PROBLEM/ISSUE STATEMENT:

In July 2017, following an 18-month community engagement process, the City Council adopted the 2017-2023 Parks, Recreation and Open Space Plan (PROS Plan) via Resolution No. 412. The PROS Plan identifies a 20-year vision and framework for Shoreline's recreation and cultural programs, and for maintenance and investment in park, recreation, and open space facilities. Strategic Action Initiative (SAI) #3 in the PROS Plan established a goal to "expand recreation facility opportunities" and SAI #7 established a goal to "ensure adequate parkland for future generations." Since the adoption of the PROS Plan, staff have developed concept designs for selected parks and reviewed opportunities for property acquisition to achieve those goals.

On December 7, 2020, staff was directed by Council to develop the legislation to place a ballot measure on the April 2021 ballot to fund improvements to five neighborhood parks; investments in park amenities for three additional parks; and the acquisition and improvement of new park land. That measure failed to validate, though 72% of voters supported the measure with a 'yes' vote.

On June 14, 2021, the Council discussed proposed Ordinance No. 932 (Attachment A) which would authorize the placement of this ballot measure on the 2021 November General Election Ballot. Following the discussion of June 14th, Council supported moving proposed Ordinance No. 932 forward for potential action and directed staff to draft voter's pamphlet language to support the proposed ballot measure. Tonight, Council is scheduled to take action on proposed Ordinance No. 932.

FINANCIAL IMPACT:

While proposed Ordinance No. 932 does not have an immediate financial impact, the Ordinance would authorize the City to place a measure on the ballot, and if approved by voters, would authorize the issuance of bonds in the principal amount of up to \$38,500,000 for improvements to five neighborhood parks; investments in park amenities for three additional parks; and the acquisition and improvement of new park

land. Repayment of these bonds would be supported by a special property tax levy that is estimated to impact the median priced homeowner by a net average of \$112 per year for up to 20 years.

The Ordinance provides that Senior Citizens, Disabled Persons, and Disabled Veterans meeting age, income, and/or disability requirements identified in RCW 84.36.381 would be eligible, and can apply with King County, for an exemption or deferral from this tax.

RECOMMENDATION

Staff recommends that the City Council adopt proposed Ordinance No. 932.

Approved By: City Manager **DT** City Attorney **MK**

BACKGROUND

The [2017-2023 Parks, Recreation and Open Space Plan](#) (PROS Plan), adopted by the City Council on July 31, 2017, establishes a 20-year vision and framework for Shoreline's recreation and cultural programs, and guides maintenance and investments in park, recreation and open space facilities. The PROS Plan includes a series of Strategic Action Initiatives with goals and objectives, including:

- Strategic Action Initiative #3 established the objective to “Expand recreation facility opportunities by adding at least one community garden, two basketball courts, two multi-purpose/pickleball courts, one playground, one swing set, one paved loop path, one spray park, and one adventure playground.”
- Strategic Action Initiative #7 established the objective to “Ensure adequate parkland for future generations by adding five acres of new parkland by 2023 and 20 additional acres by 2030.”

The City Council re-emphasized the importance of park improvements and land acquisition in its 2021-2023 City Council Goals and Workplan:

- Goal 2: Continue to deliver highly valued public services through management of the City's infrastructure and stewardship of the natural environment.
 - Action Step 2: Continue to Implement the Parks, Recreation, and Open Space Plan, including implementation of the 2021 Park Bond if approved by voters.

Council Direction

The City Council's guidance from its February 28, 2020, Strategic Planning Workshop was for staff to develop a proposal for a voter approved bond measure to fund improvements to parks and park land acquisition. The Council's Strategic Planning Workshop was held prior to the Declaration of Health Emergency for COVID-19. The Council discussed whether to place a bond measure on the ballot at their March 30, June 15, and November 2, 2020 meetings, and each time directed staff to bring it back for further discussion at a future Council meeting because of the unknown economic impacts of the COVID-19 pandemic and concerns about 2021 election validation requirements, given that they were set by the 2020 General Election voter turnout.

On December 7, 2020, the City Council further discussed the priority park improvements; amenity improvements; and acquisition and improvement of new park land. At this meeting, Council gave staff formal direction to prepare appropriate legislation to place a 20-year bond measure before the voters for improvements to five neighborhood parks; investments in park amenities for three additional parks; and the acquisition and improvement of new park land. The staff report from this Council discussion is available here: [Continued Discussion of Park Improvement and Acquisition Priorities for Potential Bond Measure](#).

The proposed Bond Measure at that time consisted of the following components:

Bond Measure Components and Cost

Bond measure component	Cost (millions)
Priority Park Improvements	\$20.6
Priority Park Amenities	\$4.7
Park Land Acquisition	\$9.5
Improvement to Acquired Property	\$3.7
TOTAL	\$38.5

On January 25, 2021, Council approved Ordinance No. 918 authorizing the placement of a ballot measure on the April 2021 Special Election Ballot to authorize a property tax bond measure for park improvements and park land acquisition. That measure failed to reach the number of ballots necessary to validate the election, though it received support from 72% of ballots counted.

