

CITY COUNCIL AGENDA ITEM
CITY OF SHORELINE, WASHINGTON

AGENDA TITLE: Adopting Resolution No. 246 Initiating Vacation of Easement for Slopes and Sidewalk at 14625 Aurora Ave. North and Setting a Hearing Date for June 15, 2006
DEPARTMENT: Public Works and City Attorney
PRESENTED BY: Kirk McKinley, Ian Sievers

PROBLEM/ISSUE STATEMENT:

In negotiating rights-of-way for the Aurora Project 145th to N. 165th, Pierre Associates, LLC, owners of properties on the southwest corner of Aurora and N. 149th, requested that a 1948 slope and sidewalk easement be vacated and returned to their ownership. The settlement agreement on this acquisition has a commitment to initiate a vacation of this interest.

This easement is no longer needed with the Aurora Phase I construction. The vacation of this easement is consistent with administrative practices of recommending release of surplus rights-of-way and that are not needed for the Aurora Project once final design and rights-of-way are established.

RCW Chapter 35.79 and SMC Chapter 12.17 establishes two methods for vacating rights-of-way or easements: the petition method, or the resolution method. The vacation process by resolution method requires the Council to adopt a resolution initiating the vacation, and setting a Planning Commission Public Hearing date. The Planning Commission currently has time available for this item on June 15, 2006, should Council adopt this resolution. By adopting the resolution at this time, Council is not approving the vacation, but instead is initiating the process for public and agency review.

RECOMMENDATION

Adopt Resolution No. 246, initiating the vacation of a slope and sidewalk easement abutting the Pierre at 14625 Aurora Ave. North, and setting a Planning Commission hearing date of June 15, 2006.
