To Whom It May Concern,

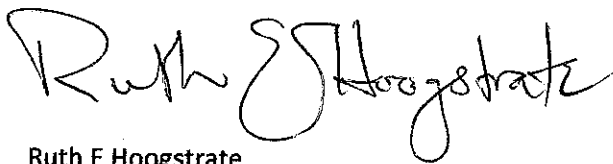

On Tuesday, August 12, 2014, my 17 year old daughter was driving my 2002 Chrysler Sebring, L.P.#AMG8109 and had an incident on N 175th St. Shoreline Police Incident #14-213000 with Officer McNaughton responding. My daughter was accompanied by her 17 year old friend at the time. Officer McNaughton graciously identified this situation as an incident.

In the pouring rain, with two upset teenagers and a damaged vehicle to deal with, I was thankful for the compassion offered by Officer McNaughton. The girls also commented how nice Officer McNaughton was to them.

My daughter is still dealing with the trauma of this event, and I am grateful her encounter with police and the aftermath/impacts of this incident have been kept to a minimum, partly by the actions of Officer McNaughton.

I wanted to officially commend Officer McNaughton for her actions at this incident.

Sincerely,

A handwritten signature in black ink that reads "Ruth E Hoogstrate". The signature is written in a cursive style with a large, stylized "R" and "H".
