CITY COUNCIL AGENDA ITEM

CITY OF SHORELINE, WASHINGTON

AGENDA TITLE: DEPARTMENT:	Discussing the 2017 Annual Police Services Report Police					
PRESENTED BY:	Shawn Ledford, Police Chief					
ACTION:	Ordinance Resolution Motion <u>X</u> _ Discussion Public Hearing					

PROBLEM/ISSUE STATEMENT:

The 2017 Police Services Report (PSR) is an annual police report presented by the Shoreline Police command staff to the City Council. The report contains information on crime statistics, police data and cost comparisons of other police agencies in the region. The report helps keep residents, staff and elected officials informed on police services and crime activity in Shoreline. The Shoreline Police Department (PD) continually looks for effective ways to keep the community informed, fight crime and keep people safe.

RESOURCE/FINANCIAL IMPACT:

There is no financial impact; this report is information only.

RECOMMENDATION

The 2017 Police Services Report is a general report on annual crime data, statistics and a cost comparison of Shoreline PD with other agencies; no action is required. Staff recommends that Council discuss the 2017 Police Services Report and ask questions of staff and provide direction to staff regarding policing priorities.

Approved By:

City Manager DT

City Attorney MK

BACKGROUND

The City of Shoreline Police Department consists of 53 staff members. The command staff (3) consists of a police chief, operations and investigations captain. There are (8) sergeants, (24) patrol officers, (5) traffic officers, (4) property crimes detectives, and (4) undercover detectives. Shoreline has (1) school resource officer, (1) crime prevention officer, (1) community services officer and (2) administrative support staff. As part of the 2018 City Budget, the City Council authorized the addition of K-9 unit (officer and dog). The dog will be crossed trained in tracking and narcotics detection. The training for the handler and dog is 400 hours and will start in 2018.

DISCUSSION

In 2017 Shoreline PD conducted two "Nurturing Trust" workshops, reaching out to diverse members of the community to build a relationship and trust with the police and City.

Shoreline PD also continued to implement and promote RADAR – Response Awareness De-escalation and Referral. The original intent of RADAR was to develop a program in which "response plan" could be developed that would assist police in their response and ability to deescalate interactions with high risk individuals suffering from behavioral health issues. One of the positive outcomes from the program has also been the opportunity for offers to partner with a Mental Health Practitioner (MHP) Navigator. RADAR helps officers connect people in crisis to the proper services via the MHP Navigator.

In 2017 Shoreline Police conducted 76 community meetings focused on crime prevention. In 2018 Shoreline PD will be providing PSAR – Personal Safety Awareness and Response training for residents and the business community. The training will educate participants what to do if they are caught in a scene of violence, whether it's at work, the mall, or other location; the skills and knowledge can be beneficial.

2017 POLICE SERVICES REPORT HIGHLIGHTS

- Shoreline Officers responded to 16,308 dispatched calls for service (DCFS) in 2017 and on-viewed 14,758 details; for a total of 31,066 police related contacts for the year. There has been a steady increase in dispatched calls for service the last several years; there's been a +49% increase in DCFS since 2010. DCFS per Patrol Officer increased from 454 in 2016 to 466 in 2017, a 2.6% increase.
- Part-1 crime (violent crimes) was at 28 per thousand and has stayed consistently low the past three years.
- The City had no murders in 2017.
- There was a +2% increase in burglaries (329), compared to (323) in 2016. Burglaries were -14% below the 5 year average in 2017.

- There was a -7% reduction in auto thefts, vehicle prowls increased +10% from the previous year.
- The number of traffic citations issued in 2017 increased +39%, with 5,366 citations issued. The number of traffic collision increase slightly at +3%. The traffic unit's primary focus is enforcement, education and collision investigations. Patrol officers and traffic officers issue citations and spend time in school zones, neighborhoods, working traffic complaints and focusing on high speed areas on cities speed differential map.
- Park & trail safety the officers will continue to focus safety efforts in the parks & trails and work problem areas. In June of 2018 Shoreline Police will have two electric motorcycles to increase visibility and coverage in the parks and trails. Officers will be on electric motorcycles in the parks as staffing allows.
- School safety Shoreline PD has regularly scheduled meetings with the Shoreline School District to address current issues/concerns and to discuss policy/protocol to prepare for a major event.
- The average response time to emergency calls for service in 2017 (priority-x) was 4.37 minutes, which was a 6% improvement (shorter response time) from 2016.
- The partnership with the King County Sheriff's Office continues to be a cost effective way to provide police service for the City of Shoreline at \$222 per capita. For standalone agencies that don't contract the average cost per capita was \$354.

