CITY OF SHORELINE, WASHINGTON

AGENDA TITLE:	Authorize the City Manager to Execute an Interlocal Agreement with King County for Jail Services Through December 31, 2024
DEPARTMENT:	City Manager’s Office
PRESENTED BY:	Isa Hirata, CMO Fellow Christina Arcidy, Management Analyst
ACTION:	<input type="checkbox"/> Ordinance <input type="checkbox"/> Resolution <input checked="" type="checkbox"/> Motion <input type="checkbox"/> Discussion <input type="checkbox"/> Public Hearing

PROBLEM/ISSUE STATEMENT:

The City currently has contracts for jail services with the following three facilities: South Correctional Entity (SCORE) Regional Jail, Yakima County Jail, and the King County Jail in downtown Seattle. SCORE is the City’s primary jailing and booking facility, housing approximately 95% of inmates being held pre-disposition. Inmates being held post-disposition with sentences longer than three days have historically been transferred to Yakima County Jail, however due to COVID-19 the City suspended the use of the Yakima County Jail. Yakima has recently let the City know they will terminate the City’s contract with them as of December 31, 2022, as they will no longer be providing contracted jail services to city partners. The King County Jail in downtown Seattle is used when a defendant is booked or jailed on charges from multiple jurisdictions or on felony and City misdemeanor charges.

Tonight, staff is seeking Council authorization to execute a new interlocal agreement with King County for use of the King County Jail. This proposed two-year agreement with King County would become effective January 1, 2023 and terminate December 31, 2024.

RESOURCE/FINANCIAL IMPACT:

The 2023 proposed criminal justice budget is \$2,435,517. Of that amount, \$1,325,000 is allocated toward jail services. The King County Jail budget is estimated to be \$200,000, representing 15% of the jail budget.

RECOMMENDATION

Staff recommends that the City Council authorize the City Manager to execute the Interlocal Agreement with King County for jail services.

Approved By: City Manager **DT** City Attorney **MK**

BACKGROUND

The City of Shoreline is required by law to arrange for the booking and housing of its misdemeanor population. This requirement only relates to adults who commit offenses, as those committed by defendants less than 18 years of age and all felony offenses are the responsibility of King County. As the City of Shoreline does not own its own jail facility, the City has contracted with multiple jail providers to house its inmates since incorporation.

DISCUSSION

Tonight, Council is scheduled to take action on an interlocal agreement for Jail Services with the King County Jail.

COVID-19 Impacts to City's Jail Usage

Since March 2020, the City has implemented several measures to decrease the potential spread of COVID-19 in the regional criminal justice system. SCORE Jail only accepted mandatory bookings starting in March 2020 and therefore billed contract cities for actual beds used rather than the standard Guaranteed Bed rate. The King County Jail suspended its work release program on March 24, 2020, in addition to other efforts to keep COVID-19 out of the jail. The work release program was permanently closed on January 1, 2021. Shoreline Police have worked to keep themselves and the community safe by reducing contact with individuals, making fewer arrests and referrals to jails.

King County Jail Interlocal Agreement

The City's current Interlocal Agreement (ILA) with King County for Jail Services, effective for a term of two years, expires on December 31, 2022. The County is proposing a two-year agreement for contract cities effective January 1, 2023 and terminating December 31, 2024. The ILA outlines increases to the daily rates consistent with past increases, which are based on the Consumer Price Index for Wage Earners (CPI-W). Other than the increase in jail rates, the ILA is substantially similar to the City's current agreement with King County.

Comparing the City's two contracted jail providers, SCORE and King County, the King County Jail has the higher daily rate. SCORE remains the City's best option for primary bookings, as displayed in the following table:

Jail Daily Rates	2019	2020	2021	2022	2023
King County Jail	\$197.19	\$202.75	\$210.19	\$225.80	\$256.90
SCORE Jail Guaranteed Bed	\$124	\$128	\$128	\$131.84	\$138.43
SCORE Jail Non-Guaranteed Bed	\$180	\$184	\$184	\$189.52	\$199

While King County Jail is more expensive per day, the City emphasizes its use only when a misdemeanor defendant has charges from multiple jurisdictions or has medical or behavioral health needs that exceed the capability of SCORE Jail, which is rare. Additionally, if SCORE Jail was ever to be at capacity (which is also very unlikely), having a second jail contract would be critical to safely house the City’s misdemeanor defendants. For these reasons, staff recommends that the Council authorize the City Manager to enter into a renewed ILA with King County for jail services. The proposed ILA with King County for jail services is attached to this report as Attachment A.

RESOURCE/FINANCIAL IMPACT

The 2023 proposed criminal justice budget is \$2,435,517. Of that amount, \$1,325,000 is allocated toward jail services. The King County Jail budget is estimated to be \$200,000, representing 15% of the jail budget.

RECOMMENDATION

Staff recommends that the City Council authorize the City Manager to execute the Interlocal Agreement with King County for jail services.

**Interlocal Agreement Between
King County and The City of Shoreline
for Jail Services**

THIS AGREEMENT is effective as of January 1, 2023 ("Effective Date"). The Parties to this Agreement are King County, a Washington municipal corporation and legal subdivision of the State of Washington (the "County") and The City of Shoreline, a Washington municipal corporation (the "City").

