DEPARTMENT:	Human Resources
PRESENTED BY:	Paula Itaoka, Human Resources Director
ACTION:	<input type="checkbox"/> Ordinance <input checked="" type="checkbox"/> Resolution <input type="checkbox"/> Motion Discussion <input type="checkbox"/> Public Hearing

PROBLEM/ISSUE STATEMENT:

The Employee Handbook (“Handbook”) contains the City’s personnel policies and practices. It was first adopted in 1996 by Council Resolution No. 104 and periodically updated as laws or policies changed. In 2016, staff conducted a comprehensive review of the Handbook to update all sections as needed. This is a recommendation to adopt modifications which include:

- Housekeeping changes to improve readability and comprehension (e.g.: clerical, formatting, organization, indexing, movement of text, added clarity, and updated data.)
- Moderate and substantial changes to incorporate practices, remove some text, and enable the City Manager to approve Handbook changes as needed.

RECOMMENDATION

No action is required as this item is for discussion purposes only. However, when this item is brought back for Council action, scheduled for February 27, 2017, staff recommends that Council adopt Resolution No. 402 to update the Employee Handbook.

Approved By: City Manager **DT** City Attorney **MK**

BACKGROUND

The Employee Handbook (“Handbook”) contains the City’s personnel policies and practices. It was first adopted in 1996 by Council Resolution No. 104 and periodically updated as laws or policies changed. In 2016, staff conducted a comprehensive review of the Handbook to update all sections as needed. This is a recommendation to adopt edits which include:

- Housekeeping changes to improve readability and comprehension (e.g.: clerical, formatting, organization, indexing, movement of text, added clarity, and updated data.)
- Moderate and substantial changes to incorporate practices, remove some text, and enable the City Manager to approve Handbook changes as needed.

Moderate and substantial changes include Authority, Limited Term Employees, Telecommuting, Telephone, Email, Voice Mail and Other Communication Systems on City Equipment and Personal Equipment, Recruitment and Selection, Classification and Classification Review, Reasonable Accommodation, Vacation Carryover and Vaping. Details follow with changes shown in red strikethrough and underline.

Authority, page 9 of Attachment A

Reason for the change: The Handbook provides the City Manager with authority to take personnel actions but lacks clarity regarding authority to change the Handbook. Staff proposes adding text as follows.

D. Authority

The City Council hereby delegates to the City Manager the authority to make all necessary and appropriate personnel rules, practices and procedures and to thereby modify the Employee Handbook; provided however, the cost must fit within the adopted budget and have a de minimis impact on future costs, and the City Council is informed thirty days in advance of any change.

Authority to take personnel actions is vested in the City Manager. This authority shall include but not be limited to hiring, promoting, demoting, evaluating, reclassifying and terminating employees. Authority for personnel actions is frequently delegated to Department Directors and immediate supervisors; however, coordination of all such actions through Human Resources is required.

Limited Term Definition, page 12 of Attachment A

Reason for the change: The City employs limited term personnel. Staff proposes a definition that follows.

3. Limited Term

A position that has a specific end date, works 20 or more hours a week and is not Extra Help. The maximum term is limited to three years.

Telecommuting and Telephone, Email, Voice Mail and Other Communication Systems on City Equipment and Personal Equipment, pages 10,15, 37- 42, 67- 69 of Attachment A

Reason for the change: These sections have outdated, inaccurate or non-applicable text regarding contemporary City technology, procedure and personnel policy. Staff proposes to delete these sections and create contemporary administrative procedures to address these topics (in cooperation with the Information Technology division, the City Clerk's office and the Human Resources department.) Please refer to Attachment A to view the proposed deletions on pages 10, 15, 37-42, and 67-69.

Recruitment and Selection, page 17 of Attachment A

Reason for the change: The Handbook addresses recruitment and selection; however, lacks some clarity regarding the candidacy of internal applicants. Specifically, that a qualified internal applicant will receive an interview. Staff proposes the following modification:

A. Recruitment and Selection

1. External and Internal Recruitment

Job Posting and Application: Open positions will be posted on the City's web page with links to the application process. The opening will be posted for a minimum of five working days. To ensure internal employees are aware of an open position, Human Resources will announce openings through email.

Selecting Candidates for an Interview: The hiring manager will review the applications and identify candidates that will proceed to an interview. Additionally, all regular employees who applied will be granted an interview provided they possess the experience and training qualifications listed in the job description for the position.

Selecting the Best Candidate: The City's policy is to hire the best candidate for any job vacancy. The best candidate is an applicant who meets the minimum qualifications for the position and has the strongest match between their knowledge, skills and abilities and the work responsibilities of a position. The best candidate will be determined based upon a review of application materials, the results of tests and/or background checks required by positions, an evaluation of responses to interview questions, and favorable references.

2. Internal Recruitment Only

The Department Director, after consultation with the Director of Human Resources, will determine if an opening will be available internally only.

Job Posting and Application: Human Resources will announce openings through email, directing interested employees to apply through the City's web page with links to the application process. The opening will be posted for a minimum of five working days, any employee may apply.

Selecting Candidates for an Interview: The hiring manager will review the applications and identify candidates that will proceed to an interview. All regular employees who applied will be granted an interview provided they possess the experience and training qualifications listed in the job description for the position.

Selecting the Best Candidate: The City's policy is to hire the best candidate for any job vacancy. The best candidate is an applicant who meets the minimum qualifications for the position and has the strongest match between their knowledge, skills and abilities and the work responsibilities of a position. The best candidate will be determined based upon a review of application materials, the results of tests and/or background checks required by positions, an evaluation of responses to interview questions, and favorable references. If there is not an internal candidate who has a strong match between their knowledge, skills and abilities and the work responsibilities of the position; the position may be re-posted and made available to external applicants.

