

CITY COUNCIL AGENDA ITEM

CITY OF SHORELINE, WASHINGTON

AGENDA TITLE: Discussion of Resolution No. 476 – Approving the 145th Street Corridor Project Phase 1 and Phase 2 Relocation Plan and the City Manager Property Acquisition Authority for the State Route 523/(N/NE145th Street) Aurora Avenue N to Interstate 5, Phase 1 (Interstate 5 to Corliss Avenue) Project

DEPARTMENT: Public Works

PRESENTED BY: Tricia Juhnke, City Engineer

ACTION: ☐ Ordinance ☐ Resolution ☐ Motion
 ☒ Discussion ☐ Public Hearing

PROBLEM/ISSUE STATEMENT:

The State Route 523 (N/NE 145th St), Aurora Avenue N to I-5, Phase 1 (I-5 Corliss Avenue) project, hereinafter referred to as to the 145th Corridor (Phase 1) project, has entered into the right-of-way (ROW) acquisition phase. The City will be purchasing ROW needed to construct improvements to this section of the Corridor as well as secure the rights to construct improvements on private property associated with the project. This capital improvement project will provide a citywide benefit by improving safety and mobility along this corridor and connecting to light rail access. The 145th Corridor (Phase 1) project is the first capital project with significant property acquisition required since the Aurora Corridor Project.

Currently, the City Manager has property acquisition and relocation claims authority up to \$50,000 under Shoreline Municipal Code (SMC) Section 2.60.090. The SMC allows for project specific adjustments in these acquisition policies. In order to keep the ROW process moving in a timely manner for the 145th Corridor (Phase 1) project, staff is requesting that the City Council take action on proposed Resolution No. 476, which is project specific. Proposed Resolution No. 476 increases the City Manager's signing authority to \$1 million for property acquisition and approves the Relocation Plan (including addendum) that authorizes the City Manager to approve documented relocation claims up to the limits prescribed by federal or state law regardless of amount.

Tonight, Council is scheduled to discuss proposed Resolution No. 476. Council is currently scheduled to take action on proposed Resolution No. 476 on May 24, 2021.

RESOURCE/FINANCIAL IMPACT:

Proposed Resolution No. 476 impacts project resources and costs in two primary ways:

1. It reduces staff time needed to prepare staff reports and present property specific acquisitions or relocation to Council for approval.

2. In saving time in approving acquisitions, it reduces the likelihood of property costs increasing while staff receives Council approval.

Property values are professionally determined under contract with a Washington State Department of Transportation (WSDOT)-approved ROW consultant and are not affected by this proposed Resolution. All properties over \$25,000 are appraised by an independent firm, then that appraisal is reviewed by a second independent firm. Offers are subject to WSDOT review. Since the City does not have a real estate division and staff with the expertise for property acquisition, the City is required to use a ROW consultant as approved by WSDOT. This ROW consultant prepares offers based on appraisals and federal regulations on the City's behalf. The ROW expert also provides guidance on relocation claims submitted to the City citing appropriate code.

RECOMMENDATION

There is no action for the Council tonight. Staff asks that the Council discuss and provide feedback on proposed Resolution No. 476 for the Relocation Plan and granting the City Manager property acquisition authority of up to \$1 million for the State Route 523 (N/NE 145th St), Aurora Avenue N to I-5, Phase 1 (I-5 Corliss Avenue) project. Action on this proposed Resolution is scheduled for the May 24, 2021 City Council meeting.

Approved By: City Manager **DT** City Attorney **MK**

INTRODUCTION

As was done with the Aurora Corridor Project, which had significant property acquisition, the 145th Corridor Project team sees a benefit in increasing the City Manager's property acquisition authority and in providing authorization to approve relocation claims for the 145th Corridor (Phase 1) project which has entered the ROW acquisition phase. By increasing the City Manager's signing authority to a more appropriate amount of \$1 million per parcel and approving the Relocation Plan to allow the City Manager unlimited signing authority for relocation claims, routine professionally vetted offers and claims can be authorized without further engaging staff and the City Council.

