CITY COUNCIL AGENDA ITEM

CITY OF SHORELINE, WASHINGTON

AGENDA TITLE:	Approval of Property Tax Exemption Program Contract for the Shoreline Multifamily, LLC Project Located at 18551 Aurora Avenue N	
DEPARTMENT:	Recreational, Cultural and Community Services City Manager's Office	
PRESENTED BY:	Kerry Feeman, Housing and Human Services Coordinator	
	Nathan Daum, Economic Development Program Manager	
ACTION:	Ordinance Resolution <u>X</u> Motion	
	Public Hearing Discussion	

PROBLEM/ISSUE STATEMENT:

The City Manager has approved an application by Shoreline Multifamily, LLC for a Multi-Family Limited Property Tax Exemption (MFTE; also known as PTE for Property Tax Exemption) on a project at 18551 Aurora Avenue N. The applicant has agreed to a contract with the City stating that the residential improvements of their projects will be exempt from property taxation for 12 years in exchange for providing affordable housing and other conditions. Shoreline Municipal Code (SMC) Section 3.27.060 specifies that City Manager approval of this contract is subject to approval by the City Council. Tonight, staff is seeking Council approval of this MFTE contract for the project at 18551 Aurora Avenue N.

RESOURCE/FINANCIAL IMPACT:

During the development of an MFTE project, the value of the improvements is taxable until the City certifies completion of the project and compliance with MFTE requirements. On the following January 1st, the 12-year tax exemption begins, but this does not reset tax revenues. Forgone taxes are only those levied on the difference between the value assessed during construction and full value upon completion. The balance will not be added to the assessed value until the 13th year. When the assessor last valued properties, construction had not begun so a precise estimate was not calculated.

For the purposes of this report, zero tax revenue to the City on the value of the improvements was assumed during the 12-year exemption period. However, due to the assumed increase in population, staff estimates tax revenues to the City from this project would, overall, increase despite the exemption on the improvements. Staff and consultant time is required to process applications, file annual reports to the state and King County, and to monitor compliance with affordable housing requirements. More detailed financial information about this project can be found in the Resource/Financial Impact Section later in this report.

RECOMMENDATION

Staff recommends that the City Council approve the MFTE contract for 18551 Aurora Avenue N.

BACKGROUND

The Multi-Family Tax Exemption (MFTE; also known as PTE for Property Tax Exemption) program was enacted by the State legislature to provide incentives to construct multifamily housing and later amended to help create affordable housing. According to the conclusions of the Growth Management Act and the legislature, multifamily housing and affordable housing are needed throughout the Puget Sound metropolitan area to help mitigate negative environmental impacts of population growth in the region.

The MFTE program provides the property owner an exemption from the *ad valorem* property taxes on new or rehabilitated housing improvements (including residential parking) for the duration of the exemption period. Shoreline has offered an MFTE program in nine designated Residential Targeted Areas for many years. Shoreline Municipal Code (SMC) Chapter 3.27 was most recently updated in 2021 by the adoption of Ordinance No. 944. The current Shoreline MFTE program requires that at least 20% of the project be affordable and provides a qualified project 12 years of exemption from property taxation.

DISCUSSION

The City Manager has approved an MFTE application by Shoreline Multifamily, LLC for a project at 18551 Aurora Avenue N. The 18551 Aurora Avenue N Project complies with all applicable requirements of RCW 84.14.060 and SMC 3.27.040. The next step in the MFTE process is for the City Council to approve or deny the contract that defines the terms under which the City will grant property tax exemptions, including binding the property to provide affordable housing for the period according to the RCW 84.14 and Chapter 3.27 SMC.

Project details include:

Location: Residential Targeted Area	18551 Aurora Avenue N : Aurora Avenue North Corridor
Units provided:	161
Affordable units provided:	33
Duration of tax exemption:	12 years
Affordability levels:	Studio and 1-bedroom units - 70% of the King County
	Area Median Income (AMI)
	2-bedroom and larger units - 80% of the King County
	AMI
Duration of affordability:	12 years
Expected completion:	March 2023
Permit number:	PLN20-0202

Next Steps

If the Council approves the proposed contract, the City Manager will issue Conditional Certificates of Property Tax Exemption to the applicant. The applicant has three years to complete the project and then may apply to the City for a Final Certificate. The City Manager may approve (or deny) the Final Certificate application without Council action. If approved, the City will file the Final Certificate with the County Assessor and the residential improvements will be exempt beginning the following January 1st.

