**PROBLEM/ISSUE STATEMENT:**

State law requires that a mid-biennial review be completed during the first year of the biennium between September 1 and December 31. At the October 21, 2019 City Council Regular Meeting, the City Council was presented a brief financial update, recommended adjustments to the 2019-2020 Biennial Budget, and provided information on related policy issues.

This is the second of two scheduled public hearings on the 2019-2020 Biennial Budget and the 2019-2024 Capital Improvement Plan (CIP) Mid-Biennium Update required by state law (RCW 84.55.120) to address revenue sources including consideration of possible increases in property tax revenues prior to the City Council's adoption of:

- Proposed Ordinance No. 872 (Attachment A) providing for the mid-biennium budget modifications, including adoption of the 2020 Fee Schedules (Exhibit A), and
- proposed Ordinance No. 873 (Attachment B) setting the 2020 regular and excess property tax levies.

Consistent with this requirement, public notice was provided on October 24, 2019 of the public hearing addressing revenue sources, including the 2020 regular and excess property tax levies. This public hearing is an opportunity for residents and other stakeholders to provide input on the 2019-2020 Biennial Budget and 2019-2024 CIP revenue sources, including all proposed levies, taxes, fees, and rates to aid the City Council and City management in updating the City's 2019-2020 Biennial Budget and 2019-2024 Capital Improvement Plan.

Following the public hearing, the City Council will have the opportunity to ask for additional information or discuss potential changes to the proposed mid-biennium budget modification, including all proposed levies, taxes, fees, and rates. The adjustments discussed, and feedback received, may be incorporated in proposed

Ordinance Nos. 872 and 873 presented for adoption at the City Council's Regular Meeting on November 18, 2019.

**FINANCIAL IMPACT:**

The City Council adopted Ordinance No. 841, approving its first biennial budget for the 2019-2020 biennium, on November 19, 2018. The adopted biennial budget includes revenue and expenditure appropriations for the two years of the biennium for all funds. Since that time, the City Council has approved four amendments to the budget. The amended biennial budget for all funds totals \$209,744,780.

There is no financial impact associated with tonight's public hearing and subsequent discussion; however, the public is invited to provide testimony on the revenue sources including all levies, taxes, fees, and rates. This input may be incorporated in proposed Ordinance Nos. 872 and 873 presented for adoption at the City Council's Regular Meeting on November 18, 2019. In the subsequent discussion, the City Council will have an opportunity to continue its review of revenues and appropriations and recommended adjustments to the budget to address various emerging issues.

**RECOMMENDATION**

Staff recommends that the City Council conduct the public hearing to take public comment on the 2019-2020 Biennial Budget and 2019-2024 CIP revenue sources, including all proposed levies, taxes, fees, and rates.

Approved By:           City Manager **DT**   City Attorney **MK**

## **BACKGROUND**

The City Council adopted Ordinance No. 841, approving its first biennial budget for the 2019-2020 biennium on November 19, 2018. The adopted biennial budget includes revenue and expenditure appropriations for both years of the biennium for all funds. Since that time, the City Council has approved four amendments to the budget. The City's budget is adopted at the fund level which sets the total biennial expenditure authority for each fund and totals \$209,744,780.

At the October 21<sup>st</sup> City Council Regular Meeting, the City Council was presented a brief financial update, recommended adjustments to the 2019-2020 Biennial Budget, and provided information on related policy issues. The link to the staff report for this Council discussion is available here:

<http://cosweb.ci.shoreline.wa.us/uploads/attachments/cck/council/staffreports/2019/staffreport102119-8a.pdf>.

This mid-biennial budget review provides an opportunity to formally review revenues and appropriations and adjust the budget as needed to address various emerging issues.

