

**CITY COUNCIL AGENDA ITEM**  
CITY OF SHORELINE, WASHINGTON

<b>AGENDA TITLE:</b> Economic Development Advisory Committee
<b>DEPARTMENT:</b> City Manager's Office
<b>PRESENTED BY:</b> Tom Boydell, Economic Development Manager

**PROBLEM/ISSUE STATEMENT:**

The Council directed staff to establish an Economic Development Advisory Committee (EDAC) by Ordinance 475 (Attachment B) adopted on July 9th. Applications then were solicited for the 16 positions over a 6-week timeframe, ending on August 31. Twenty-nine applications were received. Ordinance 475 provides for members to be recommended for appointment by the City Manager and confirmed by the City Council.

**BACKGROUND:**

Ordinance 475 provides that the EDAC should consist of 16 members, representing a balance of business and commercial property interests and expertise in the community. Specifically, 5 members are to represent various organizations, 3 members from Aurora Avenue businesses, 3 members from neighborhoods, and 5 members appointed "at-large."

Advertisement for Committee applications took place as follows: The City Clerk released an announcement and application documents to the public, including posting on the City's web site and other forms of notice. An announcement was also sent to business associations, the Chamber of Commerce, community groups, and interested individuals by word of mouth, mail and email. The public application period was July 18 to August 31. Twenty-nine applications were received.

The City Manager has reviewed the 29 applications received, and recommends that the applicants listed in Attachment A be confirmed by the City Council. The recommendations are based on a desire for balance and selection of individuals with longer business experience and a history of leadership in the Shoreline community. Balance included many things, such as gender, minority-representation, representation from different commercial areas of the city, and types of business, commercial property management or development expertise. As always, it is gratifying to see the high level of interest and expertise in our community. This makes for a difficult selection process,

but in general the deciding factor was the need to provide the balance required by Ordinance 475.

**FINANCIAL IMPACT:**

None

**RECOMMENDATION:**

It is recommended that the City Council review and confirm membership for the Economic Development Advisory Committee as listed in Attachment A.