BACKGROUND

The City anticipated improvements would be needed on the 145th Street Corridor when it was determined that a Sound Transit light rail station would be constructed adjacent to I-5 just north of 145th Street. A pre-design study was conducted and Council [adopted a Preferred Design Concept for the 145th Corridor](#) on April 11, 2016.

The City was successful in securing federal funding to design corridor improvements from I-5 to Aurora Avenue/Interurban Trail. Sound Transit is leading a project for Bus Rapid Transit and corridor improvements east of I-5, and the City is also leading a separate project for interchange improvements at I-5. The City Council authorized the City Manager to [obligate federal funds for design](#) of the 145th Corridor from I-5 to Aurora Avenue on May 2, 2016.

As the design of this corridor progressed, staff strategized that the best way to deliver this corridor project would be to design the Corridor from I-5 to Aurora Avenue, but then divide the corridor into three segments to complete ROW and Construction for each segment. Both the Puget Sound Regional Council (PSRC) and WSDOT approved the following phasing for delivering roadway improvements:

- Phase 1: I-5 to Corliss Avenue
- Phase 2: Corliss to Wallingford Avenue
- Phase 3: Wallingford Avenue to SR-99 (Aurora Avenue/Interurban Trail)

On September 28, 2020, [Council authorized obligation of \\$11,836,379](#) of the \$12.5 million State Connecting Washington funding available this biennium for ROW acquisition for the 145th Corridor (Phase 1) project. An additional approximately \$1.74 million of Connecting Washington funding will be used when it becomes available in the next biennium to complete ROW acquisition for Phase 1. No City money is being used to acquire the ROW for Phase 1.

The 145th Corridor (Phase 1) project is currently conducting property appraisals and reviews and will be ready to make offers in the near future. In order to streamline the ROW acquisition process, staff is requesting that Council increase the City Manager's purchasing authority and approve the current Relocation Plan for the 145th Corridor project.

DISCUSSION

The 145th Corridor (Phase 1) project has received federal funding for design, and therefore the City must follow a very specific process when purchasing ROW, including following the Uniform Relocation Assistance and Real Property Acquisition Act (URA). This process is designed to protect the interests of all parties and ensure that property owners are treated fairly, including adequate time to review offers and secure independent appraisals if desired. The City has contracted with subconsultant RES Group NW (a WSDOT approved ROW agent) to assist the City with this process.

RES Group NW arranges an independent appraisal and separate professional appraisal review and then prepares offers to property owners based on these appraisals. The final offers presented by the City must be consistent with the requirements of the federal acquisition process for which there are very specific allowances for payment. Relocation claims follow their own set of allowances.

Currently, the City Manager has property acquisition and relocation claims authority up to \$50,000 under Shoreline Municipal Code (SMC) Section 2.60.090. These thresholds may be appropriate for the occasional situation/opportunity that may arise on any particular property, but are challenging for a large capital project with significant ROW acquisition and a schedule to maintain. SMC 2.60.090 anticipated the need for increased authority on a project specific basis.

The 145th Corridor (Phase 1) project is the first capital improvement project with significant ROW acquisition since the Aurora Corridor Project and will be followed by additional segments along this and other corridor projects. In proposing a resolution to request higher property acquisition and relocation claim authority for the City Manager for the 145th Corridor (Phase 1) project, staff also referred to the Aurora Project as a precedent. [Resolution No. 270](#) increased the City Manager's purchasing authority for the Aurora Corridor 165th - 205th Project to an amount not to exceed \$325,000. In these segments of the Aurora Project, there were approximately 117 parcels that needed ROW acquired and at the time of Resolution No. 270, it was estimated all but 10 acquisitions would be at or below the requested \$325,000 [revised purchasing limit](#). The percentage of properties covered within the newly approved limit was approximately 91%.

