

**CITY COUNCIL AGENDA ITEM**  
CITY OF SHORELINE, WASHINGTON

<b>AGENDA TITLE:</b>	Discussion of the 2014 Police Service Report		
<b>DEPARTMENT:</b>	Shoreline Police		
<b>PRESENTED BY:</b>	Shawn Ledford, Police Chief		
<b>ACTION:</b>	<input type="checkbox"/> Ordinance	<input type="checkbox"/> Resolution	<input type="checkbox"/> Motion
	<input checked="" type="checkbox"/> Discussion	<input type="checkbox"/> Public Hearing	

**PROBLEM/ISSUE STATEMENT:**

The 2014 Police Service Report (PSR) is an annual police report presented by Shoreline Police command staff to the City Council. The report contains information on crime statistics, police data and cost comparisons to other police agencies in the region. This report helps keep residents, staff and elected officials informed on police services and crime activity in the City. The Shoreline Police Department is continually looking for new and effective ways to fight crime, provide service and keep the community safe.

**RESOURCE/FINANCIAL IMPACT:**

There is no financial impact of the 2014 PSR; this report is for information purposes only.

**RECOMMENDATION**

No action is required. Staff recommends that the Council discuss the 2014 PSR and ask questions of the Shoreline Police command staff.

Approved By: City Manager *DT* City Attorney *MK*

## **BACKGROUND**

The City of Shoreline Police Department is made up of 52 staff members and nine volunteers. The command staff consists of the Police Chief, Operations Captain and Investigations Captain. The department has eight (8) Patrol Sergeants, 23 Patrol Officers, five (5) Traffic Officers, four (4) Property Crimes Detectives and four (4) undercover Detectives. In addition Shoreline has one School Resource Officer, one Crime Prevention Officer, one Community Service Officer and two (2) Administrative Support personnel. Shoreline Police sets policing priorities based on repeat calls for service, crime trends, the biennial Citizen Satisfaction Survey and Council Goals. Shoreline Police continue to focus on City priorities, school safety, safe parks and trails and neighborhood traffic safety.

## **DISCUSSION**

The 2014 PSR is an annual police report presented by Shoreline Police command staff to the City Council. The report contains information on crime statistics, police data and cost comparisons to other police agencies in the region. This report helps keep residents, staff and elected officials informed on police services and crime activity in the City. The 2014 PSR is attached to this staff report as Attachment A. Included below are some highlights of the report:

- Shoreline officers responded to 14,873 dispatched calls for service (DCFS) and on-viewed 13,563 details; for a total of 28,436 police related details in 2014. There was a 13% increase in the number of DCFS from the previous year.
- Part -1 crimes (violent crimes) have remained consistent over the past several years at 34 per thousand residents.
- There was 1 murder in 2014; murder/suicide - domestic violence.
- Burglaries increased 6.81% over 2013; 455 in 2014 compared to 426 the previous year.
- Car prowls decreased 22% over 2013; 320 in 2014 compared to 410 the previous year.
- Auto thefts increased 19% over 2013; 240 in 2014 compared to 201 the previous year.
- The number of traffic citations issued in 2014 increased 13% with 2,810 citations issued in 2014 compared to 2,492 the previous year. The numbers are still significantly lower than prior years however, as direction was re-articulated to the traffic unit and patrol to increase the number of traffic education and enforcement contacts. Education and enforcement is focused on school zones, neighborhoods, traffic complaint locations and locations noted in the City's speed differential map. The department expects the numbers of traffic contacts to increase in 2015.