RESOURCE/FINANCIAL IMPACT

During the development of an MFTE project, the value of the residential improvements is taxable until the City certifies completion of the project and compliance with MFTE requirements. On the following January 1st, the 12-year tax exemption on residential improvements begins, but this does not reset tax revenues for the City or other districts. That taxation—typically less than 100% of the ultimate, finished-project value—is effectively shifted to other taxpayers. If, in the event an assessment of the property is filed at 100% completion, but before issuance of a final certificate of tax exemption, the total value of the project could be added to the City's total assessed value. As an MFTE project, the exempted taxes on the improvements would, in that case be collected from taxpayers across the City. This shift to the City's approximately 22,000 households would amount to approximately \$30,000 in City share of property taxes, or \$1.5 per household per year.

The tax foregone is only that amount levied on the difference between the assessed value when evaluated during construction and upon completion. The balance will not be added to the assessed value until the 13th year. When the Assessor last valued properties, construction had not begun so a precise estimate was not calculated. For the purposes of this report, zero tax revenue to the City on the value of the improvements was assumed during the 12-year exemption period. However, due to the assumed increase in population, staff estimates tax revenues to the City overall would increase despite the exemption on the improvements.

Staff and consultant time is required to process applications, file annual reports to the state and King County, and to monitor compliance with affordable housing requirements.

Tax Exemption Savings

While the Assessor's data won't be available until the project is constructed, rough estimates based on other Shoreline MFTE projects suggest that over the 12 years of exemption, the owner will save somewhere between \$340,000 to \$360,000 in City taxes and \$3.2 million to \$3.4 million from all taxing districts (about \$103,000 per affordable unit).

Public Benefit Calculation

Current income and rent limits are attached to this staff report. Using the reported market rents of another new, nearby property, the City estimates the 12-year value of the affordable housing (the public benefit) to be approximately \$3,000,000, or \$90,000 per affordable unit. (This "rent gap" could turn out to be higher or lower, depending on relative changes between market and affordable rents over time.)

Limited Fiscal Analysis

Although the valuation of the project may not be fully on the City's tax rolls for 12 years, therefore lowering the amount of new property tax collected, there are other revenue streams that will be generated by the project and the occupants of the units to off-set

the costs of providing services to the new residents. These include one-time revenues and on-going revenues, which are highlighted below.

Estimated One-time City Revenues

One-time revenues for this project include the following:

- Real Estate Excise Tax (REET) is collected when a property is sold. The REET collected by the City on the developer's purchase of this property is estimated at approximately \$47,500.
- Sales & Use Tax: Sales and use tax is collected by the City on construction when a project is developed in Shoreline. The City's share of sales taxes, which are collected on the total of a project's hard and soft costs, are estimated at \$285,383 for this project.
- Impact Fees: The City currently collects park and transportation impact fees for all new residential units (single-family and multi-family). For this project, based on transportation impact analysis performed by a third-party consultant, transportation impact fees of \$1,652 per unit were collected. Park impact fees of \$2,838 per unit were collected. In total, \$722,872 in impact fees were collected for the 161 units of this Project. While impact fees are designed to ensure concurrency with a level of service as a result of the growth in population, they also contribute to prioritized projects of benefit to the whole community.

In total, it is anticipated that this project will pay the City an estimated \$1,055,755 in one-time taxes and fees, not including permit fees. This is outlined in Table 1 below:

Tuble 1. Estimated one time only Revenues (10001 Autora Avenue Ny		
REET on Land Sale	\$47,500	
Sales Tax of 1.05% (Construction)	\$285,383	
Impact Fees (161 Units X \$4,490)	\$722,872	
Total	\$1,055,755	

Table 1: Estimated One-time City Revenues (18551 Aurora Avenue N)

<u>On-Going Revenues</u>

On-going revenues for the project include the following:

- Sales & Use Tax: As new residents occupy the multi-family units, they buy goods in Shoreline that generate sales tax. On average, staff estimates that each resident of a multi-family unit generates approximately \$202.43 per year of sales taxes in Shoreline.
- Utility Taxes: All residents of multi-family housing use a variety of utilities which are subject to utility taxes and franchise fees. This includes water, wastewater, solid waste, electricity, natural gas, cable, telecommunications, and surface water. On average, staff estimates that each resident of a multi-family unit generates approximately \$114.77 per year of utility taxes.
- State Shared Revenues: Many of the state shared revenues distributed to the City are based on a per capita basis. Assuming that the average multi-family unit occupancy is two people per unit, each resident of a unit generates approximately \$36.15 per year of state shared revenues.

