Renewing the Agreement allows for uninterrupted service delivery of Shoreline recreation programs for qualified Specialized Recreation participants. The new Recreational Opportunities Agreement terms are the same except for the dates of the agreement. BACKGROUND

Certain members of City's Specialized Recreation Program qualify for reimbursement of their program fees through the Washington State Department of Social and Health Services (DSHS) Community Settings Respite Care Program. In 2016, the City of Shoreline and the DSHS entered into an Interlocal Agreement that allows the City to bill DSHS for program fee reimbursement. This Interlocal Agreement (#8607) is now due for renewal. Renewing the Recreational Opportunities Program agreement allows for uninterrupted service delivery of Shoreline recreation programs for Recreational Opportunities qualified Specialized Recreation participants.

In 2018, the City had 40 Specialized Recreation participants that qualified for reimbursement from the State. The total amount of state reimbursement equaled \$46,906. These reimbursed costs were reimbursed through the Recreational Opportunities program and another agreement the City has with DSHS for reimbursement. Shoreline has a variety of specialized recreation offerings including weekend trips, special events and adult day programs for individuals with developmental disabilities. This agreement provides specialized recreation participants improved access to these programs and facilities.

DISCUSSION

The new Recreational Opportunities Agreement (Attachment A) is identical to the old agreement except for two changes – the title of the Agreement has changed from Individual Family Services-Recreation Opportunities to Recreational Opportunities, and the dates of the Agreement have been amended. The new dates for the Recreational Opportunities Agreement would be October 1, 2019 through September 30, 2022. The Recreational Opportunities Agreement can be terminated by either party with 30 days of written notice.

The ability for participants to utilize DSHS funding is one factor that makes the City of Shoreline's specialized recreation program attractive to participants. In addition, it supports accessibility to participants who do not have the ability to manage the complicated billing process themselves.

RESOURCE/FINANCIAL IMPACT

This contract does not include any expense on the city's part.

RECOMMENDATION

Staff recommends that Council authorize the City Manager to enter into an Interlocal Agreement with the Washington State Department of Social and Health Services Recreational Opportunities Program.

- 17. Disputes.** Both DSHS and the Contractor ("Parties") agree to work in good faith to resolve all conflicts at the lowest level possible. However, if the Parties are not able to promptly and efficiently resolve, through direct informal contact, any dispute concerning the interpretation, application, or implementation of any section of this Agreement, either Party may reduce its description of the dispute in writing, and deliver it to the other Party for consideration. Once received, the assigned managers or designees of each Party will work to informally and amicably resolve the issue within five (5) business days. If managers or designees are unable to come to a mutually acceptable decision within five (5) business days, they may agree to issue an extension to allow for more time.

Both Parties will be responsible for submitting all relevant documentation, along with a short statement as to how they believe the dispute should be settled, to the Secretary and Agency Head.

The Secretary and Agency Head may appoint a review team, a facilitator, or both, to assist in the resolution of the dispute. If the Secretary and Agency Head are unable to come to a mutually acceptable decision within fifteen (15) business days, they may agree to issue an extension to allow for more time.

The final decision will be put in writing, and will be signed by both the Secretary and Agency Head. If the Agreement is active at the time of resolution, the Parties will execute an amendment or change order to incorporate the final decision into the Agreement. The decision will be final and binding as to the matter reviewed and the dispute shall be settled in accordance with the terms of the decision.

If the Secretary and Agency Head are unable to come to a mutually acceptable decision, the Parties will request intervention by the Governor, per RCW 43.17.330, in which case the governor shall employ whatever dispute resolution methods that the governor deems appropriate in resolving the dispute.

Both Parties agree that, the existence of a dispute notwithstanding, the Parties will continue without delay to carry out all respective responsibilities under this Agreement that are not affected by the dispute.
