## **CONSTRUCTION UPDATE**

### **July 2005**

Crews continue to work on undergrounding utilities along 15<sup>th</sup> Avenue NE. Puget Sound Energy and Ronald Wastewater District are also completing work in the area. Construction activity is focused on the east side of 15<sup>th</sup> Avenue NE.

Beginning July 9 the contractor will work on Saturdays to keep ahead of the subcontractors and to make up for some delays that occurred during the course of construction.

The contractor is expected to work Saturdays in July from 9 am to 5 pm. The City's construction inspectors will be onsite monitoring construction and assisting business operators and residents who have questions or concerns.

Traffic control personnel will be on site at all times during construction to keep traffic moving safely through the construction area.
