

**CITY COUNCIL AGENDA ITEM**  
CITY OF SHORELINE, WASHINGTON

<b>AGENDA TITLE:</b>	Discussion of the 2016 Police Services Report		
<b>DEPARTMENT:</b>	Shoreline Police Department		
<b>PRESENTED BY:</b>	Police Chief Shawn Ledford		
<b>ACTION:</b>	<input type="checkbox"/> Ordinance	<input type="checkbox"/> Resolution	<input type="checkbox"/> Motion
	<input checked="" type="checkbox"/> Discussion	<input type="checkbox"/> Public Hearing	

**PROBLEM/ISSUE STATEMENT:**

The 2016 Police Services Report is an annual police report presented by Chief Shawn Ledford to the City Council. The report contains information on crime statistics, police data and cost comparisons of other police agencies in the region. The report helps keep residents, staff and elected officials informed on police services and crime activity in Shoreline. The Shoreline Police Department continually looks for effective ways to work with the community to fight crime, prevent crime, provide service and keep the community safe.

**RESOURCE/FINANCIAL IMPACT:**

There is no financial impact; this report is for information only.

**RECOMMENDATION**

The 2016 Police Services Report is a general report on crime data, statistics and cost comparison of Shoreline PD with other agencies; no action is required. Staff recommends that Council discuss the 2016 Police Services Report and ask questions of staff and provide direction to staff regarding policing priorities.

Approved By: City Manager **DT** City Attorney **MK**

## **BACKGROUND**

The 2016 Police Services Report (PSR) is an annual police report presented by Chief Shawn Ledford to the City Council. The report contains information on crime statistics, police data and cost comparisons of other police agencies in the region. The report helps keep residents, staff and elected officials informed on police services and crime activity in Shoreline.

The City of Shoreline Police Department consists of 52 full time FTE's and a precinct volunteer. The command staff consists of a Police Chief, Operations Captain and Investigations Captain. Other Police staff includes eight (8) Sergeants, 23 Patrol Officers, five (5) Traffic Officers, four (4) Property Crimes Detectives and four (4) Plain Clothes Detectives. In addition Shoreline has a School Resource Officer (SRO), Crime Prevention Officer (COPS), Community Services Officer (CSO) and two (2) administrative support personnel.

## **DISCUSSION**

As can be seen in the 2016 PSR (Attachment A), Shoreline continues to be a safe City. The City's partnership with the King County Sheriff's Office for police services also continues to provide value to Shoreline citizens. At a policing cost of \$225.00 per capita, this cost is far less than for cities that don't contract for police services (average cost per capita of \$337.00 in 2016). Shoreline Police also continues to partner with the neighboring jurisdictions to address crime trends.

The following information provides some highlights of police activity that occurred in 2016:

- *Police Contacts* - Shoreline officers responded to 15,896 dispatched calls for service (DCFS) in 2016 and on-viewed 12,927 details, for a total of 28,823 police related contacts. The number of DCFS increased by 1,025 - 911 calls last year, a 7% increase in calls for service.
- *Violent Crime* - Part-1 crimes (violent crimes) are at 27 per thousand two years in a row. That number continues to be at the lowest level in over a decade and 13% below the five year average.
- *Homicides* - The City of Shoreline had two (2) murders in 2016. Both incidents were drug related and the victim and suspect knew each other in both cases. Both cases were closed by arrest.
- *Burglaries, Car Prowls and Auto Thefts* - In 2016, burglaries decreased for the second consecutive year, down 13% from the previous year and 19% below the five year average. Car prowls increased 19% from the previous year and are 2% above the five year average. Auto thefts increased 12% from the year prior and are 4% above the five year average.

