

Dear city of Shoreline
to whom it may concern.

I got this notice of
license revocation Because
of a dance ticket or 2 that
I must have gotten within
and just shy of 5 yrs ago
from city ~~Mount~~ Lake Tarrance.

This is back at a time
when my Dad had cancer and
my mom had Heart Valve replace
ment surgery. So my mind
was really on other things, but
I thought those charges were
dismissed at that I court
costs. I really haven't even
thought about this matter
again until now. When I
got this notice for the life
of me I could not figure
out why all I could think
of is that I had been
married twice and my marrie
name was Patricia Bejvl. And
to ~~sw~~ sum up, It was
an honest oversight on my
part, I also know I would
still have gotten my license
tickets or not, so had I
remembered I absolutely would
have disclosed this information.

I sickens me to think
that some thinks I
committed fraud or
purposefully misrepresented
myself and it's so
important to me that
there is not such a
record of so.

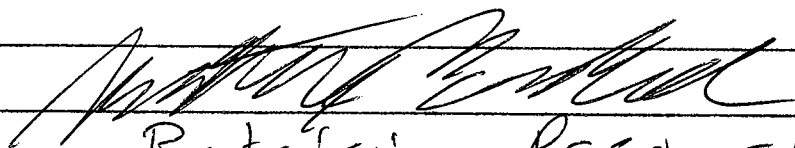

Sincerely yours

Patricia Pasorske
