**PROBLEM/ISSUE STATEMENT:**

Certain members of City's Specialized Recreation Program qualify for reimbursement of their program fees through the Washington State Department of Social and Health Services (DSHS) Individual and Family Services (IFS) Program. In 2013, the City of Shoreline and the DSHS IFS Program entered into an Interlocal Agreement that allows the City to bill DSHS for program fee reimbursement. This Interlocal Agreement is now due for renewal.

Renewing the IFS Agreement allows for uninterrupted service delivery of Shoreline recreation programs for IFS qualified Specialized Recreation participants. The new IFS Agreement is identical to the old agreement, except for the term of the agreement. The new term for the IFS Agreement would be October 1, 2016 through September 30, 2019.

**FINANCIAL IMPACT:**

This contract does not include any expense on the City's part.

**RECOMMENDATION**

Staff recommends that Council authorize the City Manager to enter into an Interlocal Agreement with the Washington State Department of Social and Health Services Individual and Family Services Program.

## **BACKGROUND**

Certain members of City's Specialized Recreation Program qualify for reimbursement of their program fees through the Washington State Department of Social and Health Services (DSHS) Individual and Family Services (IFS) Program. In 2013, the City of Shoreline and the DSHS IFS Program entered into an Interlocal Agreement that allows the City to bill DSHS for program fee reimbursement. This Interlocal Agreement is now due for renewal. Renewing the IFS Agreement allows for uninterrupted service delivery of Shoreline recreation programs for IFS qualified Specialized Recreation participants.

In 2015, the City had 19 Specialized Recreation participants that qualified for reimbursement from the State. The total amount of state reimbursement equaled \$21,848. These reimbursed costs were reimbursed through the IFS program and another agreement the City has with DSHS for reimbursement. Shoreline has a variety of specialized recreation offerings including weekend trips, special events and adult day programs for individuals with developmental disabilities. This agreement provides specialized recreation participants improved access to these programs and facilities.

## **DISCUSSION**

The new IFS Agreement (Attachment A) is identical to the old agreement, except for the term of the agreement. The new term for the IFS Agreement would be October 1, 2016 through September 30, 2019. The IFS Agreement can be terminated by either party with 30 days of written notice.

The ability for participants to utilize DSHS funding is one factor that makes the City of Shoreline's specialized recreation program attractive to participants. In addition, it supports accessibility to participants who do not have the ability to manage the complicated billing process themselves.

### **FINANCIAL IMPACT:**

This contract does not include any expense on the city's part.

## **RECOMMENDATION**

Staff recommends that Council authorize the City Manager to enter into an Interlocal Agreement with the Washington State Department of Social and Health Services Individual and Family Services Program.
