and above average satisfaction).** This area shows where the City is performing significantly better than customers expect the City to perform. Items in this area do not significantly affect the overall level of satisfaction that residents have with City services. The City should maintain (or slightly decrease) emphasis on items in this area.
- **Opportunities for Improvement (above average importance and below average satisfaction).** This area shows where the City is not performing as well as residents expect the City to perform. This area has a significant impact on customer satisfaction, and the City should DEFINITELY increase emphasis on items in this area.
- **Less Important (below average importance and below average satisfaction).** This area shows where the City is not performing well relative to the City's performance in other areas; however, this area is generally considered to be less important to residents. This area does not significantly affect overall satisfaction with City services because the items are less important to residents. The agency should maintain current levels of emphasis on items in this area.

Q26. How important it is to continue making capital investments to Shoreline facilities

1=Very important	52.9%	45.8%	52.8%	45.6%	53.0%	49.3%	52.5%	50.4%
2=Somewhat important	32.9%	35.2%	29.0%	36.1%	31.0%	33.8%	30.9%	32.7%
3=Not Sure	9.7%	12.9%	12.6%	12.2%	10.9%	11.5%	11.7%	11.6%
4=Not important	4.4%	6.1%	5.6%	6.1%	5.0%	5.4%	4.9%	5.3%

Q27. To improve Shoreline's financial stability, the City's long-term emphasis has been on economic development, which means increasing opportunities for more retail, multi-family housing and commercial developments in Shoreline. Do you support the City's emphasis on economic development?

N=891

Q31. What is your zip code			Q32. Do you live east or west of I-5		Q33. Do you live east or west of Aurora Avenue N		Total
98133 1	98155 2	98177 3	East 1	West 2	East 1	West 2	

Q27. Do you support City's emphasis on economic development

1=Yes	66.1%	64.5%	70.2%	63.5%	68.3%	66.6%	66.4%	66.6%
2=Neutral	17.5%	22.0%	14.0%	22.4%	16.0%	20.0%	15.9%	18.2%
3=No	11.4%	8.9%	9.4%	9.7%	10.1%	9.5%	11.0%	10.0%
9=Don't Know	5.0%	4.5%	6.4%	4.3%	5.7%	4.0%	6.7%	5.2%

Q28. By law, the City is required to have a balanced budget. However, when local and state-shared revenues decline, as they have the past few years, balancing the budget becomes more difficult and requires the City to make difficult choices. Knowing this, from the list below, please select the TWO options that you most support the City taking to help balance the City's budget in the future.

N=891

Q27. Do you support City's emphasis on economic development

Q28. By law, the City is required to have a balanced budget. However, when local and state-shared revenues decline, as they have the past few years, balancing the budget becomes more difficult and requires the City to make difficult choices. Knowing this, from the list below, please select the TWO options that you most support the City taking to help balance the City's budget in the future.

N=891

Household Type				Household Size					Total
10 - 19 (none Under 10 1	20 - 54 (none under 10) 2	55+ (none under 20) 3	55+ (none under 55) 4	1 1	2 2	3 3	4 4	5+ 5	

Q28. Top choice

A=Reduce service hours at City Hall	57.5%	47.5%	47.5%	38.4%	41.4%	45.7%	48.5%	48.6%	50.7%	46.6%
B=Reduce levels of regular maintenance	5.6%	5.8%	4.9%	7.5%	8.3%	6.5%	5.5%	1.4%	10.1%	5.9%

-------	-------	-------	-------	-------	-------	-------	-------	-------

C=Reduce City operated non-state or federally mandated services & programs

22.6%	18.3%	15.9%	22.5%	20.7%	13.5%	22.4%	18.1%	19.9%
-------	-------	-------	-------	-------	-------	-------	-------	-------

D=Maintain current services through alternative revenue sources

18.1%	15.9%	20.6%	23.9%	19.4%	19.5%	17.4%	20.6%	19.3%
-------	-------	-------	-------	-------	-------	-------	-------	-------

Q28. By law, the City is required to have a balanced budget. However, when local and state-shared revenues decline, as they have the past few years, balancing the budget becomes more difficult and requires the City to make difficult choices. Knowing this, from the list below, please select the TWO options that you most support the City taking to help balance the City's budget in the future. (top 2)

Q28. By law, the City is required to have a balanced budget. However, when local and state-shared revenues decline, as they have the past few years, balancing the budget becomes more difficult and requires the City to make difficult choices. Knowing this, from the list below, please select the TWO options that you most support the City taking to help balance the City's budget in the future.