Following the failed April 2021 Special Election bond measure, the Council discussed proposed Ordinance No. 932 (Attachment A) on June 14th, which would authorize the placement of this ballot measure on the 2021 November General Election Ballot. During this discussion, a Councilmember was interested in potentially adding additional investments to the bond measure, including additional funding at James Keough Park, adding new funding for the Park at Town Center, and adding additional funding for park land acquisition. While these potential additional investments were discussed by Council, no formal proposed amendment was received by staff at the time of the writing of this staff report to amend the bond measure. The staff report for the June 14th Council discussion can be found here: [Discussion of Ordinance No. 932 - Authorizing the Placement of a Ballot Measure on the 2021 November General Election Ballot to Authorize a Property Tax Bond Measure for Park Improvements and Park Land Acquisition.](#)

DISCUSSION

Tonight, Council is scheduled to take action on whether a ballot measure should be placed on the 2021 November General Election Ballot. As was discussed on June 14th, the ballot title in proposed Ordinance No. 932 is as follows:

CITY OF SHORELINE PROPOSITION NO. 1

GENERAL OBLIGATION BONDS FOR PARKS AND RECREATION IMPROVEMENTS

The City Council of the City of Shoreline adopted Ordinance No. 932 concerning neighborhood park improvements. This proposition authorizes the City to improve and/or construct City parks, including playgrounds, an accessible play area, splash-pads, multi-sports courts, walking and sensory trails, picnic shelters, off-leash dog areas, sports fields and/or other park amenities; install public art; acquire and improve new park land; issue up to \$38,500,000 of general obligation bonds maturing within 20 years to finance and refinance such projects; and levy annual excess property taxes to repay such bonds, as provided in Ordinance No. 932.

Should this proposition be approved:

YES.....

NO

Council had no concerns with this proposed ballot title and language when it was discussed on June 14th and provided general direction to staff to bring back proposed Ordinance No. 932 with this ballot language included for potential action tonight. While Council did discuss some potential additions to the ballot measure at their June 14th meeting, the majority of Councilmember were interested in moving forward the same measure as was in front of voters in April. Staff did not receive any proposed amendments to proposed Ordinance No. 932 as of the writing of this staff report.

Pro and Con Committees

The City is also responsible for appointing committees to prepare statements in favor of and in opposition to the ballot measure for the voters' pamphlet. There is a limit of three members per committee. The committee appointments must be filed by August 3, 2021. If Council moves forward with adoption of proposed Ordinance No. 932, staff will schedule these committee appointments at the City Council meeting on July 19, 2021, since the Council will be on its first summer break between June 28 and July 19. Staff would begin advertising for interested parties to submit applications on June 29, 2021.

The statements in favor of or in opposition to the ballot measure must be submitted by the Pro and Con committees to King County Elections no later than August 10, 2021. These statements are limited to 200 words. Rebuttal statements by each of the respective committees must be submitted to the County no later than August 12, 2021. Rebuttal statements are limited to 75 words.

Next Steps

If Council directs staff to continue to move forward with a ballot measure to fund the park improvements, the next steps in the process would be as follows:

- Schedule Council appointment of Pro and Con committees for the Voters' Pamphlet on July 19, 2021.
- Execute the Communication Plan regarding the ballot measure, including a City mailer to all residents about the ballot measure.

FINANCIAL IMPACT

While proposed Ordinance No. 932 does not have an immediate financial impact, the Ordinance would authorize the City to place a measure on the ballot, and if approved by voters, would authorize the issuance of bonds in the principal amount of up to \$38,500,000 for improvements to five neighborhood parks; investments in park amenities for three additional parks; and the acquisition and improvement of new park land. Repayment of these bonds would be supported by a special property tax levy that is estimated to impact the median priced homeowner by a net average of \$112 per year for up to 20 years.

The Ordinance provides that Senior Citizens, Disabled Persons, and Disabled Veterans meeting age, income, and/or disability requirements identified in RCW 84.36.381 would be eligible, and can apply with King County, for an exemption or deferral from this tax.

RECOMMENDATION

Staff recommends that the City Council adopt proposed Ordinance No. 932.

WHEREAS, the Constitution and laws of the State of Washington provide that the question of whether such Bonds may be issued and sold for such purposes, and taxes levied to pay such Bonds, must be submitted to the qualified electors of the City for their ratification or rejection;

THEREFORE, THE CITY COUNCIL OF THE CITY OF SHORELINE, WASHINGTON DO ORDAIN AS FOLLOWS:

Section 1. Findings. The Council hereby finds that the best interests of the residents of the City require the City to construct, develop, equip, upgrade, acquire, and improve the parks and recreation facilities, including the acquisition of park land, as described in the PROS Plan, as it

may be amended from time to time (the “Projects”). The Projects may include, depending on the location, the following:

- Improvements to Brugger’s Bog, Hillwood, Richmond Highlands, Briarcrest Community (Hamlin East), and James Keough Parks, including constructing and/or improving playgrounds, splash-pads, multi-sports courts, walking trails, picnic shelters, off-leash dog areas, and accessible play areas for people of all physical abilities;
- Constructing a new off-leash dog area and play area at Ridgecrest Park;
- Improving the off-leash dog area and making field improvements at Shoreview Park;
- Improving the education center and children’s garden at Kruckeberg Botanic Garden to make it more accessible to people of all abilities, among other improvements;
- Installing public art throughout the City park system;
- Acquiring land and/or making park improvements to expand Paramount Open Space, Brugger’s Bog, and Rotary Park, in addition to other park land acquisitions; and
- Constructing, developing, equipping, upgrading, acquiring and improving other park and recreational facilities in the City park system.

