
Council Meeting Date: January 28, 2008

Agenda Item: 7(f)

CITY COUNCIL AGENDA ITEM
CITY OF SHORELINE, WASHINGTON

AGENDA TITLE:	Continuing Public Hearing on Ordinance 479, replacing Ordinance No. 310, Property Tax Exemption Program for the North City Target Area to March 3, 2008
DEPARTMENT:	Economic Development Program/CMO
PRESENTED BY:	Tom Boydell, Economic Development Manager

PROBLEM/ISSUE STATEMENT:

The public hearing on this item was opened on January 14, 2008, and due to the late hour, was continued by a vote of the City Council to January 28th. However, the agenda for January 28th has several substantive items needing detailed review and discussion, and there does not appear to be time to give this topic due consideration on the 28th. Therefore, after discussion with the Mayor and Deputy Mayor we are recommending that this public hearing be rescheduled for March 3, 2008.

FINANCIAL IMPACT:

See prior Staff Report.

RECOMMENDATION

Public testimony was begun on January 14 and scheduled for continuation on January 28, 2008. Staff requests rescheduling Ordinance 479 for continued public hearing and discussion on March 3.