WHEREAS, this Agreement is made in accordance with the Interlocal Cooperation Act (RCW Chapter 39.34) and the City and County Jails Act (RCW Chapter 70.48);

NOW THEREFORE, in consideration of the promises, payments, covenants and agreements contained in this Agreement, the parties agree as follows:

1. **Definitions:** Unless the context clearly shows another usage is intended, the following terms shall have these meanings in this Agreement:
 - 1.1 "Agreement" means this Interlocal Agreement by and between King County and the City for Jail Services and any amendments to this Agreement.
 - 1.2 "Booking" means registering, screening and examining persons for confinement in the Jail or assignment to a King County Community Corrections Division (CCD) program; inventorying and safekeeping personal property of such persons; maintaining all computerized records of arrest; performing warrant checks; Jail Health Services (JHS) health screening; and all other activities associated with processing a person for confinement in Jail or assignment to a CCD program.
 - 1.3 "Booking Fee" means the fee incurred for booking City Inmates, as further described in Exhibit III, Section 2.
 - 1.4 "Business Day" means Monday through Friday, 8:00 a.m. until 5:00 p.m., except emergency facility closures, holidays and County-designated furlough days.
 - 1.5 "City Detainee" means a person booked into or housed in a Secure Detention facility such as the Jail but also including any other Secure Detention facility not operated by or on behalf of the County, which individual would, if housed in the Jail, qualify as a City Inmate.
 - 1.6 "City Inmate" means a person booked into or housed in the Jail when a City charge is the principal basis for booking or confining that person.
- A. A City charge is the principal basis for booking or confining a person where one or more of the following applies, whether pre-trial or post-trial. (See Exhibit I for further billable charge rules.):

Interlocal Agreement: Jail Services – City of Shoreline

-
- 1.6.1 The person is booked or confined by reason of committing or allegedly committing a misdemeanor or gross misdemeanor offense within the City’s jurisdiction, and:
- 1.6.1.1 The case is referred to the City, through its City Attorney or contracted attorney, for a filing decision; or
 - 1.6.1.2 The case is referred to the City, through its City Attorney or contracted attorney, who then refers the case to the County Prosecutor for a filing decision per section 1.6.2; or
 - 1.6.1.3 The case is filed by the City, through its City Attorney or contracted attorney, whether filed under state law or city ordinance.
- 1.6.2 The person is booked or confined by reason of committing or allegedly committing a misdemeanor or gross misdemeanor offense, whether filed under state law or city ordinance, within the City’s jurisdiction and the case is referred by the City, through its City attorney or contracted attorney, to the County prosecutor and filed by the County prosecutor as a misdemeanor in district court due to a conflict or other reason but excluding a case filed in a regionally-funded mental health court as described in Section 1.6.10.
- 1.6.3 The person is booked or confined by reason of a Court warrant issued either by the City's Municipal Court or other court when acting as the City's Municipal Court;

- 1.6.5 The person is booked or confined by reason of subsections 1.6.1 through 1.6.4 above in combination with charges, investigation of charges, and/or warrants of other governments, and the booking or confinement by reason of subsections 1.6.1 through 1.6.4 above is determined to be the most serious charge in accordance with Exhibit I.
- 1.6.6 The person has been booked or confined for reasons other than subsections 1.6.1 through 1.6.5 and would be released or transferred but for the City having requested that the County continue to confine the person.
- B. A City charge is not the principal basis for confining a person where:
- 1.6.7 The person is booked or confined exclusively or in combination with other charges by reason of a felony charge or felony investigation.
- 1.6.8 The person is confined exclusively or in combination with other charges by reason of a felony charge or felony investigation that has been reduced to a State misdemeanor or gross misdemeanor.
- 1.6.9 The City has requested the transfer of the person to another jail facility not operated by King County and the County denies the request, unless one or more of the transfer exception criteria listed in Attachment I-2 are met, in which case the person remains a City Inmate. The billing status of the person will change to no longer be the City’s responsibility effective the calendar day following the day that the County denies the transfer request. If the County thereafter determines that it no longer needs to detain the person and the person would as a result become a City Inmate, then the County will provide notice to the City that it will become billable for the Inmate. For details on notice and billing, see Attachment I-2.

Interlocal Agreement: Jail Services – City of Shoreline

-
- 1.6.10 The person is booked or confined by reason of committing a misdemeanor or gross misdemeanor offense, whether filed under state law or city ordinance, within the City’s jurisdiction and the case is referred by the City attorney or contracted attorney to the County prosecutor and filed by the County prosecutor as a misdemeanor in the mental health court (or successor) for so long as the operations of such court are substantially funded by special regional funds (for example, Mental Illness and Drug Dependency sales tax levy) or other regional funding as the County may determine. The County shall provide the City thirty (30) days Notification before changing the status of a regionally-funded mental health court to local funding status. The City is not billed for cases filed by the County prosecutor into mental health court prior to changing to local funding status.
- 1.7 “Community Corrections Programs” means programs designed as alternatives to, or as rehabilitation or treatment in lieu of, Secure Detention, operated by or on behalf of the King County Department of Adult and Juvenile Detention (DAJD) Community Corrections Division, or its successor. Upon the date of the execution of this Agreement, Community Corrections Programs include Electronic Home Detention and Community Center for Alternative Programs (CCAP).
- 1.8 “Continuity of Care Records” means an Inmate’s diagnosis, list of current medications, treatments, PPD (tuberculosis screening test) results and scheduled appointments or follow-ups.
- 1.9 “Contract Cities” mean cities that are signatory to an agreement in substantially similar form to this Agreement. Contract Cities do not include cities who are a party to the 2012-2030 Agreement.
- 1.10 “Contract Cities Inmates” means all Contract Cities' City Inmates.
- 1.11 “County Inmate” means any Inmate that is not a City Inmate.
- 1.12 “DAJD” means the King County Department of Adult and Juvenile Detention or its successor agency.
- 1.13 “Fees and Charges” are the Fees and Charges imposed as described in Section 4 and Exhibit III.
- 1.14 “Force Majeure” means war, civil unrest, and any natural event outside of the party’s reasonable control, including pandemic, fire, storm, flood, earthquake or other act of nature.
- 1.15 “Inmate” means a person booked into or housed in the Jail.
- 1.16 The first "Inmate Day" means confinement for more than six (6) hours measured from the time such Inmate is first presented to and accepted by the Jail for housing in the Jail until the person is released, provided that an arrival on or after six (6) o'clock p.m. and continuing into the succeeding day shall be considered one day. The second and each subsequent Inmate Day means confinement for any portion of a calendar day after the first Inmate Day. For persons confined to the Jail for the purpose of mandatory Driving Under the Influence (DUI) sentences, "Inmate Day" means confinement in accordance with Exhibit II.