A Project Funding Estimate (PFE) is a detailed parcel-by-parcel estimate of total expected ROW acquisition costs and is used to obtain authorization and funding for the project. A ROW Plan, Relocation Plan, and PFE have all been prepared for the 145th Corridor project and approved by WSDOT (approved documents originally included both Phase 1 & 2 as submitted). At the time the PFE was created, 21 parcels were identified for the Phase 1 area. As design has progressed, a few additional parcels were identified as having some level of acquisition needed. Currently, 25 parcels will require acquisition with eight (8) to nine (9) being full acquisitions and the balance only requiring partial acquisition. Dollar amounts in the PFE were based on 2019 comparison estimates; actual dollar amounts will be determined during the appraisal process. The project team has also prepared a Relocation Plan addendum to reflect changes in relocation requirements resulting from the above-mentioned changes in acquisition needs. Property in Shoreline continues to grow in value, even more so in

the re-zoned areas near the light rail station which affects many properties along the 145th Corridor. Requesting a higher property acquisition signing authority to allow for at least some full acquisition purchases seems a reasonable approach.

Property Acquisition Approval

Staff recommends Council increase the City Manager authorization for property acquisition (per parcel) to \$1,000,000. The reasons for this recommendation include:

- To limit the number of transactions that require Council approval thereby shortening the time needed for acquisitions and settlements to happen.
 - It is in the City's best interest to settle these issues quickly particularly in a rapidly increasing housing market.
 - It also benefits the property owners by reducing delay and the stress and uncertainty in going through the acquisition process. Quick resolution allows residents to make plans and move forward quickly.
- The project is required to follow the URA Policy which has a very prescribed and defined process for establishing offers. The process is designed to protect the homeowners and ensure they are treated fairly and receive fair compensation. There is little/no opportunity for the Council to influence or negotiate the acquisition costs and it would result in project delay.
- The project has an aggressive schedule and completing the acquisition process as quickly and efficiently as possible is imperative to maintain the schedule. ROW acquisition is a critical path and any delay will impact the overall schedule and the ability to complete the project prior to Sound Transit operations in 2024.
- This is an already approved project with budget for property acquisition using Connecting Washington funds.

Staff's recommendation is also based on the previous precedent for increasing project specific signing authority on the Aurora Corridor project. Based on the acquisition numbers in the following table, a signing authority of \$900,000 would represent 92% of the parcel acquisitions, similar to the 91% for the Aurora Project covered by increased signing authority. However, it is worth noting that the cost of real estate is rapidly increasing and these estimates are already "dated". As acquisition moves forward, it is likely the costs will further increase and additional properties may move above the \$900,000 level, which is why the staff recommendation is for \$1,000,000.

145TH CORRIDOR - PHASE 1 (I-5 TO CORLISS AVE)							
SUMMARY OF PFE LIST OF 25 ESTIMATED ACQUISITIONS <i>(based on 2019 costs)</i>							
Estimated Acquisition Offer	equal to or less than \$50K	\$50K - \$499K	\$500K - \$599K	\$600K - \$699K	\$700K - \$799K	\$800K - \$899K	\$900K & over
25 PARCELS	8	10	1	2	1	1	2
<i>running count</i>	<i>8</i>	<i>18</i>	<i>19</i>	<i>21</i>	<i>22</i>	<i>23</i>	<i>25</i>
Percent	32%	72%	76%	84%	88%	92%	100%

It is expected that there will still be a small number of acquisitions which will exceed this \$1 million administrative authority and they would be brought to the City Council for approval. This authority is provided for in proposed Resolution No. 476 (Attachment A).

Relocation Claims

Per the SMC 2.60.090, the City Manager is authorized to approve properly documented relocation claims up to the limits prescribed by federal or state law regardless of amount, provided the City Council has approved a project relocation plan for the project which includes any good faith parcel relocation cost estimate that exceeds \$50,000 or such higher parcel relocation limit approved by City Council for a particular project.

