| AGENDA TITLE: | Ordinance No. 383 Extending the Seattle Public Utilities Water Franchise |
| DEPARTMENT: | City Manager's Office |
| PRESENTED BY: | Bob Olander, Deputy City Manager |

PROBLEM/ISSUE STATEMENT:

Staff is requesting a twelve-month extension of the Seattle Public Utilities (SPU) water franchise. An initial franchise to operate the water system owned by the City of Seattle, generally west of I-5, was granted in December 1999. An automatic two-year extension was invoked in 2001 followed by a six-month extension in December 2003, and the Council approved another one year extension last year providing for the current expiration date of June 30, 2005. In a separate franchise and agreement with the Shoreline Water District, the City required that the Water District undertake negotiations to purchase and assume that portion of the SPU water system within the City of Shoreline boundaries.

The Shoreline Water District and remains in the initial stages of negotiation with SPU over the acquisition of the system. They have requested the intervention and assistance of the City in this process and the City Council has been briefed on this in executive session. The City of Shoreline franchise agreement with SPU is an important factor in these negotiations, and the acquisition and franchise negotiations need to proceed on parallel and concurrent tracks. The twelve month extension will provide City staff and the Water District additional time to pursue these negotiations.

FINANCIAL IMPACT:

Renewal will grant no financial impact; the 6% franchise fee the City receives from SPU will continue under the extended franchise.

RECOMMENDATION

It is recommended that the City Council pass Ordinance No. 383 granting SPU a twelve-month franchise extension.
