Great job on the event! Could you forward me the list of staff that worked the event so I can get that to Mark!

Again, I heard great things about the organization of the event from some other staff that worked. Super Star!!

Brian: Would you please share this compliment with all of the staff that worked the recycle event, plus Cleanscapes. Once again you and the others need to be congratulated. . . . , you have set a pretty high bar for this event.

Finally, would you share with me a list of the employees that did work the event.

Thank you,
Mark

Just wanted to take the time to say thank you to all the staff at the recycle event last weekend. This is the second one we have gotten to take advantage of and we appreciate the event, the top level organization and most of all of the EXTREMELY nice personnel! The city must have a secret resource of the nicest, most cheerful, helpful folks (both city staff and the people from Cleanscapes). I can say this with confidence, as both my husband and I work for two other municipalities and the Shoreline staff epitomize what all other local government employees should demonstrate. Please extend our appreciation and give them all hefty raises and lots of free vacation days!!

Thank you,
City of Shoreline
