PROBLEM/ISSUE STATEMENT:

To children, learning to play a musical instrument is a meaningful activity – it is fun and helps build relationships that can last a lifetime. To youth, music opens up the world and provides opportunities for teamwork and meaningful forms of self-expression. Educators know that music benefits students academically, and our community understands that music education helps a person lead a richer, fuller, more meaningful life. The community also understands that an arts-rich community is a more desirable place to live.

This proclamation recognizes the month of May as Shoreline Schools Music4Life Month, a time in which light is shed on the Music4Life program, which puts musical instruments in good playing condition into the hands of children and youth. Music4Life (www.music4life.org) procures the instruction, supplies, and support to strengthen elementary instrumental music programs. Anyone who loves music and believes in music education for all children can join the effort.

David Endicott, Co-Founder and President of Music4Life, will be present to accept the proclamation.

RECOMMENDATION

The Mayor should read the proclamation.

Approved By: City Manager **DT** City Attorney **MK**

PROCLAMATION

WHEREAS, the benefits of participation in instrumental music at any age can last a lifetime, and research now shows that students who participate in instrumental music programs tend to do better in math, science, history, reading, writing, international languages, and other academic disciplines; and

WHEREAS, the cost of owning or renting an instrument is a barrier preventing students from low income families from participating in instrumental music; and

WHEREAS, many adults have lovingly-used musical instruments stored in their garages or attics that they no longer use; and

WHEREAS, *Music4Life* is a non-profit organization that has been repairing and providing ready-to-play instruments to participating public school districts for use by students of low income families since 2007; and

WHEREAS, *Music4Life* guarantees that all instruments will be used exclusively for the benefit of students in the school district in which they are donated; and has provided approximately 2,500 musical instruments to children in the greater Seattle area, including those in Shoreline Public Schools, in addition to nearly 9,000 recorders to very young students;

NOW, THEREFORE, I, Will Hall, Mayor of the City of Shoreline, on behalf of the Shoreline City Council, do hereby proclaim May 2019 as

***Music4Life* Month**

in the City of Shoreline and encourage all our citizens to donate any lovingly used musical instruments they may have to *Music4Life* and provide what financial support they can to this fine home-grown organization.

Will Hall, Mayor
