

CITY COUNCIL AGENDA ITEM
CITY OF SHORELINE, WASHINGTON

AGENDA TITLE:	Authorize the City Manager to Execute the Commute Trip Reduction Agreement with King County
DEPARTMENT:	Planning and Development Services
PRESENTED BY:	Tim Stewart, Planning & Development Services Director Jeff Ding, Planner I

INTRODUCTION

The State Commute Trip Reduction law directs governments to manage programs that encourage commuting by carpool/vanpool, public transit and alternative forms of transportation. The proposed Commute Trip Reduction Act Implementation Agreement with King County is intended to continue an existing program whereby King County Commute Trip Reduction Services provides Shoreline with assistance in ensuring that Shoreline and Shoreline sites are in compliance with the State CTR law. The city is required by State law to ensure that CTR programs are maintained year round.

King County Commute Trip Reduction Services Division provides services to most cities in King County. As part of the continuing interlocal agreement, they will provide technical assistance to the six CTR sites in Shoreline, as well as promotional materials, and will ensure that all sites meet all requirements of the state CTR law. This includes ensuring that annual reports are submitted on time and accurate, conducting site surveys, and holding quarterly meetings with all six Employee Transportation Coordinators. In addition, Metro attends, monitors and shares information with staff from all regional and state CTR forums, including the Governors CTR Task Force, and King County Coordinating Committee. They also track CTR related legislative issues. The six CTR sites in Shoreline include: Shoreline Community College, Washington State Department of Transportation, Crista Ministries Campus, State of Washington Public Health Lab (Fircrest), Fircrest School, and City of Shoreline City Hall campus. Through King County Metro CTR services we send the Employee Transportation Coordinators for each site to training classes to keep them up to date with CTR law and with incentives and programs aimed at reducing single occupancy vehicle use.

PROBLEM/ISSUE STATEMENT

In accordance with the Commute Trip Reduction law, the City of Shoreline must manage programs with all six CTR sites that encourage commuting by carpool/vanpool, public transit and alternative forms of transportation. In the past, Shoreline has complied with this law through an interlocal agreement with King County to provide Commute Trip Reduction (CTR) assistance, program development and review services to all affected CTR sites. The CTR interlocal agreement, which will continue the relationship, is valid for two years beginning July 1, 2003 and ending June 30, 2005.

The attached interlocal agreement (Attachment A) is identical to the agreement executed last year except that the duration of the agreement runs for two years as opposed to just one.

ALTERNATIVES ANALYZED:

- Execute the proposed interlocal agreement – The City will be in compliance with State Law by maintaining a CTR program. (Recommended)
- Reject the proposed interlocal agreement – The City would still be required to comply with the CTR law, and would need to assign staff to perform the legal requirements for site surveying, compliance monitoring, and technical support.

FINANCIAL IMPACT:

The State of Washington funds the CTR program for all affected jurisdictions. In the past, Shoreline received funds directly from the State, then used those funds to pay King County for their services. Due to an ongoing relationship between the State and King County, the State will pay King County the funds earmarked for Shoreline, and those funds will be used to support this Interlocal Agreement. This relationship significantly reduced the amount of paperwork for the City, County, and State. Last year, King County received a total of \$9,528 that had been earmarked for the Shoreline CTR program.

RECOMMENDATION

Staff recommends that Council authorize the City Manager to sign the CTR Implementation Act Agreement with King County for Commute Trip Reduction services.

Approved By: City Manager  City Attorney

SECTION 6.0 LEGAL RELATIONS

- 6.1 It is understood and agreed that this agreement is solely for the benefit of the Parties hereto and gives no right to any other entity. No joint venture or partnership is formed as a result of this Agreement.

Each party agrees that its obligations under this provision extend to any claim, demand or cause of action brought by

its own employees. The foregoing indemnity is specifically and expressly intended to constitute a waiver of the indemnifying party's immunity under Washington's Industrial Insurance Act, RCW Title 51, as respects the other party only, and only to the extent necessary to provide the indemnified party with a full and complete indemnification of claims made by the indemnifying party's employees. The parties acknowledge that these provisions were specifically negotiated and agreed upon by them.

- 6.3 The City agrees that the WSDOT and the State of Washington are not liable for damages or claims arising from the City's performance or activities under this agreement. The City further agrees to include in each contract for services or activities using funds provided in whole or in part by this Agreement a provision in which the contractor agrees that the WSDOT and the State are not liable for damages or claims from damages arising from any subcontractor's performance or activities under this Agreement.

have the authority and responsibility to ensure that upon termination of this Agreement, any remaining CTR Funds are made available to the City or returned to the State.

SECTION 8.0 CHANGE IN STATUS

EXHIBIT B: METHODOLOGY FOR ALLOCATING CTR FUNDS

Funding Allocation Methodology

TO BE UPDATED WHEN INFORMATION IS AVAILABLE FROM WSDOT-----

Funding allocated by WSDOT for local implementation of CTR activities is based on the following formula:

1. 80% of total available state funding for local CTR implementation will be allocated based on the number of affected worksites in each county, provided that each county receives a minimum of \$80,000 per year. The number of affected worksites in each county shall be based on information contained in WSDOT database as of May 1 of each year.
2. 20% of total available state funding for local CTR implementation will be allocated based on the number of commute trips reduced by worksites in each county between each worksites base year survey and its most recent survey. For the period July 1, 2001 through June 30, 2002, the most recent survey period will be 1999. For the period July 1, 2002 through June 30, 2003, the most recent survey period will be 2001.

July 1, 2001—June 30, 2002 Allocation

County	# of Work sites	% Work sites	80% Work site Allocation	Trips Reduced / Day	20% Performance Allocation	2003 Total
Clark	51	4.59%	\$80,000.00	654	\$11,866.87	\$91,866.87
King	594	53.47%	\$735,486.65	11,587	\$210,246.87	\$945,733.53
Kitsap	37	3.33%	\$80,000.00	0	\$0.00	\$80,000.00
Pierce	84	7.56%	\$104,008.21	4,278	\$77,624.59	\$181,632.80
Snohomish	89	8.01%	\$110,199.18	1,050	\$19,052.32	\$129,251.50
Spokane	113	10.17%	\$139,915.81	2,255	\$40,917.12	\$180,832.93
Thurston	94	8.46%	\$116,390.14	568	\$10,306.40	\$126,696.54
Whatecom	27	2.43%	\$80,000.00	329	\$5,969.73	\$85,969.73
Yakima	22	1.98%	\$80,000.00	304	\$5,516.10	\$85,516.10
TOTAL	1111	100.00%	\$1,526,000.00	21,025	\$381,500.00	\$1,907,500.00

Any distribution of funds to jurisdictions within a county shall be done on the basis of the number of affected worksites in each jurisdiction. For example, if there are two jurisdictions in a county, each with fifty percent of the total number of affected worksites in the county, any division of funds within the county should provide each of the two jurisdictions with fifty percent of the total county funding allocation.