State law requires a public hearing to address revenue sources including consideration of possible increases in property tax revenues (RCW 84.55.120) prior to the City Council's adoption of:

- Proposed Ordinance No. 872 (Attachment A) providing for the mid-biennium budget modifications, including adoption of the 2020 Fee Schedules (Exhibit A), and
- Proposed Ordinance No. 873 (Attachment B) setting the 2020 regular and excess property tax levies.

On November 18, the City Council will be asked to establish the City's 2020 Fee Schedules by adopting proposed Ordinance No. 872 and regular and excess property tax levies for 2020 by adopting proposed Ordinance No. 873. Proposed Ordinance No. 873 must be adopted prior to the December 2, 2019 deadline established by the King County Council for submission of levy amounts for 2020, the second year of the biennium. It should be noted that because City of Shoreline Proposition 1 was approved by voters in 2016 allowing the City to increase its property tax levy annually by the June-to-June percentage change in the Consumer Price Index for All Urban Consumers for the Seattle-Tacoma-Bellevue Area (CPI-U), the regular property tax levy should be established annually even though the City Council adopted a budget for the 2019-2020 biennium on November 19, 2018 and subsequently amended through June 2019.

## **DISCUSSION**

Tonight's public hearing is an opportunity for residents and other stakeholders to provide input on the 2019-2020 Biennial Budget and 2019-2024 CIP revenue sources, including all proposed levies, taxes, fees, and rates to aid the City Council and City management in updating the City's 2019-2020 Biennial Budget and 2019-2024 Capital

Improvement Plan. Following the public hearings, the City Council will have the opportunity to ask for additional information or discuss potential changes to the proposed mid-biennium budget modification, including all proposed levies, taxes, fees, and rates.

The following section of this staff report discusses possible increases in property tax revenues and proposed changes to the fee schedules:

### **Property Tax Levies**

Tonight, staff will present proposed Ordinance No. 873 (Attachment B) setting the following levies:

- Regular property tax, including new construction, and other increases allowed under RCW 84.55.010 and refund amounts, including the statutorily allowable increase for 2020, and
- Voted excess property tax levy to pay debt service payments related to the 2006 General Obligation bonds issued to fund open space acquisitions and park improvements.

### **Regular Property Tax Levy**

The regular property tax levy increase is limited to the lower of the Implicit Price Deflator (IPD) or 101% without voter approval. State law also limits the levy rate to \$1.60 per \$1,000 of assessed valuation (AV). State law (RCW 84.55.005 and WAC 458-19-005) provide the limit factors and process which the City must follow in adopting its property tax levy. For cities with a population of 10,000 or greater, the limit factor is the lesser of 100% plus inflation, as measured by the IPD, or 101% of the previous year's levy. For a city with a population of 10,000 or greater having made a finding of substantial need; the limit factor is the lesser of 101% or the limit factor contained in the ordinance of substantial need. The July IPD was 1.396%. Therefore, if Shoreline Proposition 1 was not approved by voters in 2016, the City Council would be required to adopt a 2020 property tax levy limited to an increase of 1.0% from the 2019 levy plus new construction and refunds.

However, as City of Shoreline Proposition 1 was approved by voters in 2016, the City is allowed to increase its property tax levy annually by the June-to-June percentage change in the Consumer Price Index for All Urban Consumers for the Seattle-Tacoma-Bellevue Area (CPI-U). When this CPI-U is applied for 2020, it results in an increase of 2.29%. In addition, the levy can increase due to the value of new construction and re-levy for prior year refunds.

### **Voter Approved Levy**

In May 2006, Shoreline voters approved an open space, parks, and trails bond to acquire open space and to improve and construct trails, parks, and recreational facilities. The debt service payments for the bond is paid for through an annual excess property tax levy, which for 2020 totals \$1,694,837.