-
- 1.17 “Jail” means a place owned or operated by or under contract to the County primarily designed, staffed, and used for the housing, in full confinement, of adults charged or convicted of a criminal offense; for the punishment, correction, and rehabilitation of offenders charged or convicted of a criminal offense; for confinement during a criminal investigation or for civil detention to enforce a court order, all where such place is structured and operated to ensure such individuals remain on the premises 24-hours a day (excluding time for court appearances, court approved off-premises trips, or medical treatment). Inmates housed in the Jail are considered to be in Secure Detention as defined in Section 1.37. Upon the date of the execution of the Agreement, Jail includes the King County Correctional Facility and the detention facility at the Maleng Regional Justice Center.
- 1.18 “Maintenance Charge” is the daily housing charge incurred for City Inmates housed in Jail as further described in Exhibit III, Section 1.

- 1.20 “Notification” means provision of written alert, confirmation of information or request meeting the requirements of Section 11.11. In contrast, a “notice” means providing alert or confirmation of information or request in writing to the individuals identified in Section 11.11, or their designee (as may be specified through a formal Notification) through means less formal than required by Section 11.11, including but not limited to electronic mail or facsimile.
- 1.21 “Official Daily Population Count” is an official count of Inmates in the custody of the Jail made at a point in time in a 24-hour period for, among other purposes, security and population management. It is not used for billing purposes.
- 1.22 “Offsite Medical Care Charges” means those pass-through charges for treatment of a City Inmate where that Inmate is clinically determined by the Seattle-King County Department of Public Health, or its successor charged with the same duties, as needing services provided from offsite medical institutions, as further defined in Exhibit III Section 4. An Inmate may receive Offsite Medical Care that triggers an Offsite Medical Care Charge without being otherwise classified as a Medical Inmate or Psychiatric Inmate (e.g., some Inmates held in the general population receive offsite medical care that will result in Offsite Medical Care Charges being incurred).
- 1.23 “Psychiatric Inmate” means either an Acute Psychiatric Inmate or a Non-Acute Psychiatric Inmate, as defined below.
- 1.23.1 A “Non-Acute Psychiatric Inmate” is an Inmate clinically determined by the Seattle-King County Department of Public Health, or its successor charged with the same duties, as needing Psychiatric Care Services (as further described in Exhibit III and Attachment III-1) and housed outside the Jail’s acute psychiatric housing units.

Interlocal Agreement: Jail Services – City of Shoreline

-
- 1.23.2 An “Acute Psychiatric Inmate” is an inmate clinically determined by the Seattle-King County Department of Public Health, or its successor charged with the same duties, as needing the level of services provided in the Jail’s acute psychiatric housing units (as further described in Exhibit III and Attachment III-1). If an Inmate is moved to housing outside the Jail’s acute psychiatric housing units then the Inmate is no longer considered an Acute Psychiatric Inmate.
- 1.24 “Parties” mean the City and County, as parties to this Agreement.
- 1.25 “Secure Bed Cap for Contract Cities” means the maximum total number of beds in Secure Detention in the Jail available on a daily basis to house Contract Cities Inmates in the aggregate. The Secure Bed Cap for Contract Cities is based on the Official Daily Population Count and is established in Section 6.
- 1.26 “Secure Detention” refers to a facility structured and operated for the full confinement of City Detainees to ensure such individuals remain on the premises 24-hours a day (excluding time for court appearances, court approved off-premises trips, or medical treatment), such as the Jail but also including other similar facilities that the City may elect to house City Detainees. Secure Detention excludes City Inmates enrolled in Community Corrections Programs.
- 1.27 “Surcharge” means any of the following special charges, defined in Exhibit III, Section 3 and further described in Attachment III-1: Infirmity Care Surcharge; Non-Acute Psychiatric Care Surcharge; Acute Psychiatric Care Surcharge; and 1:1 Guarding Surcharge.
- 1.28 “2012-2030 Agreement” means the agreement executed by the County and the City of Seattle effective on January 1, 2012, together with any other interlocal agreement in substantially the same form of said agreement executed by the County and another city.
- 1.29 “Base Year” refers to the year in which the base fees, charges and surcharges are set.
2. Term. This Agreement shall commence on the Effective Date and shall extend through December 31, 2024. This Agreement shall supersede all previous contracts and agreements among the Parties relating to the Jail and any other jail services, except that any obligations contained in these previous contracts or agreements which expressly survived termination or expiration of these previous contracts or agreements shall remain in effect.
3. Jail and Health Services. The County shall accept City Inmates for confinement in the Jail, except as provided in Sections 5.4, and 6 of this Agreement. The County shall also furnish the City with Jail facilities; booking; transportation among facilities, as determined necessary in the County’s sole discretion, including the various Jail facilities, Harborview Medical Center and Western State Hospital; custodial services; and personnel for the confinement of City Inmates at least equal to those the County provides for confinement of County Inmates. However, the County reserves the right to operate specific programs and/or facilities exclusively for County Inmates or persons sentenced or assigned to Community Corrections Programs. The County shall furnish to City Inmates in Secure Detention all medical, dental, and other health care services required to be provided pursuant to federal or state law. Also, the County shall make every reasonable effort to release a City Inmate as expeditiously as possible after the County has received notice of a court order to release. Nothing in this section shall be deemed to limit the County’s right to refuse to accept City Detainees for confinement in Jail when they are deemed by the County to be in need

Interlocal Agreement: Jail Services – City of Shoreline

of urgent medical or psychological care, nor to return custody of such inmates back to the City if the City Detainee is admitted to the hospital or psychiatric facility.