COUNCIL GOAL(S) ADDRESSED

The Shoreline Police Department continues to focus on City Council Goal #5, *Promote and enhance the City's safe community and neighborhood programs and initiatives,* and works closely with other City departments to address other Council Goals in a collaborative manner.

RESOURCE/FINANCIAL IMPACT

There is no financial impact, this report is for informational purposes only.

SUMMARY

The Shoreline Police Department will continue to focus on property crimes as a priority. The police department needs to continually work with the community on crime prevention efforts and remind residents to call 911 right away when they notice suspicious activity in their neighborhood. Shoreline detectives arrested and/or charged 31 different suspects for burglary in 2017.

RECOMMENDATION

The 2017 Police Services Report is a general report on annual crime data, statistics and a cost comparison of Shoreline PD with other agencies; no action is required. Staff recommends that Council discuss the 2017 Police Services Report and ask questions of staff and provide direction to staff regarding policing priorities.

From Your Police Chief

Dear Shoreline Residents,

It's my pleasure to present the Shoreline Police Department's 2017 service delivery report. Shoreline continues to be a safe community; over the past three years, Part-1 crime (violent crime) has remained at its lowest level since incorporation. Shoreline Police Department works hard to support the City Council's goal for public safety. Our department will continue to focus on property crime and crime prevention. Last year Community Outreach Officer Paula Bates conducted 76 community meetings that focused on crime prevention.

Partnering with the community to continually build trust is paramount in keeping residents safe. Shoreline Police depend

on you to call 911 immediately when you notice suspicious activity in your neighborhood. We are the ones who should check to determine if it's legitimate business or a crime in progress. In 2017 burglaries increased slightly at (+2%) and were (-14%) below the five year average. Car prowls increased (+10%) and auto thefts were down (-7%). In 2017 detectives arrested and/or charged 31 suspects for burglaries committed in Shoreline. For a non-violent offense property crime, defendants are often released from jail or don't get significant jail time. It's important to take steps to reduce the chances of becoming a victim of a property crime. For more information on Shoreline Watch, crime prevention and/or a home security analysis, please contact Officer Paula Bates at paula.bates@kingcounty.gov.

The Shoreline Police Department follows LEED principals; Listen and Explain with Equity and Dignity. We pride ourselves in striving to be fair and objective in all our interactions with the community. At the beginning of each school year, Shoreline PD officers and City Manager Debbie Tarry meet with the Shorecrest and Shorewood High School's Black Students Unions. There are legitimate concerns from what has occurred on national levels, making it essential that police build relationships with all members of the community to better understand their issues and concerns. Shoreline Police continued with Nurturing Trust workshops to build a relationship and trust with the Hispanic/Latino community. The workshops are geared towards parents and provide information on teen suicide, bullying, parental discipline, narcotics and other relevant topics.

The Shoreline Police Department has a staff of 52 full-time employees. In 2017 our department had over 31,000 police related contacts. Officers responded to 16,309 dispatched calls for service, initiated 14,758 contacts, and made 1,426 arrests. It's an honor to serve as your police chief. The Shoreline Police Department is committed to keeping you and your family safe.

Respectfully, Shawn V. Ledford Police Chief, City of Shoreline

City Cost Comparison

The annual police cost comparison study is conducted by the KCSO Contracts Unit. The study accounts for budget differences and may factor in (or out) certain line items in order to allow for "apples-to-apples" comparisons. Shoreline's cost per capita here is different than the contract cost per capita, which only includes Shoreline's law enforcement contract paid to the county.

Shoreline's Crime Rate

The Crime Rate is a calculation of the number of Part I Crimes divided by population in thousands. Part I Crimes is a category of crimes established by the Federal Bureau of Investigation (FBI). It includes criminal homicide, forcible rape, robbery, aggravated assault, burglary, larceny-theft, motor vehicle theft, and arson.

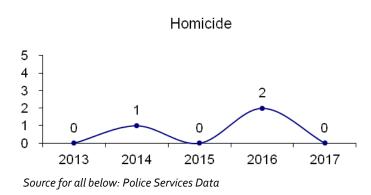

Part I Crimes Per 1,000 Residents

Source: Police Services Data

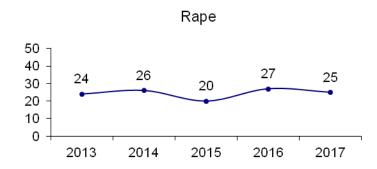

Part I Violent Crimes against People

Part I Crimes include crimes categorized as "violent crimes" or "crimes against people." The following are Shoreline's Part I Violent Crimes.