Table 2 below provides a comparison of estimated on-going annual City revenues from the property prior to the development, the annual revenues during the 12-year property tax exemption period, and the annual revenues following the expiration of the 12-year tax exemption period. This project is under construction on a former commercial property. Due to confidentiality laws, tax data pertaining to an individual taxpayer was not available for staff's analysis of the preexisting use. For a rough estimate, staff determined an equivalent of 100 taxpayers residing on the property could be substituted. As such, the pre-redevelopment City revenues from the property and business located on it are estimated to have been approximately \$45,500 per year. Despite the tax exemption on the improvements, this total would more than double during the 12-year tax exemption period to approximately \$113,100 per year. By staff's analysis, 91% of those ongoing annual revenues could be attributed to the new residents, not the building developer or owner. Following the expiration of the tax exemption, the addition of the higher assessed value of the new improvements could bring this total to approximately \$185,800 in revenues to the City, 55% of which could be attributed to the new residents.

SECTION 5 - ENFORCEMENT

A. <u>Enforcement Provisions.</u> The Owner shall exercise reasonable diligence to comply with the requirements of this Contract and shall correct any noncompliance within sixty (60) calendar days after such noncompliance is first discovered by the Owner, or would have been discovered by the exercise of reasonable diligence, or within 60 calendar days after the Owner receives notice of such noncompliance from the City, whichever is earliest;

MFTE contract-18551_Aurora FINAL (9.8.21) (003).@ocx

provided however, that such period for correction may be extended by the City if the Owner is exercising due diligence to correct the noncompliance. If such noncompliance remains uncured after such period, then the Owner shall be in default and the City on its own behalf may take any one or more of the following actions:

(1) By any suit, action or proceeding at law or in equity, require the Owner to perform its obligations under this Contract, or enjoin any acts or things which may be unlawful or in violation of the rights of the City hereunder; it being recognized that the beneficiaries of the Owner's obligations hereunder cannot be adequately compensated by monetary damages in the event of the Owner's default;

(2) Have access to, and inspect, examine and make copies of, all of the books and records of the Owner pertaining to the Project; provided, however, the City shall not divulge such information to any third party unless required by law or unless the same is necessary to enforce the City's rights hereunder; and

(3) Take such other action at law or in equity as may appear necessary or desirable to enforce the obligations, covenants, conditions, and agreements of the Owner under this Contract.

SECTION 6 - CANCELLATION OF TAX EXEMPTION

A. The City reserves the right to cancel the Final Certificate should the Owner, its successors and assigns, fail to comply with any of the terms and conditions of this Contract, Chapter 3.27 SMC, or for any reason that the Project or that portion of the Property on which the Project is constructed no longer qualifies for the tax exemption.

B. Upon determining that a tax exemption is to be canceled, the City Manager shall notify the Owner by certified mail, return receipt request. The Owner may appeal the determination in accordance with SMC 3.27.100.

C.  *Participates in alternative state incentive program offering full property tax exemption; the City's MFTE program acts as backup.

The Income and Rent Limits published here are effective now for properties in the City of Shoreline's Affordable Housing Program receiving initial leasing/certification or new move in occupancy on or after April 1, 2021. On April 16, 2020, the Governor of Washington State issued Proclamation 20-19.1, an order which prohibits landlords, property owner and property managers "from increasing or threatening to increase the rate of rent or the amount of any deposit for any dwelling or parcel of land occupied as a a dwelling' anywhere in the State through June 30, 2021. Therefore, regardless of the updated rent limits, rental properties must continue to abide by

Governor Inslee's Proclamation which prohibits rent increases, until June 30, 2021.

2021 INCOME AND RENT LIMITS

Based on the King County (Seattle-Bellevue) Median Income:

CITY OF SHORELINE

\$115,700 for a 4-person household

The rent and income limits shown below apply to all MFTE projects except those with height bonuses in the MUR-70 zone. Projects in MUR-70 that don't use the height bonus do follow these rent and income limits

Income Limits:

The City of Shoreline utilizes the annual MTSP limits for King County as provided through the Washington State Housing Finance Commisison, calculated annually by the Department of Housing and Urban Development (HUD) using established HUD formulas.

Rent Limits:

The published Maximum Rent on this schedule includes all utilities and mandatory expenses paid by the resident. Any mandatory out of pocket expenses paid by the resident must be deducted from the Maximum Rent on this schedule. Mandatory expenses include items such as (but not limited to): electricity, gas, water/sewer, garbage, renter's insurance. Note: The City of Shoreline does not allow the apartment and parking to be 'unbundled' from each other, therefore, one parking space (if 1:1 ratio) is required to be included in the rent at no additional charge to the resident.

Other Expense Allowances: The City of Shoreline utilizes the annual Utility Allowances and Other Expenses as published by King County (UA's) and ARCH (Renters Insuranced) and updated, as applicable.