A Relocation Plan has been developed for this project and approved by WSDOT. It addresses relocations for Phase 1 (I-5 to Corliss Avenue) and Phase 2 (Corliss Avenue to Wallingford Avenue). As it has been approved by WSDOT, staff asks that the plan be approved for both phases recognizing that the Phase 1 acquisitions are the upcoming work. Currently, 13 parcels have been identified for various relocation costs with estimates ranging from \$2,500 - \$135,000 per parcel. Staff is requesting that the City Council approve the Relocation Plan (including addendum) that is part of proposed Resolution No. 476 in order to authorize the City Manager and their designees to approve properly documented claims regardless of amount. The Relocation Plan and Addendum are included in proposed Resolution No. 476 as Exhibit A.

Relocations are an entitlement for the displaced person(s). There is little to no negotiation in relocation costs as URA Policy establishes what is allowable. RES Group NW, the City's relocation specialist for the 145th Corridor, makes recommendations for each claim and cites the appropriate Washington Administrative Code (WAC). If a displaced person submits a claim that the City's expert thinks is not covered under the regulation, they will recommend that the City deny the claim. Relocation often needs to move quickly; the City sometimes needs to approve in a very short period of time or else it could jeopardize the displaced person's eligibility to get into a new home, pay closing costs, etc.

The WSDOT ROW Manual states that, "No person to be displaced shall be required to move from the acquired dwelling unless at least one comparable replacement dwelling has been made available to the person." This means the replacement dwelling must be actively on the market at the time it is presented. Currently the housing market in the region is moving very quickly and the City will need to respond as soon as possible as the listing must be available to the displaced person(s) on the day the City provides them with their Notice of Eligibility. If it is not, the City's ROW consultant will need to begin the search again and complete new computations. Council will likely see the benefit in keeping claims at the staff level in order to expedite this process.

Finally, the City's purchasing policies allow the City Manager to delegate a portion of their authority to other staff. This would apply to property acquisition and relocation claims as long as that staff is also listed in WSDOT approved ROW Procedures.

Tonight's Council Discussion

Tonight, Council is scheduled to discuss proposed Resolution No. 476. Council is currently scheduled to take action on proposed Resolution No. 476 on May 24, 2021.

COUNCIL GOAL(S) ADDRESSED

Progress on the 145th Corridor (Phase 1) project helps to implement City Council Goal 2: Continue to deliver highly-valued public services through management of the City's infrastructure and stewardship of the natural environment; and Goal 3: Continue preparation for regional mass transit in Shoreline.

RESOURCE/FINANCIAL IMPACT

Proposed Resolution No. 476 impacts project resources and costs in two primary ways:

1. It reduces staff time needed to prepare staff reports and present property specific acquisitions or relocation to Council for approval.
2. In saving time in approving acquisitions, it reduces the likelihood of property costs increasing while staff receives Council approval.

Property values are professionally determined under contract with a Washington State Department of Transportation (WSDOT)-approved ROW consultant and are not affected by this proposed Resolution. All properties over \$25,000 are appraised by an independent firm, then that appraisal is reviewed by a second independent firm. Offers are subject to WSDOT review. Since the City does not have a real estate division and staff with the expertise for property acquisition, the City is required to use a ROW consultant as approved by WSDOT. This ROW consultant prepares offers based on appraisals and federal regulations on the City's behalf. The ROW expert also provides guidance on relocation claims submitted to the City citing appropriate code.

RECOMMENDATION

There is no action for the Council tonight. Staff asks that the Council discuss and provide feedback on proposed Resolution No. 476 for the Relocation Plan and granting the City Manager property acquisition authority of up to \$1 million for the State Route 523 (N/NE 145th St), Aurora Avenue N to I-5, Phase 1 (I-5 Corliss Avenue) project. Action on this proposed Resolution is scheduled for the May 24, 2021 City Council meeting.

RESOLUTION NO. 476

A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF SHORELINE, WASHINGTON APPROVING THE 145TH STREET CORRIDOR PROJECT PHASE 1 AND PHASE 2 RELOCATION PLAN AND CITY MANAGER PROPERTY ACQUISITION AUTHORITY FOR STATE ROUTE 523 (N/NE 145TH STREET) AURORA AVENUE N TO INTERSTATE 5, PHASE 1 (INTERSTATE 5 TO CORLISS AVENUE) PROJECT.