- Traffic collisions increased 22% over 2013; 477 in 2014 compared to 390 the previous year. The annual average collision rate over five years is 419. Shoreline will be applying for a Target Zero traffic grant through the state and if awarded, the focus will be on high collision areas to address contributing factors to these collisions, which includes cell phone use (rear end collisions) and seat belt use (injury accidents). In addition, DUI emphasis is a focus of Target Zero grant funds.
- Park and Trail Safety – Shoreline officers will continue to work Problem Solving Projects (PSP) in City parks and trails on an as needed basis. Citizens and park and trail users should feel safe in Shoreline parks, and by addressing quality life concerns and nuisance violations in parks and on trails, more serious crimes can be prevented.
- School Safety – Shoreline officers train on a regular basis for Active Shooter and Patrol (ASAP). The department has changed the training from an annual training with a large group to training on-duty in shorter segments throughout the year. Police command staff meets with school personnel, fire and emergency management staff on a regular basis to discuss policy, protocol and any issues related to the schools.
- The average response time to emergency calls is 3.92 minutes and 6.82 minutes to a priority call.
- Compared to cities within the region, Shoreline continues to be a safe city and provides cost-effective police services to the community at \$194.46 per capita.
- Shoreline Police conducted its first “Nurturing Trust” workshop, reaching out to the Spanish speaking community with 30 participants/parents attending.
- The department conducted 52 community meetings to discuss crime prevention and services provided by the department.
- Police and City staff worked with tenants at Aurora Village shopping center to address concerns regarding day laborers and the transient population and congregates there.

### **RESOURCE/FINANCIAL IMPACT**

There is no financial impact of the 2014 PSR; this report is for information purposes only.

### **SUMMARY**

Shoreline is a safe community and is experiencing similar crime trends that other cities in the region are experiencing, in particular property crimes. There are several factors that contribute to this problem, including narcotic use by offenders and high felony filing standards to charge and convict and relatively low jail sentences for a non – violent

felony offense. The Shoreline Police Department will continue to work with the community on how to address this property crime issue in our City. Crime prevention and education helps reduce crimes of opportunity. Residents calling 911 on suspicious activity helps the police capture an offender in the act and can often lead to a successful prosecution. The Police Department is working towards data driven policing to focus visibility and resources in areas experiencing criminal activity.

### **RECOMMENDATION**

No action is required. Staff recommends that the Council discuss the 2014 PSR and ask questions of the Shoreline Police command staff.

### **ATTACHMENTS**

## City of Shoreline Administration

MAYOR	Shari Winstead
DEPUTY MAYOR	Chris Eggen
COUNCIL MEMBERS	Keith McGlashan Will Hall Doris McConnell Jesse Salomon Chris Roberts
CITY MANAGER	Debbie Tarry
CHIEF OF POLICE	Shawn Ledford

## From Your Police Chief

Dear Shoreline Residents,

The Shoreline Police Department is committed to keeping our community safe. We continually look for new and effective ways to fight crime and provide police services. It is paramount that we build trust, partner with the community, and effectively communicate in a timely manner. The men and women of Shoreline PD take pride in keeping the city safe and working with the community to solve problems and prevent crime.

In 2014, our Crime Prevention Officer Steve Perry conducted 52 community meetings that trained residents in crime prevention and reducing chances of becoming a victim. Property crimes continue to be an issue for a variety of reasons, and we are working towards data-driven and intelligence-led policing methodologies, to provide officers with relevant information that focuses efforts in the right areas. The force multiplier of residents calling 911 immediately when they observe suspicious activity is still one of the best ways the police can apprehend criminals in the act. For more information on Shoreline Watch/Crime Prevention, please email Officer Perry at [steve.perry@kingcounty.gov](mailto:steve.perry@kingcounty.gov).

Our police department works closely with the City Manager's Office and the City Council to address community concerns. One of the Council goals is to promote and enhance the city's safe community and neighborhood programs. The police department works with other city departments and entities to focus efforts on safe schools, safe parks and neighborhood traffic safety.

In 2014, we conducted our first "Nurturing Trust" workshop with the Spanish-speaking community. Our Community Services Officer Dahlia Corona coordinates informative sessions for parents on positive parental discipline, domestic violence, child abuse, bullying, drugs in the community and leadership. Thirty parents attended the five-session workshop and gave positive reviews. Based on its success, we plan to offer more "Nurturing Trust" workshops in the future.

