

CITY OF SHORELINE
SHORELINE CITY COUNCIL
SUMMARY MINUTES OF WORKSHOP DINNER MEETING

Monday, January 13, 2020
5:45 p.m.

Conference Room 303 - Shoreline City Hall
17500 Midvale Avenue North

PRESENT: Mayor Hall, Deputy Mayor Scully, Councilmembers Chang, McConnell, McGlashan, Roberts, and Robertson

ABSENT: None

STAFF: Debbie Tarry, City Manager; John Norris, Assistant City Manager; and Allison Taylor, Deputy City Clerk

GUESTS: Allegra Calder, BERK Consulting

At 5:45 p.m., the meeting was called to order by Mayor Hall.

Debbie Tarry, City Manager, explained that the agenda for the upcoming Strategic Planning Workshop was created based on Council feedback and requests. She welcomed Allegra Calder of BERK Consulting, who will serve as the Workshop facilitator, and said the purpose of the meeting is to review and refine the agenda.

Ms. Calder began an overview of the schedule for the two-day planning meeting. John Norris, Assistant City Manager, explained that staff are still solidifying panel members for the discussion on commercial requirements in non-residential zones. A request was made to include representation from a non-economic perspective, and it was also communicated that a representative from another City would be useful. Councilmembers shared observations and ideas for viewpoints that would add value to the conversation.

The scope of the staff presentations was discussed, and adjustments were made to the placement and time allotted to some topics.

Mayor Hall led a discussion of issues that are scheduled, or Council would like scheduled, for upcoming study outside of this workshop – the topics brainstormed include scooter regulations, Commercial Development Agreements, station area parking, cottage housing, homelessness and the opioid epidemic. Councilmember Chang observed that airplane noise over Shoreline has increased, and there was general discussion on flight patterns and the impact on the City. It was suggested that it would be informative to invite a representative from the Federal Airline Association to meet with the Council to provide further information.

In preparation for the upcoming annual committee appointments, Mayor Hall checked in with Councilmembers on the time impact of their committee work outside of City Council meetings.

In discussion of time management and work plans, the Council generally agreed that should extra work sessions need to be scheduled infrequently, they would support dedicating additional time to Council work.

At 6:31 p.m. the meeting adjourned.

Allison Taylor, Deputy City Clerk