4. City Compensation. The City will pay the County a Booking Fee, Maintenance Charge, Surcharges, and Offsite Medical Charges as follows (together with such other charges as may be applicable in accordance with this Agreement):
 - 4.1 Booking Fee. The Booking Fee shall be assessed for the booking of City Inmates by or on behalf of the City into the Jail as further described in Exhibit III, Section 2. The Booking Fee will be inflated effective January 1, 2023.
 - 4.2 Maintenance Charge. The Maintenance Charge shall be assessed for a City Inmate for each Inmate Day as provided in Exhibit III, Subsection 1. The Maintenance Charge will be inflated effective January 1, 2023.
 - 4.2.1 The County will provide notice to the City after booking a City Inmate in order to give notice that the City Inmate has been booked and to provide the opportunity for release to the City if the City so desires. Such action will take place as soon as reasonably possible but no later than the next business day after booking. A City Inmate released within six hours of booking will result in no Maintenance Charges.
 - 4.2.2 The County will provide notice to the City of the billing status of its Inmates for the prior calendar day in cases where confinement is the result of multiple warrants or sentences from two or more jurisdictions. As of the date of this Agreement, this notice is provided to the City once each business day when applicable. The intent of this program is to allow the City to take custody of a City Inmate if they so desire after the other jurisdictional warrants are resolved and thereby prevent unnecessary Maintenance Charges.
 - 4.2.3 The Parties may amend the notice requirements of Sections 4.2.1 and 4.2.2 by administrative agreement signed by both the Chief Executive Officer of the City and the King County Executive.
 - 4.3 Access to and Charges for City Inmate Use of Community Corrections Programs. The Parties agree to discuss in good faith the ability for the City to access Community Corrections Programs, and to negotiate charges for such access. Any agreement between the Parties with respect to access and charges for Community Corrections Programs shall be enacted through an amendment to this Agreement.
 - 4.4 Surcharges and Offsite Medical Charges. In addition to the Booking Fee, Maintenance Charge, and any other charges agreed to per Section 4.3, the City will be charged for Offsite Medical Charges and Surcharges as detailed in Exhibit III, Section 3 and 4.
 - 4.4.1 Proposed Notice of Certain Surcharges. The County intends to provide or make available to the City timely notice of occurrences when a City Inmate is transported to Harborview Medical Center or other offsite medical institution, or is receiving infirmary care or psychiatric care that will subject a City to Surcharges. Notice provided or made available will be based on information known to DAJD at the time (since billing status of an Inmate may be changed retroactively based on new information or other factors). The County intends to provide or make available this notice within two (2) business days following the day in which the chargeable

event occurs and will make good faith efforts to provide notice sooner if practicable. The County will make good faith efforts to try to institute a means to provide notice to the City within twenty-four (24) hours of the admittance of a City Inmate to Harborview Medical Center or other offsite medical institution. The County's failure to provide or make available notice or develop quicker means to provide notice to the City as detailed above shall not excuse the City from financial responsibility for related Offsite Medical Charges or Surcharges and shall not be a basis for imposing financial responsibility for related Offsite Medical Charges or Surcharges on the County.

5. Billing and Billing Dispute Resolution Procedures.

5.1 The County shall transmit billings to the City monthly. Within forty-five (45) days after receipt, the City shall pay the full amount billed or withhold a portion thereof and provide the County written notice meeting the requirements of Section 5.2.1, specifying the total amount withheld and the grounds for withholding such amount, together with payment of the remainder of the amount billed (if any amount remains). Notwithstanding the foregoing, the County shall bill the City for Offsite Medical Charges as such charges are periodically received by the County from third party medical institutions or other offsite medical providers. Offsite Medical Charges shall be due within such time and subject to such withholding and dispute resolution procedures as otherwise provided in this Section 5.

5.2 Withholding of any amount billed or alleging a violation related to billing provisions of this Agreement shall constitute a dispute, which shall be resolved as follows:

5.2.1 The County shall respond in writing to billing disputes within sixty (60) days of receipt of such disputes by the DAJD billing offices. To ensure the soonest start to the sixty (60)-day timeline, the City should electronically mail scanned billing disputes directly to the DAJD billing office, or by fax, or U.S. mail rather than to any other County office or officer. The DAJD billing office contact information as of the date of this Amendment is:

KC DAJD
 DAJD-AP@kingcounty.gov
 Attn: Finance – Inmate Billing
 500 Fifth Avenue
 Seattle, WA 98104

5.2.2 In the event the parties are unable to resolve the dispute, either Party may pursue the dispute resolution mechanisms outlined in Section 9.

5.3 Any amount withheld from a billing, which is determined to be owed to the County pursuant to the dispute resolution procedure described herein, shall be paid by the City within thirty (30) days of the date of the resolution.

5.4 If the City fails to pay a billing within forty-five (45) days of receipt, the County will provide the City with a notice of its failure to pay and the City shall have ten (10) days from receipt of such notice to cure nonpayment. Any undisputed billing amount not paid by the City within sixty (60) days of receipt of the billing, and any amounts found to be owing to the County as a result of the billing dispute resolution procedure that are not paid

Interlocal Agreement: Jail Services – City of Shoreline

within thirty (30) days of resolution, shall be conclusively established as a lawful debt owed to the County by the City, shall be binding on the Parties, and shall not be subject to legal question either directly or collaterally. In the event the City fails to cure its nonpayment, the City shall be deemed to have voluntarily waived its right to house City Inmates in the Jail and, at the County's request, will remove City Inmates already housed in the Jail within thirty (30) days. Thereafter, the County, at its sole discretion, may accept no further City Inmates until all outstanding bills are paid. This provision shall not limit the City's ability to challenge or dispute any billings that have been paid by the City.

