**Communication Training Part II**

**An Introduction to Temperament:  
Understanding Yourself and Others**

Assistant City Manager Julie Modrzejewski and Human Resources Director Marci Wright presented the second part of a two part Communications Training.

This Communication Training on temperament was a follow-up on the December training on communication styles provided for the Council of Neighborhood representatives and neighborhood association leaders. Neighborhood representatives learned to recognize the temperaments of others and what skills they have to contribute to groups.

No minutes were taken of this meeting because it was training.