- *Traffic Citations* - The number of traffic citations in 2016 decreased 33% from 5,108 to 3,439 citations issued. Shoreline Police have focused on school zones enforcement, neighborhoods, traffic complaints and distracted driver emphasis.
- *Response Time* - The average response time to emergency calls was 4.68 minutes in 2016, an increase from 3.51 minutes in 2015.
- *Park and Trail Safety* - Shoreline officers continued to be visible in the City's parks and along trails and continue to initiate problem solving projects (PSP) on an as needed basis.
- *School Safety* - Shoreline officers regularly scheduled meetings with the Shoreline School District to discuss current issues and concerns and to discuss policy and protocol to prepare for a major event. The officers trained throughout the year on response to scenes of violence and familiarized themselves with the various schools throughout the City.
- *Nurturing Trust and Community Outreach* - In 2016, Shoreline Police held two Nurturing Trust workshops, reaching diverse members of the community to build a relationship and trust with police and City staff. Police staff and the City Manager also met with the black students union at Shorecrest and Shorewood High Schools. The meetings were positive and an opportunity for students to discuss their fears and concerns with police.
- *Crime Prevention Meetings* - Last year the police department participated in 47 community meetings that focused on crime prevention and building a relationship between residents and police.
- *DWLS-3 Warrant Release* - Also in 2016, the police department initiated a warrant release program for suspects with warrants for driving while license suspended in the third degree (DWLS-3) charges and discontinued automatically impounding vehicles for driver's stopped for DWLS-3.
- *RADAR* - The City continues to make steady progress in an effort to provide information to officers (RADAR) on individuals suffering from mental illness, who may have violent tendencies when contacted by police.

### **COUNCIL GOAL ADDRESSED**

The Shoreline Police Department continues to focus on City Council Goal #5, *Promote and enhance the City's safe community and neighborhood programs and initiatives*, and works closely with other City departments to address other Council Goals in a collaborative manner.

### **RESOURCE/FINANCIAL IMPACT**

There is no financial impact; this report is for informational purposes only.

## **SUMMARY**

The Shoreline Police Department will continue to focus on property crimes as a priority. It doesn't matter what the crime stats are; when a person is a victim of a burglary or car prowler, it's a traumatic experience and can affect their feeling of safety long term. The police department needs to continually fine tune investigative efforts and work with the community on prevention and reporting suspicious activity immediately.

## **RECOMMENDATION**

The 2016 Police Services Report is a general report on crime data, statistics and cost comparison of Shoreline PD with other agencies; no action is required. Staff recommends that Council discuss the 2016 Police Services Report and ask questions of staff and provide direction to staff regarding policing priorities.

**From Your Police Chief**

Dear Shoreline Residents,

It's my pleasure to present the 2016 Shoreline Police Department's service delivery report. The report tracks crime data, service efforts and accomplishments, crime trends, and budget information. There are 52 full-time employees assigned to the Shoreline Police Department. Partnering with the community to continually build trust and confidence in the department is of paramount importance to each of us.

Shoreline continues to be a safe community. Over the past two years, Part-1 crime (violent crime) has remained at its lowest level in over a decade. Our department continues to focus on crime prevention and property crime investigations. In 2016, Community Outreach and Problem Solving Officer Paula Bates held 47 community meetings focused on crime prevention. Last year, burglaries (-19%) and thefts (-12%) were both below the five-year average, while car prowls saw a slight increase (+2%). As a reminder, it is imperative to lock your doors and windows, remove valuables from your vehicle, and if you see something suspicious in your neighborhood to call 911 immediately.

Last fall, officers with the Shoreline Police and City Manager Debbie Tarry met with the Shorecrest and Shorewood High Schools' Black Student Unions. With some of the events that have occurred on a national level, it is essential for police to build a relationship with all community members to better understand their issues and concerns. We want people in our community to know the Shoreline Police Department follows LEED principles: Listen with Equity, Explain with Dignity. We pride ourselves in striving to be fair and objective in all of our interactions with our community.

During 2016, the Shoreline Police Department responded to 15,896 calls for service, initiated 12,927 contacts, and made 1,342 arrests. Last year, I awarded Lifesaver Awards to two officers whose actions helped save lives. In May, officers responded to a burglary in progress where the homeowner shot the suspect in the femoral artery. Officer Josh Holmes immediately provided first aid and a tourniquet to the suspect helping save his life. In December, Officer Matt Trizuto responded to a heart-attack victim. He administered first aid and an automated external defibrillator (AED) that helped save her life.

