**ISSUE STATEMENT:**

Lesbian, Gay, Bisexual, Transgender and Queer (LGBTQ) Pride Month is celebrated every year in the month of June to honor the 1969 Stonewall Uprising in New York City. The Stonewall Uprising was a tipping point for the Gay Liberation Movement in the United States. The purpose of the commemorative month is to recognize the impact that lesbian, gay, bisexual and transgender individuals have had on history locally, nationally, and internationally.

Although much progress has been made through more inclusive LGBTQ policies, discrimination still occurs. The 2019 National School Climate Survey of LGBTQ youth found 95% heard homophobic remarks at school and 86% experienced harassment or assault because of their personal characteristics. The survey also found that 59% of LGBTQ students felt unsafe at school because of their sexual orientation and 42.5% felt unsafe because of their gender expression. By issuing a Pride Month proclamation, Shoreline will be joining many other cities in demonstrating that Shoreline is welcoming and committed to being an inclusive city to the LGBTQ community and for all.

This year the [Progress Pride Flag](#) will fly at City Hall for the month of June in support of our many Shoreline residents and City employees who identify as LGBTQ, or have friends and family who do. The Progress Pride flag was created by Portland, Oregon graphic designer Daniel Quasar in 2018 to emphasize inclusion. The flag includes a chevron with black and brown stripes to represent marginalized LGBTQ communities of color, and the Transgender Pride Flag colors of pink, light blue and white.

**RECOMMENDATION**