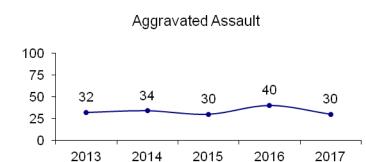

<u>Homicide</u>

The willful killing of one human being by another. Includes murder and non-negligent manslaughter, justifiable homicide, and manslaughter by negligence.

<u>Rape</u>

Rapes by force and attempts or assaults to rape, regardless of the age of the victim, are included in this count. Statutory offenses (no force used—victim under age of consent) are excluded.

Aggravated Assault

Aggravated assault is an unlawful attack by one person upon another for the purpose of inflicting severe or aggravated bodily injury. This type of assault usually is accompanied by the use of a weapon or by means likely to produce death or great bodily harm.

<u>Robbery</u>

Robbery is the taking or attempting to take anything of value from the care, custody, or control of a person by force, threat of force, violence, or by putting the victim in fear.

Part I Non-Violent Crimes against Property

The second group of Part I Crimes is known as "non-violent crimes," "crimes against property," or "property crimes." The following are Shoreline's Part I Crimes against Property. Information about vehicle theft, also included in this category, can be found with traffic and automobile incident information.

<u>Arson</u>

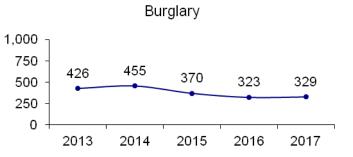

Arson is any willful or malicious burning or attempt to burn, with or without intent to defraud, a dwelling house, public building, motor vehicle or aircraft, or personal property of another.

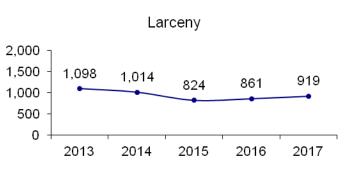

Burglary (breaking or entering)

Burglary is the unlawful entry of a commercial or residential structure with the intent to commit a crime. Attempted forcible entry is included.

Larceny (except vehicles)

Larceny is the unlawful taking, carrying, leading, or riding away of property of any value amount from the possession or constructive possession of another. Examples are thefts of bicycles, motor vehicle parts and accessories, shoplifting, pocket-picking, or the stealing of any property or article that is not taken by force and violence or by fraud. Attempted larcenies are included. Embezzlement, forgery, check fraud, and like crimes are excluded.

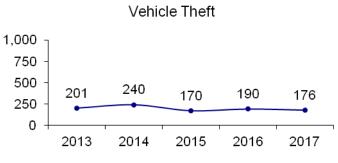

Traffic and Automobile Incident Information

Vehicle Theft

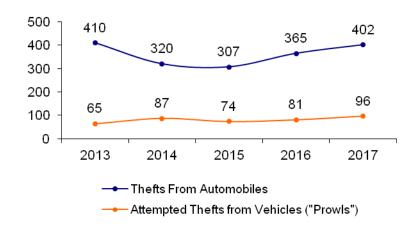

Vehicle theft is included in Part I Crimes against Property. It is the theft or attempted theft of a motor vehicle, which is defined as being self-propelled and running on a land surface and not on rails. Motorboats, construction equipment, airplanes, and farming equipment are specifically excluded from this category.

Traffic Citations

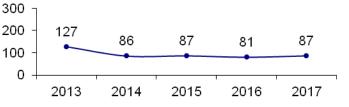

Traffic citations include reports of all moving/hazardous violations (such as all accidents, driving under the influence, speeding, and reckless driving), and nonmoving compliance violations (such as defective equipment and parking violations).

DUI Citations

Driving under the influence of alcohol citations are included in the above count for traffic citations, but are broken out here to show trends.

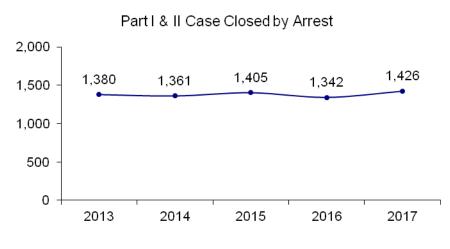

Part I & II Cases Closed by Arrest

The cases below represent incidents where an officer or detective has recommended that the King County Prosecutor's Office file criminal charges against the case suspect. These criminal charges may result in an arrest or another form of punitive action, such as a citation. A prosecuting attorney is solely responsible for the decision to formally file charges and prosecute defendants.

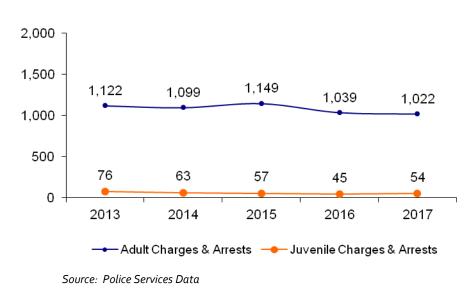

Source: KCSO RPIS Unit

Adult and Juvenile Charges and Arrests

One or more charges can result from a single arrest. Charges also can be filed when probable cause exists against a person who may not have been arrested. The following are the total number of felony and misdemeanor charges and arrests by adult and juvenile status.

