

CITY COUNCIL AGENDA ITEM
CITY OF SHORELINE, WASHINGTON

AGENDA TITLE: Adoption of Ordinance No. 311, Authorizing the City's 2003-2008 Capital Improvement Plan
DEPARTMENT: Finance
PRESENTED BY: Debbie Tarry, Finance Director

PROBLEM/ISSUE STATEMENT:

On July 1, 2002, staff presented the proposed 2003-2008 CIP to the City Council. The following schedule has been followed to facilitate the adoption of the 2003-2008 CIP.

July 1, 2002	Presentation of the Proposed 2003-2008 CIP
July 8, 2002	Council Discussion on the Proposed 2003-2008 CIP & TIP
July 15, 2002	Public Hearing & Council Discussion on the Proposed 2003-2008 CIP/TIP

Tonight the Council will be considering the adoption of the proposed 2003-2008 Capital Improvement Plan. This staff report is being issued on the same evening as the public hearing. If, after the public hearing, Council determines that it needs additional time to consider the comments made at the hearing, or that additional time for review and discussion is needed, adoption of the CIP can be postponed until the August 26th meeting.

Since delivering the Proposed CIP to the Council, there have been four significant changes. These changes are:

- The timeline for the Interurban Trail has been updated to reflect construction of the south and north segments in 2003 and construction of the south-central segment in 2004.
- The estimated cost for the Interurban Pedestrian Bridge has been increased by \$250,000 to \$3.1 million based on projections by OTAK. This increased cost is proposed to be covered by additional grants, leaving the City's contribution at \$267,000.
- The timeline for 3rd Avenue Drainage Improvements has been revised slightly, but the overall cost has remained the same.
- The projected costs for the Ronald Bog Drainage Improvements have been increased to reflect the long-term solutions that could be identified by the value engineering process. The projected 2003-2008 cost for this project is \$5.7 million with a substantial portion of the project funded with a Public Works Trust Fund Loan.

FINANCIAL IMPACT:

The Proposed 2003-2008 CIP is balanced, as required by the Growth Management Act. The Proposed 2003-2008 CIP totals \$85.6 million. The following table is a summary of the six-year plan by fund:

Capital Fund	2003	2004	2005	2006	2007	2008	Total
General Capital	\$1,859,538	\$12,496,985	\$3,502,711	\$731,615	\$350,470	\$344,651	\$19,285,970