WHEREAS, for many years the City has been seeking to redevelop the State Route 523 Corridor, commonly referred to as N/NE 145th Street, to provide safety and transportation improvements, and has designed a project in this regard, the SR-523 (N/NE 145th Street) Aurora Avenue N to I-5 Project (“145th Street Corridor Project”); and

WHEREAS, the 145th Street Corridor Project is contained in the City’s Capital Improvement Plan and the City has obligated Federal Surface Transportation Program grant funds for the 145th Street Corridor Project with the Washington State Department of Transportation allowing for the project to be constructed in three phases; and

WHEREAS, pursuant to SMC 2.60.090(A)(2), the City Manager may acquire real property as part of an approved and funded project contained in the City’s Capital Improvement Plan up to \$50,000 unless another amount is specifically authorized for a particular project; and

WHEREAS, SMC 2.60.090(A)(3) states that when property acquisition requires relocation of the residents that exceeds the City Manager’s acquisition authority, the City Manager may authorize relocation claims up to the limits prescribed by federal or state law provided that the City Council has approved a project relocation plan; and

WHEREAS, Phase 1 is the I-5 to Corliss Avenue portion of 145th Street and requires a significant number of property acquisitions which, given the present real estate market, are expected to exceed the City Manager’s authority granted in SMC 2.50.090(A)(2); and

WHEREAS, the City has developed a Relocation Plan for the 145th Street Corridor Project, Phase 1 and Phase 2, which includes good faith parcel relocation costs estimates that exceed the City Manager’s acquisition authority and the City Council may approve a higher relocation limit for the 145th Street Corridor Project and issue an addendum to that Relocation Plan due to changes in acquisition requirements; and

WHEREAS, given the potential for property acquisition and relocation costs to exceed the City Manager’s authority set forth in SMC 2.60.090(A) for the 145th Street Corridor Project, the City Council has determined that it would be more efficient to increase that authority;

NOW, THEREFORE, THE CITY COUNCIL OF THE CITY OF SHORELINE, WASHINGTON, HEREBY RESOLVES:

Section 1. Real Property Acquisition Authority. The City Manager is authorized to acquire real property for the 145th Street Corridor Project, Phase 1, when the cost of the property is no greater than \$1,000,000.00, subject to SMC 2.60.090(A)(2)(a)-(b). All purchases in excess of this amount shall be approved by the City Council.

Section 2. Relocation Plan. Exhibit A is approved as the Project Relocation Plan for the 145th Street Corridor Project I-5 to Aurora Avenue N, Phases 1 and 2. The City Manager is authorized to approve properly documented relocation claims up to the limits prescribed by federal or state law, regardless of the amount.

Effective Date. This Resolution shall take effect and be in full force upon passage.

ADOPTED BY THE CITY COUNCIL ON MAY 24, 2021.

RELOCATION PLAN
145th Street Corridor Project
1-5 to Aurora Avenue N. (Phases 1&2)
City of Shoreline

July 31, 2019

This project is situated in the City of Shoreline (the "City") which is located in King County, just north of Downtown Seattle bordering the northern Seattle City limits. The City of Shoreline is located along the Puget Sound. The city was incorporated in 1988 with an estimated population of 56,730 and has a total land area of 12.3 square miles.

RES Group NW has been engaged to carry out relocation services for the project on behalf of the City of Shoreline.

This Relocation Plan is prepared in accordance with Chapter 12 of the Washington State Department of Transportation Right of Way Manual and the Uniform Relocation Assistance and Real Property Acquisition Policies Act of 1970 (URA), as amended. The relocation services provided on this project will adhere to State and Federal regulations.

A. GENERAL

1. Assurances:

The displacing agency or assigned agent will inform the displaced parties of relocation payments and the services that will be provided. Displacees needs have been inventoried and evaluated. From this analysis, a plan has been developed which will provide for timely and efficient relocation of the displaced parties.

No person, lawfully occupying real property, will be required to move from the acquired dwelling or business without being provided a written assurance of at least ninety (90) days prior to the earliest date by which they could be required to vacate the property. No person to be displaced from a residential dwelling shall be required to move unless at least one comparable replacement property is made available. If no housing is available within the financial means of the displaced persons, Housing of Last Resort will be made available.