4.01 Selection

The City's policy is to hire the best candidate for any job vacancy. The best candidate is determined by the strongest match between the knowledge, skills and abilities of the individual and the work responsibilities of a position.

In order to provide consideration for a current City employee who applies for an open position to promote or transfer, an interview will be granted provided he or she is a good match of knowledge, skills and abilities for the open position

4.02 Job Posting

The City encourages promotion from within the organization. All openings will be posted internally via e-mail so employees may become aware of openings and apply for positions for which they are interested and qualified.

The Department Director, after consultation with the Director of Human Resources, will determine if a position will be posted internally for regular employees only, or posted both internally and externally. If posted internally only, it will be open for 5 working days; if no qualified internal candidates apply; it will then go into the regular external recruitment process.

Classification and Compensation, page 33 of Attachment A

Reason for the change: The Handbook refers to job classification review but lacks clarity on the process. Staff proposes added text as follows.

1. Job Classifications.

~~The Job Description and Salary Range assigned to the responsibilities of a position is the 'job classification.'~~ A classification description job description includes a job title and statements that define the position, including consisting of an appropriate title, description of essential and marginal job functions and qualifications for knowledge, ability, experience and training. The experience and training qualifications in the job description are considered to be minimum qualifications. duties, statement of minimum education, experience and training is prepared and maintained for all regular positions within the City. Salary range assignments are recommended by the ~~Each classification is assigned a salary grade and corresponding salary range by the~~ Human Resources Director to the and the City Manager, with input from the appropriate Department Director. Periodically, the City may revise its job classifications as needed or classification descriptions and re-evaluate individual jobs as part of a compensation study.

2. Classification Review

Positions sometimes evolve as a result of changed duties and responsibilities assigned by a supervisor. A classification review studies these changes to determine if a different job description and salary range assignment is appropriate. Importantly, not all changes warrant a different salary range assignment, the majority of the assigned duties must be a different type or complexity that is compensated at a different level to warrant a different salary range assignment.

Requesting a Classification Review

A Department Director, with the approval of the City Manager, may request a classification review when planning to change the assigned duties of a position within the next calendar month.

~~An employee who does not believe that his or her~~ their ~~classification accurately reflects the current duties of the position may request in writing a classification review if it has been more than one year since the last classification review and the majority of duties have changed.~~ of his/her classification

Performing the Classification Review

The Human Resources department performs the classification review and will ask the requestor for updated job information which may include the use of a job analysis questionnaire.

~~r by the Department Director.~~—After review by the Department Director and the Human Resources Director, any changes shall be recommended to the City Manager for reclassification as appropriate. The City Manager retains the final authority to approve or disapprove changes in classifications, within budgetary guidelines, and/or assignment of duties to employees. Any changes resulting from an employee request for a classification review ~~in classification that would increase an employee's pay rate~~ will be retroactive to the date of submittal of the request for review. In the event that a classification review results in a denial of a change in classification ~~the reclassification request, but~~ also results in a determination the employee was working out of class ~~during the period of the classification review~~, the employee will be awarded out of class pay. The out of class pay will be effective for the qualifying out of class work (based on 5.08 Out of Class Pay) performed between the time the ~~on the date the~~ employee submitted the written request for classification review and ~~the date of the denial of the reclassification request~~ end on the date the out of class duties are no longer performed and will be based on Section 5, Out of Class Pay.

Reasonable Accommodation, pages 42-43 of Attachment A

Reason for the change: The Handbook doesn't have a section on reasonable accommodation. Staff proposes a new section as follows:

O. Reasonable Accommodation

The City of Shoreline does not discriminate against qualified individuals with a disability with regard to any aspect of employment and is committed to complying with the American with Disabilities Act.

The City recognizes some individuals with disabilities may require reasonable accommodations. If an employee is disabled or becomes disabled (meaning he or she has a mental or physical impairment substantially limiting one or more of the major life activities) and requires a reasonable accommodation, the employee must contact the Human Resources Department to begin the interactive process. Accommodation requests may be made orally or in writing to the Human Resources Department. Requests may be made by the employee, the employee's supervisor or someone on behalf of the employee.

A reasonable accommodation is assistance or changes to a position or working conditions that will enable an employee with a disability to perform the essential functions of their job. The City will provide reasonable accommodation to employees with medically certified disabilities, unless doing so would pose an undue hardship.

Human Resources will meet with the employee to review the accommodation process, answer questions and provide the necessary forms which include a Medical Certification form to be completed by the employee's physician.

If the Medical Certification does not confirm that the employee has a disability, Human Resources will seek clarification from the medical provider and the employee before rejecting the request. If the Medical Certification confirms that the employee has a disability, the employee, supervisor and human resources will meet and begin an interactive process. The interactive process will include discussing the disability, limitations, and possible reasonable accommodations that may enable the employee to perform the functions of his or her position, make the workplace readily accessible to and usable by the employee, or otherwise allow the employee to enjoy equal benefits and privileges of employment. Following the interactive process, a decision will be made and the employee will be notified if the accommodation is approved or denied.

