

**CITY COUNCIL AGENDA ITEM
CITY OF SHORELINE, WASHINGTON**

AGENDA TITLE:	Adoption of Proposed Ordinance No. 684 Updating Record Keeper and Authorizing Rulemaking for Investment Policies in Shoreline Municipal Code Chapter 2.30
DEPARTMENT:	City Attorney City Manager's Office
PRESENTED BY:	Ian Sievers, City Attorney John Norris, Assistant City Manager
ACTION:	<input checked="" type="checkbox"/> Ordinance <input type="checkbox"/> Resolution <input type="checkbox"/> Motion <input type="checkbox"/> Discussion <input type="checkbox"/> Public Hearing

PROBLEM/ISSUE STATEMENT:

In June 2012, the Council approved an Oversight and Investment Policy ("Policy") in conjunction with the beginning of a new record keeping agreement with TIAA-CREF for the City's Section 401a Social Security Replacement Plan and its Section 457(b) Deferred Compensation Plan. This Policy designated the City Manager as plans administrator and created an investment oversight committee to advise the City Manager. Proposed Ordinance No. 684 clarifies the rulemaking authority of the City Manager in Shoreline Municipal Code Chapter 2.30, allowing administrative changes to the Policy itself in addition to changing investments selected for the two plans. Proposed Ordinance No. 684 also removes specific plan record keepers from the code.

DISCUSSION:

On March 31, Council discussed proposed Ordinance No. 684. A copy of the staff report for this discussion can be found at the following link:
<http://cosweb.ci.shoreline.wa.us/uploads/attachments/cck/council/staffreports/2014/staffreport033114-8a.pdf>.

As was noted on March 31, proposed Ordinance No. 684 amends Chapter 2.30 of the Shoreline Municipal Code to clarify responsibilities and rulemaking authority of the City Manager to avoid Council action to amend the Policy benchmarks when they become obsolete or when regulations require new Policy provisions or a restatement of fiduciary duties. With adoption of proposed Ordinance No. 684, these changes may be implemented by the City Manager.

As well, potential future changes include setting investment types, criteria for retention and selection of individual investments, and benchmarks for applying these criteria. This rulemaking delegation will avoid Council action for changes for legal compliance or plan options and is consistent with the current Policy's designation of the City Manager to "state expectations and objectives in the investment of plan assets."

Proposed Ordinance No. 684 also removes references to PEBSCO, the original record keeper for the 401(a) plan and Nationwide, past record keeper for the 457(b) plan. This reference has become outdated with the City's new record keeper, TIAA-CREFF. Under the City's Purchasing Ordinance, substantial service contracts are required to be filled through an RFP process to provide opportunity for vendors and better services and price through competition. Codification of any particular record keeper is therefore unnecessary and cumbersome to change.

Council did not have any questions of staff or concerns with proposed Ordinance No. 864 when Council discussed this item on March 31.

RESOURCE/FINANCIAL IMPACT:

There will be a small savings in Code publication costs and savings in staff time needed to prepare council agenda actions for often technical changes to the Oversight and Investment Policy.

RECOMMENDATION

Staff recommends that Council adopt proposed Ordinance No. 684 amending SMC Chapter 2.30 *Public Employees Retirement System and Benefits* to remove references to a contract record keeper and allow rulemaking for investment policies.