2. Project Description:

145th Street (SR-523) in Shoreline is a major east-west route for northwest King County. The street connects Shoreline neighborhoods with businesses, parks and services, as well as linking to Seattle, Lake Forest Park, Kenmore, and Bothell. In a few years, 145th Street will also be a primary connection to Sound Transit light rail at 145th and I5.

145th Street Corridor Project will add safety and operational improvements including left turn lanes, street lighting, relocated utilities, a shared-use path in some sections and sidewalk improvements with off-corridor bicycle facilities in others. Currently the project consists of three phases with phase I and II included in this report. Phase I is from I-5 to Corliss Avenue, phase II is from Corliss to Wallingford and Phase III is from Wallingford to the Interurban trail.

3. Number of Displacements:

The project calls for the partial or full acquisition of 51 parcels of which 19 property acquisitions are anticipated to require the displacement of 22 residential (11 owner occupants and 11 tenant occupants), 9 non-residential (7 landlords and 2 non-residential businesses) and 1 personal property only.

B. INVENTORY OF INDIVIDUAL NEEDS AND BUSINESS NEEDS**1. Occupancy Survey**

The proposed project will require the relocation of individuals/families, businesses, and/or personal property from the following residential and non-residential parcels:

Parcel No.: 105

Displacee No.: 001
 Displacee Name: Christine and Joy Anne Unten
 Relocation Type: Residential Owner

According to King County records this property is improved with a 2,060 square foot home with a basement. It sits on an 8,396 square foot lot and has 2 bedrooms and 1 bathroom. First level of home has a fireplace with finished basement that includes additional living space and a ¾ bathroom. The home is heated by gas forced air. The home includes a detached garage.

Christine Unten and Joy MacTavish-Unten, a married couple who live with their two young children 5 years and 5 months old. Christine works for Fred Hutch in Seattle and Joy is self-employed and works in Shoreline. They purchased the home in November of 2009 using a conventional home loan and have 20 years remaining on the loan.

Estimated Moving Cost: \$5,500

Estimated Replacement Housing Payment: \$115,000

Estimated Incidental/MIDP: \$35,000

Parcel No.: 106

Displacee No.: 001
 Displacee Name: Ivan Harapin & Sjarifudin Mer
 Relocation Type: Residential Owner

According to King County records this property is improved with a 1,180 square foot home with a basement. It sits on an 8,717 square foot lot and has 2 bedrooms and 2 bathrooms. The home has been fully remodeled with new electrical panel and addition of a bedroom and bathroom in basement and has baseboard heating. There is a large wood deck of the back side of the home.

Ivan Harapin and Merry Sjarifudin are unmarried individuals who purchased the home on July 1, 2015 and currently have a mortgage in the amount of \$215,280 with 26 years remaining on the loan.

2. Summary of Replacement Sites:

Inspection of available housing in the area suggests that there should be no problem finding decent, safe, and sanitary replacement housing.

The table below shows a breakdown of the number of units needed and the number of units currently available specifically by housing size, rental housing and business properties.

Type of Unit	Units Needed	Units Available
Home for Sale (2 to 3-bedroom homes, 800 to 1,250 SF)	4	14
Home for Sale (3 to 4-bedroom homes, 1,300 to 1,950 SF)	2	21
Home for Sale (3 to 5-bedroom homes, 1,900 to 2,800 SF)	5	23
Rental Housing	5	16
Rooms for Rent	6	22
Business Properties for Lease (office/retail)	2	157
Business Properties for Sale (office/retail)	2	35

C. INVENTORY OF AVAILABLE HOUSING AND COMMERCIAL SPACE

1. Decent, Safe and Sanitary Requirements:

Inspection of available housing in the area suggests that there should be decent, safe and sanitary (DSS) replacement housing.

