2023-2025 City Council Goals and Work Plan

The Council is committed to fulfilling the community’s long-term vision – Vision 2029 – and being an equitable and sustainable city that meets the needs of all residents, in particular:

- community—ensuring it is safe, attractive, inclusive and serves all ages and abilities;
- environment—preserving environmental assets and enhancing the built environment so that it protects natural resources;
- services—supporting quality services, facilities and infrastructure; and
- finances—responsible stewardship of fiscal resources to achieve the community, environment and services desired by residents.

The City Council holds an annual Strategic Planning Workshop to monitor progress and determine priorities and action steps necessary to advance Vision 2029 and the City’s equity goals. This workplan, which is aimed at improving the City’s ability to fulfill the community’s vision, is then reflected in department work plans, the City’s budget, capital improvement plan, and through special initiatives.

Goal 1: Strengthen Shoreline’s economic climate and opportunities

Robust private investment and economic opportunities help achieve Council Goals by enhancing the local economy, providing jobs and housing choices for all income levels, and supporting the public services and lifestyle amenities that the community desires and expects.

ACTION STEPS:

6. Implement Cottage Housing regulations as the first implementation step of the City’s Housing Action Plan to support housing choices
7. Develop draft policies and amendments to the Development Code to allow middle housing building types in low density residential areas for consideration as part of the 2024 Comprehensive Plan update
8. Incorporate Age-Friendly Community policies into the 2024 Comprehensive Plan update
9. Participate in the State’s Master Plan process for the Fircrest Campus to align with the City’s Comprehensive Plan
10. Monitor the outcomes of the ground floor commercial requirements in the North City and Ridgecrest neighborhoods and use lessons learned from this early adoption area to model future development regulations
11. Monitor the City’s 10 Year Financial Sustainability Model and respond to economic changes to ensure financial sustainability.
12. Support King County Metro’s evaluation of the 192nd Park and Ride as a potential location for expanded transit operations and transit-oriented-development

13. Work with Seattle City Light to ensure electric infrastructure supports Shoreline's planned growth by sharing information and seeking to align timelines of private developments, City projects, and utility capacity expansion projects

Goal 2: Manage and develop the City's infrastructure, steward the natural environment and address climate impacts

The City has identified needed improvements to strengthen its municipal infrastructure to maintain public services the community expects through adoption of the Comprehensive Plan, Surface Water Master Plan, Wastewater Master Plan, Transportation Master Plan and the Parks, Recreation, Open Space, Arts and Culture Plan. As capital improvements are made, it is important to include efforts that will enhance Shoreline's natural environment and address climate change and impacts, ultimately having a positive effect on the Puget Sound region.

ACTION STEPS:

1. Implement the Voter Approved New Sidewalk Program by constructing the 20th Avenue sidewalk project and initiating design of the Westminster Way, 19th Avenue and Ballinger Way sidewalk projects

16. Work with regional and federal partners to fund Right-of-Way acquisition for Phase 2 of the 145th Street Corridor improvements

Goal 3: Prepare for regional mass transit in Shoreline

Our community looks forward to increasing mobility options and reducing environmental impacts through public transit services. The Sound Transit Lynnwood Link Extension light rail project, which includes the Shoreline North/185th Station and the Shoreline South/148th Station, is scheduled to open in 2024. The Sound Transit Bus Rapid Transit project includes funding for corridor improvements and service along State Route 523 (N 145th Street) from Bothell Way connecting to the Shoreline South/148th Station. Engaging our community members and regional transit partners in plans to integrate local transit options and connect multi-modal travel corridors, including the 145th Street and 185th Street corridors, into the future light rail service continues to be an important Council priority.

ACTION STEPS:

1. Support Sound Transit's 145th Street improvements from Bothell Way to Interstate-5 as part of the Stride Bus Rapid Transit Project
2. Work collaboratively with Sound Transit on the Lynnwood Link Extension Project, including negotiation of remaining project agreements and coordination of project construction, inspection, and ongoing permitting

4. Create non-motorized connections to the light rail stations including coordinating design elements of the Trail Along the Rail
5. Construct Phase 1 of the 148th Street Non-Motorized Bridge project, begin Right-of-Way acquisition of Phase 2, and work with regional, state, and federal partners to fully fund the project
6. Collaborate with regional transit providers to implement long-range regional transit plans including Sound Transit's ST3 Plan, King County Metro's Metro Connects Long Range Plan, and Community Transit's Blue Line and Long-Range Plan
7. Develop a parking program, including Restricted Parking Zones and a parking enforcement unit

Goal 4: Expand the City's focus on equity and social justice and work to become an Anti-Racist community

The Council values all residents and does not tolerate any form of discrimination. On January 23, 2017, Council adopted Resolution No. 401 declaring the City to be an inviting, equitable, and safe community for all and to be a leader in protecting human rights, equity, public safety and social well-being. And on November 30, 2020, Council adopted Resolution No. 467 declaring the City's commitment to building an anti-racist community through addressing the ways racism is maintained through beliefs, behaviors and policies. We are committed to co-creating a vision with the community to ensuring that Shoreline is an inviting, equitable, and safe community for all.

ACTION STEPS:

1. Identify and implement foundational and ongoing equity and anti-racism training for City staff, Council, PRCS/Tree Board, and Planning Commission
2. Assess the City's employment, hiring, and recruitment practices through an equity lens
3. Continue building trusting working relationships within the community that will support our ability to:
 - a) Better understand strengths, concerns and needed supports within historically marginalized groups and to offer resources to address these;
 - b) Foster engagement and participation in key planning process, community safety, law enforcement, and other topics important to the community;
 - c) Specifically inform the City's community policing practices; and
 - d) Work in partnership to develop long-term strategies for building an anti-racist community
4. Develop resources and training to assist staff in understanding meaningful community engagement practices focused on achieving equitable outcomes

5. Ensure that the City's programs, parks, facilities, activities and communications comply with the Americans with Disabilities Act and are accessible to all Shoreline residents

Goal 5: Promote and enhance community safety, broader community connections, and a coordinated response to homelessness and individuals in behavioral health crisis

The Council recognizes that supporting stronger community connections and making it possible for residents to meet their needs are critical elements of a safe and thriving community. Maintaining a safe community is the City's highest priority. The 2022 Resident Satisfaction Survey reflected that 92% of respondents felt safe in their neighborhood during the day and 73% had an overall feeling of safety in Shoreline. The City is continuing a concentrated work plan to enhance our public safety communication and crime prevention efforts to ensure that our residents and businesses continue to find Shoreline a safe place to live, work and play. The City is also continuing to support those individuals living unhoused in our community or experiencing behavioral health issues by coordinating with regional homeless partners, working to ensure that there is adequate shelter capacity in Shoreline and North King County, and expanding behavioral health engagement and crisis intervention for those in need.

ACTION STEPS:

11. Use data driven information to inform the City's actions and plans to provide shelter and affordable housing for low income individuals in our community
12. Finalize and implement strategies to expand the City's community building efforts beyond established neighborhood associations
