

What's your

for Shoreline?

To maintain Shoreline's quality of life in the coming decades, the Shoreline City Council is developing a Vision for the future.

Since the Vision will be adopted into the Comprehensive Plan and will guide Shoreline's growth and development for years to come, it is vitally important that every resident participates in the beginning of this process: a Community Conversation about Shoreline's Future.

Community Conversation meetings are scheduled throughout the City in October ~ see the other side of this flyer for details. All are open to the public, so attend whichever one is most convenient.

What Shoreline attributes or characteristics would you like to see preserved or improved?

How can we meet the challenges of anticipated growth in a way that keeps this the #1 place to live in the greater Seattle region?

What changes in technology, society or the way we live do you envision by 2028?

Join us for a Community Conversation about Shoreline's Future

More information: www.cityofshoreline.com or Associate Planner David Levitan at (206) 801-2554, dlevitan@ci.shoreline.wa.us.

October is Community Conversation month about Shoreline's future

What's your

for Shoreline?

*Let your voice
be heard!*

**All conversations begin at
7:00 p.m.
and last about an hour**

All of the meetings are open to the public ~ you don't need to be a member of any of the hosting organizations to attend. The only expertise you need for this dialogue is your experience, your ideas, your opinions and a willingness to share your views.

With 16 different weekday meetings to choose from, there is simply no reason not to make your contribution to Shoreline's Vision for the Future!

All participants will receive a free "Shoreline - Best Neighborhood" grocery tote (one per household).

For more information visit www.cityofshoreline.com or contact Associate Planner David Levitan at (206) 801-2554, dlevitan@ci.shoreline.wa.us.