### **Fee Schedules**

As prescribed in Shoreline Municipal Code (SMC) Section 3.01.820, increases of the fees contained in the fee schedules shall be calculated on an annual basis by the

average for the period that includes the last six months of the previous budget year and the first six months of the current budget year of the Seattle / Tacoma / Bellevue Consumer Price Index-All Urban Consumers (CPI-U ; link to historical table: [https://www.bls.gov/regions/west/data/consumerpriceindex\\_seattle\\_table.pdf](https://www.bls.gov/regions/west/data/consumerpriceindex_seattle_table.pdf)), unless the SMC calls for the use of another index/other indices, the fee is set by another agency, or specific circumstances apply to the calculation of the fee.

The City Manager may choose to change user fees for all, some, or none of the fees listed, except those set by another agency (e.g., solid waste or fire impact fees). The text in the fee schedules presented in Attachment A – Exhibit A may have changes from the proposed fee schedules presented in the 2019-2020 Proposed Biennial Budget and 2019-2024 Capital Improvement Plan (CIP) book on pp. 464 through 496 with deletions shown as ~~strikethrough~~ and additions shown as **bold**.

#### Application of June-to-June Percentage Change of CPI-U

The 2020 proposed fee schedule discussed during the 2019-2020 biennial budget process in 2018 projected an increase of 2.32%. The actual June 2018-to-June 2019 percentage change in the CPI-U index is 2.29%. Therefore, unless otherwise discussed below, fees presented in the 2020 proposed schedule are increased by 2.29%.

#### Land Use and Non-Building Permit Fees (SMC 3.01.010 Planning and Community Development):

- The land use and non-building permit fees are based on an hourly rate. The hourly rate will increase from the current rate of \$199.00 to \$204.00 based on the increase in the CPI-U and rounded to the nearest whole dollar. Building permit fees are based on the value of construction. Therefore, inflationary increases or decreases are automatically considered within the fee calculation. Plan check fees are based on the building permit fee and therefore no adjustment is needed to these fees.
- *3.01.010(F)(3) – Planned Action Determination:* This fee is shifting from 3.01.010(G)(10) to 3.01.010(F)(3). The fee is being increased from \$341.00 to an hourly rate, 5-hour minimum (\$1,020.00) to recognize the complexity of a planned action determination.
- *3.01.010(G)(21) – Development Agreement:* The proposed fee will be an hourly rate, 125-hour minimum (\$25,500.00) to better reflect the level of effort and give applicants a more accurate sense of the ultimate cost.
- *3.01.010(G)(22) – Non-site Specific Comprehensive Plan or Development Regulation Amendment:* Staff proposes to add a fee for publicly initiated, non-site specific Comprehensive Plan or development code amendments. For example, a property owner requesting that an additional use be added to a specific zone or an advocacy group requesting a change to a Comprehensive Plan policy. The proposed fee is \$6,000.00 plus an environmental (SEPA checklist) review to capture staff time needed to process the request.