2. Residential

Single Family Dwelling Purchase – According to the Northwest Multiple Listing Service (NWMLS), as of July 19, 2019, there are 58 actives residential (single-family residence) listings with two to five bedrooms and one to three bathrooms on a standard residential lot, which would be suitable for the displacee's needs. These listings are all located within the City of Shoreline and range from \$325,000 to \$986,000.

Single Family Dwelling Rental - A similar search was conducted for single-family residential rentals and according to the NWMLS and craigslist, there are 16 active residential rentals ranging in price from \$1,600 to \$3,200.

Rooms for rent – A search was conducted for rooms for rent in the area and according to craigslist, there are over 22 rooms ranging in price from \$550 to \$950.

3. Nonresidential

Commercial - A preliminary market search on July 26, 2019, using the Commercial Brokers Association Site, indicates that there are 35 sites for available to purchase and 157 available for lease within the surrounding area. It is difficult to determine if these sites are suitable replacement locations for the current businesses. Location is crucial for businesses, so determining the best location and availability in those areas may be difficult. It is ultimately the business owner's decision to locate and secure a site suitable for their business. As part of our relocation advisory services, owners will be encouraged to work with a local commercial real estate broker to obtain a replacement site. A significant amount of lead-time for displaced businesses is suggested so that they can start their replacement site search as early as possible.

D. ANALYSIS OF INVENTORIES

1. Summary of Available Housing

Owners - The housing market in this area is still considered competitive however, homes are not selling as quickly as a year ago and most are selling around the listing price. In the last 90 days 216 homes have sold in the city of Shoreline in which more than half of those were under contract in less than 30 days.

Tenants – It is estimated there are 11 displaced residential tenants. There are plenty of replacement rentals in the area. None of the tenants were contacted at this time at the request of their landlords. Enough information was gathered from the landlords to complete the plan. When the phasing of the project has been decided all affected displacees will be contacted and given General Information Notices.

2. Analysis of Commercial Inventory

It is estimated the project has 9 business relocations (2 business tenants and 7 landlords). A preliminary market search indicates there are plenty of replacement properties for the business tenants and landlords.

E. SOURCES OF INFORMATION:

Sources for real estate offerings: The Northwest Multiple Listing Service (NWMLS) websites is a reliable source to determine the inventory of residential rental properties available and was used for the development of this information. Other online searches of Craigslist, Rent.com and Zillow.com were made to verify additional available properties.

The Commercial Brokers Association (CBA) website was also utilized to determine the inventory of commercial properties available for lease and purchase.

Other: Specific subject property information was found through the King County Assessor's website. Corporate information was verified on the Washington Secretary of State website or the Department of Licensing. Criteria provided under the Uniform Relocation Assistance (URA).

F. RELOCATION PROJECT OFFICE

The project office for this project is located 12 miles from the project and is adequately staffed with relocation agents to assist all displacees.

G. ALTERNATIVE AND/OR LAST RESORT HOUSING NEEDS

1. Impact on Available Housing

This project should not have an impact on available housing in the area. Sound Transit currently has an ongoing project in the area, however, the acquisitions for their project is complete.

2. Last Resort Housing

The area appears to have several single-family dwelling neighborhoods. Due to the dated conditions and the location of the single-family dwellings and the potential for limited incomes for most of the tenants, it appears that several displaced individuals in this project will fall into Housing of Last Resort. In this project area, the most commonly used criteria for housing of last resort will likely be replacement

housing payments in excess of the URA limit. Other alternatives are available such as rehabilitation or construction of a replacement dwelling, but they would be far more expensive.

3. Subsidized housing

Any displacee currently receiving any subsidized housing payments will be advised to continue with such benefits. If any other displaced persons meet the financial need requirement, they will be advised of the opportunity to apply for Section 8 or other Public Housing assistance programs.

I. SUMMARY OF ESTIMATED RELOCATION COST

Residential - Mortgage interest rates are rising from record lows of just a few years ago. Research indicates that many homeowners refinanced to lower their monthly payment and lower their interest rates in the recent years. Those property owners who took advantage of the low interest rates, even interest only loans, will no longer be able to obtain a replacement mortgage with the same favorable interest rate. The costs associated with compensating an owner for the loss of favorable financing on the existing mortgage in the financing of replacement housing (also referred to as "Mortgage Interest Differential Payment (MIDP)) will be calculated. In addition, costs associated with reimbursing residential property owners for the incidental purchase expenses of replacement housing will be paid.

