

CITY COUNCIL AGENDA ITEM
CITY OF SHORELINE, WASHINGTON

AGENDA TITLE:	Discussion of Process and Criteria for Selection of the SE Neighborhoods Citizens Advisory Committee (CAC)
DEPARTMENT:	Planning and Development Services
PRESENTED BY:	Steve Cohn, Senior Planner Miranda Redinger, Associate Planner

PROBLEM/ISSUE STATEMENT:

The City Council directed staff to collaborate with the Ridgecrest and Briarcrest neighborhoods to develop a SE Neighborhoods Subarea Plan for review by the Planning Commission and City Council. At the June 16 meeting, the Council will appoint a Citizens Advisory Committee to guide this effort.

Twenty-three applications for this committee were received by the City. Staff reviewed these applications and recommends 16 people (including 1 Planning Commissioner) for the committee.

FINANCIAL IMPACT:

Funding for staff support of the committee has been assumed in the 2008 budget.

RECOMMENDATION

Staff recommends that Council adopt the committee composition as proposed.

Approved By:

City Manager  City Attorney _____

INTRODUCTION

The Council directed staff to work with a citizen's committee to develop the SE Neighborhoods Subarea Plan. Appointment of committee members is the first step in the process.

BACKGROUND

Between March and May, the City solicited applications from citizens interested in serving on the CAC. Two open houses were held in conjunction with neighborhood associations, and two mailings to more than 1,300 households advertised the upcoming Subarea process. There were 23 applicants for the committee.

Staff proposes a committee of 16 members that reflect a broad spectrum of the community. The criteria we used to develop the list include diversity in the following categories:

1. Geography
2. Gender
3. Length of residence in Shoreline
4. Type of housing they live in, e.g single family/multifamily and owner/renter
5. What, if any, related issue(s) drew them to the CAC
6. Experience working on committees

If the Council appoints the committee this week, the CAC will most likely meet twice in the summer then twice a month (if necessary) from September to March, 2008.

Staff recommends the following applicants be appointed to the SE Neighborhoods Subarea Plan Committee:

1. Arthur Peach
2. Cara McKinnon
3. Cecily Kaplan
4. David Pyle
5. Dennis Lee
6. Dick Nicholson
7. Fran Collette
8. Jeff Mann
9. Jennifer Hyatt
10. Loretta VanDyke
11. Mark Holmes
12. Rebecca Tracy
13. Scott Solberg
14. Sigrid Anne Strom
15. Stacy Haiar
16. William Bear

The proposed committee composition reflects the following characteristics:

- 8 men, 8 women

- Balanced subarea representation of stakeholder groups
- Variety of length of residence
- Representatives from a wide span of age categories (under 40, 40-60, over 60)

Applications from the proposed members are attached.

ALTERNATIVES ANALYSIS

Staff reviewed the applications with the intention to create a diverse and representative committee.

The Council has the options of accepting, rejecting, or modifying the list of committee members recommended by staff. Staff requests that if one of the latter two options is chosen, the Council endeavor to ensure that the committee remains representative of various stakeholder groups in the SE Neighborhoods area.

RECOMMENDATION

Staff recommends that Council adopt the committee composition as proposed.

Are you a Shoreline resident or property owner? YES

Length of residence 1.5 years

1. List your educational background. I am a 2005 graduate of North Dakota State University with a bachelor's degree in Landscape Architecture. The curriculum covered a broad range of topics including courses in site design, community planning, and visual communication, all of which would be helpful in planning the Briarcrest Subarea.
2. Please state your occupational background, beginning with your current occupation and employer. I am currently employed by Brumbaugh & Associates Landscape Architecture in Seattle where I have worked since August 2006. My responsibilities include coordinating with project managers to prepare schematic design, permit, and construction documents for landscape submittals.
Prior to this I was employed by Vande Hey's Landscape Design & Nursery in Appleton, Wisconsin for 1 1/2 years.
3. Describe your involvement in the Shoreline community. I have been a regular attendee of Briarcrest Neighborhood Association meetings. It has been a great way to meet neighbors and stay up to date on current events.

4. Describe your leadership roles and/or any special expertise you have which would be applicable to the position for which you are applying. Currently at Brumbaugh, I am working on a portion of the High Point Development in West Seattle. The development integrates a variety of housing density types, innovative storm water management techniques, and place-making strategies. Utilizing similar planning tools could prove to be very useful in developing an intelligent program for the Briarcrest Subarea.

5. List the addresses of property you own in Shoreline and the type of property (residential or commercial). My husband and I own and reside in a single family home located at [REDACTED] a property which lies within the Briarcrest Subarea under investigation by this committee.