- *3.01.010(I)(9) – Transportation Impact Analysis (TIA) Review (20 or more trips):* Transportation Impact Analysis (TIA) for projects with 20 or more trips is being revised from a flat fee to an hourly fee with a one hour minimum to better reflect the variability in time spent on TIA reviews based on project differences. In addition to this change, 3.01.010(I)(10) – Transportation Impact Analysis (TIA) Review – additional review per hour can be stricken from the fee schedule.
- *3.01.010(J)(2) – Right of Way Use Limited:* Development Review staff regularly receive permit applications for work in the Right of Way that involve a limited scope of work. In these cases, a 1-hour minimum fee to complete intake and initial review is sufficient. A new Right of Way Use fee is proposed for limited work in the Right of Way when there is no Site or Building Permit associated with the work. The Right of Way Use Limited, Hourly Rate, 1-hour minimum fee will be applied to stand alone Right of Way use activity. Typical types of work that qualify include: driveway replacement, tree removal, sidewalk repair or small drainage repairs. SMC 3.01.010(J)(3) – Right of Way Use charged at an hourly rate with a 3-hour minimum will continue to apply to work associated with a Site or Building permit and included full frontage improvements.
- *3.01.010(L)(3) – Multiple Buildings:* This fee was moved from 3.01.010(M)(7) because it is best grouped with the other types of site development in L rather than subdivisions as it generally does not involve creation of new lots. No change is proposed to the fee.
- *3.01.010(M)(8) – Plat Alteration with Public Hearing:* Anyone who received notification in the mail about a plat alteration has an opportunity to request a public hearing (\$3,876.00) paid by the applicant, in addition to the 10-hour minimum fee of \$2,040.00, which was increased from a 2-hour minimum fee.
- *3.01.010(N)(2) – Reinspection Fees:* A reinspection fee may be assessed at \$272.00 if work is incomplete and corrections not completed
- *3.01.010(N)(3) – Additional Inspection Fees:* When additional inspections are necessary to accommodate phased construction work or if more inspections are required than included in the permit fee, a minimum of a one-hour fee of \$204.00 will be assessed.
- *3.01.010(N)(5) – Consultant Services:* The City may determine that a third-party technical review may be required during the permit review process if the scope of the permit exceeds staff resources. The City will obtain an estimate in advance, which will be reimbursed by the applicant. The City may also require the applicant to deposit an amount with the City which is estimated, at the discretion of the authorizing Department Director, to be sufficient to cover anticipated costs of retaining professional consultant services and ensure reimbursement to the City.

### Impact Fees (SMC 3.01.015 Transportation Impact Fees; SMC 3.01.016 Park Impact Fees)

Transportation Impact Fees and Park Impact Fees are adjusted by the percentage changes in the most recent annual change of the Construction Cost Index (CCI) published in the Engineering News-Record (ENR) for the Seattle area. Application of the ENR CCI to the Transportation Impact Fees and Park Impact Fees results in a year-over-year increases of 4.79% for 2020.

### Fire Impact Fees (SMC 3.01.017 Fire Impact Fees)

Much of the background information regarding the City's adoption of Fire Impact Mitigation Fees is available in the November 20, 2017 staff report (available here: <http://cosweb.ci.shoreline.wa.us/uploads/attachments/cck/council/staffreports/2017/staffreport112017-8c.pdf>). The Fire Impact Mitigation Fees were adopted through Ordinance No. 791 and became effective on January 1, 2018.

### Fire- Operational (SMC 3.01.020 Fire – Operational)

The City adopts the fee schedule for the Shoreline Fire Department's operational fees.

### Business License Fees (SMC 3.01.200)

The following changes are proposed:

- *3.01.200(A)(3)(a)(i-iii) – Penalty Schedule for late annual business license renewal as described in SMC 5.05.080:* Shoreline Municipal Code (SMC) 5.05.060 sets forth an expiration date for business licenses. In 2019, business licenses are allowed to expire one year from the date of issuance; however, adoption of Ordinance No. 831 amended the expiration date for new licenses and renewals to December 31 annually in order to allow for the efficient implementation of *FileLocal's* standard configuration. SMC 5.05.080 provides for assessment of a late renewal penalty. In 2019, the fee schedule imposes a penalty on annual renewals received one, two, or three or more months after expiry. With the expiration date for renewals set to December 31 annually, it is proposed the fee schedule clearly reflect penalties will be imposed on those annual renewals received after January, February, or March.
- *3.01.200(B)(2) – Massage Manager:* The additional fee for fingerprint background checks increased from \$38 to \$58 effective July 1, 2019. This change cleans up the language in the fee schedule.
- *3.01.200(B)(11) – Panoram Operator:* The additional fee for background checks decreased from \$12 to \$11 effective July 1, 2019. This change cleans up the language in the fee schedule.