- 5.5 The County may charge an interest rate equal to the interest rate on the monthly County investment earnings on any undisputed billing amount not paid by the City within forty-five (45) days of receipt of the billing, and any amounts found to be owing to the County as a result of the billing dispute resolution procedure. Interest on amounts owed begin accruing on the forty-sixth (46) day after payment was due.
- 5.6 Each Party may examine the other's financial records to verify charges. If an examination reveals an improper charge, the next billing statement will be adjusted appropriately. Disputes on matters related to this Agreement which are revealed by an audit shall be resolved pursuant to Section 5.2.
6. Jail Capacity.
- 6.1 The Contract Cities may house Contract Cities Inmates in the Jail at an aggregate number, calculated based on the Jail's Official Daily Population Count, equal to or less than the Secure Bed Cap for Contract Cities established in Sections 6.1.1.
- 6.1.1 Through December 31, 2024, the Secure Bed Cap for Contract Cities in the aggregate is fifty (50) beds. These fifty (50) beds shall be available on a first-come, first-served basis measured at the time of the Jail's Official Daily Population Count.
- 6.2 In the event the number of Contract Cities Inmates exceeds the Secure Bed Cap for Contract Cities described in Section 6.1, the County will notify the Contract Cities by phone or electronic mail. The County may then decide to continue to house Contract Cities Inmates in excess of the Secure Bed Cap for Contract Cities. Alternatively, the County may refuse to accept bookings from the City until such time as the aggregate number of Contract Cities Inmates is reduced below the Secure Bed Cap for Contract Cities. If the aggregate number of Contract Cities Inmates is reduced below the Secure Bed Cap for Contract Cities through removal of Contract Cities Inmates from the Jail, then the County will be obligated to accept new City bookings. The notice required by the first sentence of this Section 6.2, will be made to the person designated in Section 13.10 of this Agreement, and will inform the City whether the County intends to continue to house Contract Cities Inmates in excess of the Secure Bed Cap for Contract Cities described in Section 6.1, or whether the County will refuse to accept bookings from the City until such time as the aggregate number of Contract Cities Inmates is reduced below the Secure Bed Cap for Contract Cities described in Section 6.1.
- 6.3 At the end of the last day of this Agreement, the Contract City agrees to reduce the number of Contract City Inmates in the Jail to zero (0), with the exception that Inmates whose status has changed to Contract City Inmate, will not be included in the calculation of the number

Interlocal Agreement: Jail Services – City of Shoreline

of Contract City Inmates, if such individuals are removed from the Jail within seventy-two (72) hours of such change in status.

For the purpose of determining the number of Contract Cities Inmates only, and not for billing purposes, Inmates held on multiple warrants or sentences by the County which include one or more city warrants or sentences in addition to a County and/or state warrant or sentence, and Contract Cities Inmates that have been booked into the Jail and the Contract City has not been notified of such booking shall not be considered a Contract Cities Inmate . Also, Contract Cities Inmates housed in the Jail will not be considered Contract Cities Inmates for the purpose of determining the number of City Inmates.

- 6.4 The Jail’s capacity limit for Contract City Medical Inmates is thirty (30). The Jail’s capacity limit for Contract City Psychiatric Inmates is one-hundred-fifty-one (151). For the purpose of this Section the Medical and Psychiatric Inmate population will be determined following the definitions in Sections 1.21 and 1.25 at the time of the Jail’s Official Daily Population Count.
- 6.5 When the Jail has reached its capacity limit for either Medical or Psychiatric Inmates as set forth in Section 6.5, the County will provide notice to the City by phone or electronic mail. Such notification will be made to the person designated in Section 11.11 of this Agreement. At the time this notification is made the County may request that the City take custody of a sufficient number of its Medical or Psychiatric Inmates to reduce the number of Medical or Psychiatric Inmates to the capacity limits detailed in Section 6.5, or the County may inform the City that the County is willing to continue to house these Inmates.
- 6.6 County requests under Section 6.5 will be made as follows. The billable city (under this Agreement or other jail service agreements between the County and cities that have identical provisions as this Section) with the Inmate most recently admitted as Medical or Psychiatric Inmate will be asked to take custody of that inmate. This process will be repeated until such time as the Medical and Psychiatric populations are reduced below capacity limits, or the Jail is willing to house these Inmates.
- 6.7 If the County, pursuant to Sections 6.5 and 6.6, requests that the City take custody of Medical or Psychiatric Inmates, the City shall comply with the County’s request. The City shall take custody of its¹ Medical or Psychiatric Inmates by picking them up no later than twenty-four (24) hours after the County’s request. If the City has not picked-up the Medical or Psychiatric Inmate within twenty-four (24) hours of the County’s request, the County shall deliver the Medical or Psychiatric Inmate to the City’s designated drop-off location or backup location. In either case, the City’s designee must accept the Medical or Psychiatric Inmate from the County and must be available to do so seven (7) days a week, twenty-four (24) hours a day. In all cases, the County shall provide the receiving entity

¹ Within eight (8)-hours of the County’s request, the City may provide the County with the names of other Medical Inmates to substitute for the Medical Inmates identified for pick-up by the County. In the event the City identifies substitute Medical Inmates that are City Inmates, the provisions of Section 6 will continue to apply. In the event the City identifies substitute Medical Inmates that are the responsibility of a different city (Substitute City) that is party to this Agreement or a jail services agreement with the King County containing these same provisions, the Substitute City will be responsible for picking-up the substitute Medical Inmates within 24-hours of the initial request for pick-up. In the event the Substitute City fails to pick-up its Medical Inmates within 24-hours of initial notification to the City, the County may deliver the Medical Inmates named in the original notification to the City’s designated drop-off location or backup location. The procedures outlined in this footnote will also apply to Psychiatric Inmates.

with Continuity of Care Records, in a sealed envelope, at the time custody is transferred. In no case will the County be obligated to transport a Medical or Psychiatric Inmate out-of-state.

7. Jail Planning.

The Parties agree to make good-faith efforts to share this information regularly. Furthermore, should the County begin planning for potential changes in jail space or models, the County will make good-faith efforts to provide notice to the City that such planning is underway, so that the City has an opportunity to participate in planning efforts.