Vacation Carryover Exception Requirements, pages 45-46 of Attachment A

Reason for the change: The Handbook doesn't fully reflect the expectation that vacation should be used and carry over exceptions won't be granted two years in a row. Staff proposes added text as follows:

3. Carryover Exceptions

Employees with a vacation balance in excess of the carryover maximum should reduce the balance to the maximum. If an employee perceives they cannot use vacation because ~~In cases where~~ City operations have prevented it, the employee should discuss the matter with their supervisor well ahead of requesting a carryover exception. ~~an employee from using vacation time, t~~If the employee and supervisor are unable to plan for the employee to take the time off, they may request a carryover exception. The Department Director with the approval of the City Manager may allow a carryover exception of unused accrual in excess of the carryover maximum ~~amount specified above to be carried over.~~ An employee will not be granted an exception two years in a row. ~~carryover exception granted in one year will not be granted again in the next year.~~

Tobacco and Vaping Free Workplace, page 66 of Attachment A

Reason for the change: Vaping is akin to the actions of smoking or other forms of tobacco use. Staff proposes to prohibit vaping as follows:

H. 3.09—Tobacco and Vaping Free Policy Workplace

In order to maintain a safe and comfortable working environment and to ensure compliance with applicable laws, use of all tobacco products, including smoking and smokeless tobacco, and vapor products is prohibited at all City work sites locations and property, and in City owned vehicles. Smoking and vaping is prohibited within 25 feet of all building entrances, windows that open and ventilation intakes. Violation of this policy may be grounds for disciplinary action, up to and including termination.

FINANCIAL IMPACT

There is no cost associated with the recommended updates.

RECOMMENDATION

No action is required as this item is for discussion purposes only. However, when this item is brought back for Council action, scheduled for February 27, 2017, staff recommends that Council adopt Resolution No. 402 updating the personnel policies in the Employee Handbook.

I. INTRODUCTION

The Handbook is prepared so that employees will better understand how the City operates and what is expected of employees. It is a summary of the City's personnel policies and practices, and is intended as a general guide to how the organization functions. We want to create a work environment that allows individuals to maximize their contribution to the organization and results in personal satisfaction. We believe that when consistent personnel policies are known and communicated to all, the chances are increased for greater job satisfaction.

While the City hopes that the employment relationship will be positive, things do not always work out as planned. Either party may decide to terminate the employment relationship. No supervisor, manager or representative of the City, other than the City Manager, has the authority to enter into any agreement with you for employment for any specified period or to make any promises or commitments contrary to the contents of this handbook. This handbook is not intended as a contract, express or implied, or as a guarantee of employment for any specific duration. As the need arises, the City may from time to time modify these policies. The City also reserves the right, at its sole discretion, to depart from the guidelines outlined in this handbook, in order to meet the business needs of the City. If you have any questions about any of our policies, please ask your supervisor or Human Resources.

We wish you success in your position and hope that your employment relationship with the City will be a personally rewarding experience.

When employees are working at the time the City Manager declares a 12-hour shift, night shift employees shall be sent home with pay to rest and prepare for the night shift. This period of pay shall cover the time between the declaration of the 12-hour shift until the end of their regularly scheduled work day. Example: An employee is at work and is scheduled to work until 4:00 pm. The employee normally takes a half hour lunch at noon. At 11:00 am the City Manager declares a 12-hour shift. The employee, assigned to the night shift, is sent home at 11:00 to rest and report to work at 9:00 pm for the night shift. The employee receives 4½ hours pay—1 hour from 11:00 to noon and 3½ hours from 12:30 pm – 4:00 pm.

A.2. Shift Differential. In recognition of the inconvenience of having to work unusual hours with very little notice and under conditions that are generally difficult due to weather or other uncomfortable conditions, employees assigned to the declared 12-hour shift shall receive an additional \$3 per hour shift differential for all hours worked beyond their normal assigned shift. When an employee is working a 12-hour shift on a day they are not normally scheduled to work, all hours worked shall be considered to be "beyond their normal assigned shift". An example of how the policy would apply: Assume the following facts:

- Both Employee A and Employee B normally work a schedule of 7:00 am – 4:00 pm (with an hour unpaid lunch break).

Attachment A

- Employee A is assigned to the 9:00 pm – 9:00 am night shift. For each full night shift worked, Employee A will receive 10 hours of shift differential pay from 9:00 pm until 7:00 am to compensate for hours that Employee A does not normally work. This same amount of differential pay will apply regardless of which day of the week the work is being performed.
- Employee B is assigned to the 9:00 am – 9:00 pm day shift. For each full day shift worked, Employee B will receive 5 hours of shift differential pay from 4:00 pm until 9:00 pm to compensate for hours that Employee B does not normally work. This same amount of differential pay will apply regardless of which day of the week the work is being performed.

B.3. Pay for meal breaks. During the declared 12-hour shifts, employees shall be paid for required meal breaks.

2.4. Premium Pay for work on days when the City Hall is closed. In the event that the City Manager closes the City Hall for any period of time during any normal work day during the period of the declared 12-hour shift, any employee assigned to the 12-hour shift who works during the calendar day the City Hall is closed shall receive straight time “comp time” for the time that the City Hall is closed, in addition to their pay for their shift. For the purposes of a full day City Hall closure, the “time closed” shall be 8 hours.

- Example: The City experiences severe snow storms and the City Manager declares a 12-hour shift beginning on Monday and the 12-hour shifts continue through the weekend. During the work week, due to the snow, the City Manager closes the City Hall for the entire work day on Wednesday. In addition the City Manager closes the City Hall 2 hours early on Thursday to allow employees at work to drive home safely.
- Employee A is assigned to the night shift and works the night shift on both Wednesday and Thursday as scheduled. In addition to appropriate pay for the hours worked, Employee A will receive 10 hours of comp time. (8 hours for having worked on Wednesday and 2 hours for having worked on Thursday).
- Employee B is assigned to the day shift and works the day shift both Wednesday and Thursday as scheduled. In addition to appropriate pay for the hours worked, Employee B will receive 10 hours of comp time. (8 hours for having worked on Wednesday and 2 hours for having worked on Thursday).
- Employee C is assigned to the day shift and is scheduled to work both Wednesday and Thursday; however, Employee C works Wednesday but then calls in sick and does not work as scheduled Thursday. Employee C will receive 8 hours comp time. (8 hours for having worked on Wednesday but 0 hours for Thursday).