It's an honor to serve as your police chief. The Shoreline Police Department is committed to keeping you and your family safe.

Respectfully,  
Shawn V. Ledford  
Police Chief, City of Shoreline

## **About the Annual Police Service Report**

The Annual Police Service Report contains information on the service efforts and accomplishments of the Shoreline Police Department to support its mission, goals, and objectives.

The goal of the report is to keep the City of Shoreline residents, staff, administrators and elected officials informed of police service and crime activity in the city. The report is produced by the City of Shoreline Police Department in partnership with the King County Sheriff's Office (KCSO) Research, Planning and Informational Services and Contracts Units. Questions about the report can be directed to the Shoreline Chief of Police.

The Police Service Highlights section gives a narrative of police efforts and year-to-year comparisons of selected crime and police service data.

The Police Service Data section provides further detailed crime and police service data. Please note that numbers in this section may differ slightly from numbers in the Police Services Highlights due to collection from several sources and in some cases rounding up.

## **Shoreline Police Department Mission, Goals, & Core Values**

### *Mission*

The mission of the Shoreline Police Department is to prevent crime and create an environment where people feel safe, while providing quality, professional law enforcement services designed to improve public safety.

### *Core Values*

The Shoreline Police are committed to the core values of Leadership, Integrity, Service and Teamwork. We firmly believe in our core values and let these values guide all work that we do in the community.

### *Goals & Objectives*

In order to realize this mission, the City of Shoreline Police Department has adopted the following goals and objectives:

Goal # 1: Provide high-quality, cost-effective, and accountable services to the City of Shoreline

Objective: Provide responsive services to residents.

Objective: Provide cost-effective services to residents.

Goal # 2: Reduce crime and the fear of crime

Objective: Use information for crime analysis

Objective: Apprehend offenders

Objective: Prevent crime

Objective: Improve residents' feeling of security

Goal # 3: Increase diversity, including gender diversity, in the workplace

City of Shoreline  
**Police Service Highlights**  
2016

## City Cost Comparison

The annual police cost comparison study is conducted by the KCSO Contracts Unit. The study accounts for budget differences and may factor in (or out) certain line items in order to allow for “apples-to-apples” comparisons. Shoreline’s cost per capita here is different than the contract cost per capita, which only includes Shoreline’s law enforcement contract paid to the county.

City	2016 Police Budget	2016 Population	2016 Sworn	Cost/ Capita	Cost/ Sworn	Sworn/ 1000	
Algona	\$1,323,655	3,175	7.0	\$417	\$189,094	2.20

### Data sources:

1. Budgets found on city websites or via city finance personnel. Population is from OFM.

### Shoreline's Crime Rate

The Crime Rate is a calculation of the number of Part I Crimes divided by population in thousands. Part I Crimes is a category of crimes established by the Federal Bureau of Investigation (FBI). It includes criminal homicide, forcible rape, robbery, aggravated assault, burglary, larceny-theft, motor vehicle theft, and arson.

Source: Police Services Data

**Part I Violent Crimes against People**

Part I Crimes include crimes categorized as “violent crimes” or “crimes against people.” The following are Shoreline’s Part I Violent Crimes.

**Homicide**

Source for all below: Police Services Data

**Homicide**

The willful killing of one human being by another. Includes murder and non-negligent manslaughter, justifiable homicide, and manslaughter by negligence.

**Rape**

**Rape**

Rapes by force and attempts or assaults to rape, regardless of the age of the victim, are included in this count. Statutory offenses (no force used—victim under age of consent) are excluded.

**Aggravated Assault**

**Aggravated Assault**

Aggravated assault is an unlawful attack by one person upon another for the purpose of inflicting severe or aggravated bodily injury. This type of assault usually is accompanied by the use of a weapon or by means likely to produce death or great bodily harm.