8. Indemnification.

- 8.1 The County shall indemnify and hold harmless the City and its officers, agents, and employees, or any of them, from any, and all claims, actions, suits, liability, loss, costs, expenses, and damages of any nature whatsoever, by reason of or arising out of any negligent action or omission of the County, its officers, agents, and employees, or any of them. In the event that any suit based upon such a claim, action, loss, or damage is brought against the City, the County shall defend the same at its sole cost and expense; provided, that, the City retains the right to participate in said suit if any principle of governmental or public law is involved; and if final judgment be rendered against the City and its officers, agents, and employees, or any of them, or jointly against the City and the County and their respective officers, agents, and employees, or any of them, the County shall satisfy the same.

part from the existence or effect of City ordinances, rules, or regulations. If any cause, claim, suit, action or administrative proceeding is commenced in which the enforceability and/or validity of any such City ordinance, rule or regulation is at issue, the City shall defend the same at its sole expense and if judgment is entered or damages are awarded against the City, the County, or both, the City shall satisfy the same, including all chargeable costs and attorney's fees.

- 8.4 The terms of this Section 8 "Indemnification" shall survive the termination or expiration of this Agreement.
9. Dispute Resolution. In the event the Parties are unable to resolve a dispute, then either Party may pursue the dispute resolution provisions of this Section 9.

- 10.2. Ninety (90)-Day Termination Notification. After the ten (10) day period has run under Section 10.1 of this Agreement, the party desiring to terminate this Agreement may provide the other party ninety (90) days written termination Notification, as provided in RCW 70.48.090.

- 11.3. Law Enforcement Intake Portal. The County will offer the use of a web-based Subject Intake Portal when its Jail Management System goes live in 2021. The tool will allow law enforcement officers to log onto the system and enter all arrest, case/charge, victim, probable cause, and drug crime certificate information. This method is the County's preferred method of intake and booking. Cities that take advantage of this intake method will be able to print out or receive an electronic version of the intake information, including the ability to integrate with the JMS via web services or API integration if desired.
- 11.4. Severability. If any provision of this Agreement shall be held invalid, the remainder of this Agreement shall not be affected thereby.
- 11.5. Remedies. No waiver of any right under this Agreement shall be effective unless made in writing by the authorized representative of the party to be bound thereby. EXHIBIT I
Method of Determining Billable Charge and Agency

Process Overview

The application of all billing rules in conjunction with Section 1.6 of this Agreement comprises the method for determining the principal basis for booking or confining a person. The County's billing system examines all open and active charges and holds for each calendar day and applies the billing priority rules and tie breaker rules as set forth below. Then the billable agency is determined from the billable charge(s) or hold(s) and the application of exception rules, for example, the special DUI sentencing rule or the special six-hour rule.

Billing Priority Rules

The Billing Priority Group is determined in the following order:

1. Local felony charge(s)	A local felony charge is filed by the King County Prosecuting Attorney into a King County court.
2. Investigation holds from King County agencies or pursuant to a contract	An investigation hold is one that has been referred to the King County Prosecutor and includes King County investigation holds.
3. Department of Corrections (DOC) charge(s) pursuant to contract with DOC	Felony and misdemeanor charges adjudicated by DOC hearing examiner. Cases heard by a local court are considered local misdemeanors even if DOC is the originating agency.
4. Local misdemeanor charge(s) and city court appearance orders	Includes King County misdemeanors.
5. Other holds (contract and non-contract)	

Tie Breaker Rules

Tie breaker rules are applied in the following order to the Local Misdemeanor Priority Group (Number 4 above) when there are charges with multiple billable agencies. The first rule that applies determines the billable charge(s). The billable agency for the selected charge(s) is the billable agency.

1. Longest or only sentenced charge rule	This rule selects the charge(s) with an active sentenced charge or, if there is more than one active sentenced charge, the rule selects the charge with the longest imposed sentence length.
2. Earliest sentence rule	This rule selects the charge(s) with the earliest sentence start date.
3. Lowest sentence charge number rule	This rule selects the sentenced charge(s) with the lowest charge number as given in the DAJD booking system.
4. Arresting agency rule	This rule selects the charge(s) or hold(s) with a charge billable agency that matches the arresting agency for the booking.
5. Accumulated bail rule	This rule selects the agency with the highest total bail summed for all of the charge(s) and hold(s) for which the agency is the billable agency.
6. Lowest charge number rule	This rule selects the charge or hold with the lowest charge number as given in the DAJD booking system.

Attachment I-1: City and County Jail Charges Clarification

This document contains several examples consistent with Section 1.6 of this Agreement.

#	Situation	Jail Costs associated with these cases are:
1	Inmate booked by a city on a felony investigation, whose case is filed by the Prosecutor initially as a felony in Superior Court but subsequently amended to a misdemeanor charge (for evidentiary reasons, or entry into mental health court, or for other reasons)	County responsibility
2	Inmate booked by a city on a felony investigation and whose case is initially filed by the Prosecutor as a felony in District Court as part of a plea bargain effort (so called “expedited cases”)	County responsibility (including the expedited cases to be filed under the new Prosecutor Filing Standards).
3	Inmate booked by a city on a felony investigation, whose case is initially filed by the County Prosecutor as a misdemeanor in district court (i.e., mental health, domestic violence <u>or</u> in regular district court)	County responsibility
4	Inmate booked by a city on a felony investigation. The County prosecutor declines to file the case and refers it to a city prosecutor or law enforcement for any further action.	County responsibility prior to release of felony investigation by the County prosecutor; City responsibility from and after release of felony investigation
5	Misdemeanor or felony cases originated by state agencies (i.e., WSP)	County responsibility
6	Inmates booked by a city on a juvenile charge who are held in adult detention or become adults during the pendency of their charge or sentence.	County responsibility

Attachment I-2**Inmate Transfers: Transfer Request Exemption Criteria, Notice and Billing
(Relating to Section 1.6.9)**

- A. In the event of one or more of the following transfer exception criteria are met, a transfer may be denied by the County, in which case the person for whom the City has sought a transfer remains a City Inmate:
- (1) Inmate has medical/health conditions/ treatments preventing transfer.
 - (2) Transfer location refuses Inmate.
 - (3) Inmate refuses to be transported and poses a security risk.
 - (4) Inmate misses transport due to being at court or other location.
 - (5) City refuses to sign transfer paperwork requiring the City to arrange transportation for Inmate back to King County, if needed, when City sentence ends.
- B. If the County has refused a transfer request and thereafter determines that it no longer needs to detain the person and the person would as a result become a City Inmate, then the County will provide notice to the City that it will become billable for the Inmate. The City will not incur a Maintenance Charge on the day of notice. If the City transfers the Inmate during the six calendar days immediately following the day of notice, it will not incur a Maintenance Charge for the first calendar day following notice but will incur a Maintenance Charge for each subsequent calendar day until the Inmate is transferred. If the City does not transfer the Inmate from the Jail during this six-day period, the City is billable beginning the calendar day following the day of notice from the County.
- C. The terms of this Attachment I-2 may be amended by administrative agreement evidenced by execution in writing by the Chief Executive Officer of the City and King County Executive.