The Projects shall include the acquisition of real property as necessary to locate such facilities. The City shall complete the Projects at the time, in the order and in the manner deemed most necessary and advisable by the Council. Costs of the Projects, which are estimated to be more than \$38,500,000, will be paid from, or refinanced with, proceeds of the Bonds (as defined in Section 2) authorized herein and other available funds of the City.

The cost of all necessary appraisals, negotiation, property acquisition, closing, architectural, engineering, project management, financial, legal and other consulting services, inspection and testing, demolition, administrative and relocation expenses, permitting, mitigation, construction, and other costs incurred in connection with the foregoing capital improvements shall be deemed a part of the capital costs of such Projects. Such Projects shall be complete with all necessary real property, equipment and appurtenances.

The Council shall determine the exact specifications for the Projects, and the components thereof, as well as the timing, order and manner of completing the components of the Projects. The Council may alter, make substitutions to, and amend such components as it determines are in the best interests of the City and consistent with the general descriptions provided herein. The Council shall determine the application of moneys available for the various Projects so as to accomplish, as nearly as may be, all of the Projects.

If the Council shall determine that it has become impractical to design, construct, improve, obtain permits, renovate, acquire, develop, or equip all or any component of the Projects by reason of changed conditions, incompatible development, costs substantially in excess of the amount of Bond proceeds or tax levies estimated to be available, or acquisition by or dependence on a superior governmental authority, the City shall not be required to provide such component or components. If all of the Projects have been constructed or acquired or duly provided for, or found

to be impractical, the City may apply remaining proceeds of the Bonds authorized herein (including earnings thereon) or any portion thereof to other park, recreation and open space capital purposes or to the redemption of the Bonds as the Council, in its discretion, shall determine.

In the event that the proceeds from the sale of the Bonds, plus any other money of the City legally available for such purpose, are insufficient to accomplish all of the Projects, the City shall use the available funds for paying the cost of those portions of the Projects deemed by the Council most necessary and in the best interest of the City.

Section 2. Authorization of Bonds. For the purpose of providing all or a portion of the funds necessary to finance and/or refinance debt previously issued by the City to finance the costs of the Projects, together with incidental costs and costs of issuance of the Bonds, the City shall issue and sell its unlimited tax general obligation bonds in the aggregate principal amount of not to exceed \$38,500,000 (the “Bonds”). The Bonds shall be issued in an amount not exceeding the amount approved by the electors of the City and not exceeding the amount permitted by the Constitution and laws of the State of Washington. The balance, if any, of the cost of the Projects shall be paid out of any other legally available funds. The Bond proceeds (and earnings thereon) shall be used to finance and refinance the costs of the Projects, together with incidental costs and costs related to the sale and issuance of the Bonds, and shall not be used for the replacement of equipment or for a purpose other than a capital purpose.

Section 3. Details of the Bonds. The Bonds provided for in Section 2 hereof shall be issued in such amounts and at such time or times as deemed necessary and advisable by the Council and as permitted by law. The Bonds may be issued in one or more series and shall bear interest payable at a rate or rates authorized by the Council. The Bonds shall mature in such amounts and at such times within a maximum term of 20 years from date of issue of a series, all as authorized by the Council and as provided by law. The Bonds shall be unlimited tax general obligations of the City and, unless paid from other sources, both principal of and interest on the Bonds shall be payable out of annual tax levies to be made upon all the taxable property within the City without limitation as to rate or amount and in excess of any constitutional or statutory tax limitations. The exact date, form, terms, maturities, covenants and manner of sale of the Bonds shall be as hereafter fixed by ordinance or ordinances of the Council.

In anticipation of the issuance of the Bonds, the City has issued and may issue additional short-term obligations as authorized by chapter 39.50 RCW. Such obligations may be paid or refunded with proceeds of the Bonds. The proceeds of the Bonds may also be used to reimburse the City for expenditures previously made for such Projects.

Section 4. Bond Election. It is hereby found that the best interests of the inhabitants of the City require the submission to the qualified electors of the City of a proposition authorizing the City to issue Bonds for the purposes of funding the Projects, at an election to be held on November 2, 2021. The City Council has determined that the excess levy would be eligible for exemptions and deferrals as allowed under RCW 84.36.381. The King County Director of Records and Elections, as *ex officio* supervisor of elections in King County, Washington, is hereby requested to assume jurisdiction of and to call and conduct the election to be held within the City and to submit to the qualified electors of the City the proposition hereinafter set forth. Such election shall be conducted by mail.

The City Clerk is hereby authorized and directed to certify the proposition to the King County Director of Records and Elections (the “Director”) in substantially the following form:
