**Subject: Olympic View Water and Sewer District
Water and Sewer System Planning**

Dear Mayor Winstead,

Olympic View Water and Sewer District (OVWSD) is initiating the planning process to update our 2009 Comprehensive Water System Plan. We are also beginning the process for amending our 2007 Comprehensive Sewer Plan to clarify and address sewer service in the southwest portion of the District.

As we embark on this, we are soliciting input from our neighboring jurisdictions and utility service providers. Attached is a map of the District's corporate boundary for your reference. Matters and issues that would benefit the District's planning process, or considerations that could be expressed in the documents themselves are of great interest to us.

OVWSD staff has retained PACE Engineers, Inc. for the Water System Plan update and Sewer System Plan Amendment. Please contact me at (425) 774-7769 (LynneD@ovwater.com), or Susan Boyd, Vice President of PACE Engineers, Inc. at (425) 827-2014 (Susanb@paceengrs.com) with any questions, or if you would like to discuss how the updated Plans might impact your jurisdiction.

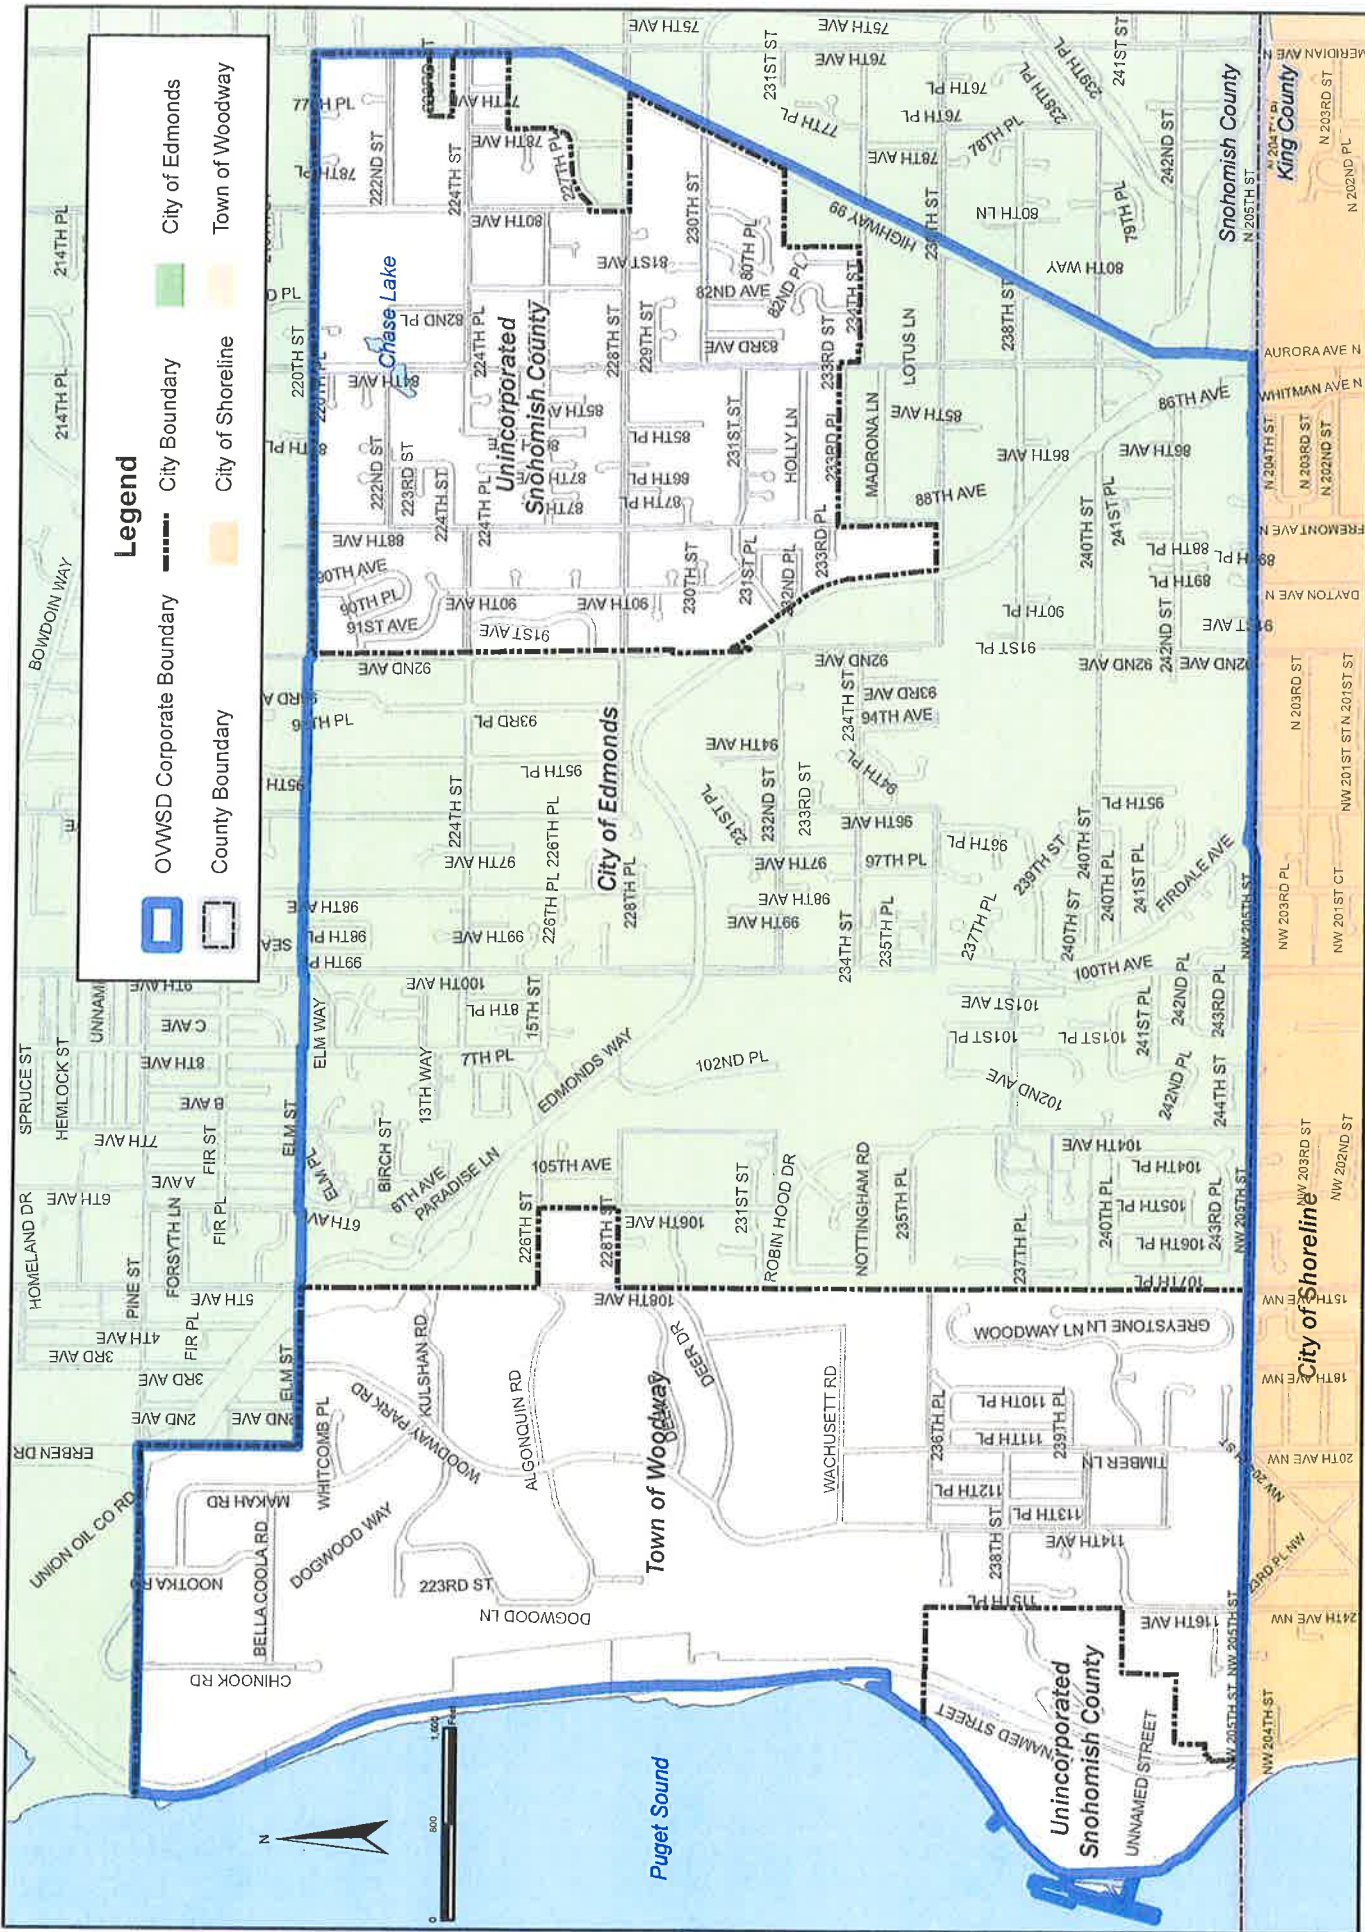

Thank you in advance for your comments.

Sincerely,
Olympic View Water and Sewer District

Lynne Danielson
General Manager, Olympic View Water and Sewer District

cc: Susan E. Boyd, Principal Planner and Vice President, PACE Engineers, Inc.