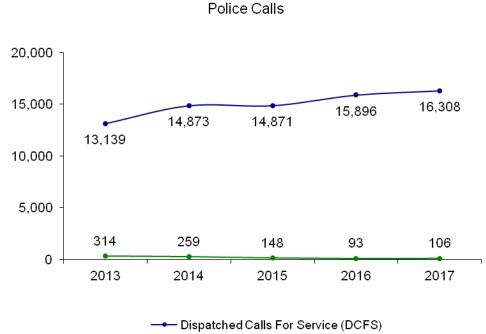

Calls for Police Assistance

The public receives police assistance in a variety of ways. Residents can call the Emergency 911 Communications Center to have one or more officers dispatched to the field, called a "dispatched call for service."

In addition to dispatched calls for service, 911 center operators can take certain types of reports over the phone through alternative call handling (ACH). This allows police officers more time to respond to those who need an officer present at the location of their incident.

Following are the numbers of dispatched calls for service (DCFS) and alternative call handling (ACH) incidents reported.

----- Alternative Call Handling (ACH)

Response Times to High Priority Calls

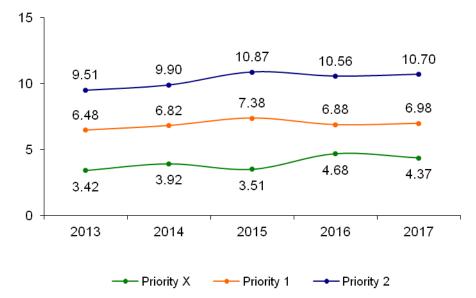

When calls for police assistance are received by the Emergency 911 Communications Center, they are entered into the Computer Aided Dispatch (CAD) system and given a "priority" based on the criteria described below. If the call receiver is in doubt as to the appropriate priority, the call is assigned the higher of the two priority designators in question.

"Priority X" designates critical dispatches. These are incidents that pose an obvious danger to the life of an officer or citizen. It is used for felony crimes in-progress where the possibility of confrontation between a victim and suspect exists. Examples include shootings, stabbings, robberies or burglaries.

"Priority 1" designates immediate dispatches. These are calls that require immediate police action. Examples include silent alarms, injury traffic accidents, in-progress crimes or crimes so recent that the suspect may still be in the immediate area.

"Priority 2" designates prompt dispatches. These are calls that could escalate to a more serious degree if not policed quickly. Examples include verbal disturbances and blocking traffic accidents.

Following are the City of Shoreline's Police response times for the above priority calls. Response times include all time from the receipt of a phone call to the moment an officer arrives at the location of the incident.

Commissioned Officers per 1,000 Residents

Commissioned officers per 1,000 residents shows how many commissioned police officers are employed by Shoreline for every 1,000 residents. The total number of commissioned officers includes full-time dedicated officers, plus officers who work in supervisory or other non-patrol related positions, as well as, officers that work in specialty units that are on-call for the city. Although the number of Shoreline's dedicated officers may stay the same from year to year, the number of officers that respond to calls for service can change with the city's needs. Therefore, the number of total commissioned officers can increase or decrease depending on Shoreline's service needs from year to year.

Dispatched Calls for Service (DCFS) per Patrol Officer

Dispatched calls for service (DCFS) per patrol officer is the average number of dispatched calls one patrol officer responds to within a year. This number uses only dispatched calls Shoreline pays for and does not include the number of responses an officer initiates (such as, witnessing and responding to traffic violations, called "on views"). Also, the numbers below are *patrol only* and exclude non-patrol commissioned officers (such as, supervisors or special duty officers/detectives).

Costs of Police Services per Capita

The City of Shoreline contracts with the King County Sheriff's Office (KCSO) for police services. Among other benefits, contracting for services from a larger law enforcement agency allows for cost savings through "economies of scale." Specific economies of scale provided through the contract with KCSO include:

- > Mutual aid agreements with other law enforcement agencies in Washington State
- > A large pool of officers if back-up help as necessary
- Coverage if city officers are away
- Expertise of specialized units to assist officers
- > Experienced officers to select from for city staffing
- > Cost sharing throughout the department to keep city costs down

Costs for police services vary depending on a city's resources and the level and type of police services the community wants. The City of Shoreline may have additional funds or expenditures for special projects or programs as part of the city's law enforcement budget. These additional costs are not reflected in the contract cost per capita which shows the contract cost for police services divided by Shoreline's population.
