PROBLEM/ISSUE STATEMENT:

At their October 10, 2016 meeting, the Shoreline School District Board of Directors unanimously approved Resolution No. 2016-19 (Attachment A) placing a bond proposition on the February 14, 2017 special election ballot. Proposition No. 1 (Attachment B) seeks to enhance the learning environment and relieve overcrowding by authorizing the School District to rebuild Kellogg Middle School, Einstein Middle School and Parkwood Elementary School and build an Early Learning Center at the Children's Center Site that will house the District's mandatory Early Childhood Education program, as well as Shoreline Children's Center and Head Start programs. Proposition No. 1 would issue no more than \$250,000,000 of general obligation bonds maturing within 20 years and levy annual excess property taxes to repay the bonds. More information about Proposition No. 1 can also be found on the Shoreline School District's website: <http://www.shorelineschools.org/domain/1122>.

Following this action, on November 21, 2016, the Shoreline School District Superintendent presented factual information about Proposition No. 1 to the Shoreline City Council. The staff report for this presentation can be found at the following link: <http://cosweb.ci.shoreline.wa.us/uploads/attachments/cck/council/staffreports/2016/staffreport112116-8a.pdf>.

Tonight, Council will discuss proposed Resolution No. 397 (Attachment C). Proposed Resolution No. 397 would provide the Council's support for Proposition No. 1. Mayor Roberts and Deputy Mayor Winstead requested that this proposed resolution be placed on the Council's agenda.

On occasion, the Council has voted to support ballot propositions if it determines the proposition will have a direct impact on the Shoreline community. These have included propositions supporting the Shoreline Fire District, the Shoreline School District, and most recently, Sound Transit. Past support of Shoreline School District ballot measures includes support for a maintenance and operations levy, technology improvement levy, and a bond measure for the modernization and replacement of Shorecrest and

Shorewood High Schools, all in 2010, support for a supplemental levy for reduced class size in 2011, and support for replacement of the expiring maintenance and operations levy and technology improvement levy in 2014.

As this is a proposed Action Item in front of the Council for the first time, as per Council rule, public comment on this resolution shall follow the staff report but precede Council review. As well, as per RCW 42.17A.555, the Council must allow equal opportunity for the public to express views in support and opposition to this resolution. Providing for dedicated public comment following the presentation of the resolution by staff allows for this opportunity. If adopted by Council, proposed Resolution No. 397 will be shared with the Shoreline School Board and School District staff.

RESOURCE/FINANCIAL IMPACT:

There is no resource or financial impact to adopting Resolution No. 397.

RECOMMENDATION

Staff recommends that Council adopt Resolution No. 397.

A RESOLUTION of the Board of Directors of Shoreline School District No. 412, King County, Washington, providing for the submission to the voters of the District at a special election to be held on February 14, 2017, of a proposition authorizing the District to issue general obligation bonds in the principal amount of no more than \$250,000,000, for the purpose of paying costs of rebuilding Kellogg Middle School, Einstein Middle School and Parkwood Elementary School, and building an Early Learning Center at the Children's Center Site that will house the District's mandatory Early Childhood Education program, as well as Shoreline Children's Center and Head Start programs, the principal of and interest on such bonds to be payable from annual excess property tax levies; designating the District's Deputy Superintendent and bond counsel to receive notice of the ballot title from the Director of Records and Elections of King County, Washington; authorizing a request for a Certificate of Eligibility from the State Treasurer pursuant to chapter 39.98 RCW; designating the Secretary to the Board and/or the District's Deputy Superintendent as the District officials authorized to file with the State Treasurer, on behalf of the District, the request for a Certificate of Eligibility; and providing for other matters properly related thereto, all as more particularly set forth herein.