Attachment A

H. ~~5.05~~ Inclement Weather

1. The City is in the business of providing vital public services and therefore does not cease operations during times of inclement weather or natural disasters. The City may be the only organization providing essential services to citizens. Therefore, all employees are asked to make every reasonable effort to report to work during such times even if it is inconvenient.
- ~~4.2.~~ A non-exempt employee who is unable to get to work or who leaves work early because of weather or natural disaster conditions may either charge the time missed against accrued vacation leave, compensatory time, or take leave without pay for the time missed. Tardiness due to an employee's inability to report for scheduled work because of severe weather conditions may be allowed up to one hour at the beginning of the work day or at the discretion of the City Manager. Inclement weather or natural disaster tardiness in excess of that allowed by the City Manager shall be charged as provided above.
- ~~2.3.~~ In the event that the City Manager advises employees not to report to work or to leave early due to inclement weather or natural disaster, such time off will be paid time off and not charged to accrued vacation leave or compensatory time. Non-exempt employees who are available and report to work or continue to work in this situation, if requested by the City Manager, shall either be paid time and one-half for the actual hours worked or be given compensatory time off, at another time mutually agreed upon by the employee and the supervisor.

I. ~~5.06~~ Performance Evaluations

1. Each regular employee's performance will be evaluated by his or her supervisor on an ongoing basis. The City also has a formal performance evaluation system.
2. Employees who disagree with their formal performance evaluations may provide comments on the evaluation form itself and may also submit a rebuttal in writing that will be attached to a copy of their performance evaluation and kept in their official personnel file. Employees may also appeal pursuant to Section 8. ~~15~~ Complaint Resolution Procedure.

J. ~~5.07~~ Classification and Compensation Plan

The City has a strong interest in attracting and retaining excellent employees. It is the policy of the City to maintain a comprehensive classification and compensation program. Within budget limitations, the City endeavors to pay salaries competitive with those paid within comparable jurisdictions and within the applicable labor market.

The City Manager shall be responsible for the administration of the classification and compensation plan. All changes in classifications and changes in assignment of classifications to salary ranges must be approved by the City Manager.

Attachment A

1. Job Classification~~s~~.

The Job Description and Salary Range assigned to the responsibilities of a position is the 'job classification.' ~~A classification description~~ job description includes a job title and statements that define the position, including ~~consisting of an appropriate title, description of essential and marginal job functions and qualifications for knowledge, ability, experience and training.~~ The experience and training qualifications in the job description are considered to be minimum qualifications. ~~duties, statement of minimum education, experience and training is prepared and maintained for all regular positions within the City.~~ Salary range assignments are recommended by the ~~—Each classification is assigned a salary grade and corresponding salary range by the~~ Human Resources Director to the ~~and the~~ City Manager, with input from the ~~appropriate~~ Department Director. Periodically, the City may revise ~~its job classifications as needed or classification descriptions and re-evaluate individual jobs~~ as part of a compensation study.

2. Classification Review

Positions sometimes evolve as a result of changed duties and responsibilities assigned by a supervisor. A classification review studies these changes to determine if a different job description and salary range assignment is appropriate. Importantly, not all changes warrant a different salary range assignment, the majority of the assigned duties must be a different type or complexity that is compensated at a different level to warrant a different salary range assignment.

Requesting a Classification Review

A Department Director, with the approval of the City Manager, may request a classification review when planning to change the assigned duties of a position within the next calendar month.

~~—An employee who does not believe that his or her~~ their classification accurately reflects the current duties of the position may request in writing a classification review if it has been more than one year since the last classification review and the majority of duties have changed. ~~of his/her classification~~

Performing the Classification Review

The Human Resources department performs the classification review and will ask the requestor for updated job information which may include the use of a job analysis questionnaire.

~~r by the Department Director.~~—After review by the Department Director and the Human Resources Director, any changes shall be recommended to the City Manager for reclassification as appropriate. The City Manager retains the final authority to approve or disapprove changes in classifications,

Attachment A

within budgetary guidelines, and/or assignment of duties to employees. Any changes resulting from an employee request for a classification review~~in classification that would increase an employee's pay rate~~ will be retroactive to the date of submittal of the request for review. In the event that a classification review results in a denial of a change in classification~~the reclassification request, b~~ but also results in a determination the employee was working out of class ~~during the period of the classification review~~, the employee will be awarded out of class pay. The out of class pay will be effective ~~for the qualifying out of class work (based on 5.08 Out of Class Pay) performed between the time the~~ on the date the employee submitted the written request for classification review and ~~the date of the denial of the reclassification request~~ end on the date the out of class duties are no longer performed and will be based on Section 5, Out of Class Pay.

3. Steps and Increases

—The compensation plan consists of ~~minimum and maximum salaries and~~ six salary steps which are referred to as a salary range. ~~for each class of positions.~~ Step 1 is the minimum; Step 6 is the top. The steps are set at 4% increments. ~~Each step is an annual step. Once the top step is reached, the employee remains in the top step as long as the employee remains in the position.~~

Regular employees not at the top step are eligible for advancement to the next step annually. The step increase will be effective on the step increase date. Once the top step is reached, the employee remains in the top step as long as the employee remains in that position.

~~A.~~

4. Starting Rates of Pay

—New employees generally will begin their employment at ~~step~~ Step 1 of the salary range for the classification position. At the request of a Department Director, the Human Resources Director may recommend to the City Manager that a new employee start at a higher step. The City Manager must give approval prior to offering a salary above step 1. Offers will be extended by either the Human Resources Department or the Department Director.

Circumstances that support hiring above Step 1 include:

- ~~1.a)~~ Additional and directly applicable education or experience above the minimum requirements;
- ~~2.b)~~ Market conditions, including the applicant's current salary, that support a higher starting salary;
- ~~3.c)~~ The proposed higher salary will not create inequities with existing internal salaries.

