CITY COUNCIL AGENDA ITEM
CITY OF SHORELINE, WASHINGTON

AGENDA TITLE:	Adoption of Resolution No. 184 Approving a Restated Social Security Replacement §401(a) Qualified Retirement Plan
DEPARTMENT:	City Attorney
PRESENTED BY:	Ian R. Sievers, City Attorney

PROBLEM / ISSUE STATEMENT: In March 1996, the City adopted a §401(a) money purchase plan (the "Plan") as a qualified retirement plan to receive mandatory employee and employer contributions that would otherwise be paid into the federal Social Security system.

Since its original adoption, a series of federal employment and tax legislation have been enacted that require changes to the document language in the Plan. The Plan administrator, Nationwide Retirement Solutions, Inc. has proposed a Model Governmental Defined Contribution Plan and Trust as a document consistent with these federal laws to be adopted as an amended Plan for Shoreline. Internal Revenue Service Notice 2001-42 requires the City to conform its plan documents to current law no later than December 31, 2001.

The proposed Plan makes the same elections as the City's current social security money purchase plan. The City and employee both contribute 6.2% of compensation to the plan and benefits are 100% vested without service or age eligibility requirements. The restated plan also includes the loan option approved by Council in June 2001.

FINANCIAL IMPACT: There is no financial impact on the City or the employees.