EXHIBIT II
Exception to Billing Procedure

For persons serving the one- and two-day commitments pursuant to the mandatory DUI sentence grid who report directly from the community to the Jail for incarceration, Inmate day shall not be defined according to Section 1.16 of the Agreement. Instead, Inmate day shall be defined as a twenty-four-hour period beginning at the time of booking. Any portion of a twenty-four-hour period shall be counted as a full Inmate day. The number of days billed for each sentence shall not exceed the sentence lengths specified on the court commitment.

Two examples are provided for illustration:

Two-day sentence served on consecutive days:

John Doe	Booked 7/1/23 0700	Released 7/3/23 0700
	Number of Inmate days = 2	

Two-day sentence served on non-consecutive days:

John Doe	Booked 7/1/23 0700	Temporary Release 7/2/23 0700
	Return to Jail 7/8/23 0700 Number of Inmate days = 2	Released 7/9/23 0700

The Department of Adult and Juvenile Detention will apply this definition of Inmate day to the City's direct DUI one and two-day Inmates by adjusting the City's monthly bill before it is sent to the City. If the changes are not made for some reason, the City will notify the Department of Adult and Juvenile Detention, which will make the necessary adjustments.

EXHIBIT III
Calculation of Fees, Charges and Surcharges

Starting on the Effective Date of this Agreement, the City shall pay the fees, charges, and surcharges with such annual adjustments for inflation as described below. Starting on the Effective Date of this Agreement, the City shall also pay offsite medical care charges as detailed below

2023 is the Base Year for fees, charges, and surcharges and is the basis from which the fees, charges, and surcharges are to be annually adjusted by applying the inflators set forth in Subsection 5.a. of this Exhibit III.

1. MAINTENANCE CHARGE AND CAPITAL EXPENDITURE CHARGE

The Maintenance Charge shall be calculated as described below.

- a. The **Maintenance Charge** starting **January 1, 2023**, and for the remainder of the calendar year 2023, **excluding** any adjustments for Capital Expenditure Charges, will be **\$250.64**. When combined with the Capital Expenditure Charges, the Maintenance Charge for calendar year 2023 is **\$256.90**. The Maintenance Charge shall be inflated in 2024 as described in Section 5. The City will not be charged a Maintenance Charge for a City Inmate where the Inmate has been offsite (e.g. housed outside of the Jail) for all twenty-four (24) hours of a Surcharge Day and subject to 1:1 Guarding Surcharge for the entirety of such twenty-four (24)-hour period.
- b. In addition to the annual adjustment to the Maintenance Charge described above, King County will increase the Maintenance Charge to capture the cost of **Capital Expenditures**. Capital Expenditures are defined as the cost of repairing and renovating current jail capacity and facilities and support and administrative facilities that benefit Jail operations. Additional Capital Expenditures will be included in the Maintenance Charge if such expenditures benefit City Inmates. Any Capital Expenditure that solely benefits County Inmates will not be charged to the City. Capital Expenditures do not include Jail Bed Expansion Projects. Capital Expenditures do not include Major Maintenance.
 - i. Capital Expenditures will be calculated in proportion to the square footage that benefits adult detention. Cities will be billed their proportionate share based on the total number of Inmate Days (as defined in Section 1.17). By August 15 of 2023, DAJD will estimate the total number of Inmate Days for 2024 and provide notice to the City of the Capital Expenditure Charge to be included in the Maintenance Charge for 2024.
 - ii. Upon request of the City, the County shall provide its six (6)-year CIP and its six (6)-year major maintenance plan to the City. The County will provide a detailed line-item budget of each Capital Expenditure. If the City disputes that the Capital Expenditure benefits City Inmates or otherwise disputes the inclusion of the Capital Expenditure or any portion of the Capital Expenditures' budget in the maintenance fee, the matter will be resolved under the dispute resolution processes described herein. Capital Expenditures will not be charged to the City to the extent such Capital Expenditures are covered by federal grants, state grants, insurance proceeds, capital maintenance reserves or voter approved capital funding for jail related improvements.
 - iii. Capital Expenditures, if debt financed, shall begin being charged when debt service payments begin for the permanent financing of the Capital Expenditure and shall

Interlocal Agreement: Jail Services – City of Shoreline

continue until the end of the debt amortization unless the debt amortization is less than fifteen (15) years, in which case the charges to the City will be amortized over fifteen (15) years. If the Capital Expenditure is not debt financed, Capital Expenditure charges shall be based on actual expenditures. The County will make available documentation evidencing such expenditures.

- iv. Beginning January 1, 2023, and continuing through calendar year 2023, the Capital Expenditure Charge for ISP for the City is \$5.21 and the Capital Expenditure Charge for the CSSP is \$1.05, for a combined total Capital Expenditure Charge of \$6.26 to be added to the Maintenance Charge set forth in subparagraphs a and b above.