Attachment A

~~E. Step Increase. Regular employees not at the top step will be considered annually for advancement to the next step. The step increase will be effective on the step increase date.~~

5. Promotion

~~F.~~ —A regular employee receiving a promotion shall be placed in the first step in the new salary range that provides for at least a 5% increase or the top step of the new salary range if there is not a step that allows at least a 5% increase. The employee's promotion date becomes the employee's step increase date.

If the Department Director believes that circumstances warrant an exception to the 5% placement rule, and if the Human Resources Director concurs, they may recommend to the City Manager a higher placement. Circumstances that support a placement greater than a 5% increase are:

- ~~1.a)~~ Additional and directly applicable education or experience above the minimum requirements;
- ~~2.b)~~ Market conditions that support a higher starting salary;
- ~~3.c)~~ The proposed higher salary will not create inequities with existing internal salaries.

6. Transfer

~~G.~~ —A regular employee receiving a transfer shall remain in the same step and retain the same step increase date.

~~H.7.~~ **Demotion.**

~~1.a)~~ Disciplinary Demotion. If the demotion is a result of a disciplinary action, the employee shall be placed in the highest step in the new salary range that provides for a decrease. The demotion date will become the employee's new step increase date.

~~2.b)~~ Any Other Demotion. If the demotion is a result of any reason other than discipline and the employee's current salary is within the new ~~pay~~ salary range, the employee shall remain at the same rate of pay until the employee's next step increase date. On the step increase date, the employee shall move to the next step in the new salary range that provides for an increase. The employee shall retain the same step increase date.

If the employee's current salary is higher than the top step of the new salary range, the employee shall be placed in the top step of the new salary range.

Attachment A

8. Y-Rating

—When a regular employee's position has been y-rated, the employee will remain at the same rate of pay until the ~~pay~~ salary range increases enough to include that rate. At that time, the employee shall be placed in the first step that does not provide for a decrease. No COLA or step increase will be awarded during this period.

9. Pay Schedule

The City is on a bi-weekly pay schedule that provides the equivalent of 26 paydays during a standard year (52 weeks divided by two).

~~1.~~

10. ~~5.08~~ Out of Class Pay

When a Department Director or the City Manager assigns a regular employee substantially higher paid responsibilities outside the scope of his or her job classification and the assignment exceeds ten working days, the employee shall be paid an additional 5% for the entire period of the out of class work. The assignment and the out of class pay must be in writing and approved by Human Resources prior to the Department Director making the assignment.

—If the Department Director believes that circumstances warrant an exception to the 5% placement rule, and if the Human Resources Director concurs, they may

1. recommend to the City Manager a higher placement. Circumstances that support a placement greater than a 5% increase are:

- ~~1.a)~~ 1.a) Additional and directly applicable education or experience above the minimum requirements;
- ~~2.b)~~ 2.b) Market conditions that support a higher starting salary;
- ~~3.c)~~ 3.c) The proposed higher salary will not create inequities with existing internal salaries;
- ~~4.d)~~ 4.d) The proposed higher salary is not higher than would be awarded if the employee were promoted into the position.

K. ~~5.09~~ Garnishment

The City will honor and process any legally served writ of garnishment against any employee without prejudice towards the employee.

L. ~~5.10~~ Employee Training and Development

It is the intent of the City to provide training opportunities to employees for building of skills directly related to the job. These opportunities may include in-house workshops, or workshops and seminars sponsored by other agencies or institutions.

Attachment A

M. 5.11—Educational Reimbursement Program

The City has established an educational reimbursement program to help eligible regular employees develop their skills and upgrade their performance. All full time regular employees who have completed a minimum of one year of service are eligible to participate in the program.

1. Under the program, and within budget guidelines, educational reimbursement is provided for courses offered by approved institutions of learning, such as accredited colleges, universities and secretarial and trade schools. Courses must be, in the City's opinion, directly or reasonably related to the employee's present job or consistent with the employee's performance development plan. Courses must not interfere with job responsibilities and must be taken on the employee's own time.
2. Reimbursement covers actual costs of tuition and registration fees only and is limited to a maximum of six credits per semester or nine credits per quarter for approved courses. The employee must pass the course in order to receive reimbursement.
3. Employees eligible for reimbursement from any other source (e.g., a government sponsored program or a scholarship) may seek assistance from this program but will be reimbursed only for the difference between the amount received from the other funding source and the actual course cost up to the maximum reimbursement allowable under this policy.
4. To be eligible for reimbursement, the employee must submit a tuition reimbursement form to his or her supervisor prior to the scheduled commencement of the course(s), receive written approval from the Department Director and Human Resources in advance, be actively employed by the City at the time of course completion and pass the course. The employee should also have raised the issue of pursuing this education as part of the performance development planning discussions of the Performance Management System.
5. On completion of the course, the employee must submit to the Human Resources Department an official transcript from the school, indicating grade received and a receipt or other official proof of payment.