BE IT RESOLVED BY THE BOARD OF DIRECTORS OF SHORELINE SCHOOL DISTRICT NO. 412, KING COUNTY, WASHINGTON, as follows:

Section 1. Findings and Determinations. The Board of Directors (the "Board") of Shoreline School District No. 412, King County, Washington (the "District"), takes note of the following facts and hereby makes the following findings and determinations:

(a) The need to enhance the learning environment due to educationally outdated schools, overcrowding, the State of Washington class size reduction requirements, student safety and security concerns, and the needs of our educational programs, require that the District rebuild Kellogg Middle School, Einstein Middle School and Parkwood Elementary School, and build an Early Learning Center at the Children's Center Site that will house the District's mandatory Early Childhood Education program, as well as Shoreline Children's Center and Head Start programs, all as more particularly defined and described in Section 2 herein (collectively, the "Projects").

(b) The District lacks sufficient money with which to pay costs of the Projects.

(c) To pay costs of the Projects, it is necessary and advisable that the District issue and sell unlimited tax general obligation bonds in the principal amount of no more than \$250,000,000 (the "Bonds"), or such lesser maximum amount as may be legally issued under the laws governing the limitation of indebtedness or required to carry out and accomplish the Projects.

(d) The District is authorized pursuant to Article VII, Section 2(b) of the Washington Constitution and laws of the State of Washington, including Revised Code of Washington

(“RCW”) 28A.530.010, RCW 28A.530.020, RCW 39.36.050 and RCW 84.52.056, to submit to the District’s voters at a special election, for their approval or rejection, the proposition of whether the District shall issue the Bonds to pay costs of the Projects and levy annual excess property taxes to pay and retire the Bonds.

(e) The best interests of the District’s students and other inhabitants require the District to carry out and accomplish the Projects as hereinafter provided.

Section 2. Description of Projects. The Projects to be paid for with proceeds of the Bonds, including interest earnings thereon (“Bond Proceeds”), are more particularly defined and described as follows:

(a) Build a new middle school to replace (*i.e.*, rebuild) Kellogg Middle School, all as deemed necessary and advisable by the Board.

(b) Build a new middle school to replace (*i.e.*, rebuild) Einstein Middle School, all as deemed necessary and advisable by the Board.

(c) Build a new elementary school to replace (*i.e.*, rebuild) Parkwood Elementary School, all as deemed necessary and advisable by the Board.

(d) Build an Early Learning Center at the current site of the Shoreline Children’s Center located on Meridian Avenue (the “Children’s Center Site”) that will house the District’s mandatory Early Childhood Education program, as well as Shoreline Children’s Center and Head Start programs, all as deemed necessary and advisable by the Board.

(e) Acquire, construct and install all necessary furniture, equipment, apparatus, accessories, fixtures and appurtenances in the foregoing, all as deemed necessary and advisable by the Board.

(f) Pay incidental costs incurred in connection with carrying out and accomplishing the Projects described above pursuant to RCW 39.46.070. Such incidental costs shall be deemed part of the Projects and shall include, but not be limited to: (1) costs related to the issuance, sale and delivery of the Bonds; (2) payments for fiscal and legal costs; (3) costs of obtaining ratings and bond insurance; (4) costs of printing, advertising, establishing and funding accounts; (5) payment of interest due on the Bonds for up to six months after completion of construction; (6) necessary and related engineering, architectural, planning, consulting, inspection, permitting and testing costs; (7) administrative and relocation costs; (8) site acquisition and improvement costs; (9) demolition costs; (10) costs related to demolition and/or deconstruction of existing school facilities to recycle, reclaim and repurpose such school facilities and/or building materials; (11) costs of on-site and off-site utilities and road improvements; and (12) costs of other similar activities or purposes, all as deemed necessary and advisable by the Board. The Projects, or any portion or portions thereof, shall be acquired or made insofar as is practicable with available Bond Proceeds, together with any other money of the District legally available therefor, and in such order of time as shall be deemed necessary and advisable by the Board. Subject to Section 6 of this resolution, the Board shall allocate the Bond Proceeds, together with any other money of the District legally available therefor, between the various parts of the Projects so as to accomplish, as near as may be, all of the Projects.