Captain Scott Strathy has been working on ways that Shoreline PD can work with community residents who suffer from mental illness. Often the police respond in a time of crisis, when it can be chaotic and difficult to quickly figure out what's going on. Our goal is not to use force and have the proper information up front, before a crisis, so our officers are more likely to diffuse the situation peacefully. It's important that the individual and/or family trust the police and know we have the same goal of helping the individual. The program is called "RADAR," for Risk Analysis De-escalation and Reporting. For information visit the Shoreline PD website at [www.cityofshoreline.com](http://www.cityofshoreline.com).

To receive emergency messages from Shoreline PD you can sign up for Shoreline Alert at [www.cityofshoreline.com](http://www.cityofshoreline.com). If there's an immediate public safety concern, school lockdown, traffic accident in Shoreline with a lengthy road closure, you'll receive a text or email.

It's an honor to serve as your chief of police, and our Shoreline Police Department is committed to keeping you and your family safe.

Respectfully,  
Shawn V. Ledford  
Police Chief, City of Shoreline

## About the Annual Police Service Report

The Annual Police Service Report contains information on the service efforts and accomplishments of the Shoreline Police Department to support its mission, goals, and objectives.

The goal of the report is to keep the City of Shoreline residents, staff, administrators and elected officials informed of police service and crime activity in the city. The report is produced by the City of Shoreline Police Department in partnership with the King County Sheriff's Office (KCSO) Research, Planning and Informational Services and Contracts Units. Questions about the report can be directed to the Shoreline Chief of Police.

The Police Service Highlights section gives a narrative of police efforts and year-to-year comparisons of selected crime and police service data.

The Police Service Data section provides further detailed crime and police service data. Please note that numbers in this section may differ slightly from numbers in the Police Services Highlights due to collection from several sources and in some cases rounding up.

## Shoreline Police Department Mission, Goals, & Core Values

### *Mission*

The mission of the Shoreline Police Department is to prevent crime and create an environment where people feel safe, while providing quality, professional law enforcement services designed to improve public safety.

### *Core Values*

The Shoreline Police are committed to the core values of Leadership, Integrity, Service and Teamwork. We firmly believe in our core values and let these values guide all work that we do in the community.

### *Goals & Objectives*

In order to realize this mission, the City of Shoreline Police Department has adopted the following goals and objectives:

Goal # 1: Provide high-quality, cost-effective, and accountable services to the City of Shoreline

Objective: Provide responsive services to residents.

Objective: Provide cost-effective services to residents.

Goal # 2: Reduce crime and the fear of crime

Objective: Use information for crime analysis

Objective: Apprehend offenders

Objective: Prevent crime

Objective: Improve residents' feeling of security

Goal # 3: Increase diversity, including gender diversity, in the workplace

# City of Shoreline **Police Service Highlights** 2014

## City Cost Comparison

The annual police cost comparison study is conducted by the KCSO Contracts Unit. The study accounts for budget differences and may factor in (or out) certain line items in order to allow for “apples-to-apples” comparisons. Shoreline’s cost per capita here is different than the contract cost per capita, which only includes Shoreline’s law enforcement contract paid to the county.

City	2014 Police Budget	2014 Population	2014 Sworn	Cost/ Capita	Cost/ Sworn	Sworn/ 1000
Algona	\$1,222,000	3,090	8.00	\$395	\$152,750	2.59

### Data sources:

1. Budgets found on city websites or via city finance personnel. Population is from OFM.

### Shoreline's Crime Rate

The Crime Rate is a calculation of the number of Part I Crimes divided by population in thousands. Part I Crimes is a category of crimes established by the Federal Bureau of Investigation (FBI). It includes criminal homicide, forcible rape, robbery, aggravated assault, burglary, larceny-theft, motor vehicle theft, and arson.

Source: Police Services Data

## Part I Violent Crimes against People

Part I Crimes include crimes categorized as “violent crimes” or “crimes against people.” The following are Shoreline’s Part I Violent Crimes.