5.12—Telecommuting Policy

- A. General Policy. Telecommuting is a management program that may be used to reduce employee commute trips, to accommodate special needs of employees, to increase employee motivation and/or productivity. The City encourages the use of telecommuting as a work option in situations where it will work to the mutual benefit of the employee, the City and the City's customers.
- B. Purpose. The purpose of this Policy is to define the telecommuting program and the guidelines and rules under which it will operate. Situations may arise where an employee may work at home on a temporary, short term basis to accomplish a

Attachment A

~~particular assignment or project. A temporary arrangement planned for less than one month duration is within management's discretion and does not require compliance with this Policy. All managers, supervisors and telecommuters should be familiar with the contents of this Policy.~~

~~C. Terms of Employment. Telecommuting does not change salaries, benefits, job responsibilities, sick leave, vacation leave policies or any other basic terms of employment.~~

~~D. Selection. Telecommuting is only feasible for those tasks within a job which are amenable to being performed away from the regular office. Selection of employees shall not be arbitrary, but shall be based on specific, written work related criteria established by management. Selection may be based upon reasonable accommodation provisions for employees with disabilities. Employee participation in telecommuting is voluntary. Final selection decisions shall be within the sole discretion of the City.~~

~~Criteria. In deciding whether to approve telecommuting arrangements for an employee, managers must consider:~~

- ~~1. the nature of the employee's job and~~
- ~~2. the employee's demonstrated performance.~~

~~a. Job Characteristics A job that is appropriate for telecommuting typically has the following characteristics:~~

- ~~• Face-to-face interactions can be scheduled.~~
- ~~• Internal and external customer needs can be satisfied from the alternate workplace~~
- ~~• Use of resources that must stay at the regular office can be scheduled (such as reference materials or special equipment)~~
- ~~• Clear objectives can be set and tasks can be clearly defined~~
- ~~• Work flow can be scheduled~~
- ~~• Certain tasks can best be completed during quiet, uninterrupted time.~~
- ~~• Telecommuting can occur without negatively impacting customer service or other employees' work.~~

~~b. Performance Characteristics Before allowing an employee to work at an alternate workplace, the manager should determine that the employee has demonstrated the following kinds of performance characteristics:~~

- ~~• Completes assignments independently and on time, meeting the manager's standards for quality~~
- ~~• Asks for assistance when it is needed~~

Attachment A

- Communicates effectively with supervisor, co-workers, support staff and customers
- Sets appropriate priorities, changes priorities as needed and maintains a suitable alternate workplace
- Demonstrates dependability and responsibility
- Operates, adjusts and/or repairs computer or other equipment independently, to the degree required at the alternate workplace

F. Scheduling. Telecommuters need regular contact with supervisors and co-workers and access to specialized files and/or equipment. In addition, the supervisor must take actions to prevent the telecommuter from becoming isolated from the regular office staff. Therefore, telecommuters should spend the majority of their work time in the regular office, except under unusual conditions.

Office needs take precedence over telecommute days. A telecommuter must forgo telecommuting if needed in the office on the regularly scheduled telecommute day.

G. Hours of Work and Overtime. All work schedules are discretionary and require management approval. Any work schedule may be approved for an individual telecommuter as long as the work schedule is consistent with the requirements of the employee's position and agreed to by the Department Director. A telecommuter may telecommute for part of a day to avoid peak commute periods.

Overtime and call back must be authorized by management in accordance with these personnel policies. Compensatory time off will be authorized by management in accordance with these personnel policies.

As with any work schedule, changes in work schedules may be made to meet management needs or to accommodate an employee's request and shall be at the discretion of the City.

Normal leave policies apply to any instance where the telecommuter does not perform work at the alternative workplace as scheduled.

Equipment and Software

Attachment A

- ~~1. Voucher. At the start of telecommuting, the City will provide the telecommuter with a one time voucher to be used to purchase or to modify necessary equipment and software. The voucher is paid as reimbursement to the telecommuter for actual purchases and shall be supported by appropriate receipts. The maximum amount of the voucher shall be \$750. In order to be eligible for the voucher, the telecommuter must receive prior written approval of the purchases/modifications and the amount by the manager.~~
- ~~2. Owner. The equipment and software purchased by the telecommuter shall become the property of the telecommuter. Any expenses beyond the amount of the voucher shall be the responsibility of the telecommuter.~~
- ~~3. Reimbursement. If the telecommuting relationship ends prior to the completion of one year, the employee shall reimburse the City the full amount of the voucher. If the telecommuting relationship ends after one year, but prior to the completion of two years, the employee shall reimburse the City one-half the amount of the voucher. After more than two years of telecommuting, the employee shall not owe the City any reimbursement upon termination of telecommuting.~~
- ~~4. Network Connections. Telecommuters connecting their own personal computer equipment to City equipment must obtain advance approval and must follow instructions provided by the City. If the telecommuter makes changes to the computer that result in an incompatible or unsupported PC configuration, the telecommuting agreement may be terminated. The telecommuter must take adequate measures to protect against computer viruses, including scanning any disks for viruses prior to using.~~
- ~~5. Maintenance, Repair and Replacement. In the event of equipment malfunction, the telecommuter must notify his/her supervisor immediately. The City will not provide onsite assistance at the alternative workplace, but may be able to provide troubleshooting assistance over the telephone. If repairs will take some time, the telecommuter may be asked to report to the regular office until the equipment is usable.~~
- ~~Repairs to telecommuter owned equipment will be the responsibility of the telecommuter. If necessary equipment is stolen or malfunctions and the telecommuter determines not to replace or repair the equipment, the telecommuting agreement shall be terminated.~~

Attachment A

~~I. Confidential and Sensitive Information. As with all employees, telecommuters are expected to adhere to all laws, policies, regulations and procedures regarding security and confidentiality for the computer, its data and information and any other information handled in the course of work. Telecommuters must protect confidential information and irreplaceable documents.~~

~~J. The Alternate Workplace Environment. Alternate workplaces must be clean and free of safety hazards. The alternate workplace must be in compliance with all building codes. The facility must be free of hazardous materials. The telecommuter is responsible for ensuring his or her alternate workplace complies with these health and safety requirements. Management may deny an employee the opportunity to telecommute or may rescind a telecommuting agreement based on safety of the alternate workplace. Management may also have the alternate workplace inspected for compliance with health and safety requirements. Inspections will be by appointment only.~~

~~If a telecommuter incurs a work-related injury while telecommuting, worker's compensation law and policies apply. Telecommuters must notify their supervisors immediately and complete all necessary and/or management requested documents regarding the injury.~~

