Subject: Commendation - Thank You

All,

A commendation sent in from a Shoreline resident regarding excellent police work by Steve Perry and Brett Davis. She didn't know the names of the others involved; it was Leona Obstler, Laura Alspach, Chris Kieland and Ben Emmons. I'm proud of the work the Shoreline deputies and detectives did this day and the great work and service provided by Shoreline Police every day. Ms. Rodriguez wrote a sincere thank you stating: "I am simply amazed by and will be forever grateful to **my** Shoreline Police Department". "They handled the case quickly, took my concerns seriously and treated me and the **suspect** with respect and dignity". "I was kept informed of the happenings related to my case".

Some great comments and police work, Thank You!!

7. Hello,

My house was broken into in early January (January 6, 2015) and I wanted to send a quick note regarding my experience with the Shoreline Police Department.

Officer Perry showed up at my door within 10 minutes of my call. I was not expecting anyone to arrive that quickly as this was not an active break-in, so that was my first surprise. He was courteous, kind and sympathetic. As soon as we realized we could track the suspect via the iPhone that had been stolen, the officer zipped out, trailed the suspect and was able to call for undercover back up. Incredibly, within 2 hours of my initial call I was in the station collecting the items that had been stolen that night! I feel the need to share my story because there is so much negativity in the media relating to the police right now. Sure, a mixture of great timing and good luck played a role in the outcome but the skill of the Detectives and the manner in which they approached the case was beyond terrific. They handled the case quickly, took my concerns seriously and treated me and the suspect with respect and dignity.

The suspect pled guilty and was sentenced Friday May 1st at the King County Courthouse. I was able to attend the sentencing and feel that being there and seeing this event to completion gives me a sense of closure. As I think about the events of that night I am simply amazed by and will be forever grateful to my Shoreline Police Department. Detective Brett Davis and the rest of the team went above and beyond the call of duty to help make sure I was kept informed of the happenings related to my case. They answered all of my questions completely and even took the time to give me good advice regarding steps I can take to protect myself in the future.

I wish I could remember the names of all the officers and detectives that helped me that night and in the investigation that followed. I hope that by including my name and case number they can all be identified and given proper recognition.

Thanks again and please feel free to contact me if you have any questions.

Sincerely,

Linnea Rodriguez
Case number 15-005198

Thank you,
City of Shoreline
