## **INTRODUCTION**

Staff is requesting that Council authorize the City Manager to execute a contract with Award Construction, Inc. for the construction of the Echo Lake Elementary Safe Route to School Project in the amount of \$378,558.50. Award Construction, Inc. is the apparent low responsive bidder.

## **BACKGROUND**

This project will construct sidewalks (including curb and gutter), curb ramps, and crosswalks on N 195<sup>th</sup> Street, between Meridian Avenue N and Wallingford Avenue N, directly adjacent to Echo Lake Elementary. The new sidewalk will connect to sidewalk already in place in front of the school east to the N 195<sup>th</sup> Street Trail, which connects student walkers and bicyclists to the surrounding neighborhoods.

## **ALTERNATIVES ANALYZED**

Between May 18<sup>th</sup> and June 8<sup>th</sup>, the City solicited bids for construction of this project. The engineer's construction estimate was \$294,700. Three bids were received and opened on June 8, 2017. Award Construction, Inc. was the apparent low bidder. The three bids received were as follows:

<b>Contractor Name</b>	<b>Bid Received</b>
Award Construction, Inc.	\$378,558.50
Kamins Construction, Inc.	\$397,585.60
A-1 Landscaping and Construction Inc.	\$456,655.00

City staff has determined that Award Construction has a responsive bid and that it has met contractor responsibility requirements. Construction is anticipated to start in July 2017 with completion anticipated in August 2017.

## **COUNCIL GOAL ADDRESSED**

This project addresses Council Goal #2, Improve Shoreline's infrastructure to continue the delivery of highly-valued public service. This project will meet this goal.
