PROBLEM/ISSUE STATEMENT:

On February 22, 2021, staff presented proposed Ordinance No. 920, repealing and replacing Shoreline Municipal Code Chapter 3.01 – Fee Schedule, proposed Ordinance No. 921, establishing a fee schedule for Impact Fees, and proposed Resolution No. 471, adopting a fee schedule, to the City Council. The staff report is available at the following link:

<http://cosweb.ci.shoreline.wa.us/uploads/attachments/cck/council/staffreports/2021/staffreport022221-9b.pdf>.

The City's Fee Schedule, codified at Shoreline Municipal Code (SMC) Chapter 3.01, which establishes various rates, fees, costs, and charges for City services and related items, has historically been reviewed and updated for the upcoming fiscal year through the City's budget process. As such, it has also been included with the ordinance adopting the City's budget. This has provided some challenges as various indices used to calculate changes in rates, such as much of the solid waste rate schedule in SMC 3.01.500, are not available until late in the budget process, thereby making it impossible to include such a schedule in the proposed budget book. Another challenge is the ability to amend the Fee Schedule in a timely manner, as it also requires the budget ordinance be amended, thereby making for an unnecessary and cumbersome process. Lastly, there are various provisions throughout the SMC that reference specific sections of SMC Chapter 3.01 that have not been amended to reflect the evolution of the Fee Schedule.

Amending SMC Chapter 3.01 to allow for the adoption of the Fee Schedule (except for impact fees) by resolution of the City Council would allow for a more timely and efficient process that would not impact the Budget Ordinance when amendments are needed. To accomplish this, three actions would be required by the City Council:

- Proposed Ordinance No. 920, included on tonight's agenda as a separate item, would repeal and replace SMC Chapter 3.01 to provide for adoption of a Fee Schedule by resolution for general rates, fees, and costs and the adoption of a

Fee Schedule by ordinance for impact fees as required by Revised Code of Washington (RCW) Chapter 82.02. This proposed Ordinance also provides for amendments to sections of the SMC necessary to ensure the correct citation is referenced.

- Proposed Ordinance No. 921, included on tonight's agenda as a separate item, would establish the rates and costs for all of the City's impact fees – parks, transportation, and fire. As noted above, this is required to be adopted by ordinance by state law.
- Proposed Resolution No. 471 (Attachment A) would establish the Fee Schedule for rates, fees, costs, and charges for City services and related items that were previously adopted through the budget ordinance process (last established by Ordinance No. 903).

Adoption of the above three pieces of legislation are proposed to occur concurrently.

RESOURCE/FINANCIAL IMPACT:

There is no financial impact associated with tonight's discussion.

RECOMMENDATION

Staff recommends that City Council adopt Resolution No. 471, adopting a fee schedule.