2. BOOKING FEE

- a. The booking fee shall be based on whether, or not the City is using the County's Personal Recognizance (PR) screeners for individuals it brings to a County jail facility to be booked. The two booking fees starting January 1, 2023, and for the remainder of the calendar year 2023 will be initially set as follows:
 - i. The **Base Booking Fee** shall be **\$178.67**. This is the booking fee payable by Contract Cities that are **not** using the County's PR screeners. This Booking Fee shall include **40.86%** of the total Budgeted Jail Costs associated with booking (including Jail Health Intake Services); this percentage of booking costs to be included in the Booking Fee shall remain fixed through the term of this Agreement.
 - ii. The **Standard Booking Fee** shall be **\$262.25**. This is the booking fee payable by Contract Cities using the County's PR screeners. This booking fee is composed of the Base Booking Fee plus the fee associated with the County's PR screeners.
- b. If the City has a court order on file as of the Effective Date, confirming that the City and not the County will have authorization to provide PR screening for City Inmates, then the City will be qualified for the Base Booking Fee as of the Effective Date. To qualify for the Base Booking Fee in 2024, the City must either provide a court order not later than July 1, 2023, confirming that the City and not the County will have authorization to provide PR screening for City Inmates, or a previously issued court order must remain in effect. If an authorizing court order is revoked or expires and is not renewed, the City will no longer qualify for the Base Booking Fee.

The Booking Fee shall be inflated in 2023 as described in section 5 below.

3. SURCHARGES

In addition to payment of the Maintenance Charge and the Booking Fees, the City shall pay Surcharges associated with services provided to City Inmates as described below. The types of services provided to an Inmate associated with each Surcharge, and a general description of each Surcharge, is set forth in Attachment III-1.

The initial Surcharge amounts described in paragraphs (a) – (d) below shall apply from the January 1, 2023, through December 31, 2023, and shall be inflated for 2024 as described in Section 5 below.

- a. **Infirmiry Care.** For Medical Inmates, the City shall pay an Infirmiry Care Surcharge of **\$388.99** for each Surcharge Day.

-
- b. **Non-Acute Psychiatric Care.** For Non-Acute Psychiatric Inmates, the City shall pay a Psychiatric Care Surcharge of **\$119.26** for each Surcharge Day.
 - c. **Acute Psychiatric Care.** For Acute Psychiatric Inmates, the City shall pay an Acute Psychiatric Care Surcharge of **\$304.51.** for each Surcharge Day.
 - i. The **Acute Psychiatric Surcharge** for each Surcharge Day shall be **\$304.51.**
 - ii. The **Psychiatric Care Surcharge** for each Surcharge Day of **\$119.26** is added to the Acute Psychiatric Housing surcharge for a total Acute Psychiatric Care Surcharge of **\$423.77.**
 - d. **1:1 Guarding Surcharge.** The 1:1 Guarding Surcharge is the charge imposed when the County dedicates an individual officer to guard a City Inmate. The Surcharge shall be **\$87.28** per guard *for each hour* or portion thereof, and as further described in Attachment III-1.
 - e. A **Surcharge Day** is defined as a 24-hour period from midnight to midnight, or any portion thereof, in which an Inmate receives any of the services within the Surcharges listed in subparagraphs (a) – (c) above; *provided that* with respect to the Infirmary Care Surcharge, Psychiatric Care Surcharge and Acute Psychiatric Surcharge, a maximum of one (1) charge may be imposed within the twenty-four (24)-hour period for a single inmate, and the charge imposed shall be the highest applicable charge. For example, if an inmate is placed in Acute Psychiatric Care, released to the general population, and then again placed in Acute Psychiatric Care all within the same twenty-four (24)-hour period (midnight to midnight), a single Acute Psychiatric Care Surcharge will be imposed. Similarly, if an Inmate is placed in Acute Psychiatric Care and then in Non-Acute Psychiatric Care within the twenty-four (24)-hour midnight to midnight period, then a single Acute Psychiatric Care charge will be imposed.

4. OFFSITE MEDICAL CARE CHARGES

In addition to the Maintenance Charge, the Booking Fee, and the Surcharges detailed above, the City shall be responsible for payment of all Offsite Medical Care Charges incurred by a City Inmate.

5. INFLATORS AND RE-SETS OF FEES CHARGES, AND SURCHARGES

- a. Inflators. Effective January 1, 2023, all fees, charges, and surcharges, excluding: (1) Offsite Medical Care Charges and, (2) the Capital Expenditure Charge components of the Maintenance Charge, shall be inflated by the percentage rates described below.

Non-Medical Charges: the following fees and charges are subject to an annual inflator of the Seattle-Tacoma-Bremerton CPI-W (covering the 12-month period ending in June) plus 1.5% but shall in no event be lower than 1.5%.:

- i. Maintenance Charge
- ii. Booking Fee
- iii. Acute Psychiatric Housing Surcharge
- iv. 1:1 Guarding

Medical Charges: The following fees and charges are subject to an annual inflator of the Seattle-Tacoma-Bremerton CPI-W (covering the twelve (12)-month period ending in June) plus three (3) percent, but shall in no event be lower than three (3) percent:

Interlocal Agreement: Jail Services – City of Shoreline

-
- i. Infirmatory Care Surcharge
 - ii. Psychiatric Care Surcharge
- b. Final Fee, Charge and Surcharge Notice for Following Calendar Year. No later than August 15, the County will provide notice to the City of the final fees, charges and surcharges listed in this Subsection 5.a. reflecting the application of the June-June CPI index in the manner prescribed in Subsection 5.a above.
- c. Inflation Re-sets. Notwithstanding the terms of Subsections 5.a and 5.b to the contrary, in the event the Seattle-Tacoma-Bremerton CPI-W (June-June) exceeds eight (8) percent then, as part of the August 15, final fee and charge notice, the County will include information demonstrating whether, based on factors affecting the DAJD Budgeted Jail Costs including but not limited to personnel costs, food, utilities and pharmaceuticals, the County's reasonably expected inflation experience for the DAJD Budgeted Jail Costs in the next calendar year (the "Expected Inflation Rate") is *less than or greater than* said CPI-W (June-June) rate. If the Expected Inflation Rate is lower than the CPI-W (June-June) rate, the County will apply the lower of the two rates to the fees and charges listed in this Subsection 5.c for the following calendar year.