Nonresidential - With all the nonresidential business displacements, there are undetermined costs that would be eligible for reimbursement per 49CFR Part 24.303, Related Nonresidential Eligible Expenses. Estimating the cost for reimbursement of these potential expenses is challenging, as at this time it is unknown where the displaced businesses will move and whether or not their chosen location would need utility connection, site feasibility studies, market studies, or potential impact fees or one-time assessments. It is presumed that many of businesses will not need or claim reimbursement in this category.

RELOCATION PLAN – ADDENDUM NO. 1

145th Street Corridor Project

1-5 to Aurora Avenue N.

City of Shoreline

April 13, 2021

This addendum is provided to identify the needs of additional displacements identified since the original Relocation Plan, which was approved on February 10, 2020. The addendum is written in accordance with Chapter 12 of the Washington State Department of Transportation Right of Way Manual and the Uniform Relocation Assistance and Real Property Acquisition Policies Act of 1970 (URA), as amended. The relocation services provided on this project will adhere to state and federal regulations.

A. GENERAL

The previous discussion of assurances, project description, and DSS requirements are the same as reported in the original approved relocation plan. This amendment adds two (2) relocations, due to additional acquisition area needed for construction of a large retaining wall.

B. INVENTORY OF INDIVIDUAL NEEDS

1. Occupancy Survey

The proposed project will require the relocation of individuals/families, businesses, and/or personal property from the following residential and non-residential parcels:

Parcel No.: 125

Displacee No.: 001
 Displacee Name: Michele Ohge
 Relocation Type: Personal Property Only

Michele Ohge has occupied the subject property since 1991 and does extensive gardening in her yard. The project requires a partial acquisition from the subject property's backyard. It will be necessary for Michele to relocate her garden shed and personal property located inside of it to another part of her property. The shed is not affixed to the ground and has been deemed as personality.

Parcel No.: 134

Displacee No.: 001
 Displacee Name: Andrew and Lisa Olson
 Relocation Type: Residential

The home is 2,100 square feet with three bedrooms, one bathroom and a finished basement. It sits on an 8,408 square foot lot, has a one car garage and oil is the main source of heating. It has recently been rezoned to MUR-45, Mixed Use Residential (45' height) in anticipation of the opening of the Sound Transit Light Rail Station in 2023.

Andrew and Lisa have occupied the subject property since October 1991 and is the childhood home of Lisa. The owners live at the property with their two adult children and several pets.

C. INVENTORY OF AVAILABLE HOUSING

1. DSS Requirement

Inspection of available housing in the area suggests that there should be no problem finding decent, safe, and sanitary (DSS) replacement housing.

2. Residential

Single Family Dwelling Purchase –According to Redfin.com as of April 12, 2021, there are 14 - active residential (single family residence) listings with at least 2,100 square feet, three bedrooms and one bathroom on a standard residential lot, in the area which would be suitable for the displacee's needs. 3 of these listings are in the City limits of Shoreline.

D. ANALYSIS OF INVENTORIES

The housing market in this area is still considered competitive and lacks inventory. Homes in Shoreline are up 14% from last year and stay on the market an average of 7 days, according to Redfin.

E. SOURCE OF INFORMATION

Information Gathering: Initial meetings, as detailed above, were held with the displacee's. Relocation Specialist conducted the interview, completed Occupancy Survey, and delivered General Notices to displacee's.

Sources for real estate offerings: Zillow.com, Realtor.com and Redfin.com websites were a reliable source to determine the inventory of residential properties available for purchase and were used for the development of this addendum.

F. SUMMARY OF TOTAL ESTIMATED RELOCATION COSTS

All other provisions remain for the approved 145th Street Corridor Project I-5 to Aurora Ave. N Relocation Plan.