Homicide

Source for all below: Police Services Data

### Homicide

The willful killing of one human being by another. Includes murder and non-negligent manslaughter, justifiable homicide, and manslaughter by negligence.

Rape

### Rape

Rapes by force and attempts or assaults to rape, regardless of the age of the victim, are included in this count. Statutory offenses (no force used—victim under age of consent) are excluded.

Aggravated Assault

### Aggravated Assault

Aggravated assault is an unlawful attack by one person upon another for the purpose of inflicting severe or aggravated bodily injury. This type of assault usually is accompanied by the use of a weapon or by means likely to produce death or great bodily harm.

Robbery

### Robbery

Robbery is the taking or attempting to take anything of value from the care, custody, or control of a person by force, threat of force, violence, or by putting the victim in fear.

## Part I Non-Violent Crimes against Property

The second group of Part I Crimes is known as “non-violent crimes,” “crimes against property,” or “property crimes.” The following are Shoreline’s Part I Crimes against Property. Information about vehicle theft, also included in this category, can be found with traffic and automobile incident information.

### **Arson**

Arson is any willful or malicious burning or attempt to burn, with or without intent to defraud, a dwelling house, public building, motor vehicle or aircraft, or personal property of another.

Source for all below: Police Services Data

### **Burglary (breaking or entering)**

Burglary is the unlawful entry of a commercial or residential structure with the intent to commit a crime. Attempted forcible entry is included.

### **Larceny (except vehicles)**

Larceny is the unlawful taking, carrying, leading, or riding away of property of any value amount from the possession or constructive possession of another. Examples are thefts of bicycles, motor vehicle parts and accessories, shoplifting, pocket-picking, or the stealing of any property or article that is not taken by force and violence or by fraud. Attempted larcenies are included. Embezzlement, forgery, check fraud, and like crimes are excluded.

## Traffic and Automobile Incident Information

### **Vehicle Theft**

Vehicle theft is included in Part I Crimes against Property. It is the theft or attempted theft of a motor vehicle, which is defined as being self-propelled and running on a land surface and not on rails. Motorboats, construction equipment, airplanes, and farming equipment are specifically excluded from this category.

Source: Police Services Data

### **Thefts and Attempted Thefts ("Prowls") from Automobiles**

A theft or attempted theft ("prowl") from an automobile is the act or attempted act of taking something from the inside of an automobile.

Source: Police Services Data and CAD System

## Shoreline Police Department Traffic Programs

### Traffic Collisions

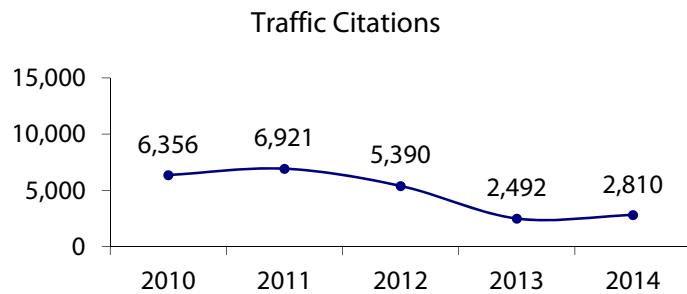

Collision information includes reports for injury, non-injury, and fatality vehicle collisions. Driving under the influence (DUI) collisions and hit-and-runs are excluded from this category.

Source: Police Services Data

### Traffic Citations

Traffic citations include reports of all moving/hazardous violations (such as all accidents, driving under the influence, speeding, and reckless driving), and non-moving compliance violations (such as defective equipment and parking violations).

### DUI Citations

Driving under the influence of alcohol citations are included in the above count for traffic citations, but are broken out here to show trends.