~~The opportunity to participate in the telecommuting program is offered with the understanding that it is the telecommuter's responsibility to ensure a proper work environment is maintained. Telecommuting is not a substitute for dependent care and the telecommuter must make regular dependent care arrangements. Personal disruptions such as non-business telephone calls and visitors must be kept to a minimum. Failure to maintain a proper work environment, as determined by management, provides cause for an employee's immediate termination from the telecommute program.~~

~~K. Termination~~

~~1. Termination of Telecommuting Program. Management may terminate the City's Telecommuting Program for any reason, at any time, with advance written notice to the employees.~~

~~2. Termination of Individual Telecommuter's Participation in Program. Because participation in telecommuting is a bilateral voluntary agreement, management~~

Attachment A

~~may terminate an individual telecommuter's participation in the program, without cause, at any time, with advance written notice. Termination of a telecommuter's participation for cause may be immediate and does not require advance written notice. The telecommuter may also request to terminate participation, without cause, at any time. Management will make arrangements for the employee to begin working at the regular office as quickly as possible~~

~~— **Telecommuting opportunities are based upon program requirements as determined by management. Therefore, employees previously participating in a telecommuting assignment are not assured of a telecommuting assignment when returning from a leave of absence or after a job transfer.**~~

~~— **Telecommuter's Agreement and Supervisor's Checklist. The Telecommuter's Agreement documents the mandatory policies in effect and the results of any other agreements between the supervisor and the telecommuter. This Agreement must be signed by both parties prior to the start of telecommuting and must be reviewed and renewed at least annually to ensure that the guidelines for participating in the program are well understood. The Supervisor's Checklist provides a way to verify that all essential parts of the start-up of a telecommuting arrangement with an employee have been covered prior to the actual start of telecommuting.**~~

~~— **Renewal of Telecommuting Agreements. Each Agreement should be discussed and renewed at least annually, whenever there is a major job change or whenever the telecommuter or supervisor changes positions. Because telecommuting was selected as a feasible work option based on a combination of job and performance characteristics, a change in any one of these elements may require a review of the telecommuting arrangement.**~~

N. Reasonable Accommodation

The City of Shoreline does not discriminate against qualified individuals with a disability with regard to any aspect of employment and is committed to complying with the Americans with Disabilities Act.

The City recognizes some individuals with disabilities may require reasonable accommodations. If an employee is disabled or becomes disabled (meaning he or she has a mental or physical impairment substantially limiting one or more of the major life activities) and requires a reasonable accommodation, the employee must contact the Human Resources Department to begin the interactive process. Accommodation requests may be made orally or in writing to the Human Resources Department. Requests may be made by the employee, the employee's supervisor or someone on behalf of the employee.

A reasonable accommodation is assistance or changes to a position or working conditions that will enable an employee with a disability to perform the essential functions of their job. The City will provide reasonable accommodation

Attachment A

to employees with medically certified disabilities, unless doing so would pose an undue hardship.

Human Resources will meet with the employee to review the accommodation process, answer questions and provide the necessary forms which include a Medical Certification form to be completed by the employee's physician.

If the Medical Certification does not confirm that the employee has a disability, Human Resources will seek clarification from the medical provider and the employee before rejecting the request. If the Medical Certification confirms that the employee has a disability, the employee, supervisor and human resources will meet and begin an interactive process. The interactive process will include discussing the disability, limitations, and possible reasonable accommodations that may enable the employee to perform the functions or his or her position, make the workplace readily accessible to and usable by the employee, or otherwise allow the employee to enjoy equal benefits and privileges of employment. Following the interactive process, a decision will be made and the employee will be notified if the accommodation is approved or denied.

K. 8.13 Corrective Action Procedure

1. Progressive Discipline

In taking disciplinary action, managers and supervisors may use a variety of measures. Where appropriate, managers and supervisors will follow a program of progressive discipline designed to give the employee the opportunity to correct behavior before it becomes a serious problem. Supervisors and managers also have the responsibility to provide behaviorally-specific feedback, either orally or in writing as appropriate, to employees to enable them to ~~who~~ make improvements in their performance or correct the behavior that was a problem.

Please note that any or all of the steps outlined below or other appropriate measures may be utilized, depending upon individual circumstances and the nature of the offense. Serious discipline, including immediate termination may occur even on the first offense, in some circumstances, depending on the severity of the situation.

The degree of corrective action depends on the severity of the situation. It is the responsibility of the supervisor to objectively evaluate the circumstances and facts involved and to consult with the Human Resources Director before beginning such action.

The City may use administrative leave with pay while conducting an investigation into an alleged wrongdoing. This leave may be used when it is necessary to remove the employee from the work place pending the outcome of the investigation.

The following are examples of a pattern of progressive discipline

Attachment A

a) Step One: Verbal Warning

∴ This step is used for relatively minor offenses and problems. The supervisor verbally discusses the concerns with the employee and lets the employee know the nature of the problem. Written documentation of the verbal warning shall be placed in the employee's personnel file.

b) Step Two: Written Warning

∴ This step is used for a repeated offense where the discipline in Step 1 has failed to correct the problem or behavior, or for more serious problems that initially require stronger action. Under this step, a written warning is given to the employee and put in the employee's personnel file documenting the problem.

c) Step Three: Suspension

∴ This step is used for repeated offenses where Steps 1 and 2 have failed to correct the problem or behavior, or for more serious problems that initially require stronger corrective action than the above steps. An employee is sent home without pay for a specified period of time. For an exempt employee, unpaid suspensions shall be in increments of workweeks. An exempt employee may also be given a period of time off with pay to make a personal decision as to whether to change behavior and continue employment with the City. Prior to a decision to suspend an employee, a pre-disciplinary hearing must be held.

d) Step Four: Termination

∴ This step is to be used for instances where an employee has failed to correct ~~his/her~~their behavior after previous discipline or if there is a serious violation of City standards of conduct where immediate termination is warranted.

