ISSUE STATEMENT:

Every year, disasters and local emergencies disrupt the lives of thousands throughout the United States. Being prepared for such incidents can reduce fear, anxiety and losses that might otherwise occur as well as help the community recover and get back to normal. To highlight emergency preparedness, the month of October has been declared "Washington State Disaster Preparedness Month".

The vitality of our City depends on how safe we keep our homes, businesses, neighborhoods and schools. To remind our citizens to stay vigilant about community safety and crime prevention, the month of October has also been declared "National Crime Prevention Month".

Given the confluence of these awareness campaigns, the City is proclaiming the month of October as Safe Shoreline Month. This proclamation highlights the proactive and innovative work the City is doing in the areas of policing and emergency management. Programs such as Ready Shoreline, Map Your Neighborhood, the Community Emergency Response Team (CERT), Shoreline Watch, and R.A.D.A.R. bring staff, police and the community members together to focus on building trusted relationships and strong, prepared neighborhoods.

Community members and business are encouraged to implement preparedness and prevention measures and to participate in these City sponsored programs.

RECOMMENDATION

The Mayor should read and present the proclamation.