### Part I & II Cases Closed by Arrest

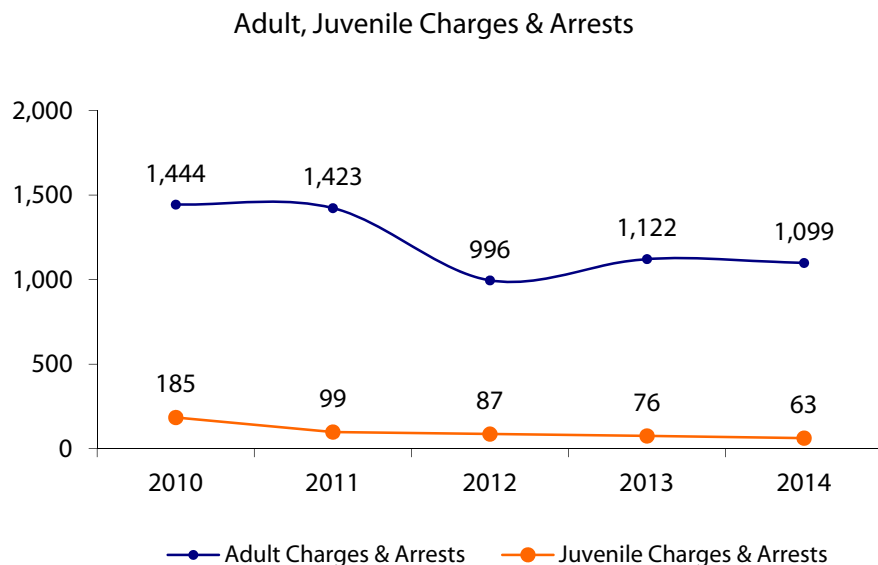

The cases below represent incidents where an officer or detective has recommended that the King County Prosecutor's Office file criminal charges against the case suspect. These criminal charges may result in an arrest or another form of punitive action, such as a citation. A prosecuting attorney is solely responsible for the decision to formally file charges and prosecute defendants.

Source: KCSO RPIS Unit

### Adult and Juvenile Charges and Arrests

One or more charges can result from a single arrest. Charges also can be filed when probable cause exists against a person who may not have been arrested. The following are the total number of felony and misdemeanor charges and arrests by adult and juvenile status.

Source: Police Services Data

### Calls for Police Assistance

The public receives police assistance in a variety of ways. Residents can call the Emergency 911 Communications Center to have one or more officers dispatched to the field, called a “dispatched call for service.”

In addition to dispatched calls for service, 911 center operators can take certain types of reports over the phone through alternative call handling (ACH). This allows police officers more time to respond to those who need an officer present at the location of their incident.

Following are the numbers of dispatched calls for service (DCFS) and alternative call handling (ACH) incidents reported.

Source: Police Services Data and CAD

### Response Times to High Priority Calls

When calls for police assistance are received by the Emergency 911 Communications Center, they are entered into the Computer Aided Dispatch (CAD) system and given a “priority” based on the criteria described below. If the call receiver is in doubt as to the appropriate priority, the call is assigned the higher of the two priority designators in question.

“Priority X” designates critical dispatches. These are incidents that pose an obvious danger to the life of an officer or citizen. It is used for felony crimes in-progress where the possibility of confrontation between a victim and suspect exists. Examples include shootings, stabbings, robberies or burglaries.

“Priority 1” designates immediate dispatches. These are calls that require immediate police action. Examples include silent alarms, injury traffic accidents, in-progress crimes or crimes so recent that the suspect may still be in the immediate area.

“Priority 2” designates prompt dispatches. These are calls that could escalate to a more serious degree if not policed quickly. Examples include verbal disturbances and blocking traffic accidents.

Following are the City of Shoreline’s Police response times for the above priority calls. Response times include all time from the receipt of a phone call to the moment an officer arrives at the location of the incident.

Source: Police Services Data

**Computer Aided Dispatch (CAD):** A computerized communication system used by emergency response agencies for dispatching and tracking calls for emergency assistance.