### Public Records (SMC 3.01.220)

Fees for copies of public records are set after determining the City's actual costs for producing them. The City Clerk keeps a Statement of Factors of Actual Costs which uses the cost of paper, toner, and staff time to determine the actual costs incurred. Based on an update to this document, staff is recommending two changes to the 2020 Fee Schedule. The Public Records Act allows agencies to charge actual costs if they are adopted after providing notice and public hearing. The City will publish a notice

stating public records costs are being addressed during the Mid-Biennial Budget Update hearing. The following changes are proposed:

- *3.01.220(1)(b) – Copies of paper larger than 11 by 17 inches - City Produced:* The change increases the fee for the first page from \$3.50 to \$5.00 and reduces the fee for each additional page from \$3.50 to \$1.50.
- *3.01.220(3)(a) – Copies of electronic records to file sharing site:* The change increases the fee from \$0.85 per minute to \$0.91 to reflect an increase in staff costs for copying records.

#### Park, Aquatic and Recreation Fees (SMC 3.01.300 Parks, Recreation and Cultural Services)

The Parks, Recreation and Cultural Services (PRCS) Department performed a comprehensive cost recovery evaluation in 2015 identifying cost recovery objectives for the various PRCS fees. Since that time PRCS performs cost recovery evaluation on a subset of their fees annually to ensure that fees continue to meet identified objectives and stay competitive in the market. Fees not evaluated each year are adjusted by CPI-U as described above.

#### Surface Water Management Rate Table (SMC 3.01.400)

The City Council provided direction to staff to pursue the Proactive Management Strategy for the 2018 Surface Water Master Plan update. The 2020 Surface Water Management fees reflect the financial impacts of the Proactive Management Strategy as was presented to the City Council in development of the Surface Water Master Plan.

#### Solid Waste Rate Table (SMC 3.01.500)

In 2016, the City Council entered into a 10-year contract for the City's 2017 – 2027 Comprehensive Garbage, Recyclables, and Compostable Collection Services with Recology CleanScapes Inc. (Recology). The contract was adopted on May 2, 2016, and collection services under the new contract started on March 1, 2017.

The contract was amended in June 2019 to increase single-family residential customers collection rates by \$1.35 per month and multifamily and commercial customers by \$2.10 per yard of garbage collected monthly. This rate increase provides additional annual revenue for Recology to intensify its efforts to eliminate problematic materials from recyclable materials at collection points. The City's administrative fee revenue on the rate increase will generate additional City revenues, some of which will fund a shift in the Environmental Services program. Additionally, in June 2019, City Council adopted Ordinance No. 858 amending SMC 3.01.500 to reflect the updated rate schedule.

Per section 4.3.1 of the Comprehensive Garbage, Recyclables, and Compostable Collection Contract with Recology CleanScapes Inc., Recology has until October 1 to submit a 2020 Rate Adjustment Schedule for City review and verification. Collection service charges, miscellaneous fees and contract options, excluding waste disposal fees, for each level of service shall increase or decrease each year by the June-to-June percentage change of the CPI-W for the Seattle-Tacoma-Bremerton area. Additionally, the contract calls for an annual rate adjustment to the collection fee component of

contract rates to take place. King County is not changing the disposal rate this year, so this component of the rates will remain unchanged. The City received the preliminary calculation from Recology on October 1, as follows:

	2018 Period	2019 Period	% change to PY Index	Contractual Adjustment	% change to fee
CPI-W (4.3.1)	268.96	273.49	1.685%	100.000%	1.685%
Disposal (4.3.2)	140.82	140.82	0.000%	100.000%	0.000%

A 2020 rate table was provided by Recology on October 15 and is included in this staff report. Finalized 2020 rates and updated service information will be mailed to customers on or before November 15, which is 45 days in advance of the new rates taking effect.

### **Responses to City Council Questions**

As part of the City Council’s fiduciary responsibilities to citizens, businesses, and other taxpayers, the Mayor and Councilmembers asked a questions during the October 21 mid-biennial budget review. Staff has provided a response to a question below.