D=Maintain current services through alternative revenue sources	17.9%	25.3%	21.4%	17.1%	15.3%	20.0%	25.2%	20.9%	15.1%	19.2%
Z=None chosen	14.9%	16.4%	14.6%	14.4%	12.9%	16.7%	11.5%	14.5%	16.9%	15.3%

Q28. By law, the City is required to have a balanced budget. However, when local and state-shared revenues decline, as they have the past few years, balancing the budget becomes more difficult and requires the City to make difficult choices. Knowing this, from the list below, please select the TWO options that you most support the City taking to help balance the City's budget in the future.

N=891

Number of years lived in the City of Shoreline						How would you rate the condition of your neighborhood?			Total
5 or less	6 to 10	11 to 15	16 to 20	21 to 30	31+	Excellent	Good	Average or Below Average	
1	2	3	4	5	6	1	2	3	

Q28. 2nd choice

A=Reduce service hours at City Hall

13.9%	17.1%	19.4%	25.2%	22.4%	17.3%	23.7%	20.6%	15.1%	18.7%
-------	-------	-------	-------	-------	-------	-------	-------	-------	-------

B=Reduce levels of regular maintenance

17.9%	13.7%	18.4%	8.1%	14.1%	15.3%	13.7%	13.8%	16.3%	14.8%
-------	-------	-------	------	-------	-------	-------	-------	-------	-------

C=Reduce City operated non-state or federally mandated services & programs

17.4%	22.6%	18.4%	18.9%	19.4%	24.0%	14.5%	19.2%	23.0%	19.9%
-------	-------	-------	-------	-------	-------	-------	-------	-------	-------

D=Maintain current services through alternative revenue sources

22.9%	20.5%	18.4%	18.0%	20.0%	14.0%	26.7%	18.4%	17.7%	19.3%

Section 12:
Survey Instrument

City of Shoreline

17500 Midvale Avenue North
Shoreline, WA 98133-4905
(206) 801-2700 ♦ Fax (206) 546-7868

June 2012

Dear Shoreline Resident:

Your input on the enclosed survey is extremely important. We believe it is crucial to ask our residents whether or not they are satisfied with the services we provide. In order to ensure that the City's priorities are aligned with the needs of our residents, we need to know what you think.

Your household was one of a limited number selected at random to receive this survey, and your participation is necessary to make the survey a success.

We greatly appreciate your time. We realize that this survey takes some time to complete, but every question is essential. The time you invest in this survey will influence dozens of decisions that will be made about the City's future. Your responses will also help the City Council gauge the success of its efforts to carry out the community's vision for the City of Shoreline and to address the many opportunities and challenges facing our community.

Please return your survey or complete it online sometime during the next week. We have selected ETC Institute to administer this survey. ETC Institute will present the results to the City in September. Your responses will remain confidential. Please return your survey in the enclosed postage-paid envelope addressed to ETC Institute, 725 W. Frontier Circle, Olathe, Kansas, 66061 or go to www.shorelinecitizensurvey.org to complete the survey online.

If you have any questions, please contact Eric Bratton with the City of Shoreline at ebratton@shorelinewa.gov or (206) 801-2217. Thanks again for taking the time to let your voice be heard.

Sincerely,

Julie T. Underwood
City Manager
City of Shoreline

Year 2012 City of Shoreline Citizen Satisfaction Survey

Please take a few minutes to complete this survey. Your input is an important part of the City's ongoing effort to provide quality services that the people of Shoreline need and value. If you have questions, please call Eric Bratton, City Manager's Office Management Analyst at 206-801-2217.

1. Counting yourself, how many people live in your household? _____
2. Counting yourself, how many people in your household are?

26. How important do you feel it is to continue making capital investments to Shoreline facilities?

____(1) Very important ____ (3) Not sure
____(2) Somewhat important ____ (4) Not important

27. To improve Shoreline's financial stability, the City's long-term emphasis has been on economic development, which means increasing opportunities for more retail, multi-family housing and commercial developments in Shoreline.

Do you support the City's emphasis on economic development?

____ Yes
____ Neutral
____ No
____ Don't know

28. By law the City is required to have a balanced budget. However, when local and state-shared revenues decline, as they have the past few years, balancing the budget becomes more difficult and requires the City to make difficult choices.

Knowing this, from the list below, please select the TWO options that you most support the City taking to help balance the City's budget in the future. [Please write in the letters in the spaces below for your 1st and 2nd choices, or circle 'None'.]

1st Support

2nd Support

None

- (A) Reduce service hours at City Hall (e.g., permitting, inspections, program support, etc.)
- (B) Reduce levels of regular maintenance (e.g., mowing, trash pickup in parks, roadway maintenance)
- (C) Reduce city operated non-state or federally mandated services and programs (e.g., recreation, aquatics, special and cultural events, police storefronts, school resource officer, etc.)
- (D) Maintain current services through alternative revenue sources (raise or impose new taxes)
