**ISSUE STATEMENT:**

Every year disasters disrupt the lives of thousands throughout the United States. Being prepared for such emergencies can reduce fear, anxiety and losses that might otherwise occur. To highlight emergency preparedness, the month of October has been declared "Washington State Disaster Preparedness Month".

As well, crime and the fear of crime destroy our trust in others. The vitality of our City depends on how safe we keep our homes, neighborhoods, schools, and the community. To remind our citizens to stay vigilant about community safety and crime prevention, the month of October has also been declared "National Crime Prevention Month".

Given the confluence of these awareness campaigns, the City is proclaiming the month of October as Safe Shoreline Month. This proclamation highlights the proactive and innovative work the City is doing in the areas of policing and emergency management. Programs such as Storm Ready, Shoreline Watch, R.A.D.A.R. and Nurturing Trust bring staff, police and the community together to focus on building trusted relationships. By knowing one another, residents are more vigilant and observant and citizens, and staff and Shoreline Police understand how best to respond at times of emergency and crisis. Together these factors combine to make the community safer.

Community members and business are encouraged to implement preparedness and prevention measures and to participate in these City sponsored programs. Accepting the proclamation on behalf of the City are Emergency Management Coordinator Brian Dixon and Shoreline Police Captain Troy Olmstead.

**RECOMMENDATION**

The Mayor should read and present the proclamation.

Approved By:      City Manager **DT**      City Attorney **MK**

## **PROCLAMATION**