Councilmember Roberts asked what is the rationale for the addition of the Non-site Specific Comprehensive Plan or Development Regulation Amendment fee (3.01.010(G)(22)). This fee would be charged for a publicly initiated, non-site specific Comprehensive Plan or development code amendment such as those requested by a property owner to add an additional use to a specific zone or an advocacy group to change a Comprehensive Plan policy. It is proposed to be set at a sufficient rate that allows for reasonable cost recovery of staff’s time (approximately 30 hours) required to process the request.

Below are some examples of fees charged by nearby cities:

- Bellevue: no review fees for non-site specific Comprehensive Plan amendments.
- Bremerton: \$2,500 for a Comprehensive Plan text and map amendment combo; \$1,500 for a text only amendment, plus \$320 for Environmental Review.
- Covington: \$4,293 (\$1,000 non-refundable) plus consultant costs for Comprehensive Plan amendment; \$3,679 (\$1,000 non-refundable) plus consultant costs.
- Everett: cost recovery – Comprehensive Plan text amendment; Comprehensive Plan map \$5,326 plus rezone fees (\$2,131 for first acre, \$267 each additional acre).
- Puyallup: \$1,080 filing fee plus \$250 for Environmental Review plus \$540 for companion rezone.
- Tacoma: \$1,400.
- Poulsbo: \$1,070 for Comprehensive Plan amendment.
- Pierce County: \$3,000 (\$500 non-refundable).
- Thurston County: \$4,330 base (text amendment).
- Edmonds: \$6,350 for Comprehensive Plan amendment; \$6,350 for Zoning amendment.
- Lynnwood: \$3,500.

- Lake Forest Park: \$3,000 for Comprehensive Plan amendment; \$3,500 for Zoning amendment.
- Mountlake Terrace: \$8,700 for Comprehensive Plan amendment; \$4,350 for Zoning amendment; Retainer based on an hourly rate of \$145.
- Mercer Island: \$17,249 for Comprehensive Plan amendment; \$18,580 for Zoning amendment; Initial Comprehensive Plan fee is \$1,916 with the balance charged when the item is placed onto the docket.

As an alternative to staff’s proposal setting the fee to recover approximately 30 hours of staff time (\$6,000), the City Council may consider Mercer Island’s approach by establishing an Initial Comprehensive Plan fee at five hours of staff time charged at the minimum hourly rate of \$204, or \$1,020, with 25 hours charged at the minimum hourly rate of \$204, or \$5,100 when the item is placed onto the docket. Staff recognizes that this two-step fee will provide staff cost recovery for initial application processing but not burden the applicant if the item is not placed onto the docket. Should the City Council prefer this alternative, staff would recommend the proposed fee schedule be amended, as follows:

**3.01.010 Planning and Community Development**

<b>G. Land Use</b>	
22. Non-site Specific Comprehensive Plan or Development Regulation Amendment	<del>\$6,000</del>
<b>a. Application</b>	<b>\$1,020</b>
<b>b. Additional Fee if added to Docket</b>	<b>\$5,100</b>

**FINANCIAL IMPACT**

The City Council adopted Ordinance No. 841, approving its first biennial budget for the 2019-2020 biennium, on November 19, 2018. The adopted biennial budget includes revenue and expenditure appropriations for the two years of the biennium for all funds. Since that time, the City Council has approved four amendments to the budget. The amended biennial budget for all funds totals \$209,744,780.

There is no financial impact associated with tonight’s public hearing and subsequent discussion; however, the public is invited to provide testimony on the revenue sources including all levies, taxes, fees, and rates. This input may be incorporated in proposed Ordinance Nos. 872 and 873 presented for adoption at the City Council’s Regular Meeting on November 18, 2019. In the subsequent discussion, the City Council will have an opportunity to continue its review of revenues and appropriations and recommended adjustments to the budget to address various emerging issues.

**RECOMMENDATION**

Staff recommends that the City Council conduct the public hearing to take public comment on the 2019-2020 Biennial Budget and 2019-2024 CIP revenue sources, including all proposed levies, taxes, fees, and rates.