The Board shall determine the exact order, extent and specifications for the Projects. The Projects are to be more fully described in the plans and specifications to be filed with the District.

Section 3. Calling of Election. The Director of Records and Elections of King County, Washington, as *ex officio* Supervisor of Elections (the “Auditor”), is requested to call and conduct a special election in the District, in the manner provided by law, to be held therein on February 14, 2017, for the purpose of submitting to the District’s voters, for their approval or rejection, the proposition of whether the District shall issue the Bonds to pay costs of the Projects and levy annual excess property taxes to pay and retire the Bonds.

If the proposition is approved by the requisite number of voters, the District will be authorized to issue, sell and deliver the Bonds in the manner described in this resolution, spend the Bond Proceeds to pay costs of the Projects, and levy annual excess property taxes to pay and retire the Bonds. The Bond Proceeds shall be used, either with or without additional money now available or hereafter available to the District, for capital purposes only, as permitted by law.

Section 4. Authorization to Issue the Bonds. The Bonds authorized may be issued as a single issue, as a part of a combined issue with other authorized bonds, or in more than one series, all as deemed necessary and advisable by the Board and as permitted by law. Further, the Bonds may be issued, as deemed necessary and advisable by the Board, as taxable bonds, tax-exempt bonds and/or any other type of tax credit bonds that are now or in the future may be authorized under applicable state and federal law, including, but not limited to, “build America bonds” or “qualified tax credit bonds” within the meaning of Section 54A(d)(1) of the Internal Revenue Code of 1986, as amended (the “Code”) (generically, “Tax Credit Bonds”).

Each series of the Bonds shall be issued as fully registered bonds; shall bear interest payable as permitted by law; shall mature within 20 years from the date of issuance of such series of the Bonds (but may mature at an earlier date or dates as fixed by the Board); shall be paid by annual property tax levies sufficient in amount to pay both principal and interest when due, which annual property tax levies shall be made in excess of regular property tax levies without limitation as to rate or amount but only in amounts sufficient to meet such payments of principal and interest as they come due; and shall be issued and sold in such manner, at such times and in such amounts as shall be required for the purpose for which each series of the Bonds are to be issued, all as deemed necessary and advisable by the Board and as permitted by law. The life of the Projects to be financed with the Bond Proceeds shall exceed the term of the respective series of Bonds that finance such Projects. The Board hereby authorizes and directs the Secretary to the Board (the “Secretary”) and/or the District’s Deputy Superintendent (the “Deputy Superintendent”) to determine for each series of Bonds whether such series should be sold by negotiated or competitive sale, and with respect to such series of Bonds that are to be sold by competitive sale, to: (a) specify a date and time of sale of such Bonds; (b) give notice of that sale; (c) determine any bid requirements and criteria for determining the award of the bid; (d) provide for the use of an electronic bidding mechanism if the Secretary and/or Deputy Superintendent deems electronic bidding to be beneficial to the District; and (e) specify other matters in his or her determination necessary, appropriate or desirable to carry out the sale of the Bonds. Notwithstanding the foregoing, the amount, date, denominations, interest rates, payment dates, final maturity, redemption rights, price, and other terms and conditions of the Bonds (or parameters with respect thereto) shall be hereafter fixed by one or more resolutions of the Board authorizing the issuance,

sale and delivery of such series of Bonds, which resolutions may delegate to a District officer or employee the authority to fix any of the foregoing, all as deemed necessary and advisable by the Board and as permitted by law.

Pending the issuance of any series of the Bonds, the District may issue short-term obligations pursuant to chapter 39.50 RCW (which may be issued as Tax Credit Bonds, if permitted under applicable law) to pay for any portion of the costs of the Projects. Such obligations may be paid or refunded with the Bond Proceeds.