**Robbery**

**Robbery**

Robbery is the taking or attempting to take anything of value from the care, custody, or control of a person by force, threat of force, violence, or by putting the victim in fear.

**Part I Non-Violent Crimes against Property**

The second group of Part I Crimes is known as “non-violent crimes,” “crimes against property,” or “property crimes.” The following are Shoreline’s Part I Crimes against Property. Information about vehicle theft, also included in this category, can be found with traffic and automobile incident information.

**Arson**

Arson is any willful or malicious burning or attempt to burn, with or without intent to defraud, a dwelling house, public building, motor vehicle or aircraft, or personal property of another.

Source for all below: Police Services Data

**Burglary (breaking or entering)**

Burglary is the unlawful entry of a commercial or residential structure with the intent to commit a crime. Attempted forcible entry is included.

**Larceny (except vehicles)**

Larceny is the unlawful taking, carrying, leading, or riding away of property of any value amount from the possession or constructive possession of another. Examples are thefts of bicycles, motor vehicle parts and accessories, shoplifting, pocket-picking, or the stealing of any property or article that is not taken by force and violence or by fraud. Attempted larcenies are included. Embezzlement, forgery, check fraud, and like crimes are excluded.

**Traffic and Automobile Incident Information**

**Vehicle Theft**

Vehicle theft is included in Part I Crimes against Property. It is the theft or attempted theft of a motor vehicle, which is defined as being self-propelled and running on a land surface and not on rails. Motorboats, construction equipment, airplanes, and farming equipment are specifically excluded from this category.

**Thefts and Attempted Thefts ("Prowls") from Automobiles**

A theft or attempted theft ("prowl") from an automobile is the act or attempted act of taking something from the inside of an automobile.

Shoreline Police Department Traffic Programs

**Traffic Collisions**

Collision information includes reports for injury, non-injury, and fatality vehicle collisions. Driving under the influence (DUI) collisions and hit-and-runs are excluded from this category.

Source: Police Services Data

**Traffic Citations**

Traffic citations include reports of all moving/hazardous violations (such as all accidents, driving under the influence, speeding, and reckless driving), and non-moving compliance violations (such as defective equipment and parking violations).

**DUI Citations**

Driving under the influence of alcohol citations are included in the above count for traffic citations, but are broken out here to show trends.

**Part I & II Cases Closed by Arrest**

The cases below represent incidents where an officer or detective has recommended that the King County Prosecutor’s Office file criminal charges against the case suspect. These criminal charges may result in an arrest or another form of punitive action, such as a citation. A prosecuting attorney is solely responsible for the decision to formally file charges and prosecute defendants.

**Adult and Juvenile Charges and Arrests**

One or more charges can result from a single arrest. Charges also can be filed when probable cause exists against a person who may not have been arrested. The following are the total number of felony and misdemeanor charges and arrests by adult and juvenile status.

**Calls for Police Assistance**

The public receives police assistance in a variety of ways. Residents can call the Emergency 911 Communications Center to have one or more officers dispatched to the field, called a “dispatched call for service.”

In addition to dispatched calls for service, 911 center operators can take certain types of reports over the phone through alternative call handling (ACH). This allows police officers more time to respond to those who need an officer present at the location of their incident.

Following are the numbers of dispatched calls for service (DCFS) and alternative call handling (ACH) incidents reported.

Source: Police Services Data and CAD

**Response Times to High Priority Calls**

When calls for police assistance are received by the Emergency 911 Communications Center, they are entered into the Computer Aided Dispatch (CAD) system and given a “priority” based on the criteria described below. If the call receiver is in doubt as to the appropriate priority, the call is assigned the higher of the two priority designators in question.

“Priority X” designates critical dispatches. These are incidents that pose an obvious danger to the life of an officer or citizen. It is used for felony crimes in-progress where the possibility of confrontation between a victim and suspect exists. Examples include shootings, stabbings, robberies or burglaries.

“Priority 1” designates immediate dispatches. These are calls that require immediate police action. Examples include silent alarms, injury traffic accidents, in-progress crimes or crimes so recent that the suspect may still be in the immediate area.