### Commissioned Officers per 1,000 Residents

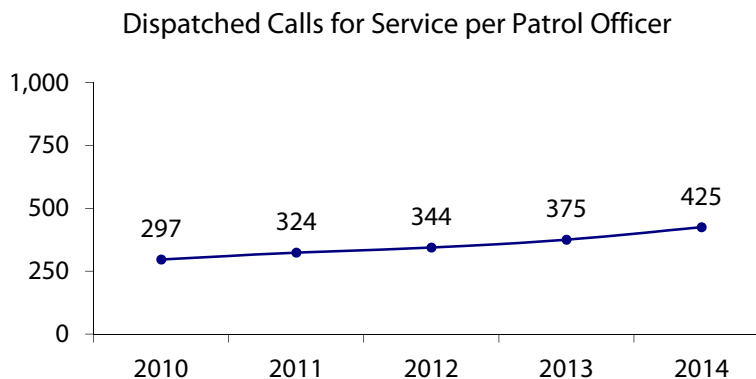

Commissioned officers per 1,000 residents shows how many commissioned police officers are employed by Shoreline for every 1,000 residents. The total number of commissioned officers includes full-time dedicated officers, plus officers who work in supervisory or other non-patrol related positions, as well as, officers that work in specialty units that are on-call for the city. Although the number of Shoreline's dedicated officers may stay the same from year to year, the number of officers that respond to calls for service can change with the city's needs. Therefore, the number of total commissioned officers can increase or decrease depending on Shoreline's service needs from year to year.

Source: KCSO Contracts Unit

### Dispatched Calls for Service (DCFS) per Patrol Officer

Dispatched calls for service (DCFS) per patrol officer is the average number of dispatched calls one patrol officer responds to within a year. This number uses only dispatched calls Shoreline pays for and does not include the number of responses an officer initiates (such as, witnessing and responding to traffic violations, called "on views"). Also, the numbers below are *patrol only* and exclude non-patrol commissioned officers (such as, supervisors or special duty officers/detectives).

Source: KCSO Contracts Unit

### Costs of Police Services per Capita

The City of Shoreline contracts with the King County Sheriff's Office (KCSO) for police services. Among other benefits, contracting for services from a larger law enforcement agency allows for cost savings through "economies of scale." Specific economies of scale provided through the contract with KCSO include:

- Mutual aid agreements with other law enforcement agencies in Washington State
- A large pool of officers if back-up help as necessary
- Coverage if city officers are away
- Expertise of specialized units to assist officers
- Experienced officers to select from for city staffing
- Cost sharing throughout the department to keep city costs down

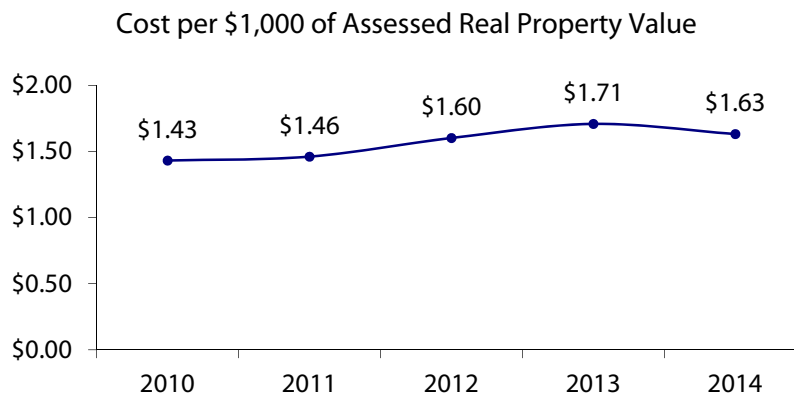

Costs for police services vary depending on a city's resources and the level and type of police services the community wants. The City of Shoreline may have additional funds or expenditures for special projects or programs as part of the city's law enforcement budget. These additional costs are not reflected in the contract cost per capita which shows the contract cost for police services divided by Shoreline's population.

Source: KCSO Contracts Unit

### Cost per \$1,000 of Assessed Real Property Value

Cost per \$1,000 of assessed real property value shows Shoreline's contract cost in relationship to the property values of Shoreline.

Source: King County Assessor's Office