If the District receives voter approval to issue the Bonds in the manner described in this resolution, the Board authorizes and directs the Secretary and/or the Deputy Superintendent to: (a) review and “deem final” (within the meaning of Rule 15c2-12 of the Securities and Exchange Commission), if necessary and upon such official’s satisfaction, any preliminary official statement prepared in connection with the sale of each series of the Bonds by the District; (b) authorize the “deemed final” preliminary official statement to be distributed prior to the date any underwriter or purchaser bids for, purchases, offers or sells each series of the Bonds; and (c) acknowledge in writing any action taken pursuant to clauses (a) and (b) of this paragraph.

Section 5. Intent to Reimburse. The Board declares that to the extent, prior to the date the Bonds, or other bonds or obligations (which includes the Bonds, or other bonds or obligations, issued as tax-exempt bonds and/or Tax Credit Bonds) are issued to pay costs of the Projects, the District shall make capital expenditures for the Projects from money that is not (and is not reasonably expected to be) reserved, allocated on a long-term basis or otherwise set aside by the District under its existing and reasonably foreseeable budgetary and financial circumstances to pay costs of the Projects, those capital expenditures are intended to be reimbursed out of the Bond Proceeds, or proceeds of other bonds or obligations, issued in an amount not to exceed the principal amount of the Bonds provided by this resolution.

Section 6. Sufficiency of Bond Proceeds. If Bond Proceeds are more than sufficient to carry out and accomplish the Projects (the “Excess Bond Proceeds”), and state or local circumstances require, the District may use the Excess Bond Proceeds to: (a) acquire, construct, install, equip and make other capital improvements to the District’s facilities; or (b) retire and/or defease a portion of the Bonds or other outstanding bonds of the District, all as the Board may determine by resolution, after holding a public hearing thereon pursuant to RCW 28A.530.020. In the event that the Bond Proceeds, together with any other money of the District legally available therefor, are insufficient to carry out and accomplish all of the Projects, the District shall use the Bond Proceeds and other available money for paying the cost of that portion of the Projects that is deemed by the Board most necessary and in the best interest of the District.

Section 7. Use of State Financing Assistance. It is anticipated that the District may receive some money from the State of Washington as state financing assistance under chapter 28A.525 RCW with respect to the Projects (the “State Financing Assistance”). The State Financing Assistance shall be used, when and in such amounts as it may become available, to carry out and accomplish the Projects. If the State Financing Assistance is more than sufficient to carry out and accomplish the Projects (the “Excess State Financing Assistance”), and state or local circumstances require, the District may use the Excess State Financing Assistance to: (a) acquire, construct, install, equip and make other capital improvements to the District’s facilities; (b) retire and/or defease a

portion of the Bonds or other outstanding bonds of the District; or (c) provide for other purposes, all as the Board may determine by resolution, after holding a public hearing thereon pursuant to RCW 28A.530.020.

Section 8. Alteration of Expenditures. If the Board shall subsequently determine that state or local circumstances, including, but not limited to, changed conditions or needs, regulatory considerations or incompatible development, should cause any alteration to the Projects, the District shall not be required to accomplish the Projects, and may apply the Bond Proceeds and/or State Financing Assistance (or any portion thereof) to: (a) other portions of the Projects; (b) acquire, construct, install, equip and make other capital improvements to the District's facilities; or (c) retire and/or defease a portion of the Bonds or other outstanding bonds of the District, all as the Board may determine by resolution after holding a public hearing thereon pursuant to RCW 28A.530.020.

Section 9. Form of Ballot Title. Pursuant to RCW 29A.36.071, the King County Prosecuting Attorney is requested to prepare the concise description of the aforesaid proposition for the ballot title in substantially the following form:

Section 15. Severability. If any provision of this resolution shall be declared by any court of competent jurisdiction to be invalid, then such provision shall be null and void and shall be separable from the remaining provisions of this resolution and shall in no way affect the validity of the other provisions of this resolution, of the Bonds or of the levy or collection of the taxes pledged to pay and retire the Bonds.

Section 16. Effective Date. This resolution shall become effective immediately upon its adoption.
