 ☐ Discussion ☐ Public Hearing ☒ Proclamation

ISSUE STATEMENT:

Every year disasters and local emergencies effect millions of people throughout the United States. Recent events highlight the need for Shoreline residents to prepare and plan for such incidents. Personal planning and preparation can save lives, protect against property loss and help the community recover faster. The need for disaster preparedness and planning is reinforced every October by nationwide participation in the Great Shakeout Earthquake Drop, Cover and Hold Drill.

The vitality of our City depends on how safe we keep our homes, neighborhoods, schools, and the community. Crime and the fear of crime destroy our trust in others. To remind our residents to stay vigilant about community safety and crime prevention, the month of October has been declared "National Crime Prevention Month".

Given the confluence of these awareness campaigns, the City is proclaiming the month of October as Safe Shoreline Month. This proclamation highlights the proactive and innovative work the City is doing in the areas of policing and emergency management. Programs such as Ready Shoreline, the Neighborhood Emergency Information Relay System (NEIRS), Community Emergency Response Team (CERT), Shoreline Watch, R.A.D.A.R., and Nurturing Trust bring City staff, police, and the community together to focus on building trusted relationships and strong, prepared neighborhoods.

Community members and business are encouraged to implement preparedness and prevention measures and to participate in these City sponsored programs. Accepting the proclamation on behalf of the City are Emergency Manager Jason McMillan and Community Outreach Officer Paula Kieland.