“Priority 2” designates prompt dispatches. These are calls that could escalate to a more serious degree if not policed quickly. Examples include verbal disturbances and blocking traffic accidents.

Following are the City of Shoreline’s Police response times for the above priority calls. Response times include all time from the receipt of a phone call to the moment an officer arrives at the location of the incident.

Source: Police Services Data

**Computer Aided Dispatch (CAD):** A computerized communication system used by emergency response agencies for dispatching and tracking calls for emergency assistance.

**Commissioned Officers per 1,000 Residents**

Commissioned officers per 1,000 residents shows how many commissioned police officers are employed by Shoreline for every 1,000 residents. The total number of commissioned officers includes full-time dedicated officers, plus officers who work in supervisory or other non-patrol related positions, as well as, officers that work in specialty units that are on-call for the city. Although the number of Shoreline’s dedicated officers may stay the same from year to year, the number of officers that respond to calls for service can change with the city’s needs. Therefore, the number of total commissioned officers can increase or decrease depending on Shoreline’s service needs from year to year.

Source: KCSO Contracts Unit

**Dispatched Calls for Service (DCFS) per Patrol Officer**

Dispatched calls for service (DCFS) per patrol officer is the average number of dispatched calls one patrol officer responds to within a year. This number uses only dispatched calls Shoreline pays for and does not include the number of responses an officer initiates (such as, witnessing and responding to traffic violations, called “on views”). Also, the numbers below are *patrol only* and exclude non-patrol commissioned officers (such as, supervisors or special duty officers/detectives).

Source: KCSO Contracts Unit

**Costs of Police Services per Capita**

The City of Shoreline contracts with the King County Sheriff's Office (KCSO) for police services. Among other benefits, contracting for services from a larger law enforcement agency allows for cost savings through "economies of scale." Specific economies of scale provided through the contract with KCSO include:

- Mutual aid agreements with other law enforcement agencies in Washington State
- A large pool of officers if back-up help as necessary
- Coverage if city officers are away
- Expertise of specialized units to assist officers
- Experienced officers to select from for city staffing
- Cost sharing throughout the department to keep city costs down

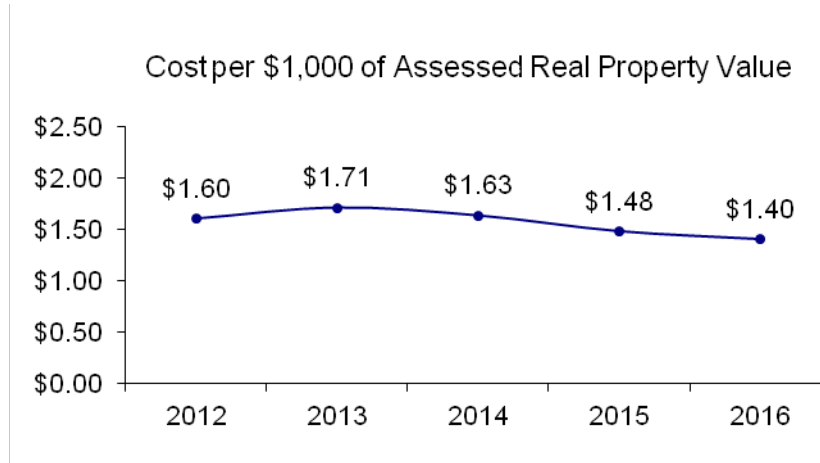

Costs for police services vary depending on a city's resources and the level and type of police services the community wants. The City of Shoreline may have additional funds or expenditures for special projects or programs as part of the city's law enforcement budget. These additional costs are not reflected in the contract cost per capita which shows the contract cost for police services divided by Shoreline's population.

Source: KCSO Contracts Unit

**Cost per \$1,000 of Assessed Real Property Value**

Cost per \$1,000 of assessed real property value shows Shoreline's contract cost in relationship to the property values of Shoreline.