Other examples of disciplinary methods that may be used include withholding a scheduled pay increase, pay reduction and demotion. Prior to a decision to terminate an employee, a pre-disciplinary hearing must be held.

—

2. 8.14 — Pre-Disciplinary Hearing.

~~A.~~ This section does not apply to at will employees or to employees who have not completed their initial orientation period.

~~B.~~ When considering discipline ~~termination or other discipline~~ that would deprive an employee of pay, such as a step 3 three suspension or step four termination, the City will conduct a pre-disciplinary hearing. The hearing serves as a check against a mistaken decision and as an opportunity for an employee to furnish reasons why he or she should not be disciplined before the decision is finalized.

a) Notice to the Employee

~~B.~~ The employee shall be provided with a notice of the pre-disciplinary hearing.

Attachment A

The notice shall include an explanation of the charges on which the potential discipline is based, and the time and date for the hearing.

b) At the Hearing

~~C.~~ The hearing will be presided over by the Department Director or a designated representative. The hearings are intended to be informal. The employee will be given an opportunity to explain why the serious discipline should not be taken. The employee may bring one person to the hearing as a representative. If the employee fails or refuses to appear, the Department Director shall determine the discipline without the employee's input.

c) After the Hearing

~~D.~~ After the hearing, the Department Director will consider the information provided and will consult with the Human Resources Director. As soon as possible, the director will issue the decision. A longer review period may be required in more complex situations, and the employee will be so informed.

L. ~~8.15~~ Complaint Resolution Procedure

1. Resolving Conflict Informally

It is natural to have misunderstandings and conflict in organizations. The purpose of this procedure is to provide a method for the resolution of such matters in a positive and constructive manner and to give employees a means of airing complaints regarding their employment. Employees and supervisors are encouraged to resolve the causes of conflict or disputes between themselves informally whenever possible.

2. Resolving Conflict Formally

When informal resolution ~~if such efforts fails~~, an employee may file a complaint in a more formal manner following the procedure outlined below. No retaliation, disciplinary action or discrimination shall occur because of the filing of a bona fide complaint under this procedure. The procedure should not, however, be construed as preventing, limiting, or delaying the City from taking disciplinary action against any employee up to and including termination where disciplinary action is deemed appropriate.

An employee who has been involuntarily separated from employment with the City has the right to participate in this process pursuant to the terms outlined below. Any complaint by a terminated employee must begin with step 3.

a) Complaint Definitioned

÷A complaint is a written allegation by an employee or former employee who has been involuntarily terminated that he or she has not been treated according to the personnel policies, or other rules or regulations.

Attachment A

b) 30 Days to Initiate a Complaint

~~A.~~ Complaints must be initiated within 30 days of the alleged act and a copy of the complaint provided to Human Resources.

c) Step 1 Present Complaint to Supervisor

~~B.~~ —An employee should present the complaint to the supervisor and request time to meet and discuss the complaint. In consultation with Human Resources, the supervisor shall consider the complaint and all relevant information and respond to the employee in a timely manner.

d) Step 2 if Needed

~~C.~~ —If the problem is not resolved at Step 1, the employee shall next request a meeting with the Department Director. In consultation with Human Resources, the Department Director will conduct an investigation and review the matter with appropriate persons. The Department Director shall respond to the employee within 10 working days, unless the response will take longer, in which case the director will keep the employee informed when the response will be available.

e) Step 3 Final Step if Needed

~~D.~~ —If the problem is not resolved at Step 2 and the employee wishes to pursue the complaint, he or she shall request a meeting with the City Manager. The City Manager shall meet with the employee. The City Manager shall also conduct an investigation or otherwise consider information relevant to the complaint.

The City Manager shall issue a decision within 15 working days unless more time is needed, in which case the City Manager shall keep the employee informed of when the response will be available. The City Manager’s decision shall be final and binding on the parties.

~~E.~~ Where there is no demonstrable difference in ability to perform, employees with longer service shall be retained.

Attachment A

6. Rehire List.

Any regular employee who is laid off shall be placed on a City rehire list for a period of one year from the date of layoff. An employee shall not be placed on the rehire list if the employee leaves employment at the City prior to the layoff date. The City will honor an employee's written request to not be placed on or to be removed from the list.

An employee on the Rehire List shall be deemed eligible for an open regular position when:

- The employee meets the minimum qualifications listed on the classification specification based on the information contained in the employee's personnel file; and
- The position is in a salary range equal to or lower than the salary range of the position the employee was in on the date of layoff.

When hiring for any vacancy, the Department Director shall first consult Human with Resources to determine if any employee on the rehire list is eligible for the vacancy. If there is an eligible employee on the rehire list, the employee shall be offered the position. In the case of more than one eligible employee on the rehire list, the position shall first be offered to the employee with the longest term of service with the City.

The employee has seven calendar days from the time the offer is sent to accept the offer; failure to do so will be considered a refusal.

An employee accepting a demotion to a position in a lower salary range shall remain on the list for the remainder of the year (based on the original layoff date).

Attachment A

An employee shall be removed from the list upon rehire by the City, a third refusal of a City job offer or the expiration of one year, whichever comes first.

If a department has a need to hire extra help while the City has any employees on the Rehire List, the Department Director shall first contact Human Resources before taking any other steps to hire the extra help. The extra help opportunity shall first be offered to any employees on the rehire list meeting the minimum requirements (in order of service with the City – longest first). Only if all eligible employees on the Rehire List refuse the extra help opportunity may the department proceed to outside hire.
